# EXHIBIT Q6-3 PMH CODE OF BUSINESS CONDUCT

# Code of Business Conduct
# Ethical Business Practice

As approved by the Board of Directors on September 10, 2013

## *A Message to Directors and Employees:*

*As Directors and employees of Prospect Medical Holdings, Inc and its subsidiaries (referred to in the following pages as "Company"), we are responsible for conducting the business affairs of the Company in accordance with applicable laws, in an honest manner, and with the highest professional and ethical standards.*

*To make certain that we understand what is expected of us, the Company and its Board of Directors have adopted the following policies.*

*This Code of Business Conduct / Ethical Business Practice and the incorporated corporate policies (collectively, "Code") contain commonsense rules of conduct. We ask that you read the Code carefully and completely, because it is essential that you fully comply with these policies in the future. If you have any questions, talk them over with your manager or another member of management. Alternatively, feel free to contact the Human Resources or Legal Departments.*

*Please sign the acknowledgment page confirming that you have received the Code, understand it represents mandatory policies of the Company and agree to abide by it. Return the signed copy to the Human Resources Department where it will be placed in your personnel file and keep the Code for future reference.*

*Thank you for your attention to this important matter.*

***Sincerely,***

*Samuel S. Lee*
*Chairman and Chief Executive Officer*

## Code of Business Conduct / Ethical Business Practice

Directors and employees of the Company, its subsidiaries and affiliated companies, are to conduct their business affairs in accordance with the highest ethical standards. Policies are to be applied in good faith with reasonable business judgment to enable the Company to achieve its operating and financial goals within the framework of the law. Directors and employees shall not conduct themselves in a manner that is directly or indirectly detrimental to the best interests of the Company or in a manner which would bring financial or any other gain to any Director or employee at the expense of the Company. Ethical as well as legal obligations will be fulfilled openly, promptly, and in a manner that will reflect positively on the Company's name.

Agreements, whether written or verbal, will be honored. No bribes, bonuses, kickbacks, lavish entertainment, or gifts will be exchanged for special position, price, or privilege. It is Company policy that contracts are reviewed by legal counsel. By contract, we mean each agreement, memorandum of understanding, or other document or arrangement that could reasonably be expected to impose an obligation. Please bear in mind that your conduct and/or your conversations may have, under certain circumstances, the unintended effect of creating an obligation which the Company cannot meet.

The Company requires Directors and employees to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. Directors and employees must practice honesty and integrity in every aspect of dealing with other Directors and employees, the public, the business community, stockholders, customers, members and government authorities.

Directors and employees will maintain the confidentiality of the Company's sensitive or proprietary information and will not use such information for their personal benefit or the benefit of another person or entity. Directors and employees shall refrain, both during and after their employment, from publishing any oral or written statements about the Company or any of its Directors or employees that are slanderous, libelous or defamatory. Statements disclosing private or confidential information about their business affairs or constituting an intrusion into their private lives should be avoided.

Directors and employees will comply with the stock ownership requirements set forth by the Board of Directors, which may relate to the ownership of stock in the Company's parent company or other affiliates.

The Company prohibits unlawful discrimination against Directors and employees, stockholders, members, customers or suppliers on account of race, color, religion, sex, sexual orientation, gender identity or expression, pregnancy, marital status, national origin, citizenship, veteran status, ancestry, age, physical or mental disability, medical condition, genetic predisposition, or any other consideration made unlawful by applicable laws. All persons shall be treated with dignity and respect and they shall not be interfered with in the conduct of their duties and responsibilities.

Directors and employees should not be misguided by any sense of loyalty to the Company or a desire for profitability that might cause them to disobey any applicable law or Company policy. Illegal behavior on the part of any Director or employee in the performance of Company duties will not be condoned or tolerated.

The Company is committed to evaluating the effectiveness of the Code through various efforts on an ongoing basis. Adherence to and support of the Code is a condition of employment. Violation may result in disciplinary action, which may include termination.

The Code will be distributed to new Directors and employees and be distributed again to all Directors and employees on an annual basis. Directors and employees are required to sign the acknowledgment confirming they have received the Code, read it and understand it represents mandatory policies of the Company and agree to abide by it. The Company welcomes any suggestions to help improve its business conduct.

Directors and employees can report violations of the law or the Code by calling the Ethics and Compliance Hotline at (877) 814-9252. The Hotline is open 24 hours a day, 7 days a week, and is operated by an independent company. Directors and employees may remain anonymous and translators are available.

## Antitrust & Competition

No Director or employee of the Company shall enter into any understanding, agreement, plan or scheme, express or implied, formal or informal, with any competitor to fix prices, contract terms, territories or customers. Authorized senior management of the Company must authorize any discussion with competitors in connection with a project in which the competitor is an alliance partner, joint venturer or subcontractor.

Directors and employees responsible for the conduct or practices of the Company which could in any way involve antitrust or anti-competitive activities should consult with their manager or another appropriate member of management about such matters.

There shall be no exception to this Policy, nor shall it be compromised or qualified by anyone acting for or on behalf of the Company.

## Bribery

The Company prohibits payment to suppliers or customers in the form of bribes, kickbacks or payoffs. Directors and employees are also prohibited from receiving, directly or indirectly from a third party, anything of a significant value (other than salary or other ordinary compensation paid by the Company) in connection with a transaction entered into by the Company.

The Company also prohibits Directors and employees from paying any bribe, kickback or other similar unlawful payment to, or otherwise entering into a sensitive transaction with, any public official, political party, candidate for public office or other individual, to secure any contract,

concession or other favorable treatment for the Company or for personal gain. Any extraordinary payments, including extravagant entertainment or gifts of significant value (in general this means the cost will exceed £100), for the express purpose of obtaining or retaining business or unduly influencing some matter in favor of the Company is prohibited. Directors and employees who make such agreements are subject to appropriate action by the Company, as well as the legal consequences of applicable law.

Bribes, kickbacks and payoffs include, but are not limited to: gifts other than nominal value (in general this means the cost will not exceed £100); the uncompensated use of Company services, facilities or property; loans, or loan guarantees or other extensions of credit.

This Policy does not prohibit reasonable expenditures for meals and entertainment of suppliers and customers, which are an ordinary and customary business expense. These expenditures should be included on expense reports and approved under standard Company procedures.

## Confidential Information

In carrying out the Company's business, Directors and employees often learn confidential or proprietary information about the Company, its customers, suppliers or members. An unauthorized disclosure could be harmful to the Company or helpful to a competitor.

Therefore, no Director or employee entrusted with or otherwise knowledgeable about information of a confidential or proprietary nature shall disclose or use that information outside the Company or for personal gain, either during or after employment without the valid and proper written authorization from the Company.

The Company also works with proprietary data of suppliers, members and customers. The protection of such data is of the highest importance and must be discharged with the greatest care for the Company to merit the continued confidence of such persons. No Director or employee shall disclose or use confidential or proprietary information owned by someone other than the Company to non-employees without Company authorization, or disclose the information to others unless a need-to-know basis is established.

In general when describing or talking about the Company, it is safe to mention what we do and not how we do it or how much it costs.

## Conflicts of Interest

Directors and employees have a duty to the Company to advance the Company's legitimate interests when the opportunity to do so arises. Timely and proper disclosure of possible conflicts of interest that Directors and employees may have in connection with job duties and responsibilities is necessary to protect the best interests of the Company. Possible conflict of interest situations should be promptly and fully disclosed to the Company's senior management.

A conflict of interest may occur if outside activities, personal financial interests, or other interests influence one's ability to make objective decisions in the course of their responsibilities as a Director or employee. A conflict of interest may also exist if the demands of any outside activities hinder or distract Directors or employees from the performance of their responsibilities or cause the individual to use Company resources for other than Company business.

The Company has always been concerned with outside business interests of its Directors and employees that might possibly conflict with the interests of the Company. The Company expects and requires Directors and employees to be honest and ethical in the handling of actual or apparent conflicts of interest between personal and business relationships.

A precise definition of what constitutes a conflict of interest is difficult. There are certain situations which the Company will always consider to be a conflict of interest. These occur if any person having a close personal relationship with the Director or employee, such as, spouse, parents, children, siblings, in-laws, any person living in the same home with the Director or employee or any business associate of the Director or employee:

1. Obtains a significant financial or other beneficial interest in one of the Company's suppliers, customers or competitors without first notifying the Company and obtaining written approval from authorized senior management of the Company;
2. Engages in a significant personal business transaction involving the Company for profit or gain, without first notifying the Company and obtaining written approval from authorized senior management of the Company;
3. Accepts money, gifts, hospitality, loans, guarantees of obligations or other special treatment from any supplier, customer or competitor of the Company;
4. Participates in any sale, loan or gift of Company property without first notifying the Company and obtaining written approval from authorized senior management of the Company;
5. Learns of a business opportunity through association with the Company and discloses it to a third party or invests in or takes the opportunity personally without first notifying the Company;
6. Uses corporate property, information, or position for personal gain; or
7. Competes with the Company.

## Equal Opportunity Employer

The Company is an equal opportunity employer and makes employment decisions on the basis of merit. The Company wants to have the best available people in every job. Therefore, the Company does not discriminate, and does not permit its employees to discriminate against other employees or applicants because of race, color, religion, gender, sex, sexual orientation, gender identity or expression, pregnancy, marital status, national origin, citizenship, veteran status, ancestry, age, physical or mental disability, medical condition, genetic predisposition, or any other basis protected by applicable federal, state, or local law. Equal employment opportunity

will be extended to all persons in all aspects of the employer-employee relationship, including recruitment, hiring, upgrading, training, promotion, transfer, compensation, benefits, discipline, layoff, recall and termination.

An employee who believes he or she has been or is being subjected to discrimination should bring this matter to the attention of his or her immediate supervisor, department head or Human Resources. If management receives a complaint of discrimination, they shall report the complaint immediately to Human Resources. Nothing in this policy requires any employee complaining of discrimination to present the matter to the person who is the subject of the complaint. All complaints of discrimination will be promptly investigated. The privacy of the persons involved will be protected, except to the extent necessary to conduct a proper investigation. If the investigation substantiates the complaint, immediate action will be taken to end the discrimination, prevent its recurrence and remedy the situation.

An employee who reports discrimination or participates in an investigation related to a complaint of discrimination shall not be retaliated against or adversely treated on the basis thereof.

## Fraud & Similar Irregularities

Directors and employees are obligated to protect Company assets and ensure their efficient use. Theft, carelessness and waste of Company assets by Directors and employees may result in their termination and other corrective actions by the Company. Company assets shall be used only for the legitimate business purposes of the Company.

Fraud includes, but is not limited to, dishonest or fraudulent acts; embezzlement; misappropriation of assets; forgery or alteration of negotiable instruments such as Company checks and drafts; taking or using Company supplies or any other Company asset for a purpose other than Company business; unauthorized handling or reporting of Company transactions; and falsification of Company records or financial statements for personal reasons or any other reason.

Directors and employees are obligated to report any fraud, whether material or not to the Company. Reports will be investigated promptly and discreetly. Directors and employees will not suffer adverse consequences as a result of making such a report. However, failure to report a fraud will have a direct negative effect on that person's relations with the Company.

## Policy Against Harassment

The Company is committed to providing a work environment that is free of unlawful discrimination and/or harassment. In keeping with this commitment, the Company maintains a strict policy prohibiting unlawful harassment in the workplace, including sexual harassment, by any employee and by any third parties such as patients, doctors, vendors or visitors. In addition, any harassment of an employee on the basis of race, color, religion, gender, sex, sexual orientation, gender identity or expression, pregnancy, marital status, national origin, citizenship, veteran status, ancestry, age, physical or mental disability, medical condition, genetic predisposition or any other protected classification is also strictly prohibited.

The Company considers harassment a serious act of misconduct for which an employee will be disciplined, up to and including immediate discharge. Management who fail to report violations of the Company's Policy Against Harassment will be disciplined , up to and including suspension and termination of employment. The term "harassment" includes sexual, racial, ethnic, and other forms of harassment, including harassment based upon disability.

Some examples of what may be considered harassment, depending on facts and circumstances, include the following:

Sexual Harassment. Unwelcome sexual advances, requests for sexual favors, widespread sexual favoritism, and other verbal, physical or visual conduct of a sexual nature constitute unlawful sexual harassment if (i) submission to such conduct is made an explicit or implicit term or condition of employment; (ii) submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual; or (iii) such conduct has the purpose or effect of either (a) unreasonably interfering with an individual's work performance or (b) creating an intimidating, hostile, or offensive working environment. Sexual harassment includes gender harassment and harassment on the basis of pregnancy, childbirth or related medical conditions, and also includes sexual harassment of an employee of the same gender as the harasser.

Examples of conduct which may violate this Policy include, but are not limited to: offensive or unwelcome sexual flirtations, advances or propositions; threats and demands to submit to sexual requests; offering employment benefits in exchange for sexual favors; making or threatening reprisals after a negative response to sexual advances; widespread sexual favoritism; verbal abuse of a sexual nature; graphic verbal commentaries about an individual's body; sexually degrading words used to describe an individual; sexually-oriented jokes, e-mails, or written materials; visual conduct, including leering, making sexual gestures, displaying of sexually suggestive objects or pictures, cartoons or posters; accessing sexually explicit, pornographic and/or socially offensive websites, chat rooms or other material on the internet or other computer systems; and the unwelcome physical touching of others.

Other Harassment. The Company also will not tolerate any harassment of an employee on the basis of race, gender, religion, color, national origin, sex, sexual orientation, sexual identity, transgender identity, age, ancestry, marital status, disability, medical condition, pregnancy, veteran's status, genetic predisposition or any other protected classification. Examples of such conduct which may violate this policy include, but are not limited to, verbal abuse of a racially derogatory nature; the use of racial or ethnic slurs; racially or ethnically disparaging words used to describe an individual; and racial, ethnic or other derogatory jokes, e-mail, written materials, drawings or cartoons which are racially or otherwise offensive.

Manager Training

As part of the Company's commitment to provide a harassment free workplace, the Company provides and requires training for all managers and supervisors on sexual harassment and other forms of prohibited harassment.

Complaint Procedure

If you believe that you have been discriminated against or you have been harassed by a co-worker, supervisor, patient, or vendor; have witnessed possible discrimination and/or harassment; or if you believe that the Company or another employee has violated any applicable law in the conduct of the Company's business, you have a duty to immediately bring the incident(s) to the attention of Human Resources, or to your supervisor or manager. Any supervisory or managerial employee who receives such a complaint must promptly report it to Human Resources. The description of the incident(s) can be given verbally or in writing.

The matter will be thoroughly investigated, with confidentiality maintained to the extent possible. The Company will promptly investigate the complaint and take appropriate remedial action. It is the obligation of all employees to cooperate fully in the investigation process.

The Company will take action to deter any future discrimination and/or harassment. The Company considers any discrimination and/or harassment to be a serious offense which can result in disciplinary action for the offender, up to and including termination. In addition, disciplinary action will be taken against any employee who attempts to discourage or prevent another employee from bringing discrimination, harassment and/or a violation of law to the attention of management.

Policy Against Retaliation

The Company strictly prohibits retaliation, coercion or intimidation against any person who has, in good faith, opposed harassment or discrimination, filed a complaint of harassment or discrimination, or participated in any proceeding involving a complaint of harassment or discrimination. Any employee who is found to have committed such retaliation will be subject to discipline, up to and including termination. Any employee who experiences or witnesses any conduct believed to be retaliatory should immediately follow the reporting procedures stated above.

## Health & Safety

Health and safety is a primary goal of the Company. The Company will comply with all applicable laws to protect the health and safety of its employees in the workplace. Management shall take such actions as are reasonable and necessary to protect Directors, employees and the Company.

To maintain a safe workplace, employees must be safety conscious at all times. Employees must advise their Supervisor or Human Resources if they are aware of any condition presenting a danger so that corrective action may be taken to remove the danger.

Employees should report personal injury, however minor, to the Human Resources Department immediately. First aid kits are readily available in all work areas. In case of emergency, the first person in contact with the injured or ill worker will be responsible for seeking help. The Human Resources Department will assist in obtaining treatment for the injured worker.

## Political Activities & Contributions

The Company encourages participation in the political process by its Directors and employees. The federal government and some states have, however, enacted laws regulating campaign contributions in order to limit the political influence of certain types of contributors, such as corporations, to political candidates and participation in political campaigns.

The Company will comply with applicable laws regulating political influence and campaign contributions. The Company believes strongly in the democratic political process and that its Directors and employees should take an active interest in fostering principles of good government in the communities in which they live. Directors and employees may spend their own time and funds supporting political candidates and issues but the Company will not reimburse them for time or funds used for political contributions.

No Director or employee shall apply pressure, direct or implied, that infringes upon an individual s right to decide whether, to whom and in what amount a personal political contribution is to be made. Directors and employees who represent the Company in political and governmental matters must comply with all laws that regulate corporate participation in public affairs.

When permitted by law and authori ed by authori ed senior management of the Company, Company funds and facilities may be used to inform or influence the voting public on an issue of importance to the business of the Company and its stockholders.

If a Director or employee is asked to make a political contribution and he or she has uestions regarding this policy or applicable law, they should consult with authori ed senior management of the Company.

# EXHIBIT Q7-2 - DUFF & PHELPS' SCOPE OF ENGAGEMENT

DUFF & PHELPS

**Confidential**

August 14, 2015

Eastern Connecticut Health Network, Inc.
71 Haynes Street
Manchester, CT 06040

Ladies and Gentlemen:

This letter sets forth the terms of an agreement between Duff & Phelps, LLC ("Duff & Phelps") and Eastern Connecticut Health Network, Inc. and its wholly owned subsidiaries (collectively, the "Company") under which Duff & Phelps will serve as an independent financial advisor to the Company and its boards of trustees (collectively, the "Board of Trustees") (solely in their capacity as members of the Board of Trustees) (the Company and Board of Trustees collectively, the "Client") to provide an opinion (the "Fairness Opinion" as defined below) in connection with a proposed transaction (the "Proposed Transaction" as described below). Please review this letter agreement, including the attached Terms of Retention (collectively, the "Agreement"), as it will govern the engagement of Duff & Phelps (the "Engagement").

