PROGRAM PAUSE

**Homeless Shelter Facilities and Homeless Services Facilities Capital
Improvement Funds**

Issuing Agency: State of Connecticut Department of Housing

Release Date: 06/01/2026

Funding for the Homeless Shelter Facilities and Homeless Services Capital Improvement program has been fully exhausted. Grantees that have received application notifications or award letters to date will be processed, and all open activities will be completed in accordance with their contract awards.

New applications will not be accepted until such time as additional funding can be allotted to the program, which is anticipated sometime in the next six months.

A new Notice of Funding Availability will be posted at the Department of Housing website, and renewed outreach will be conducted at that time.

Thank you for your interest.