**Description of the Proposed Transaction.** It is Duff & Phelps' understanding that the Proposed Transaction involves the sale of substantially all of the assets of the Company and substantially all of the assets of the Company's subsidiaries to a third-party buyer for cash consideration and certain post-closing covenants.

**Fairness Opinion.** Duff & Phelps will opine as to the fairness, from a financial point of view, to the Company of the consideration to be received by the Company in the Proposed Transaction. Duff & Phelps hereby acknowledges and agrees that it is an independent third party with respect to the Proposed Transaction, and is an expert in providing opinions like the Fairness Opinion.

**Nature and Scope of Engagement.** The scope of this Engagement will include such inquiries, analyses, and other procedures as Duff & Phelps deems necessary to enable Duff & Phelps to render the Fairness Opinion, which Fairness Opinion shall take into account the criteria set forth in Connecticut General Statute §19a-486c(a), including but not limited to an analysis of the fair market value to be paid in connection with the Proposed Transaction. The Company shall make available to Duff & Phelps all documents and information concerning the Company's business and operations which Duff & Phelps reasonably requests, including, without limitation: current and historical financial information; financial projections or forecasts prepared by management; third-party appraisals or valuations previously performed, if any; and any other relevant information relating to the Company or the Proposed Transaction prepared by the Company or any of its other advisors. The Company will provide documentation relating to the Proposed Transaction as

Duff & Phelps, LLC
10100 Santa Monica Boulevard
Suite 1100
Los Angeles, CA 90067

T +1 424 249 1650
F +1 424 249 1651

www.duffandphelps.com

it becomes available. The Company will also provide Duff & Phelps with reasonable access to the Company's officers, directors, and legal, financial and accounting advisors as appropriate. In addition to reviewing documents and information provided by the Company, Duff & Phelps will also review industry and selected public company financial data it deems relevant, to the extent available, obtained from public and other available sources. Duff & Phelps will use generally accepted valuation and analytical techniques as the basis for its analysis and Fairness Opinion.

The scope of Duff & Phelps' analysis and Fairness Opinion will exclude any opinion as to the fairness of compensation arrangements arising from the Proposed Transaction which benefit any officer, director, or employee of the Company, or any class of such persons.

Prior to the issuance of the Fairness Opinion, Duff & Phelps will confirm certain facts and representations with the Company's management. Duff & Phelps may do this by providing the Company's management with drafts of the Fairness Opinion or presentation materials under the condition that in no circumstances are such drafts to be copied or given to other persons. Duff & Phelps may also require a letter from management confirming representations management has made and upon which Duff & Phelps has relied.

Upon concluding Duff & Phelps' analysis, and after the review of the findings, analysis, and conclusions by Duff & Phelps' Opinion Review Committee, Duff & Phelps would be available to make a presentation to the Client summarizing Duff & Phelps' analysis and conclusions at no additional cost other than reasonable out-of-pocket expenses. Assuming timely availability of management and receipt of the information requested, Duff & Phelps will provide the Fairness Opinion by September 4, 2015. The Fairness Opinion will be set out in a written opinion letter, which will be in a form and substance Duff & Phelps deems appropriate and will set forth the scope of its assignment, the principal materials reviewed and assumptions and qualifications upon which it has relied.

The Company acknowledges that it is contracting with Duff & Phelps on an arm's length basis to provide the services described herein, and that it is not the intent of the parties to create a fiduciary relationship.

**Fees.** Duff & Phelps' professional fees for the Engagement will be $100,000, with a nonrefundable retainer of $50,000 payable upon execution of this Agreement and $50,000 payable upon Duff & Phelps informing the Company that it is prepared to deliver the Fairness Opinion. No portion of these fees is refundable or contingent upon the consummation of a transaction or the conclusion reached in the Fairness Opinion. Furthermore, the Company agrees to pay additional fees at Duff & Phelps' standard hourly rates for any time incurred should Duff & Phelps be called upon to support its findings subsequent to the delivery of the Fairness Opinion (e.g., discuss its findings and analysis with a regulatory agency or deposition preparation and testimony as a fact witness) and/or to assist in the preparation or review of relevant sections of documents associated with the Proposed Transaction. In addition to professional fees, the Company agrees to promptly reimburse Duff & Phelps, from time to time upon request, for its reasonable out-of-pocket expenses (including travel, meals, lodging, telephone, document

reproduction, telecopying, computer charges, and database access fees), and for reasonable fees and expenses of outside counsel retained by Duff & Phelps, incurred in connection with the Engagement. In the event that: (1) the terms of the Engagement are modified after substantial completion of the analysis by Duff & Phelps in preparation of its Fairness Opinion and such modification requires substantial additional analysis or other services by Duff & Phelps, or (2) the Fairness Opinion is delivered subsequent to November 30, 2015, the Company agrees to negotiate in good faith the terms of additional compensation to Duff & Phelps.

**Term.** Either the Company or Duff & Phelps may terminate the Engagement at any time by written notice. After termination, Duff & Phelps will no longer be obligated to render any additional services, and the Company will only be liable for paying Duff & Phelps for its professional time in excess of the retainer and reimbursing Duff & Phelps for expenses incurred through the date of termination. The other terms of this Agreement will remain in effect, including the indemnification provisions set forth in the Terms of Retention.

Please indicate the Company's acceptance of, and agreement to, all of the terms and provisions of this Agreement by executing and returning it to Duff & Phelps along with the retainer.

**Duff & Phelps, LLC**
**Terms of Retention**

The following terms set out the agreements under which Duff & Phelps is being engaged by the Company on behalf of the Client. Capitalized terms used in these Terms of Retention but not defined herein have the meanings ascribed thereto in the letter agreement to which these Terms of Retention are attached.

**Information.** The Company agrees to promptly notify Duff & Phelps if the Company believes that any such information has become materially misleading. The Company further warrants and represents that any projections provided by it to Duff & Phelps will have been prepared in good faith and will be based upon assumptions which, in light of the circumstances under which they are made are reasonable. In rendering its services hereunder, Duff & Phelps assumes no responsibility for, and will not independently verify, the accuracy or completeness of any information provided by or on behalf of the Company, any other information provided or otherwise made available to Duff & Phelps regarding the Company or the Proposed Transaction, or any other information, data, advice, opinions or representations, whether obtained from public or private sources. Duff & Phelps' Fairness Opinion will state that it has not independently verified the accuracy or completeness of any such information.

**Certain Limitations.** Duff & Phelps will not evaluate the Company's solvency or independently appraise or physically inspect any of the Company's specific assets or liabilities (contingent or otherwise). Duff & Phelps further will not independently investigate any legal matters involving the Company. The Fairness Opinion will not address any related transaction, will not address the market price or value of any of the Company's securities following the announcement or consummation of the Proposed Transaction, and will not constitute a recommendation as to how the Client or any stockholder should vote or act with respect to any matters relating to the Proposed Transaction or any related transactions. The Fairness Opinion will be based upon Duff & Phelps' assessment of general economic, financial, and market conditions as they exist and can be evaluated by Duff & Phelps as of the date of the Fairness Opinion. The Fairness Opinion is inherently subjective; reasonable professionals or individuals reviewing the same information could reach different conclusions. The ultimate decision must be made by the Client and will need to take into account factors unrelated to the specific financial analysis provided by Duff & Phelps. The Fairness Opinion will specifically set forth these and other reasonable limitations and will state that, to the extent that any of these assumptions or any of the facts on which the Fairness Opinion is based proves to be untrue in any material respect, the Fairness Opinion could not and should not be relied upon. Duff & Phelps will provide the services described herein but will not act as an agent or broker to any person. Duff & Phelps will not solicit the purchase or sale of securities.

**Coordination; Legal Matters.** For Duff & Phelps to be effective, it will need the cooperation of the Company and its other advisors. The Company acknowledges that it will need to retain counsel for review of legal matters. Duff & Phelps may rely upon the fact that the Company has been advised by counsel as to all legal matters and may further rely on any advice given the

Company by such counsel. Duff & Phelps will not make, and assumes no responsibility to make, any representation, or render any opinion, as to any legal matter.

**Confidentiality.** Duff & Phelps will use any non-public or proprietary information provided by the Company ("Confidential Information") solely in the course of this Engagement and in a manner which Duff & Phelps believes in good faith is consistent with the Company's interests or is required by law. To allow Duff & Phelps to comply with this obligation, all Confidential Information whose sensitivity and confidentiality is not obvious must be marked "confidential."

**Use of Advice.** It is understood that the advice rendered by Duff & Phelps is solely for the information of the Client (including its corporators) in connection with its evaluation of the Proposed Transaction and may not be used for any other purpose without Duff & Phelps' prior written consent. Notwithstanding the prior sentence, Duff & Phelps' Fairness Opinion may be included in its entirety by Client in response to any request by or filing with a regulatory agency or court made by the Client in connection with the Proposed Transaction. The Client may also summarize or otherwise reference the existence of the Fairness Opinion in response to any press or other inquiry provided that any such summary or reference language shall be subject to the prior approval of Duff & Phelps. Except as set forth above, the Client agrees to obtain Duff & Phelps' written consent (not to be unreasonably withheld) before disclosing any of Duff & Phelps' advice or analysis to anyone, or otherwise making reference to its role, whether orally or in writing.

**Potential Conflicts.** Duff & Phelps has undertaken a limited review of its records to determine Duff & Phelps' professional relationship with the Client, and other parties of interest, and has identified no current relationships that would preclude it from accepting this Engagement. However, Duff & Phelps may represent (in unrelated matters), parties interested in the Company or the Proposed Transaction, or persons who are the Company's competitors or creditors, or whose interests otherwise conflict with those of the Company. Duff & Phelps will not have any obligation to disclose any unrelated representation or any information it learns in the course of any unrelated representation to the Company, or to use that information in connection with the Engagement.

**Relationships and Compensation.** It is understood and agreed that any Fairness Opinion rendered by Duff & Phelps with respect to the Proposed Transaction may disclose: (1) Duff & Phelps' role with respect to the Proposed Transaction, (2) the compensation therefor and any other payment or compensation that Duff & Phelps will receive which is contingent upon the successful completion of the Proposed Transaction, for rendering the Fairness Opinion, and/or for serving as an advisor, and (3) any material relationship that existed during the two years preceding the date of such Fairness Opinion or that, as of such date, is mutually understood to be contemplated and any compensation received or to be received as a result of the relationship between Duff & Phelps, the Company, and/or any party involved in the Proposed Transaction. In order to facilitate such disclosures, the Company will (and will exercise commercially reasonable efforts to cause any other parties to the Proposed Transaction to) cooperate with Duff & Phelps to identify and describe any material relationships between the Company or any other transaction

party and Duff & Phelps that existed during the two years preceding the date of the Fairness Opinion or that is mutually understood to be contemplated as of the date of the Fairness Opinion, and any compensation received or to be received by Duff & Phelps as a result of such relationship between Duff & Phelps and the Company or any other transaction party.

**Corporate Obligation.** The obligations of Duff & Phelps are solely corporate obligations. None of its directors, officers, employees, agents, stockholders, or controlling persons will individually be subject to any liability to the Company or anyone else, and the Company will not assert any such claim.

**Disputes.** Client and Duff & Phelps do not anticipate any disputes between them, but it is always prudent to provide a rational process to resolve any that may occur. Client and Duff & Phelps agree that any legal action or proceeding with respect to this Agreement may be brought in the courts of the State of New York or of any United States District Court located in the State of New York, and each consents to the non-exclusive jurisdiction of those courts. Client and Duff & Phelps hereto also irrevocably waive any objection, including any objection to the laying of venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of this Agreement. Client and Duff & Phelps waive personal service of any summons, complaint, or other process, which may be made by any other means permitted by the law of such state. Each of Duff & Phelps and the Client waives its constitutional right to a jury trial. Solely for purposes of enforcing the indemnification provisions herein, the Company hereby consents to personal jurisdiction, service of process, and venue in any court in which any Claim which is subject to the terms provided for herein is brought against Duff & Phelps or any other Indemnified Person. Client and Duff & Phelps agree that any legal proceeding arising from or in connection with this Engagement (or any variation or addition thereto) must be commenced within one year from the date when such party becomes aware of or ought reasonably to have become aware of the facts which give rise to the alleged liability and in any event not later than two years after any alleged breach of contract or act of gross negligence or commission of any other tort.

**Indemnification and Contribution**. The Company agrees to promptly, upon demand, indemnify and hold harmless Duff & Phelps and its affiliates, and its and their respective directors, officers, attorneys and other agents, stockholders, employees, and controlling persons (each an "Indemnified Person"), from and against any losses, claims, damages, judgments, assessments, and liabilities (joint or several) to the Company or third parties, (collectively, "Losses"), and will reimburse each Indemnified Person for all costs (including, without limitation, expenses, fees and disbursements, and time charges related to giving testimony or furnishing documents in response to a subpoena or otherwise) and fees and expenses (including, without limitation, reasonable fees and disbursements of counsel and accountants and the costs of any investigation and preparation) as and when they are incurred (collectively, "Expenses"), resulting directly or indirectly from any threatened or pending investigation, lawsuit, action, claim, proceeding, or dispute, including securityholder actions (whether or not Duff & Phelps or any other Indemnified Person is a potential or actual named party or witness) (collectively, a "Claim"), which: (1) are related to or arise out of any untrue statement or alleged untrue statement of a material fact

contained in any oral or written information provided to Duff & Phelps or any other person by the Company or used by the Company in connection with the transaction contemplated by this Agreement or any omission or alleged omission by the Company to state therein a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or (2) are otherwise related to or arise out of Duff & Phelps' Engagement, role, activities, or the performance or non-performance of professional services on the Company's behalf. The Company will not be responsible, however, for any Losses or Expenses pursuant to clause (2) of the preceding sentence which are judicially determined to have resulted primarily from the fraud, willful misconduct or gross negligence of the Indemnified Person; but pending any such judicial determination, the indemnification and reimbursement obligations of the Company hereunder shall continue to apply. Upon any such determination any Losses or Expenses previously funded by the Company shall be refunded by such Indemnified Person. However, the Company will not be responsible for any Losses which: (1) result from any settlement not approved by the Company in its reasonable judgment, or (2) are determined by a final judgment of a court of competent jurisdiction to have resulted primarily and directly from the fraud, willful misconduct or gross negligence of an Indemnified Person. The Company also agrees that no Indemnified Person will be liable to the Company for or in connection with this Engagement, except for Losses incurred by the Company which are determined by a final judgment of a court of competent jurisdiction to have resulted primarily and directly from the fraud, willful misconduct or gross negligence of that Indemnified Person.

Duff & Phelps will notify the Company if it learns that any Claim has been instituted based, directly or indirectly, on the transactions which were the subject of Duff & Phelps' Engagement under the Agreement, although failure to do so will not relieve the Company from any obligation or liability it has hereunder or otherwise, except to the extent such failure causes the Company to forfeit substantial rights and defenses. Should any Claim be formally instituted against Duff & Phelps or any other Indemnified Person based, directly or indirectly, on Duff & Phelps' Engagement under the Agreement, the Company will be entitled to participate therein with counsel chosen by it and, to the extent that it may wish or as requested by Duff & Phelps, to assume the defense of the Claim, with counsel reasonably satisfactory to Duff & Phelps, so long as the Company continues to pay all costs and expenses of the defense and preparation for such Claim. Even if the Company assumes the defense of a Claim, each Indemnified Person will have the right to participate in such Claim and to retain its own counsel. The Company will be required to pay all reasonable fees and expenses of such counsel as they are incurred only if: (1) such Indemnified Person has been advised by such counsel that there may be legal defenses available to it which are in conflict with or are materially different from or additional to defenses available to the Company (in which case the Company shall not have the right to assume the defense of the Claim on behalf of such Indemnified Person), (2) the Company shall not have assumed the defense of the Claim and employed counsel reasonably satisfactory to such Indemnified Person in a timely manner, or (3) the Company shall have authorized the employment of such counsel in connection with the defense of the Claim.

If any indemnification sought by an Indemnified Person pursuant to the terms hereof is held by a court of competent jurisdiction to be unavailable for any reason or insufficient to hold such

Indemnified Person harmless (other than as a result of the fraud, willful misconduct or gross negligence of any such Indemnified Person), then the Company and Duff & Phelps will contribute to the Losses and Expenses for which such indemnification is held unavailable or insufficient in such proportion as is appropriate to reflect the relative benefits of the Company and the Indemnified Person, or if such allocation is not permitted by applicable law, then in such proportion as is appropriate to reflect not only the relative benefits received by the Company and the Indemnified Person, but also the relative fault of the Company, its directors, officers, employees, affiliates, agents and advisors, on the one hand, and the Indemnified Person, on the other hand, as well as any other relevant equitable considerations, subject to the limitation that the contribution by Duff & Phelps and the other Indemnified Persons will not exceed the amount of fees actually received by Duff & Phelps pursuant to Duff & Phelps' Engagement. The Company agrees that for the purposes hereof the relative benefits received, or sought to be received, by the Company and its securityholders and creditors and ourselves shall be deemed to be in the same proportion as (i) the total value paid or proposed to be paid or received by the Company and its securityholders and creditors, as the case may be, pursuant to the Proposed Transaction (whether or not consummated) for which Duff & Phelps has been engaged to perform the services described in this Agreement bears to (ii) the fees paid or proposed to be paid to Duff & Phelps in connection with the Engagement. No person found liable for fraudulent misrepresentation shall be entitled to contribution from any person who is not also found liable for such fraudulent misrepresentation.

These indemnification and contribution provisions shall: (1) remain operative and in full force and effect regardless of any termination or completion of the Engagement; (2) inure to the benefit of the successors, assigns, heirs, or personal representative of any Indemnified Person; (3) be in addition to any other rights that any Indemnified Person may have at common law or otherwise; and (4) apply to activities prior to this date and after any amendment, modification, or future addition to the Agreement.

**Settlement of Claims.** The Company will not, without the prior written consent of Duff & Phelps (which consent shall not be unreasonably withheld), settle, compromise, or consent to the entry of any judgment in or otherwise seek to terminate any pending or threatened Claim in respect of which indemnification or contribution could be sought hereunder (whether or not Duff & Phelps or any other Indemnified Person is a potential or actual named party to such Claim) unless such settlement, compromise, consent, or termination includes provisions holding harmless and unconditionally releasing Duff & Phelps and each other Indemnified Person hereunder from all liability related to or arising out of such Claim, including claims for contribution.

**Miscellaneous.** Notice given pursuant to any of the provisions of this Agreement shall be in writing and shall be mailed or delivered: (a) if to the Company, at its offices at 71 Haynes Street, Manchester, CT 06040; and (b) if to Duff & Phelps, at its offices at 55 East 52nd Street, 31st Floor, New York NY 10055, Attention: General Counsel with a copy to Todd A. Kaltman, 10100 Santa Monica Boulevard, Suite 1100, Los Angeles, CA 90067.

This Agreement has been and is made solely for the benefit of the Client, Duff & Phelps and the Indemnified Persons and their respective successors and assigns. No other person shall acquire or have any right under or by virtue of this Agreement.

This Agreement: (1) contains all of the understandings between the parties hereto with respect to the subject matter hereof, and no party can rely upon or be bound by any understanding or statement, oral or otherwise, not specifically in this Agreement; (2) cannot be modified or changed except by a written instrument signed by each party hereto; (3) shall be governed by the law of the State of New York, without regard to any conflicts of law provisions; (4) may be executed in counterparts; and (5) shall inure to the benefit of, and shall be binding upon, the respective successors and assigns of the parties hereto and the Indemnified Persons. If any term, provision, covenant, or restriction contained in this Agreement is unenforceable, the remainder of this Agreement shall remain in full force and effect and shall not be affected, impaired, or invalidated in any way.

# I. Introduction and Scope of Analysis

# Introduction and Scope of Analysis

## Background of Engagement

### Engagement

- Duff & Phelps has been engaged by the Company to serve as an independent financial advisor to the Board of Trustees (solely in its capacity as such) to provide an opinion (the "Opinion" as defined below) in connection with a proposed transaction (the "Proposed Transaction" as described below).

- Specifically, Duff & Phelps has been asked to opine as to the fairness, from a financial point of view, to the Company of the consideration to be received by the Company in the Proposed Transaction.

### Proposed Transaction

- It is Duff & Phelps' understanding that the Proposed Transaction involves the sale of substantially all of the assets of the Company and substantially all of the assets of the Company's subsidiaries, other than cash and investments, to an indirect, wholly-owned subsidiary of Prospect Medical Holdings, Inc. ("Prospect" or such subsidiary, the "Buyer") for cash consideration in the amount of $105 million, subject to certain adjustments as described in the Asset Purchase Agreement (as defined below).

- It is our further understanding that the buyer will make certain post-closing covenants with respect to the continued provision of medical services as well as a minimum level of future capital investment.

# Introduction and Scope of Analysis

## Scope of Analysis

In connection with this Opinion, Duff & Phelps has made such reviews, analyses and inquiries as it has deemed necessary and appropriate under the circumstances. Duff & Phelps also took into account its assessment of general economic, market and financial conditions, as well as its experience in securities and business valuation, in general, and with respect to similar transactions, in particular. Duff & Phelps' procedures, investigations, and financial analysis with respect to the preparation of its Opinion included, but were not limited to, the items summarized below:

- Reviewed the following documents:
  - The Company's consolidated audited financial statements for the fiscal years ("FY") ended September 30, 2010 through 2014 and the Company's unaudited interim financial statements for the nine-month periods ended June 30, 2014 and 2015;
  - Various audited and unaudited financial statements related to the joint venture investments held by ECHN (the "JV Investments");
  - Other internal documents relating to the history, current operations, and probable future outlook of the Company, including financial projections for FY 2015 through FY 2019, provided to us by Management (the "Management Projections"); and
  - Documents related to the Proposed Transaction, including the draft Asset Purchase Agreement, dated July 9, 2015, by and between the Company and the Buyer (the "Asset Purchase Agreement");
- Discussed the information referred to above and the background and other elements of the Proposed Transaction with the Management;
- Performed certain valuation and comparative analyses using generally accepted valuation and analytical techniques including a discounted cash flow analysis, an analysis of selected public companies that Duff & Phelps deemed relevant, and an analysis of selected transactions that Duff & Phelps deemed relevant; and
- Conducted such other analyses and considered such other factors as Duff & Phelps deemed appropriate.

# II. Executive Summary

# Executive Summary

## Transaction Background

- According to management, ECHN determined during 2011 that a stand-alone strategy was no longer a viable option. This determination was based in part on:
  - Weak financial performance – low growth and low margin
  - Coupled with a high debt burden and growing pension liability
  - Leading to an inability to make necessary capital investment in equipment, facilities and technology
  - Leading to difficulties in attracting and retaining both patients and physicians
  - Resulting in further deteriorating financial performance and potential violation of bond covenants

- As a result, in 2012 the Company circulated a request for proposal to six parties with hospital operations in Connecticut, soliciting a range of transaction alternatives. In late 2013, the Company came to an agreement with Vanguard Health Systems ("Vanguard") (subsequently acquired by Tenet Healthcare Corporation) and Yale New Haven Health System ("YNHHS") under which Vanguard and YNHHS would acquire substantially all of the assets and assume certain liabilities of ECHN for a purchase price of $105 million. In December 2014, Vanguard and YNHHS terminated the acquisition in response to the conditions placed upon them by Connecticut's Office of Health Care Access.

- After discussions with several parties, in June 2015 the Company came to agreement with Prospect under which Prospect would acquire substantially all of the assets and assume certain liabilities of ECHN for a purchase price of $105 million subject to certain adjustments as described in the Asset Purchase Agreement. Since the original transaction with Vanguard and YNHHS in fiscal 2013, the Company's financial performance has further deteriorated and its estimated pension liability has significantly increased due to changes in actuarial assumptions.

- In addition to the cash consideration to be paid in the Proposed Transaction, the Buyer will agree to:
  - The continuation, for a minimum of three years, of providing certain healthcare services that ECHN currently provides;
  - The formation of a local advisory board led by community leaders and physicians with oversight responsibility over quality of care;
  - The continuation of ECHN's current policies of providing charity care, indigent care and other community services;
  - The maintenance and financial support for certain health professions teaching programs established by ECHN; and
  - The expenditure of not less than $75 million on capital projects within five years of closing (subject to potential adjustments as described in the Asset Purchase Agreement.)

# III. Methodology

# Valuation Analysis

## Methodologies

**Valuation of the Company**

- Discounted Cash Flow Analysis
  - The Discounted Cash Flow ("DCF") analysis is based on the theory that the current value of an investment is based on the expected receipt of future economic benefits. The DCF value includes the present value of interim cash flows plus the present value of the terminal value. The terminal value of the Company was estimated by applying a multiple to FY 2019 Adjusted EBITDAP.

- Selected Public Companies Analysis / M&A Transaction Analysis
  - Analyzed financial performance and trading multiples of selected public companies in the industry in which the Company operates.
  - Compared the Company's financial performance and other operating characteristics with those of the selected public companies.
  - Identified transactions involving the sale of a controlling interest in companies we deemed similar to the Company.
  - Analyzed the implied valuation multiples paid (Enterprise Value as a multiple of revenue, EBITDAP and beds in service).
  - Applied valuation multiples to the Company's financial performance to derive indications of total enterprise value.

**Valuation of the JV Investments**

- Selected Public Company Analysis – JV Investments
  - Applied valuation multiples to the estimated after-tax net income of the JV Investments to derive indications of value.
  - Analyzed the implied distribution yield from the distributions of the JV Investments relative to the indications of value.

- Gordon Growth Approach
  - Applied the Gordon Growth Model to the after-tax pro form distributions of the JV Investments.

# V. Valuation Analysis

# Valuation Analysis

## Discounted Cash Flow Analysis

- In performing the DCF analysis, we relied on the Management Projections from FY 2015 through 2019.
  - Adjusted Revenue was estimated to grow at a compounded annual growth rate of 1.1% from FY 2014 through 2019.
  - Adjusted EBITDAP margins were estimated to increase from 2.7% in FY 2014 to 4.5% in FY 2019.
  - Capital expenditures are estimated to be between 5.3% and 5.5% of adjusted revenues from FY 2015 through 2019.
- Our DCF utilized a weighted average cost of capital ("WACC") range of 10.75% to 11.75% to discount the unlevered free cash flows of ECHN.
- As a not-for-profit entity, the Company does not pay taxes; however, standard valuation practices dictate that we determine the value of the Company as if it were a taxable corporation. Therefore a tax rate of 39.9% is applied in our analysis based on currently prevailing federal and the state of Connecticut's corporate income tax rates.

# EXHIBIT Q7-4 - DUFF & PHELPS' FAIRNESS OPINION LETTER

DUFF & PHELPS

Confidential September 9, 2015

Eastern Connecticut Health Network, Inc.
71 Haynes Street
Manchester, CT 06040

Ladies and Gentlemen:

Eastern Connecticut Health Network, Inc. and its wholly owned subsidiaries (collectively, the "Company") has engaged Duff & Phelps, LLC ("Duff & Phelps") to serve as an independent financial advisor to the board of trustees (collectively the "Board of Trustees") of the Company and to provide an opinion (the "Opinion") as of the date hereof as to the fairness, from a financial point of view, to the Company of the consideration to be received by the Company in the contemplated transaction described below (the "Proposed Transaction").

**Description of the Proposed Transaction**

It is Duff & Phelps' understanding that the Proposed Transaction involves the sale of substantially all of the assets of the Company and substantially all of the assets of the Company's subsidiaries, other than cash and investments, to an indirect, wholly-owned subsidiary of Prospect Medical Holdings, Inc. (such subsidiary, the "Buyer") for cash consideration in the amount of $105 million, subject to certain adjustments as described in the Asset Purchase Agreement (as defined below). It is our further understanding that the buyer will make certain post-closing covenants with respect to the continued provision of medical services as well as a minimum level of future capital investment.

**Scope of Analysis**

In connection with this Opinion, Duff & Phelps has made such reviews, analyses and inquiries as it has deemed necessary and appropriate under the circumstances. Duff & Phelps also took into account its assessment of general economic, market and financial conditions, as well as its experience in securities and business valuation, in general, and with respect to similar transactions, in particular. Duff & Phelps' procedures, investigations, and financial analysis with respect to the preparation of its Opinion included, but were not limited to, the items summarized below:

Duff & Phelps, LLC

1. Reviewed the following documents:

    a. The Company's consolidated audited financial statements for the years ended September 30, 2010 through 2014 and the Company's unaudited interim financial statements for the nine-month periods ended June 30, 2014 and 2015;

    b. Various audited and unaudited financial statements related to joint venture investments held by ECHN;

    c. Other internal documents relating to the history, current operations, and probable future outlook of the Company, including financial projections, provided to us by management of the Company; and

    d. Documents related to the Proposed Transaction, including the draft Asset Purchase Agreement, dated July 9, 2015, by and between the Company and the Buyer (the "Asset Purchase Agreement");

2. Discussed the information referred to above and the background and other elements of the Proposed Transaction with the management of the Company;

3. Performed certain valuation and comparative analyses using generally accepted valuation and analytical techniques including a discounted cash flow analysis, an analysis of selected public companies that Duff & Phelps deemed relevant, and an analysis of selected transactions that Duff & Phelps deemed relevant; and

4. Conducted such other analyses and considered such other factors as Duff & Phelps deemed appropriate.

**Assumptions, Qualifications and Limiting Conditions**

In performing its analyses and rendering this Opinion with respect to the Proposed Transaction, Duff & Phelps, with the Company's consent:

1. Relied upon the accuracy, completeness, and fair presentation of all information, data, advice, opinions and representations obtained from public sources or provided to it from private sources, including Company management, and did not independently verify such information;

2. Relied upon the fact that the Board of Trustees and the Company have been advised by counsel as to all legal matters with respect to the Proposed Transaction, including whether all procedures required by law to be taken in connection with the Proposed Transaction have been duly, validly and timely taken;

3. Assumed that any estimates, evaluations, forecasts and projections furnished to Duff & Phelps were reasonably prepared and based upon the best currently available information and good faith judgment of the person furnishing the same;

4. Assumed that information supplied and representations made by Company management are substantially accurate regarding the Company and the Proposed Transaction

5. Assumed that the representations and warranties made in Asset Purchase Agreement are substantially accurate;

6. Assumed that the final versions of all documents reviewed by Duff & Phelps in draft form conform in all material respects to the drafts reviewed;

7. Assumed that there has been no material change in the assets, financial condition, business, or prospects of the Company since the date of the most recent financial statements and other information made available to Duff & Phelps;

8. Assumed that all of the conditions required to implement the Proposed Transaction will be satisfied and that the Proposed Transaction will be completed in accordance with the Agreement without any amendments thereto or any waivers of any terms or conditions thereof; and

9. Assumed that all governmental, regulatory or other consents and approvals necessary for the consummation of the Proposed Transaction will be obtained without any adverse effect on the Company.

To the extent that any of the foregoing assumptions or any of the facts on which this Opinion is based prove to be untrue in any material respect, this Opinion cannot and should not be relied upon. Furthermore, in Duff & Phelps' analysis and in connection with the preparation of this Opinion, Duff & Phelps has made numerous assumptions with respect to industry performance, general business, market and economic conditions and other matters, many of which are beyond the control of any party involved in the Proposed Transaction.

Duff & Phelps has prepared this Opinion effective as of the date hereof. This Opinion is necessarily based upon market, economic, financial and other conditions as they exist and can be evaluated as of the date hereof, and Duff & Phelps disclaims any undertaking or obligation to advise any person of any change in any fact or matter affecting this Opinion which may come or be brought to the attention of Duff & Phelps after the date hereof.

Duff & Phelps did not evaluate the Company's solvency or conduct an independent appraisal or physical inspection of any specific assets or liabilities (contingent or otherwise). Duff & Phelps has not been requested to, and did not: (i) initiate any discussions with, or solicit any indications of interest from, third parties with respect to the Proposed Transaction, the assets, businesses or operations of the Company, or any alternatives to the Proposed Transaction, (ii) negotiate the

terms of the Proposed Transaction, and therefore, Duff & Phelps has assumed that such terms are the most beneficial terms, from the Company's perspective, that could, under the circumstances, be negotiated among the parties to the Asset Purchase Agreement and the Transaction, or (iii) advise the Board of Directors or any other party with respect to alternatives to the Proposed Transaction. Duff & Phelps was not requested to and did not determine the Company's value under any liquidation scenario, including the potential proceeds that might be obtained therefrom.

This Opinion should not be construed as a valuation opinion, credit rating, solvency opinion, an analysis of the Company's credit worthiness, as tax advice, or as accounting advice. Duff & Phelps has not made, and assumes no responsibility to make, any representation, or render any opinion, as to any legal matter.

In rendering this Opinion, Duff & Phelps is not expressing any opinion with respect to the amount or nature of any compensation to any of the Company's officers, directors, or employees, or any class of such persons, relative to the consideration to be received by the Company in the Proposed Transaction, or with respect to the fairness of any such compensation.

This Opinion is furnished solely for the use and benefit of the Company, its corporators and the Board of Trustees in connection with its consideration of the Proposed Transaction and is not intended to, and does not, confer any rights or remedies upon any other person, and is not intended to be used, and may not be used, by any other person or for any other purpose, without Duff & Phelps' express consent. This Opinion: (i) does not address the merits of the underlying business decision to enter into the Proposed Transaction versus any alternative strategy or transaction; (ii) does not address any transaction related to the Proposed Transaction; (iii) is not a recommendation as to how the Board of Trustees, any corporator or any other party should vote or act with respect to any matters relating to the Proposed Transaction, or whether to proceed with the Proposed Transaction or any related transaction, and (iv) does not indicate that the consideration received is the best possibly attainable under any circumstances; instead, it merely states whether the consideration in the Proposed Transaction is within a range suggested by certain financial analyses. The decision as to whether to proceed with the Proposed Transaction or any related transaction may depend on an assessment of factors unrelated to the financial analysis on which this Opinion is based. This letter should not be construed as creating any fiduciary duty on the part of Duff & Phelps to any party.

This Opinion is solely that of Duff & Phelps, and Duff & Phelps' liability in connection with this letter shall be limited in accordance with the terms set forth in the engagement letter between Duff & Phelps and the Company dated August 14, 2015 (the "Engagement Letter"). This letter is confidential, and its use and disclosure is strictly limited in accordance with the terms set forth in the Engagement Letter.

**Disclosure of Prior Relationships**

Duff & Phelps has acted as financial advisor to the Board of Directors and will receive a fee for its services. No portion of Duff & Phelps' fee is contingent upon either the conclusion expressed in this Opinion or whether or not the Proposed Transaction is successfully consummated. Pursuant to the terms of the Engagement Letter, a portion of Duff & Phelps' fee is payable upon Duff & Phelps' informing the Company that it is prepared to deliver its Opinion. Duff & Phelps has provided a similar financial opinion to the Board Directors in connection with a prior agreement to sell substantially all assets of the Company; however, such transaction was ultimately terminated prior to closing. Other than the prior engagement noted above, during the two years preceding the date of this Opinion, Duff & Phelps has not had any material relationship with any party to the Proposed Transaction for which compensation has been received or is intended to be received, nor is any such material relationship or related compensation mutually understood to be contemplated.

**Conclusion**

Based upon and subject to the foregoing, Duff & Phelps is of the opinion that as of the date hereof the consideration to be received by the Company in the Proposed Transaction is fair from a financial point of view to the Company.

This Opinion has been approved by the Opinion Review Committee of Duff & Phelps.

Respectfully submitted,

Duff & Phelps, LLC

## Independent Auditor's Report

Board of Directors
Prospect Medical Holdings, Inc.
Los Angeles, California

We have audited the accompanying consolidated financial statements of Prospect Medical Holdings, Inc. (the "Company"), which comprise the consolidated balance sheets as of September 30, 2014 and 2013, and the related consolidated statements of income, statements of stockholder's deficit, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Prospect Medical Holdings, Inc. and its subsidiaries as of September 30, 2014 and 2013, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## 1. Organization

Prospect Medical Holdings, Inc. ("Prospect" or the "Company" or the "Parent Entity") is a Delaware corporation and a wholly owned indirect subsidiary of Ivy Holdings Inc. ("Ivy Holdings").

During the year ended September 30, 2013, the Company incorporated Prospect Health Plan, Inc. ("PHP"), a Delaware corporation and a wholly owned indirect subsidiary of Prospect. On November 4, 2014, the California Department of Managed Health Care ("DMHC") approved PHP's application and issued its license to operate as a Knox-Keene Health Care Service Plan for the purpose of managing "plan-to-plan" contracts with fully licensed Medicare Advantage ("MA") health plans. As part of the strategic effort to expand the Company's plan-to-plan global capitation structure into other geographic markets, Prospect Health Services, Inc. ("PHS") and Prospect Health Services RI, Inc. ("PHSRI") were incorporated during the year ended September 30, 2014, in Texas and Rhode Island, respectively. Collectively, PHP, PHS, and PHSRI will become a new segment in Prospect's operations. For the year ended September 30, 2014, PHP, PHS, and PHSRI did not have any operations.

The Company's operations are currently organized into three primary reportable segments: Hospital Services, Medical Group and Corporate, as discussed below.

***Hospital Services Segment***

The Company owns 13 acute care and behavioral hospitals and extended care facilities in Southern California, the Greater San Antonio, Texas region, and Rhode Island with a total of 2,258 licensed beds, and a network of specialty and primary care clinics, through its subsidiaries, Southern California Healthcare System, Inc. ("SCHS"), Alta Los Angeles Hospitals, Inc. ("Alta Los Angeles Hospitals"), Alta Newport Hospital, Inc., Prospect Hospital Holdings, LLC ("Nix Health"), and Prospect CharterCARE, LLC ("PCC") (collectively, the "Hospital Services segment"). The Hospital Services segment subsidiaries are wholly owned by Prospect, except for PCC, in which Prospect has an 85% interest (see Note 4).

Effective January 1, 2013, the Company merged its Brotman Medical Center subsidiary into its Alta Hollywood Hospitals, Inc. subsidiary. The surviving entity was renamed Southern California Healthcare System, Inc. on June 26, 2013. In connection with the merger, the Company changed the names of the hospitals owned by SCHS to Southern California Hospital at Hollywood ("SCH Hollywood") fka Hollywood Community Hospital, Southern California Hospital at Van Nuys ("SCH Van Nuys") fka Van Nuys Community Hospital, and Southern California Hospital at Culver City ("SCH Culver City") fka Brotman Medical Center.

Effective April 16, 2013, Nix Health acquired Community General Hospital of Dilley, Texas, Inc., through its newly created subsidiary, Nix Community General Hospital, LLC ("Nix CGH"). Nix CGH operates a hospital with 18 licensed beds in the city of Dilley, Texas.

Effective May 6, 2014, Prospect acquired substantially all of the assets and associated real estate of Newport Specialty Hospital ("NSH") through Prospect's newly created subsidiary, Alta Newport Hospital, Inc., and Bellflower Medical Center (subsequently renamed Los Angeles Community Hospital at Bellflower or "LACH Bellflower") through Prospect's subsidiary Alta Los Angeles Hospitals, Inc. NSH, located in Tustin, California, was substantially closed in 2013 except for its pediatric sub-acute unit. LACH Bellflower, located in Bellflower, California, was closed in 2013 and has been non-operational since that time. Prospect intends to fully reopen both facilities, including maintaining the NSH pediatric sub-acute unit.

Effective June 20, 2014, Prospect acquired, through its subsidiary, PCC, substantially all of the assets of CharterCARE Health Partners and its subsidiaries. PCC's operating subsidiaries include Prospect CharterCARE RWMC, LLC ("Roger Williams Medical Center"), Prospect CharterCARE SJHSRI, LLC ("St. Joseph Health Services of Rhode Island"), and Prospect CharterCARE Elmhurst, LLC ("Elmhurst Extended Care"), which include hospitals, medical centers and assisted living facilities located in Rhode Island with 785 licensed beds (collectively, "CharterCARE"). PCC is 85% owned by Prospect and 15% by CharterCARE Community Board (formerly known as CharterCARE Health Partners).

The Company's three community hospitals in Hollywood, Los Angeles and Norwalk offer a comprehensive range of medical and surgical services, including general acute care hospital services, pediatrics, obstetrics and gynecology, pediatric sub-acute care, general surgery, medical-surgical services, orthopedic surgery, and diagnostic, outpatient, skilled nursing and urgent care services. The Company's psychiatric hospital in Van Nuys provides acute inpatient and outpatient psychiatric services on a voluntary basis. SCH Culver City offers a comprehensive range of inpatient and outpatient services, including general surgery, orthopedic, spine, cardiology, diagnostic outpatient, rehabilitation, psychiatric and detox services. In addition, SCH Culver City has an active emergency room that plays an integral part in providing emergency services to the West Los Angeles area.

Nix Health provides comprehensive service offerings at various locations throughout the greater San Antonio, Texas region. These locations include Nix Medical Center, which provides inpatient acute care, geriatric psychiatry services, and emergency room services, Nix Specialty Health Center, which provides a full range of behavioral health and rehabilitation services for children, adolescents, and adults, and a range of health clinics and provider based clinics throughout San Antonio, Texas, and Nix CGH, which operates an inpatient acute hospital in Dilley, Texas and a medical clinic in Pearsall, Texas. Nix Health also opened a 73-bed behavioral health center during the year ended September 30, 2014, which provides psychiatric emergency services and crisis intervention unit.

CharterCARE provides a comprehensive range of services at both Roger Williams Medical Center and St. Joseph's Health Services Rhode Island as well as multiple levels of elder care at Elmhurst Extended Care.

Admitting physicians are primarily practitioners in the local area. The hospitals have payment arrangements with Medicare, Medicaid (Medi-Cal in California) and other third party payers, including commercial insurance carriers, health maintenance organizations ("HMOs") and preferred provider organizations ("PPOs").

***Medical Group Segment***

The Medical Group segment is a healthcare management services organization that provides management services to affiliated physician organizations that operate as independent physician associations ("Medical Groups" or "IPAs"). The affiliated physician organizations enter into agreements with HMOs to provide HMO enrollees with a full range of medical services in exchange for fixed, prepaid monthly fees known as "capitation" payments. The Medical Groups contract with physicians (primary care and specialist) and other healthcare providers to provide enrollees with all medical services. Prospect currently manages the provision of prepaid healthcare services for its affiliated physician organizations in Southern California. The network consists of the following physician organizations as of September 30, 2014 (stand alone or individually referred to as, an "Affiliate"):

Prospect Medical Group, Inc. ("PMG")
Prospect Health Source Medical Group, Inc. ("PHS")

## Notes to Consolidated Financial Statements

Prospect Professional Care Medical Group, Inc. ("PPCM")
Genesis HealthCare of Southern California, Inc. ("Genesis")
Prospect NWOC Medical Group, Inc. ("PNW")
StarCare Medical Group, Inc. ("PSC")
AMVI/Prospect Medical Group ("AMVI/Prospect")
Nuestra Familia Medical Group, Inc. ("Nuestra")
Upland Medical Group, a Professional Medical Group ("UMG")*
Pomona Valley Medical Group, Inc. ("PVMG")*

* PVMG and UMG are collectively referred to as the "ProMed Entities."

These Affiliates are managed by the following two medical management company subsidiaries that are wholly-owned by Prospect:

Prospect Medical Systems, Inc. ("PMS")
ProMed Healthcare Administrators ("PHCA")

All of the Affiliates are wholly-owned by PMG, with the exception of Nuestra, which was 66.95% owned by PMG as of September 30, 2014, and AMVI/Prospect which is a 50/50 Joint Venture between AMVI Care Health Network, Inc. ("AMVI") and PMG. The operations of all of these entities, with the exception of AMVI/Prospect, are consolidated in the accompanying consolidated financial statements. PMG is owned by a nominee physician shareholder pursuant to an assignable option agreement described below.

PMG's ownership in Nuestra increased from 62% as of September 30, 2013 to 66.95% as of September 30, 2014. On October 7, 2013, Nuestra repurchased 109 shares from a physician shareholder that left Nuestra's group medical practice for a de minimis purchase price in accordance with Nuestra's Agreement Concerning Shares of the Company dated September 19, 1995. The repurchase increased the share percentage holdings of all remaining shareholders and Prospect's percentage rose to 66.95% as of October 7, 2013.

The AMVI Joint Venture was formed for the sole purpose of combining enrollment in order to meet minimum enrollment levels required for participation in the CalOptima Medicaid (Medi-Cal in California) program in Orange County, California. The joint venture ownership is set at 50/50 to prevent either party from exerting control over the other; however, AMVI's and PMG's businesses are operated autonomously, and enrollees, financial results and cash flows are each separately tracked and recorded. In accordance with the joint venture partnership agreement, profits and losses are not split in accordance with the partnership ownership interest, but rather, are directly tied to the results generated by each separate portion of the business. Separate from any earnings the Company generates from PMG's portion of business within the joint venture, the Company also earns fees for management services PMS provides to PMG's partner in the joint venture. The Company accounts for PMG's interest in the joint venture partnership using the equity method of accounting. The Company includes in the consolidated financial statements only the net results attributable to those enrollees specifically identified as assigned to the Company, together with the management fee that PMS charges for managing those enrollees specifically assigned to the other joint venture partner.

PMS has entered into an assignable option agreement with PMG and the nominee physician shareholder of PMG. Under the assignable option agreement, Prospect has an assignable option, obtained for a nominal amount from PMG and the nominee shareholder to designate the purchaser (successor physician) for all or part of PMG's issued and outstanding stock held by the nominee physician shareholder (the "Stock Option") in its sole discretion. The Company may also assign the assignable option agreement to any person. The assignable option agreement has an initial term of 30 years and is

automatically extended for additional terms of 10 years each, as long as the term of the related management services agreement described below (the "Management Agreement") is automatically extended. Upon termination of the Management Agreement with PMG, the related Stock Option would be automatically and immediately exercised. The Stock Option may be exercised for a purchase price of $1,000. Under these nominee shareholder agreements, Prospect has the unilateral right to establish or effect a change of the nominee, at will, and without the consent of the nominee, on an unlimited basis and at nominal cost throughout the term of the Management Agreement. In addition to the Management Agreement with PMG, Prospect, through one of its management company subsidiaries, has a management agreement with each Affiliate. The term of the Management Agreements is generally 30 years. PMG is the sole shareholder of PHS, PPCM, Genesis, PNW, PSC, UMG, and PVMG.

The Company's Affiliates have entered into Management Agreements with PMS or PHCA, as applicable (each of which is a wholly-owned subsidiary of Prospect). Each Affiliate has agreed to pay a management fee to PMS or PHCA, as applicable. The fee is based in part on the costs to the management company and on a percentage of revenues the Affiliate receives (i) for the performance of medical services by the Affiliate's employees and independent contractor physicians and physician extenders, and (ii) for all other services performed by the Affiliates. The revenue from which this fee is determined includes medical capitation, all sums earned from participation in any risk pools and all fee-for-service revenue earned. The management fee also includes a fixed amount for marketing and public relations services. Except in the case of Nuestra and AMVI/Prospect, the Management Agreements had initial terms of 30 years, renewable for successive 10-year periods thereafter, unless terminated by either party for cause. Effective September 1, 2013, the Managements Agreements for the ProMed Entities were consolidated under one new Management Agreement with PHCA. Effective October, 1, 2013, the Management Agreements for the rest of the Affiliates, other than Nuestra and AMVI/Prospect, were consolidated under one new Management Agreement with PMS. Those two new Management Agreements with PHCA and PMS include initial five year terms and are renewable for successive five year periods thereafter. In the case of Nuestra, its Management Agreement had an initial 10 year term renewable for successive one year terms, subsequently amended in January 15, 2009 to an initial 20 year term renewable for two 10 year periods. In the case of AMVI/Prospect, the Management Agreement has a one year term with successive one year renewal terms. In return for payment of the management fee, Prospect (through PMS and PHCA) has agreed to provide financial management, information systems, marketing, advertising, public relations, risk management, and administrative support, including for utilization review and quality of care. At its cost, Prospect has assumed the obligations for all facilities, medical and non-medical supplies, and employment of non-physician personnel of its affiliated medical clinics.

The management fee earned by Prospect fluctuates based on the profitability of each wholly-owned Affiliate. Prospect is allocated a 50% residual interest in any profits after the first 8% of the profits. The remaining balance is retained by the Affiliates.

The Management Agreements are not terminable by the Affiliates except in the case of gross negligence, fraud or other illegal acts of Prospect, or bankruptcy of the Company.

Further, Prospect's rights under the Management Agreements are unilaterally saleable or transferable. Based on the provisions of the Management Agreements and the assignable option agreement with PMG, Prospect has determined that it has a controlling financial interest in the Affiliates, with the exception of AMVI/Prospect. Consequently, under applicable accounting principles, Prospect consolidates the revenues and expenses of all the Affiliates except AMVI/Prospect from the respective dates of execution of the Management Agreements. All significant inter-entity balances have been eliminated in consolidation. In the case of AMVI/Prospect, only that portion of the results which are contractually

identified as Prospect's are recognized in the consolidated financial statements, together with the management fee that the Company charges AMVI for managing AMVI's share of the joint venture operations.

Prospect has also entered into management agreements with unaffiliated third parties to manage services to their HMO enrollees. These management agreements do not have characteristics that give rise to the consolidation of the entities under current accounting literature.

The affiliated physician organizations provided medical services to a combined total of approximately 264,600 and 186,100 HMO enrollees as of September 30, 2014 and 2013, respectively. The enrollees include approximately 87,000 and 34,400 enrollees that the Company manages for the economic benefit of six independent third parties, and for which the Company earns management fee income as of September 30, 2014 and 2013, respectively. The total paid member months including managed enrollees, for the fiscal years ended September 30, 2014 and 2013 was 2,785,000 and 2,193,000, respectively.

Effective October 1, 2012, the Company, through its newly created affiliate, New Genesis Medical Associates, Inc. ("NGMA"), dba Genesis Medical Clinic, acquired substantially all of the assets of a physician medical practice located in Orange County, California. NGMA is controlled through a nominee shareholder arrangement like the Stock Option structure utilized for PMG and discussed above.

On December 19, 2013, the Company, through its subsidiary NGMA, purchased stock of Chaparral Medical Group, Inc. ("CMG"), a California medical corporation. Consideration was composed of $1,100,000 in cash at the closing, $700,000 in future cash consideration to be used for the acquired company's general corporate purposes, and 3,750 shares of Ivy Holdings common stock issued at closing to the selling shareholders. After payment of the entire consideration, including the future cash consideration, Prospect will own 17.29% of the stock of CMG. Pursuant to the terms of the stock purchase agreement, Prospect will have the right and option to make additional stock investments at the same share valuations and prices and upon the same applicable terms and conditions as the initially acquired shares, to bring its aggregate ownership up to 50%. CMG is a 60 physician multi-specialty group serving communities primarily in the Los Angeles and San Bernardino counties. The Company accounts for NGMA's interest in CMG using the equity method as the Company has the ability to exercise significant influence over the operating and financial policies of CMG.

***Corporate Segment***

The Corporate segment reflects certain expenses incurred at the Parent Entity not specifically allocable to the Hospital Services or Medical Group segments. These include, but are not limited to: salaries, benefits and other compensation for corporate employees; financing expenses; insurance expenses; rent; legal fees; and accounting fees. The Company does not allocate interest expense related to acquisition debt or income taxes to the other reporting segments.

## 2. Significant Accounting Policies

***Basis of Presentation***

The consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") and include the accounts of all controlled subsidiaries, which control is effectuated through ownership of voting common stock or by other means, but do not include the accounts of the parent companies, Ivy Holdings and Ivy Intermediate Holding Inc.

The Medical Group entities (subsidiaries) have been determined to be variable interest entities due to the existence of a call option under which the Company has the ability to require the holders of all of the voting common stock of the underlying subsidiaries to sell their shares at a fixed nominal price ($1,000) to another designated physician chosen by the Company. This call option agreement represents rights provided through a variable interest other than the equity interest itself that caps the returns that could be earned by the equity holders. In addition, the Company has a management agreement with the subsidiaries and the holders of the voting common stock of the subsidiaries which allows the Company to direct all of the activities of the subsidiaries, retain all of the economic benefits and assume all of the risks associated with ownership of the subsidiaries. In this manner, the Company has all of the economic benefits and risks associated with the subsidiaries but has disproportionately few voting rights (based on the terms of the equity). As the Company retains all of the economic benefits and assumes all of the risks associated with ownership of the subsidiaries, the Company is considered to be the primary beneficiary of the activities of the subsidiaries and therefore must consolidate the underlying subsidiaries.

Operating results for NGMA, Nix CGH, CMG, NSH and LACH Bellflower, and PCC are consolidated with the Company's financial statements from their acquisition dates or inception date in the case of LACH Bellflower (October 1, 2012, April 16, 2013, December 19, 2013, May 6, 2014, and June 20, 2014 respectively) (see Note 4). All significant intercompany balances and transactions have been eliminated in consolidation.

***Reclassifications***

Certain reclassifications were made to the 2013 consolidated financial statements in order to conform to the 2014 presentation.

***Revenues***

Revenues by reportable segment are comprised of the following amounts (in thousands):

| *For the Years Ended September 30,* | 2014 *(a)* | 2013 *(b)* |
|---|---|---|
| **Net Hospital Services** | | |
| Inpatient | $ 440,961 | $ 403,183 |

| **Other revenues** | 14,525 | 7,700 |
| **Total net revenues** | $ 854,516 | $ 713,582 |

(a) CMG, NSH, and PCC revenues have been included in the accompanying consolidated financial statements for the period from acquisition, December 19, 2013, May 6, 2014, and June 20, 2014, respectively, through September 30, 2014.

(b) NGMA and Nix CGH revenues have been included in the accompanying consolidated financial statements for the period from acquisition, October 1, 2012 and April 16, 2013, respectively, through September 30, 2013.

***Hospital Services Segment***

*Net Patient Service Revenues*

Operating revenue of the Hospital Services segment consists primarily of net patient service revenue. The Company reports net patient service revenue at the estimated net realizable amounts from patients and third-party payers and others in the period in which services are rendered. The Company has agreements with third-party payers, including Medicare, Medicaid (Medi-Cal in California), managed care and other insurance programs that are paid at negotiated rates. These payment arrangements include prospectively determined rates per discharge, reimbursed costs, discounted charges and per diem payments, as further described below. Estimates of contractual allowances are based upon the payment terms specified in the related contractual agreements. The Company accrues for amounts that it believes may ultimately be due to or from the third-party payers. Normal estimation differences between final settlements and amounts accrued in previous years are reported as changes in estimates in the current year. Outstanding receivables, net of allowances for contractual discounts and bad debts, are included in patient accounts receivable in the accompanying consolidated balance sheets.

The following is a summary of sources of patient service revenues (net of contractual allowances and discounts) before provision for bad debts:

| *September 30,* | 2014 | 2013 |
|---|---|---|
| Medicare | $ 224,984 | $ 211,482 |
| Medicaid | 189,668 | 158,048 |
| Managed Care | 95,853 | 77,390 |
| Self Pay/Other | 27,258 | 19,645 |
| Capitation | 70,077 | 44,923 |
| Other | 11,116 | 6,718 |
| Total | $ 618,956 | $ 518,206 |

A summary of the payment arrangements with major third-party payers follows:

*Medicare*: Medicare is a federal program that provides certain hospital and medical insurance benefits to persons aged 65 and over, some disabled persons with end-stage renal disease and certain other beneficiary categories. Inpatient services rendered to Medicare program beneficiaries are paid at prospectively determined rates per discharge, according to a patient classification system based on clinical, diagnostic, and other factors. Outpatient services are paid based on a blend of prospectively determined rates and cost-reimbursed methodologies. The Company is also reimbursed for various disproportionate share and Medicare bad debt components at tentative rates, with final settlement determined after submission of the annual Medicare cost report and audit thereof by the Medicare fiscal intermediary. Normal estimation differences between filed settlements and amounts accrued are reflected in net patient service revenue.

Cost report settlement estimates are recorded based upon as-filed cost reports and are usually not adjusted until a final Notice of Program Reimbursement ("NPR") is issued. The latest updated SSI ratios for 2012 were issued on June 12, 2014. To date, the Company has received final NPRs for Brotman Medical Center, Inc. through 2011 for cost report years prior to its merger into the Alta Hollywood Hospitals, Inc. subsidiary, SCH Hollywood through 2010, Alta Los Angeles Hospitals through 2010, and Nix Health through 2011. Additionally, the Company joined a second round of litigation relating to Medicare's recent settlement with providers relating to the manner in which the Centers for Medicare and Medicaid Services ("CMS") handled the budget neutrality adjustment associated with the rural floor wage index in setting the Medicare inpatient prospective system rates ("Rural Floor"). The Company entered into a settlement agreement with CMS and, as a result, Alta Los Angeles Hospitals, SCH Culver City, and CharterCARE recognized a net benefit of $2,495,000, $1,230,000, and $1,672,000, respectively, during the year ended September 30, 2014 related to the Rural Floor litigation.

*Medicaid*: Medicaid is a joint federal-state funded healthcare benefit program that is administered by states to provide benefits to qualifying individuals who are unable to afford care. The Company receives reimbursements under the Medicaid program at prospectively determined rates for both inpatient and outpatient services. Medi-Cal is the version of the federal Medicaid program that is applicable to California residents. Inpatient services rendered to Medi-Cal fee-for-service program beneficiaries in California are in the process of a three-year transition to payment at prospectively determined rates based on diagnosis related groups from a contracted per diem rate. Outpatient services are paid based on prospectively determined rates per procedure provided. Inpatient and outpatient services rendered to Medi-Cal managed care beneficiaries in California are paid at either contracted rates or at the Medi-Cal fee-for-service rates. The SCHS and Alta Los Angeles Hospitals are eligible to participate in the State of California Medi-Cal Disproportionate Share ("DSH") programs, under which medical facilities that serve a disproportionate number of low-income patients receive additional reimbursements. Eligibility is determined annually based on prescribed guidelines. Prior to the merger of SCH Culver City with the SCH Hollywood and SCH Van Nuys Hospitals, SCH Culver City did not participate in the program. The Company accrues revenue based on the expected total annual DSH awards. Differences between the estimated and the actual awards are recorded in the period they become known. DSH amounts are subject to retrospective revision prior to finalization and such revisions could lead to material retractions. The Company records retrospective retractions when they are estimable and probable. Retrospective additional DSH revenues are recorded when the amounts are received. The Medi-Cal DSH receivable as of September 30, 2014 and 2013 totaled approximately $9,094,000 and $5,437,000, respectively, and were included in due from government program payers in the accompanying consolidated balance sheets. For fiscal years ended September 30, 2014 and 2013, total Medi-Cal DSH payments received by the SCHS and Alta Los Angeles Hospitals were approximately $16,325,000 and $11,618,000, respectively, and total Medi-Cal DSH revenues recorded were approximately $20,475,000 and $11,218,000, respectively. Additionally, pursuant to an audit of Medi-Cal cost reports and notification sent to the Company, the Company accrued a cost report liability payable to Medi-Cal of $1,803,000 and $1,316,000 as of September 30, 2014 and 2013, respectively.

During the fourth quarter of fiscal 2011, the Company's SCHS and Alta Los Angeles Hospitals received notification that the DSH amounts received related to the State fiscal year 2009-2010 were being re-examined and that the DSH amounts to be received for State fiscal years 2010-2011 would be significantly reduced. The notification was the result of legislation that extended payments under Senate Bill 90 ("SB 90"). During the year ended September 30, 2013, the Company recorded a reduction of $2,146,000 in Medi-Cal DSH revenue related to this matter. The matter had no impact on Medi-Cal DSH revenue during the year ended September 30, 2014.

Certain of the Company's California hospitals also participate in *the California Hospital Fee Program* (see Note 10).

In Texas, the Medicaid program reimburses under prospectively determined rates for both inpatient and outpatient services. Medicaid reimbursement may be subject to periodic adjustment, as well as to changes in existing payment levels and rates, based on the amount of funding available to the Medicaid program. Nix Health has also been receiving payments from the Texas Health and Human Services Commission under the Section 1115 Waiver ("the waiver") that was recently granted to the state of Texas by CMS. Under the first year of the waiver ending September 30, 2012, a transition payment was paid to Nix Health based upon prior levels of payment under the "Upper Payment Limit" ("UPL") program, which the waiver replaced. Payments for years two through five under the waiver are based upon two pools. One pool is for payments for uncompensated care ("UCC") which includes the shortfall in Medicaid reimbursement as compared to cost and the cost of providing services to uninsured patients. The other pool is the Delivery System Reform Initiative Payments ("DSRIP"), where approved programs and services are undertaken to improve access and services provided. Programs are established by regions and approved by the Texas Health and Human Services Commission and CMS. These programs are assigned a value and milestones are established to measure success and the timing and level of payment from the DSRIP funds. Nix Health recorded revenue related to the UCC pool of $12,366,000 and $12,804,000 for the years ended September 30, 2014 and 2013, respectively. Revenue recorded related to the DSRIP pool was $9,801,000 and $7,078,000 for the years ended September 30, 2014 and 2013, respectively. At September 30, 2014 and 2013, amounts receivable under the Section 1115 Waiver totaled $23,145,000 and $14,781,000, respectively.

Nix Health also recorded $5,746,000 and $9,477,000 during the years ended September 30, 2014 and 2013, respectively, in costs for rural community provision of services. At September 30, 2014 and 2013, amounts payable related to such costs amounted to $0 and $4,754,000, respectively.

The CharterCARE hospitals are participants in the State of Rhode Island's DSH program, which was established in 1995 to assist hospitals that provide a disproportionate amount of uncompensated care. Under the program, Rhode Island hospitals, including the CharterCARE hospitals, receive federal and state Medicaid funds as additional reimbursement for treating a disproportionate share of low income patients. Total DSH payments received and revenues recorded by the CharterCARE hospitals were $3,524,000 from June 20, 2014 (acquisition date) through September 30, 2014. The State of Rhode Island also assesses a license fee to all hospitals in Rhode Island based on each hospital's net patient revenue. The CharterCARE hospitals recorded $4,036,000 of expense from June 20, 2014 through September 30, 2014 as a result of the license fee.

*Managed Care*: The Company has also entered into payment agreements with certain commercial insurance carriers, HMOs, and PPOs. The basis for payment under these agreements is in accordance with negotiated contracted rates or at the Company's standard charges for services provided. Some of these payments are capitated, meaning that the Company receives an agreed amount per patient for providing an agreed range of services.

*Self-Pay*: Self-pay patients represent those patients who do not have health insurance and are not covered by some other form of third party arrangement. Such patients are evaluated, at the time of services or shortly thereafter, for their ability to pay based upon federal and state poverty guidelines, qualifications for Medicaid, as well as the Company's local hospital's indigent and charity care policy.

See "Concentrations of Credit Risks" below for discussion of revenues received from the Medicare and Medicaid programs.

The Company accrued $895,000 of liabilities as of September 30, 2013 for ongoing Recovery Audit Contractor ("RAC") audits and other similar programs. Effective August 29, 2014, CMS provided a simplified process and timely partial payment to settle certain previously denied claims with dates of service prior to October 1, 2013 whereby such claims under appeal that had been retracted by CMS were settled with the provider receiving 68% of the face value. As a result, the Company recorded $3,887,000 in revenue during the year ended September 30, 2014 related to claims which were previously subject to ongoing RAC audits and other similar programs.

*SCH Culver City Outlier Liability*

Following the acquisition of a majority stake in SCH Culver City, effective April 14, 2009, the Company consolidated SCH Culver City's estimated liability to CMS arising out of outlier payments received for services provided by the hospital to Medicare eligible inpatients, primarily for the last four months of calendar year 2005 and all of calendar year 2006.

While SCH Culver City reports financial statements on a fiscal year ending September 30, Medicare cost reports are filed on a calendar year basis. Acute care hospitals receive Medicare reimbursement payments pursuant to a prospective payment methodology primarily based on the diagnosis of the patient, but are entitled to receive additional payments, referred to as "outliers" for patients whose treatment is very costly. When Brotman Medical Center, Inc. acquired the hospital in 2005, CMS provided a ratio of cost to charges (the "RCC") based on the statewide average. Payments received by SCH Culver City on this basis were an interim estimate, subject to final determination upon auditing of SCH Culver City's cost reports. SCH Culver City filed its Medicare cost reports, but determined that its outlier reimbursement for services provided in fiscal years 2005, 2006 and part of 2007 might be subject to adjustment based on certain outlier reconciliation rules. On October 12, 2012, SCH Culver City received from its Medicare fiscal intermediary a proposed outlier adjustment for Medicare fiscal year 2006 in the amount of $12,785,000. SCH Culver City had previously been notified of an adjustment of $2,149,000 for 2005. As of September 30, 2014 and 2013, the Company has accrued $13,834,000 of the estimated $14,934,000 liability to CMS included in the accompanying consolidated balance sheets. The difference between the $14,934,000 asserted by CMS and the $13,834,000 accrued by the Company relates to accrued interest of approximately $1,100,000. The Company does not agree, however, with the outlier reconciliation liability. Accordingly, in accordance with relevant literature related to accounting for contingencies, the Company has recorded to the lower end of the range. In March 2013, the Company received a notice of program reimbursement for the 2006 cost report year which approximated the October 2012 adjustment. The Medicare fiscal intermediary has placed the recoupment on hold while the Company is currently in discussions with CMS to resolve this issue. The ultimate resolution of this item is unknown at this stage. The Company has also filed an appeal of the outlier issue with the Provider Reimbursement Review Board for the 2006 cost reporting period since it received a notice of program reimbursement for the 2006 cost report. The ultimate resolution of this appeal is unknown at this stage.

## Notes to Consolidated Financial Statements

The following is a summary of due from and due to governmental payers at September 30 (in thousands):

| *September 30,* | 2014 | 2013 |
|---|---|---|
| Due from government payers: | | |
| Medi-Cal Disproportionate Share (DSH) | $ 9,094 | $ 5,437 |
| Medicare cost report settlements | 10,279 | 7,191 |
| Medicaid Section 1115 receivable | 23,145 | 14,780 |
| | $ 42,518 | $ 27,408 |
| Due to government payers: | | |
| Outlier liability | $ 13,834 | $ 13,834 |
| Medicare cost report settlements | 10,947 | 4,484 |
| Medi-Cal cost report settlements | 1,803 | 1,316 |
| | $ 26,584 | $ 19,634 |

The Company is not aware of any material claims, disputes, or unsettled matters with any payers that would affect revenues that have not been adequately provided for and disclosed in the accompanying consolidated financial statements.

*Charity Care*

The Company provides charity care to patients whose income level is below 300% of the Federal Poverty Level. Patients with income levels between 300% and 350% of the Federal Poverty Level qualify to pay a discounted rate under the requirements of California State Assembly Bill 774 (AB 774) based on various government program reimbursement levels. Patients without insurance are offered assistance in applying for Medicaid and other programs they may be eligible for, such as state disability. Patient advocates from the Company's Medical Eligibility Program ("MEP") screen patients in the Hospital and determine potential linkage to financial assistance programs. They also expedite the process of applying for these government programs. The approximate cost of providing charity care was $2,029,000 and $1,003,000 for the years ended September 30, 2014 and 2013, respectively. The Company has estimated the cost of charity care based on a ratio of the cost to charges of operating expenses, excluding depreciation, interest and management fees.

*Provisions for Contractual Allowances and Bad Debts*

Collection of receivables from third-party payers and patients is the Company's primary source of cash and is critical to its operating performance. The Company closely monitors its historical collection rates, as well as changes in applicable laws, rules and regulations and contract terms, to assure that provisions for contractual allowances are made using the most accurate information available. However, due to the complexities involved in these estimations, actual payments from payers may be materially different from the amounts management estimates and records. The Company's primary collection risks relate to uninsured patients and the portion of the bill which is the patient's responsibility, primarily co-payments and deductibles. Payments for services may also be denied due to issues over patient eligibility for medical coverage, the Company's ability to demonstrate medical necessity for services rendered and payer authorization of hospitalization.

Accounts receivable are reduced by an allowance for doubtful accounts. Valuation of the collectability of accounts receivable and provision for bad debts is based on historical collection experience, payer mix and the age of the receivables. Management routinely reviews accounts receivable balances in conjunction with these factors and other economic conditions which might ultimately affect the collectability of the patient accounts, and makes adjustments to the Company's allowances as warranted. For receivables associated with services provided to patients who have third-party coverage, management analyzes contractually due amounts and subsequently calculates an allowance for doubtful accounts and provision for bad debts once the age of the accounts reaches a specific age category based on historical experience. For receivables associated with self-pay patients, management records a significant provision for bad debts beginning in the period services were provided based on past experience that many patients are unable or unwilling to pay the portion of their bill for which they are financially responsible. The allowance for doubtful accounts as a percent of gross accounts receivable increased from 27% at September 30, 2013 to 29% at September 30, 2014. The allowance for doubtful accounts was $49,727,000 and $28,050,000 for the years ended September 30, 2014 and 2013, respectively. The increase in the allowance for doubtful accounts as a percent of gross accounts receivable and in the allowance for doubtful accounts was due primarily to CharterCARE, which was acquired during the year ended September 30, 2014 and had an allowance for doubtful accounts of $16,839,000 at September 30, 2014.

*Legislation*

All of the Company's hospital facilities are subject to the Emergency Medical Treatment and Active Labor Act ("EMTALA"). This federal law requires any hospital that participates in the Medicare program to conduct an appropriate medical screening examination of every person who presents to the hospital's emergency department for treatment and, if the patient is suffering from an emergency medical condition, to either stabilize that condition or make an appropriate transfer of the patient to a facility that can handle the condition. The obligation to screen and stabilize emergency medical conditions exists regardless of a patient's ability to pay for treatment. There are severe penalties under EMTALA if a hospital fails to screen or appropriately stabilize or transfer a patient or if the hospital delays appropriate treatment in order to first inquire about the patient's ability to pay. Penalties for violations of EMTALA include civil monetary penalties and exclusion from participation in the Medicare program. In addition, an injured patient, the patient's family or a medical facility that suffers a financial loss as a direct result of another hospital's violation of the law can bring a civil suit against that other hospital. The Company believes that it is in compliance with all applicable laws and regulations and is not aware of any pending or threatened investigations involving allegations of potential wrongdoing that would have a material effect on the Company's financial statements.

See Note 10 regarding the *Affordable Care Act*.

*Other Revenues*

Other revenues consist primarily of the CMS Rural Floor settlement, meaningful use incentive payments and rental revenue from operating leases, and totaled $14,525,000 and $7,700,000 for the years ended September 30, 2014 and 2013, respectively.

A summary of other revenues recorded during the years follows:

Rural Floor settlement: The Company entered into a settlement agreement with CMS and recognized $6,091,000 of revenue during the year ended September 30, 2014 related to the Rural Floor litigation.

Meaningful Use incentives: The American Recovery and Reinvestment Act of 2009 ("ARRA") established incentive payments under the Medicare and Medicaid programs for certain professionals and hospitals that meaningfully use certified electronic health record ("EHR") technology or adopt or implement such technology. The Medicare incentive payments will be paid out to qualifying hospitals over four consecutive years on a transitional schedule. To qualify for Medicare incentives, hospitals and physicians must meet EHR "meaningful use" criteria that become more stringent over three stages.

Medicaid programs and payment schedules vary from state to state. The Medicaid programs require hospitals to register for the program prior to 2016, to engage in efforts to adopt, implement or upgrade certified EHR technology in order to qualify for the initial year of participation, and to demonstrate meaningful use of certified EHR technology in order to qualify for payment for up to three additional years.

For the years ended September 30, 2014 and 2013, the Company recorded revenues of $5,389,000 and $5,872,000, respectively, related to the Medicare and Medicaid programs in the consolidated statements of income. These incentives have been recognized following the grant accounting model, recognizing income ratably over the applicable reporting period as management becomes reasonably assured of meeting the required criteria. Subsequent changes to these estimates will be recognized in the consolidated statement of operations in the period in which additional information is available. Such estimates are subject to audit by the federal government, the state, or its designee.

Rental Revenue: Rental revenue from operating leases is recorded based on the fixed, minimum required rents (base rents) per the lease agreements. Rental revenue from base rents is recorded on the straight-line method over the terms of the related lease agreements. During the years ended September 30, 2014 and 2013, the Company recorded rental revenues of $2,220,000 and $1,600,000, respectively.

***Medical Group Segment***

*Medical Group Revenues*

Operating revenue of the Medical Group segment consists primarily of payments for medical services procured by the Affiliates under capitated contracts with various managed care providers including HMOs. Capitation revenue under HMO contracts is prepaid monthly to the Affiliates based on the number of enrollees electing any one of the Affiliates as their health care provider. See "Concentrations of Credit Risks" below for revenues received from the five largest contracted HMOs.

Capitation revenue (net of capitation withheld to fund risk share deficits discussed below) is recognized in the month in which the Affiliates are obligated to provide services. Minor ongoing adjustments to prior months' capitation, primarily arising from contracted HMOs' finalizing of monthly patient eligibility data for additions or subtractions of enrollees, are recognized in the month they are communicated to the Company. Additionally, Medicare pays capitation using a "Risk Adjustment model," which compensates managed care organizations and providers based on the health status (acuity) of each individual enrollee. Health plans and providers with higher acuity enrollees will receive more and those with healthier enrollees will receive less. Under Risk Adjustment, capitation is determined based on health severity, measured using patient encounter data. Capitation is paid on an interim basis based on data submitted for the enrollee for the preceding year and is adjusted in subsequent periods (generally in the Company's fourth quarter) after the final data is compiled. Positive or negative capitation adjustments are made for Medicare enrollees with conditions requiring more or less healthcare services than assumed in the interim payments. Since the Company cannot reliably predict these adjustments,

periodic changes in capitation amounts earned as a result of Risk Adjustment are recognized generally in the fourth quarter when those changes are communicated by the health plans to the Company. The Company received and recorded as additional revenue, approximately $8,889,000 and $6,145,000, respectively, in positive capitation risk adjustments during the years ended September 30, 2014 and 2013, respectively.

HMO contracts also include provisions to share in the risk for hospitalization, whereby the Affiliate can earn additional incentive revenue or incur penalties based upon the utilization of hospital services. Typically, any shared risk deficits are not payable until and unless the Company generates future risk sharing surpluses, or if the HMO withholds a portion of the capitation revenue to fund any risk share deficits. At the termination of the HMO contract, any accumulated risk share deficit is typically extinguished. Due to the lack of access to information necessary to estimate the related costs, shared-risk amounts receivable from the HMOs are only recorded when such amounts are known. Risk pools for the prior contract years are generally final settled in the third or fourth quarter of the following fiscal year. For the years ended September 30, 2014 and 2013, Medical Group revenues included approximately $2,406,000 and $2,880,000, respectively, of additional revenues due to favorable settlements on prior year risk-sharing arrangements. At September 30, 2014 and 2013, contingent liabilities for carry-forward risk-pool deficits expected to be forgiven, or offset against future surpluses were approximately $5,547,000 and $6,365,000, respectively, based on the available information from the health plans.

The Company also receives incentives under "pay-for-performance" programs for quality medical care based on various criteria. These incentives, which are included in other revenues within Medical Group revenues, are generally recorded in the third and fourth quarters of the fiscal year when such amounts are known. Pay-for-performance revenues recorded during the years ended September 30, 2014 and 2013, were $1,886,000 and $2,375,000, respectively.

Management fee revenue is earned in the month the services are rendered. Management fee arrangements with unaffiliated entities provide for compensation ranging from 6.5% to 12.5% of revenues. Management fee revenues recorded during the years ended September 30, 2014 and 2013, were $6,586,000 and $2,352,000, respectively.

*Medical Group Cost of Revenues*

The cost of health care services consists primarily of capitation and claims payments, pharmacy costs and incentive payments to contracted providers. These costs are recognized in the period incurred, or when the services are provided. Claims costs also include an estimate of the cost of services which have been incurred but not yet reported to the Company. The estimate for accrued medical costs is based on projections of costs using historical studies of claims paid and adjusted for seasonality, utilization and cost trends. These estimates are subject to trends in loss severity and frequency. Although considerable variability is inherent in such estimates, management records its best estimate of the amount of medical claims incurred at each reporting period. Estimates are continually monitored and reviewed and, as settlements are made or estimates adjusted, differences are reflected in current operations. See Note 12 for changes in claims estimates during the years ended September 30, 2014 and 2013.

In addition to contractual reimbursements to providers, the Company also makes discretionary incentive payments to physicians, which are in large part based on the pay-for-performance and shared risk revenues and favorable senior capitation risk adjustment payments received by the Company. Since the Company records these revenues generally in the third or fourth quarter of each fiscal year when the incentives and capitation adjustments due from the health plans are known, the Company also finalizes

the discretionary physician bonuses in the same periods. During the years ended September 30, 2014 and 2013, the Company recorded discretionary physician incentives expense totaling approximately $5,067,000 and $3,993,000, respectively. As of September 30, 2014 and 2013, physician bonus accruals of approximately $4,339,000 and $2,623,000, respectively, were included in accounts payable and other accrued liabilities.

The Company also periodically evaluates the need to establish premium deficiency reserves for the probability that anticipated future health care costs could exceed future capitation payments from HMOs under capitated contracts and, where appropriate, records a premium deficiency reserve.

The Company, for certain matters, maintains stop loss coverage for health care costs that are in excess of set thresholds.

***Property, Improvements and Equipment***

Property, improvements and equipment are stated on the basis of cost or, in the case of acquisitions, at their acquisition date fair values. Depreciation is provided using the straight-line method over the estimated useful lives of the assets, and amortization of leasehold improvements is provided using the straight-line basis over the shorter of the remaining lease period or the estimated useful lives of the leasehold improvements. Leasehold improvements are generally depreciated over five to ten years, buildings are depreciated over five to 28 years, equipment is depreciated over two to five years and furniture and fixtures are depreciated over two to seven years. Equipment capitalized under capital lease obligations are amortized over the lesser of the life of the lease or the useful life of the asset.

As more fully described in Note 10, the Company is required to comply with certain seismic standards as required by the state of California by January 1, 2020. The useful life of buildings subject to seismic retrofit requirements may be limited if the Company does not make the necessary upgrades by the required compliance date.

***Goodwill and Other Intangible Assets***

Goodwill totaled approximately $158,864,000 at both September 30, 2014 and 2013 and arose as a result of the ProMed, Alta, SCH Culver City, and Nix Health (including Nix CGH) acquisitions. Goodwill represents the excess of the consideration paid and liabilities assumed over the fair value of the net assets acquired, including identifiable intangible assets.

Goodwill is not amortized; rather it is reviewed annually for impairment for each reporting unit, or more frequently if impairment indicators arise. Impairment is the condition that exists when the carrying amount of goodwill exceeds its implied fair value. A two-step impairment test is used to identify potential goodwill impairment and to measure the amount of goodwill impairment loss to be recognized, if any. The Company has four reporting units with goodwill, consisting of the Alta Hospitals (which include SCH Hollywood, SCH Van Nuys, Los Angeles Community Hospital, and Norwalk Community Hospital), SCH Culver City, Nix Health, and ProMed (which includes other affiliated physician organizations).

The Company tests for goodwill impairment as of September 30 each year. In evaluating whether indicators of impairment exist, the Company considers adverse changes in market value, laws and regulations, profitability, cash flows, ability to maintain enrollment and renew payer contracts at favorable terms, among other factors. The goodwill impairment test is a two-step process. The first step consists of estimating the fair value of the reporting unit based on a weighted combination of (i) the

guideline company method that utilizes revenue or earnings multiples for comparable publicly-traded companies, and (ii) a discounted cash flow model that utilizes expected future cash flows, the timing of those cash flows, and a discount rate (or weighted average cost of capital, which considers the cost of equity and cost of debt financing expected by a typical market participant) representing the time value of money and the inherent risk and uncertainty of the future cash flows. If the estimated fair value of the reporting unit is less than its carrying value, a second step is performed to compute the amount of the impairment by determining the "implied fair value" of the goodwill, which is compared to its corresponding carrying value. The Company's impairment test related to goodwill at September 30, 2014 resulted in no impairment charge.

***Long-Lived Assets and Amortizable Intangibles***

Amortizable intangible assets totaled approximately $35,274,000 and $31,325,000, net of accumulated amortization at September 30, 2014 and 2013, respectively, and arose as a result of the ProMed, Alta, SCH Culver City, Nix Health, NGMA, and PCC acquisitions. Intangible assets include customer relationships, trade names, favorable leasehold, and physician guarantees. The Company reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of such assets may not be recoverable. The Company considers assets to be impaired and writes them down to fair value if estimated undiscounted cash flows associated with those assets are less than their carrying amounts. Fair value is based upon the present value of the associated cash flows. Changes in circumstances (for example, changes in laws or regulations, technological advances or changes in strategies) may also reduce the useful lives from initial estimates. Changes in planned use of intangibles may result from changes in customer base, contractual agreements, or regulatory requirements. In such circumstances, management will revise the useful life of the long-lived asset and amortize the remaining net book value over the adjusted remaining useful life. There were no impairments recorded during the year ended September 30, 2014. During the year ended September 30, 2013, the Company changed the original names of the SCHS Hospitals and expects to transition into the new names over the next three years. As a result of the change, the Company recorded an impairment charge of $3,476,000 at September 30, 2013 related to the trade names (see Note 5).

***Medical Malpractice Liability Insurance***

The individual physicians who contract with the Affiliates carry their own medical malpractice insurance. In the Hospital Services segment, the Company's hospitals carry professional and general liability insurance to cover medical malpractice claims under claims-made policies. Under the policies, insurance premiums cover only those claims actually reported during the policy term. Should the claims-made policy not be renewed or replaced with equivalent insurance, claims related to occurrences during the policy term but reported subsequent to the policy's termination may be uninsured. During the year ended September 30, 2013, the SCHS Hospitals and Alta Los Angeles Hospitals were covered under one professional and general liability insurance policy, and Nix Health was covered under a separate policy. Effective October 1, 2013, the hospitals renewed the professional and general liability insurance under one consolidated policy with separate retentions for each entity that runs through September 30, 2014. LACH Bellflower, NSH, and CharterCARE were included under the consolidated policy from their respective dates of acquisition or inception (LACH Bellflower).

Accounting principles generally accepted in the United States of America require that a health care organization record and disclose the estimated costs of medical malpractice claims in the period of the incident of malpractice, if it is reasonably possible that liabilities may be incurred and losses can be reasonably estimated. The Company has recognized an estimated liability for incurred but not reported claims and the self-insured risks (including deductibles and potential claims in excess of policy limits)

based upon an actuarial valuation of the Company's historical claims experience of the Company's hospitals. At September 30, 2014 and 2013, the total gross claims liability was approximately $4,590,000 and $4,660,000 and insurance receivables were $618,000 and $1,487,000, respectively, and were estimated using a discount factor of 4%.

The claims reserve is based on the best data available to the Company. The estimate, however, is subject to a significant degree of inherent variability. The estimate is continually monitored and reviewed, and as the reserve is adjusted, the difference is reflected in current operations. While the ultimate amount of medical malpractice liability is dependent on future developments, management is of the opinion that the associated liabilities recognized in the accompanying consolidated financial statements are adequate to cover such claims. Management is not aware of any potential medical malpractice claims whose settlement, if any, would have a material adverse effect on the Company's consolidated financial position, results of operations or cash flows.

***Workers' Compensation Insurance***

The workers' compensation coverage provides the statutory benefits required by law and that the employer's liability limits are $1,000,000 (excluding Nix Health and CharterCARE). Nix Health has opted out of the Texas Workers' Compensation system as a non-subscriber, and provides its employees with benefits for occupational injury or disease through an ERISA plan. Nix Health has an Employer's Excess Indemnity policy with a $25,000 deductible policy with limits of $10,000,000 per occurrence and $25,000,000 aggregate. CharterCARE was fully insured for workers' compensation claims with no deductible from June 20, 2014 through September 30, 2014. From October 1, 2012 to September 30, 2014, the Company's (excluding Nix Health and CharterCARE) workers' compensation coverage was written on a $250,000 incurred loss retro program without an aggregate loss limitation. At September 30, 2014 and 2013, included in accrued salaries, wages and benefits are accruals for uninsured claims and claims incurred but not reported of approximately $7,210,000 and $4,409,000, respectively. The amounts are estimated based upon an actuarial valuation of their claims experience, using a discount factor of 4%.

The claims reserve is based on the best data available to the Company. The estimate, however, is subject to a significant degree of inherent variability. The estimate is monitored and reviewed, and as the reserve is adjusted, the difference is reflected in current operations. While the ultimate amount of the claims liability is dependent on future developments, management is of the opinion that the associated liabilities recognized in the accompanying consolidated financial statements are adequate to cover such claims. Management is not aware of any potential claims whose settlement, if any, would have a material adverse effect on the Company's consolidated financial position, results of operations or cash flows.

***Asset Retirement Obligations***

The Company recognizes the fair value of a liability for legal obligations associated with asset retirements in the period in which it is incurred, if a reasonable estimate of the fair value of the obligation can be made. Over time, the liability is accreted to its present value each period. Upon settlement of the obligation, any difference between the cost to settle the asset retirement obligation and the liability recorded is recognized as a gain or loss in the statement of operations. The Company has accrued $4,310,000 in other long-term liabilities related to asset retirement obligations for the CharterCARE hospitals as of September 30, 2014. There were no asset retirement obligations as of September 30, 2013.

***Stock Options***

On December 15, 2010, the Board of Directors (the "Ivy Board") of Ivy Holdings adopted the 2010 Stock Option Plan of Ivy Holdings Inc. (the "Ivy Plan") and, on December 16, 2010, the stockholders of Ivy Holdings adopted the Ivy Plan. The Ivy Plan provides that it shall be administered by the Compensation Committee of the Ivy Board. The Ivy Plan includes an Incentive Stock Option Agreement and a Non-Qualified Stock Option Agreement to be used in connection with the grant of options under the Ivy Plan. These options granted under the Ivy Plan are exercisable into Ivy Holdings stock and vest based on a number of criteria, including time, performance and CEO discretion.

Compensation costs for option awards are measured and recognized in the consolidated financial statements based on their grant date fair value, net of estimated forfeitures over the awards' service period. Options subject to variable accounting treatment are subject to revaluation at the end of each reporting period. The Company uses the Black-Scholes option pricing model and a single option award approach to estimate the fair value of stock options granted. The fair value of restricted stock grants are determined on the date of grant, based on the number of shares granted and the quoted price or estimated fair market value of the Company's common stock. Equity-based compensation is classified within the same line items as cash compensation paid to employees.

***Cash and Cash Equivalents***

The Company considers all highly liquid debt instruments with initial maturities of 90 days or less to be cash equivalents. Cash and cash equivalents are primarily comprised of deposits with banks. The Company maintains its cash at banks with high credit-quality ratings.

***Restricted Cash***

At September 30, 2014 and 2013, $233,000 was held in a restricted account in connection with workers compensation arrangements, and $30,000 was restricted related to a capitation agreement. At September 30, 2014, a further $420,000 was restricted on behalf of Prospect CharterCARE SJHSRI, LLC for its School of Nursing as required by the U.S. Department of Education, $1,993,000 was restricted for research at CharterCARE hospitals, and $2,300,000 was restricted to meet certain regulatory requirements for PHP. At September 30, 2013, $300,000 was restricted in connection with a statutory deposit required by the Department of Managed Health Care for Knox-Keene licensing related to PHP.

***Restricted Investments***

The Company is required to keep restricted deposits by certain HMOs for the payment of claims. Such restricted deposits are classified as a current asset in the accompanying consolidated balance sheets, as they are restricted for payment of current liabilities. Investments also include certificates of deposit with maturity dates of more than 90 days when purchased.

***Inventories***

Inventories of supplies are valued at the lower of amounts that approximate the weighted average cost or market. Inventories consist primarily of medical and surgical supplies and pharmaceuticals.

***Deferred Financing Costs***

Deferred financing costs are amortized over the period in which the related debt is outstanding using the effective interest method. On November 16, 2012, the Company issued $100 million of 8.375% senior secured notes (see note 8) and capitalized deferred financing costs of $3,948,000 associated with the

offering during the year ended September 30, 2013, which are reflected in deferred financing costs in the accompanying consolidated balance sheets.

Deferred financing costs at September 30, 2014 and 2013 are as follows (in thousands):

| *September 30,* | 2014 | | | 2013 | | |
|---|---|---|---|---|---|---|
| | Gross Book Value | Accumulated Amortization | Net Book Value | Gross Book Value | Accumulated Amortization | Net Book Value |
| Deferred financing costs | $14,398 | $4,941 | $9,457 | $14,345 | $2,720 | $11,625 |

***Income Taxes***

Deferred income tax assets and liabilities are recognized for differences between financial and income tax reporting bases of assets and liabilities based on enacted tax rates and laws. To the extent a deferred tax asset cannot be recognized under the preceding criteria, allowances must be established. The impact on deferred taxes of changes in tax rates and laws, if any, are applied to the years during which temporary differences are expected to be settled and reflected in the financial statements in the period of enactment. The Company recognizes interest and penalties associated with income tax matters and unrecognized tax benefits in the income tax expense line item of the statements of operations. For the years ended September 30, 2014 and 2013, no interest and/or penalties related to incomes taxes were accrued and/or expensed.

An entity is required to evaluate its tax positions using a two-step process. First, the entity should evaluate the position for recognition. An entity should recognize the financial statement benefit of a tax position if it determines that it is more likely than not that the position will be sustained on examination. Next, the entity should measure the amount of benefit that should be recognized for those tax positions that meet the more-likely-than-not test.

Consolidated and separate income tax returns are filed with the U.S. Federal jurisdiction and in the State of California, Texas, and Rhode Island. The Company's filed tax returns are generally subject to examination by the IRS and state tax boards for 3 to 4 years.

The net deferred tax liabilities are primarily comprised of temporary differences between book and tax bases for intangible and capital assets acquired and net operating loss carryforwards.

***Fair Value of Financial Instruments***

Financial instruments consist primarily of cash and cash equivalents, restricted cash investments, patient and other accounts receivables, accrued salaries and benefits, accounts payable and accrued expenses, medical claims and related liabilities, amounts due to government agencies, notes receivable and payable, capital lease obligations, debt, and other liabilities. The carrying amounts of current assets and liabilities approximate their fair value due to the relatively short period of time between the origination of the instruments and their expected realization.

*Fair Value Measurement*

Relevant accounting guidance establishes a framework for measuring fair value and clarifies that fair value is an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants.

The guidance requires disclosure about how fair value is determined for assets and liabilities and establishes a hierarchy for which these assets and liabilities must be grouped, based on significant levels of inputs as follows: Level 1 quoted prices in active markets for identical assets or liabilities; Level 2 quoted prices in active markets for similar assets and liabilities and inputs that are observable for the asset or liability; or Level 3 unobservable inputs for the asset or liability, such as discounted cash flow models or valuations. The determination of where assets and liabilities fall within this hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The Company's Level 1 assets include cash and cash equivalents and investments (certificates of deposit and money market mutual funds). The inputs for fair value of goodwill and intangible assets (including long lived assets and intangible assets subject to amortization) would be based on Level 3 inputs as data used for such fair value calculations would be based on discounted cash flows that are not observable from the market, directly or indirectly.

*Financial Items Measured at Fair Value on a Recurring Basis*

The following table sets forth the Company's financial assets and liabilities measured at fair value on a recurring basis and where they are classified within the hierarchy (in thousands):

| | Total | Level 1 | Level 2 | Level 3 |
|---|---|---|---|---|
| **As of September 30, 2014** | | | | |
| Certificates of deposit and money market mutual funds | $ 642 | $ 642 | $ - | $ - |
| **As of September 30, 2013** | | | | |
| Certificates of deposit and money market mutual funds | $ 637 | $ 637 | $ - | $ - |

The Company's investments are classified within Level 1 of the fair value hierarchy because they are valued using quoted market prices.

*Nonfinancial Items Measured at Fair Value on a Nonrecurring Basis*

Nonfinancial assets such as goodwill and identifiable intangible assets are measured at fair value when there is an indicator of impairment and recorded at fair value only when impairment is recognized. The Company performs an annual impairment test on the goodwill, and performs an impairment test on the intangibles when there are indications of impairment.

## Notes to Consolidated Financial Statements

The following table presents the fair value of intangible assets subject to amortization measured at fair value during the year ended September 30, 2013 and included in the Company's consolidated balance sheet as of September 30, 2013 (in thousands):

| | Total | Fair Value Measurement Using Level 1 | Level 2 | Level 3 | Total impairment |
|---|---|---|---|---|---|
| Trade names | $ 1,940 | $ - | $ - | $ 1,940 | $ (3,476) |

During the year ended September 30, 2013, the Company recorded $3,476,000 of impairment relating to intangible assets subject to amortization, which is reflected in the accompanying consolidated statements of income. No impairment was recorded during the year ended September 30, 2014.

The Company uses the discounted cash flow approach to estimate the fair value of the Company's trade names. The following table provides quantitative information related to the significant unobservable inputs to determine fair value and impairment as of September 30, 2013:

| Fair value of trade names | Valuation Technique | Unobservable Input | Rates |
|---|---|---|---|
| $ 1,940 | Discounted cash flow | Weighted average cost of capital | 13.0% - 13.5% |
| | | Revenue growth rate | 2% - 3% |
| | | Reduction of revenue attributable to trade names | (30%) - (70%) |
| | | Royalty rate | 1.0% |

Significant increases or decreases in the Company's weighted average cost of capital may result in a significantly lower or higher fair value measurement, respectively. Significant increases or decreases in the revenue growth rate and royalty rates in isolation may result in a significantly higher or lower fair value measurement, respectively. The fair values of the Company's current financial liabilities approximate their reported carrying amounts. The carrying values and the fair values of non-current financial liabilities that qualify as financial instruments under the guidance are as follows (in thousands).

| | 2014 | | 2013 | |
|---|---|---|---|---|
| *September 30,* | Carrying Amount | Fair Value | Carrying Amount | Fair Value |
| **Liabilities:** | | | | |
| Long-term debt | $ 421,888 | $ 457,620 | $ 421,067 | $ 449,339 |

The fair value of the Company's long-term debt was determined based on market prices.

***Concentrations of Credit Risk***

Cash and cash equivalents are maintained at financial institutions and, at times, balances may exceed federally insured limits of $250,000 per depositor of each financial institution. The Company has not experienced any losses to date related to these balances.

Financial instruments that potentially subject the Company to concentrations of credit risk consist of receivables due from Medicare, Medicaid (Medi-Cal in California), patients, health plans including shared-risk arrangements, and notes receivable.

The Company invests excess cash in liquid securities at institutions with strong credit ratings, following established guidelines relative to diversification and maturities to maintain safety and liquidity. These guidelines are periodically reviewed and modified to take into consideration trends in yields and interest rates and principal risk. Management attempts to schedule the maturities of the Company's investments to coincide with the Company's expected cash requirements. Credit risk with respect to receivables is limited since amounts are generally due from large HMOs within the Medical Group Management segment and from the Medicare and Medicaid (Medi-Cal in California) programs within the Hospital Services segment. Notes receivable are fully secured by collateral of equal or greater value. Management reviews the financial condition of these institutions on a periodic basis and does not believe the concentration of cash or receivables results in a high level of risk.

For the years ended September 30, 2014 and 2013, the Hospital Services segment received a total of 67% and 71%, respectively, of its net patient revenues from Medicare and Medicaid programs, and the Medical Group segment received a total of 63% and 69%, respectively, of their capitation revenues from its five largest HMOs, as follows (in thousands):

| *Years Ended September 30,* | 2014 | % of Total Revenue | 2013 | % of Total Revenue |
|---|---|---|---|---|
| Hospital Services: | | | | |
| Government Payers: | | | | |
| Medicare | $ 224,984 | 36% | $ 211,482 | 41% |
| Medicaid | 189,668 | 31% | 158,048 | 30% |
| Total | $ 414,652 | 67% | $ 369,530 | 71% |
| Medical Group: | | | | |
| HMO A | $ 33,784 | 14% | $ 36,194 | 17% |
| HMO B | 31,632 | 13% | 28,346 | 13% |
| HMO C | 31,481 | 13% | 31,735 | 15% |
| HMO D | 31,283 | 13% | 28,754 | 13% |
| HMO E | 25,133 | 10% | 23,159 | 11% |
| Totals | $ 153,313 | 63% | $ 148,188 | 69% |

***Use of Estimates***

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and the disclosure of contingent assets and liabilities at the dates, and for the periods, that the consolidated financial statements are prepared. Actual results could materially differ from those estimates. Principal areas requiring the use of estimates include third party settlements, settlements under risk sharing programs, allowances for contractual discounts and doubtful accounts, accruals for medical claims, impairment of goodwill, long-lived assets and intangible assets, share-based payments, professional and general

liability claims and workers' compensation claims, reserves for outcome of legislation and valuation allowances against deferred tax assets.

***New Accounting Pronouncements***

In June 2011, the FASB issued an accounting standards update that specifies that the liability for the annual fee imposed on certain health insurers under the recently enacted Patient Protection and Affordable Care Act and the Health Care and Education Reconciliation Act, should be estimated and recorded in full once the entity provides qualifying health insurance in the applicable calendar year in which the fee is payable with a corresponding deferred cost that is amortized to expense using a straight-line method of allocation unless another method better allocates the fee over the calendar year that it is payable. This update is effective for calendar years beginning after December 31, 2013, when the fee initially becomes effective. The Company is currently evaluating the effect of this guidance on its consolidated results of operations and consolidated financial position.

In July 2013, the FASB issued an accounting standards update that requires an unrecognized tax benefit or portion of an unrecognized tax benefit to be presented as a reduction to a deferred tax asset for a net operating loss carryforward, a similar tax loss, or a tax credit carryforward except when certain conditions exist. The amendment is effective for the Company for fiscal years beginning after December 15, 2014, including interim periods in 2014. The Company is currently evaluating the effect of this guidance on its consolidated results of operations and consolidated financial position.

In May 2014, the FASB issued ASU No. 2014-09, Revenue from Contracts with Customers (ASU 2014-09). The core principle of ASU 2014-09 is built on the contract between a vendor and a customer for the provision of goods and services, and attempts to depict the exchange of rights and obligations between the parties in the pattern of revenue recognition based on the consideration to which the vendor is entitled. To accomplish this objective, the standard requires five basic steps: (i) identify the contract with the customer, (ii) identify the performance obligations in the contract, (iii) determine the transaction price, (iv) allocate the transaction price to the performance obligations in the contract, (v) recognize revenue when (or as) the entity satisfies a performance obligation. Nonpublic entities will apply the new standard for annual periods beginning after December 15, 2017, including interim periods therein. Three basic transition methods are available – full retrospective, retrospective with certain practical expedients, and a cumulative effect approach. Under the third alternative, an entity would apply the new revenue standard only to contracts that are incomplete under legacy U.S. GAAP at the date of initial application (e.g. October 1, 2018) and recognize the cumulative effect of the new standard as an adjustment to the opening balance of retained earnings. That is, prior years would not be restated and additional disclosures would be required to enable users of the financial statements to understand the impact of adopting the new standard in the current year compared to prior years that are presented under legacy U.S. GAAP. Early adoption is prohibited. The Company is currently evaluating the effect of this guidance on its consolidated results of operations and consolidated financial position.

## 3. Property, Improvements and Equipment

Property, improvements and equipment, consisted of the following (in thousands):

| *September 30,* | 2014 | 2013 |
|---|---|---|
| Property, improvements and equipment: | | |
| Land and land improvements | $ 53,381 | $ 34,985 |
| Buildings and improvements | 119,163 | 59,270 |
| Leasehold improvements | 22,967 | 4,007 |
| Equipment | 87,249 | 64,842 |
| Furniture and fixtures | 7,187 | 5,759 |
| | 289,947 | 168,863 |
| Less: accumulated depreciation | (60,473) | (42,331) |
| Property, improvements and equipment, net | $ 229,474 | $ 126,532 |

Effective May 6, 2014, Prospect acquired the property, improvements, and equipment of Bellflower Medical Center, located in Bellflower, California, for cash consideration of $20 million. The assets, including land and building, were named Los Angeles Community Hospital at Bellflower. Bellflower Medical Center was closed in 2013 by its previous owner and was not operational since that time. The Company accounted for this transaction as an acquisition of assets. The primary factors influencing the determination that the acquisition should be accounted for in this manner included the complete closure of the hospital, the fact that there were no inputs and/or processes acquired, the requirement for significant additional capital expenditures and development efforts to reopen the hospital, and the lack of acquired workforce. Accordingly, the Company determined that this transaction lacked the key characteristics for business combination accounting. In addition to the $20 million purchase price, Prospect capitalized $546,000 of transaction costs directly related to the purchase of these assets. The purchase price and transaction costs were allocated to the assets acquired based on the relative fair value of the acquired assets.

On July 18, 2013, Nix Health entered into a lease agreement to rent land and building located in the city of San Antonio, Texas, which was used for a 73-bed behavioral health center which was opened during the year ended September 30, 2014. The Company determined that the lease qualified as a capital lease and recorded fixed assets of $5,675,000 and a capital lease liability of $6,902,000 as of September 30, 2013. The difference of $1,227,000 relates to a tenant improvement allowance from the landlord, which was used for construction costs during the year ended September 30, 2014.

During the years ended September 30, 2014 and 2013, the Company made investments of approximately $7,633,000 and $6,200,000, respectively, in equipment related to implementation of EHR technology and new hospital systems at the Company's hospitals.

At September 30, 2014 and 2013, the Company had assets under capitalized leases of approximately $19,294,000 and $17,288,000, respectively, and related accumulated depreciation of $11,465,000 and $7,350,000, respectively.

Depreciation expense was approximately $18,386,000 and $12,443,000 for the years ended September 30, 2014 and 2013, respectively.

## 4. Acquisitions

*Newport Specialty Hospital*

Effective May 6, 2014, Prospect acquired substantially all of the assets of Newport Specialty Hospital ("NSH") for cash consideration of $15 million. NSH, located in Tustin, California was substantially closed prior to acquisition, operating only its pediatric subacute unit as of the acquisition date.

The acquisition of NSH was accounted for as a business combination using purchase accounting. Under the purchase accounting method, assets acquired and liabilities assumed are recorded based on their estimated fair values. This transaction resulted in a bargain gain of approximately $523,000, which is included in other income in the accompanying consolidated statements of income. The Company incurred $556,000 and $37,000 of transaction costs during the years ended September 30, 2014 and 2013, respectively, which are included in General and Administrative expenses in the accompanying consolidated statements of income.

The following table summarizes the assets acquired and liabilities assumed in connection with the NSH acquisition, as of May 6, 2014 (in thousands):

| | Purchase Price Allocation (Preliminary) |
|---|---|
| Property, improvements and equipment | $ 15,523 |
| Bargain purchase gain | (523) |
| Net cash consideration | $ 15,000 |

*CharterCARE*

Effective June 20, 2014, Prospect, through its newly formed subsidiary, PCC, acquired substantially all of the assets of CharterCARE Health Partners and its subsidiaries in exchange for a 15% interest in PCC, $43.3 million in cash and a commitment to invest at least $50 million in PCC and its subsidiaries for strategic business development and capital improvements over the next four years. As a result of the acquisition, PCC is owned 85% by Prospect and 15% by CharterCARE Health Partners (which was subsequently renamed CharterCARE Community Board).

PCC, through its subsidiaries, operates Roger Williams Medical Center, St. Joseph Health Services of Rhode Island, and Elmhurst Extended Care Facilities, Inc., which operate hospitals, medical centers and assisted living facilities located in Rhode Island with approximately 785 licensed beds.

The acquisition was accounted for as a business combination using purchase accounting. Under the purchase accounting method, assets acquired and liabilities assumed are recorded based on their estimated fair values. This transaction resulted in a bargain gain of approximately $4,294,000, which is included in other income in the accompanying consolidated statements of income. Subsequent to September 30, 2014, the Company received $2,125,000 for a working capital adjustment, which resulted in a reduction in total consideration and an increase in the bargain gain recognized during the year ended September 30, 2014.

# Prospect Medical Holdings, Inc.

## Notes to Consolidated Financial Statements

The following table summarizes the assets acquired and liabilities assumed in connection with the PCC acquisition, as of June 20, 2014 (in thousands):

| | Purchase Price Allocation (Preliminary) |
|---|---|
| Restricted cash | $ 1,739 |
| Patient accounts receivable and other receivables | 34,264 |
| Prepaid expenses and other current assets | 8,777 |
| Property, improvements and equipment | 53,642 |
| Intangible assets | 8,590 |
| Other long-term assets | 4,698 |
| Accounts payable and other liabilities | (44,656) |
| Capital leases | (1,315) |
| Long-term debt | (25) |
| Other long-term liabilities | (4,645) |
| Net assets acquired | 61,069 |
| Less: amount attributable to non-controlling interest | (9,160) |
| Net assets acquired by Prospect | 51,909 |
| Total purchase consideration | 47,615 |
| Bargain purchase gain | $ 4,294 |

The total purchase consideration of $47,615,000 includes net cash consideration of $41,175,000 after the working capital adjustment plus a long-term liability of $6,440,000, which represents the discounted fair value of the non-controlling interest's 15% interest in the $50 million future commitment of the Company to PCC as part of the Purchase Agreement. The Company's long-term liability increased from $6,440,000 as of June 20, 2014 to $6,506,000 as of September 30, 2014 due to accretion of the liability.

The Company incurred $2,145,000 and $976,000 of transaction costs during the years ended September 30, 2014 and 2013, respectively, which are included in General and Administrative expenses in the accompanying consolidated statements of income.

*New Genesis Medical Associates*

On October 1, 2012, the Company, through its newly created affiliate, New Genesis Medical Associates, Inc. dba Genesis Medical Clinic, a California professional medical corporation, acquired substantially all of the assets of a physician medical practice located in Orange County, California. The consideration for the NGMA acquisition consisted of approximately $400,000 in cash. The acquisition of NGMA is accounted for as a business combination using purchase accounting. Under the purchase accounting method, assets acquired and liabilities assumed are recorded based on their estimated fair values.

The following table summarizes the assets acquired in connection with the NGMA acquisition, as of October 1, 2012 (in thousands):

| | Purchase Price Allocation |
|---|---|
| Property, improvements and equipment | $ 50 |
| Intangible assets | 350 |
| Net cash consideration | $ 400 |

*Nix Community General Hospital*

On April 16, 2013, the Company acquired substantially all of the assets and assumed certain liabilities of Community General Hospital of Dilley, Texas Inc. dba Community General Hospital, a hospital with 18 licensed beds, which offers Dilley, Texas and the surrounding communities an array of medical services including primary care. Upon close of the transaction, the hospital was renamed to Nix Community General Hospital. The consideration for the Community General Hospital acquisition included approximately $2,705,000 in cash, contingent cash consideration of $250,000 and assumption of approximately $795,000 in liabilities, for total consideration of approximately $3,750,000. The acquisition of Community General Hospital is accounted for as a business combination using purchase accounting. Under the purchase accounting method, assets acquired and liabilities assumed are recorded based on their estimated fair values. The Company incurred $255,000 of transaction costs during the years ended September 30, 2013, which are included in General and Administrative expenses in the accompanying consolidated statements of income.

The following table summarizes the assets acquired and liabilities assumed in connection with the Community General Hospital acquisition, as of April 16, 2013 (in thousands):

| | Purchase Price Allocation |
|---|---|
| Current assets | $ 7 |
| Property, improvements and equipment | 1,267 |
| Goodwill | 2,476 |
| Contingent cash consideration | (250) |
| Accounts payable and other liabilities | (795) |
| Net cash consideration | $ 2,705 |

As an asset purchase, the goodwill and the intangible assets acquired in the PCC, NGMA and Nix CGH acquisitions are deductible for tax purposes.

## 5. Goodwill and Intangible Assets

As of September 30, 2014 and 2013, goodwill and intangible assets relate to the ProMed, Alta, SCH Culver City, Nix Health, NGMA, Nix CGH, and PCC acquisitions. The Company performed its annual goodwill impairment analysis for each reporting unit that constitutes a business for which 1) discrete financial information is produced and reviewed by management, and 2) services that are distinct from the other reporting units.

# Prospect Medical Holdings, Inc.

## Notes to Consolidated Financial Statements

For the Medical Group segment, the Company has determined that PHCA and the ProMed Entities (collectively referred to as "ProMed"), as well as PMS and the other affiliated physician organizations as a group (collectively referred to as "Prospect IPAs") each constitutes a separate reporting unit. NGMA is consolidated within the Prospect reporting unit.

For the Hospital Services segment, the reporting unit for the annual goodwill impairment analysis is determined to be at the business unit level. A separate analysis was prepared for Alta Hospitals, SCH Culver City, and Nix Health. Nix CGH is consolidated within the Nix Health business unit.

During the year ended September 30, 2013, the Company recorded additional goodwill of $2,476,000 related to the Nix CGH acquisition. In addition, the Company recorded a working capital adjustment of $157,000 against the goodwill balance related to the Nix Health acquisition.

The carrying value of goodwill for Alta Hospitals, SCH Culver City, Nix Health (including Nix CGH), and ProMed at September 30, 2014 and 2013 was $106,539,000, $24,373,000, $5,613,000, and $22,339,000, respectively.

The following is a rollforward of goodwill from October 1, 2012 to September 30, 2014 (in thousands):

| | Amount |
|---|---|
| Balance, October 1, 2012 | $ 156,545 |
| Acquisition of Nix CGH (see Note 4) | 2,476 |
| Working capital adjustments - Nix Health (see Note 4) | (157) |
| Balance, September 30, 2013 | 158,864 |
| Balance, September 30, 2014 | $ 158,864 |

During the year ended September 30, 2013, the Company changed the names of the hospitals owned by SCHS to SCH Hollywood, SCH Van Nuys, and SCH Culver City. The fair value of the original trade names at September 30, 2013 was estimated using the relief-from-royalty method and their remaining useful lives were reduced to three years based on the Company's planned use of the trade names. As a result of the valuation, the trade names were valued at $1,940,000 and the Company recorded an impairment charge of $3,476,000 for the year ended September 30, 2013, which is presented as part of operating expenses in the accompanying consolidated statements of income. The Company adjusted the cost basis of the trade names to the new fair value, which resulted in writing off $5,510,000 of gross intangibles and accumulated amortization of $2,034,000. There were no impairments recorded for the year ended September 30, 2014.

During the year ended September 30, 2014 and 2013, intangibles related to physician guarantees, covenants not-to-compete and provider networks of $487,000 and $3,300,000, respectively, were fully amortized and removed from intangible assets.

Amortization is recognized on a straight-line basis (management's best estimate of the period of economic benefit) over the respective useful lives and expense for the years ended September 30, 2014 and 2013 was approximately $5,194,000 and $4,371,000, respectively.

Estimated amortization expense for each future fiscal year is as follows (in thousands):

| *Years ended September 30,* | |
|---|---|
| 2015 | $ 6,345 |
| 2016 | 6,146 |
| 2017 | 4,869 |
| 2018 | 4,632 |
| 2019 | 4,149 |
| Thereafter | 9,133 |
| Total | $ 35,274 |

The following table shows the estimated useful lives for each of the intangible assets:

| | Estimated useful lives |
|---|---|
| HMO membership | 14 years |
| Trade names | 3 - 20 years |
| Favorable leasehold | 6 years |
| Physician guarantees | 2 to 3 years |
| Customer relationships | 7 years |

The weighted-average remaining useful life for the intangible assets was 7.13 years as of September 30, 2014.

## 6. Related Party Transactions

Jeereddi Prasad, M.D., a shareholder of Ivy Holdings, a director of Ivy Holdings and the Company, and an officer of the ProMed Entities, has ownership interests in physician medical groups that provide medical services to ProMed members, including CMG. For the years ended September 30, 2014 and 2013, the ProMed Entities paid these groups approximately $12,677,000 and $16,742,000, respectively.

Pursuant to a Management Services Agreement, dated December 15, 2010 and amended on May 3, 2012 (the "LGP Management Agreement"), between the Company and Leonard Green & Partners, L.P. ("LGP"), a private equity fund with affiliated funds that collectively constitute the majority shareholder of Ivy Holdings, LGP provides to the Company, (a) certain investment banking services, (b) management, consulting and financial planning services and (c) financial advisory and investment banking services in connection with major financial transactions from time to time. In consideration for the services provided by LGP under the LGP Management Agreement, the Company pays LGP an annual fee of $1,000,000, payable in monthly installments, and reimburses LGP for its related expenses up to $50,000 annually. If approved by the unanimous consent of the Board of Directors of the Company, additional customary fees may be due to LGP pursuant to the terms of the LGP Management Agreement for services rendered in connection with major transactions from time to time.

The Company is a wholly-owned indirect subsidiary of Ivy Holdings. Therefore, Ivy Holdings is the parent of an affiliated group of corporations within the meaning of Section 1504(a) of the Internal Revenue Code of 1986. On December 15, 2010, Ivy Holdings, Ivy Intermediate and the Company entered into a Tax Sharing Agreement. The Tax Sharing Agreement allows the Company to make payments to Ivy Holdings as necessary to fund their payment of any required taxes incurred due to such parent status. During the years ended September 30, 2014 and 2013, the Company made payments under this arrangement of $5,703,000 and $17,477,000, respectively.

## Notes to Consolidated Financial Statements

Deferred tax assets and liabilities reflect the effect of temporary differences between the assets and liabilities recognized for financial reporting purposes and the amounts recognized for income tax purposes.

For the year ended September 30, 2013, the Company released $8,000,000 of deferred tax valuation allowance in connection with net operating losses that became available for use due to the Brotman Medical Center and Alta Hollywood Hospitals merger. The Company maintains approximately $10,737,000 and $10,742,000 as of September 30, 2014 and 2013, respectively, of valuation allowance against its deferred tax assets for capital loss and certain net operation loss carry forwards subject to limitations under tax law. At September 30, 2014, the Company had federal and state net operating loss carryovers of approximately $17,935,000 and $34,039,000 which, if not utilized, will expire beginning 2034 and 2024, respectively. A substantial portion of these net operating loss carry forwards are subject to limitations under Internal Revenue Code Section 382, and their use may be severely limited in the future.

During the year ended September 30, 2013, the Internal Revenue Service ("IRS") concluded its audit of SCH Culver City for the years ended September 30, 2008 through 2010 and its audit of PMG for the year ended September 30, 2010. During the year ended September 30, 2014, the IRS completed its audit of PMH for the year ended September 30, 2010 and the period from October 1, 2010 to December 15, 2010 with no adjustments. The Company's tax years 2010 and after are generally open for federal and state tax examination. At September 30, 2013, the Company has approximately $970,000 of unrealized excess tax benefits related to employee stock options. This amount is not included in the table of deferred tax assets above and the benefit will be recorded as an increase to additional paid in capital if and when realized.

The Company does not have any material unrecognized benefit as of September 30, 2014 and does not anticipate that any material change will occur within the next 12 months.

The differences between the income tax provision at the federal statutory rate and that reflected in the accompanying consolidated statements of operations are summarized as follows:

***Senior Secured Notes***

On May 3, 2012, the Company closed the offering of $325 million in 8.375% senior secured notes due May 1, 2019 ("PMH 2019 Notes"). Interest is payable semi-annually in arrears on May 1 and November 1, commencing on November 1, 2012. The offering was executed in accordance with Rule 144A and Regulation S under the Securities Act of 1933. The terms of the PMH 2019 Notes are governed by an indenture among the Company, certain of its subsidiaries and affiliates (as "Guarantors"), and U.S. Bank National Association (as trustee) (the "Indenture"). The Indenture contains certain covenants that, among other things, limit the Company's ability, and the ability of its restricted subsidiaries (as such term is defined in the Indenture) to: retire and pay dividends or distributions on capital stock or equity interests, prepay subordinated indebtedness or make other restricted payments; incur additional debt; make investments; create liens on assets; enter into transactions with affiliates; engage in other businesses; sell or issue capital stock of restricted subsidiaries; merge or consolidate with another company; transfer and sell assets; create dividend and other payment restrictions affecting subsidiaries; and designate unrestricted subsidiaries. The Credit Agreement (defined below), executed in connection

with the PMH Senior Secured Credit Facility (discussed below), contains a number of customary covenants as well as covenants requiring the Company to maintain a maximum consolidated secured leverage ratio and limiting the amount of capital expenditures.

Concurrent with the issuance of the PMH 2019 Notes, the Company entered into a five year $50 million revolving senior secured credit facility (the "PMH Senior Secured Credit Facility") which replaced the existing senior secured credit facility. The PMH Senior Secured Credit Facility provides, among other things, for borrowings up to the amount of the facility with sublimits of up to (i) $20 million to be available for the issuance of letters of credit and (ii) $10 million to be available for swingline loans. The commitment under the facility may be increased by up to $10 million upon the Company's request at the discretion of the lenders and subject to certain customary requirements. The interest rate per annum applicable to loans under the PMH Senior Secured Credit Facility will be, at the Company's option, either a rate per annum equal to (i) LIBOR plus 3.50% or (ii) an alternate base rate, which will be the higher of the administrative agent's prime rate, the federal funds rate plus 0.50%, and the 1-month LIBOR rate plus 1.00%, plus in each case, 2.50%. In August 2013, the PMH Senior Secured Credit Facility limit was increased to $60 million. As of September 30, 2014, the Company had $20 million outstanding debt related to the PMH Senior Secured Credit Facility.

The PMH 2019 Notes and the PMH Senior Secured Credit Facility are jointly and severally guaranteed on a senior secured basis by all of the Company's subsidiaries (as such term is defined in the Indenture) other than AMVI/Prospect Medical Group, Nuestra and certain immaterial subsidiaries. The PMH 2019 Notes are secured pari passu with the PMH Senior Secured Credit Facility by first-priority Liens and security interests on substantially all of the tangible and intangible assets of the Guarantors, including, but not limited to, the accounts receivable, inventories, other personal property, real property, fixtures and equipment, in each case now owned or hereafter acquired by the Company and the Subsidiary Guarantors, with certain exceptions. The PMH 2019 Notes are effectively senior to all of the Guarantors' existing and future Indebtedness.

The terms of the PMH Senior Secured Credit Facility are governed by the Credit Agreement, dated as of May 3, 2012, (as amended in connection with the Company's November 2012 offering of additional PMH 2019 Notes - see below) among the Company, Morgan Stanley Senior Funding, Inc. (as administrative agent), Royal Bank of Canada and Credit Suisse AG, Cayman Islands Branch (as co-syndication agents) and the lenders party thereto (the "Credit Agreement").

The Company, at its option, may redeem all or part of the notes at a redemption price equal to 106.281%, 104.188%, 102.094% and 100.0% on or after May 1, 2015, 2016, 2017 and 2018, respectively. Prior to May 1, 2015, the Company, at its option, may (i) redeem up to 35% of the original principal amount of the notes with the proceeds of certain equity offerings at a redemption price of 108.375% (ii) redeem up to 10% of the original principal amount of the PMH 2019 Notes during each 12-month period, commencing on May 1 in each of 2012, 2013 and 2014, at a redemption price of 103.0% of the principal amount thereof (this redemption option was terminated in connection with the Company's November 2012 offering of additional PMH 2019 Notes) or (iii) redeem the PMH 2019 Notes, in whole, but not in part, at a redemption price of 100.0% of the aggregate principal plus a make-whole premium. There are no required principal payments on the PMH 2019 Notes until maturity.

On November 16, 2012, the Company closed the offering of $100 million in aggregate principal amount of 8.375% senior secured notes due 2019 (the "Additional 2019 Notes") at a price equal to 102% of the principal amount of the Additional 2019 Notes. The Additional 2019 Notes were issued in a private placement to qualified institutional buyers and form a part of the same series as the PMH 2019 Notes issued on May 3, 2012.

The Additional 2019 Notes were issued under the Indenture, dated May 3, 2012 and described above, as supplemented by two supplemental indentures entered into in connection with the issuance of the Additional 2019 Notes (the "Supplemental Indentures"). The Additional 2019 Notes are treated as a single series with the previously issued PMH 2019 Notes for all purposes under the Indenture, including, without limitation, restrictive covenants, waivers, amendments, redemptions and offers to purchase. Prior to closing the issuance of the Additional 2019 Notes, the Company was required to obtain the consent of the majority in interest of its PMH 2019 Notes issued on May 3, 2012 to certain amendments to the Indenture contained in the first Supplemental Indenture. The Company obtained such consent from the holders of approximately $324 million in aggregate principal amount of outstanding PMH 2019 Notes and paid an aggregate consent fee of approximately $8.9 million. The Company determined that the transaction represents a debt modification under the applicable accounting guidance and capitalized the consent fee and recorded it as a debt discount during the year ended September 30, 2013, which is being amortized over the term of the Additional 2019 Notes using the effective interest method. As of September 30, 2013, the aggregate outstanding principal balance of the PMH 2019 Notes was $425,000,000, net of unamortized original issue discount of $7,641,000 and plus unamortized original issue premium of $1,729,000.

The proceeds from the offering, together with approximately $10.9 million of the Company's available cash, were utilized to pay a dividend to the stockholders of the Company's indirect parent, Ivy Holdings, in an aggregate amount equal to $100 million, to pay the aforementioned $8.9 million consent fee and to pay approximately $2.5 million for other fees and expenses related to the offering.

In connection with the issuance of the Additional 2019 Notes, the Company entered into an amendment of its Credit Agreement governing the PMH Senior Secured Credit Facility that waived and amended certain provisions of the Credit Agreement, including certain restrictive covenants.

As of September 30, 2014 and 2013, the Company was in compliance with the financial covenants of the Indenture and Credit Agreement.

***Demand Notes***

During the year ended September 30, 2012, the Company obtained a commitment from a bank for a $9.3 million equipment leasing facility to finance various equipment at the Company's hospital facilities. During January 2014, the commitment was increased to $22.3 million. As of September 30, 2014 and 2013, $10.7 million and $8.4 million, respectively, were drawn under the facility and are classified as capital lease arrangements. Draws represent demand notes until conversion to capital leases, and interest accrues on such draws at the bank prime rate plus 1.5% with a floor of 4.5% and payable monthly.

**Nix Health's Debt:**

***Mortgage Debt***

In connection with the Nix Health acquisition, Nix SPE, LLC ("Nix SPE") executed a Loan Assumption Agreement, effective as of February 29, 2012, pursuant to which Nix SPE assumed the obligations of the sellers of Nix Health under a mortgage loan facility provided by The Ohio National Life Insurance Company on December 27, 1999. Nix SPE assumed the obligation to pay the outstanding principal amount of the mortgage loan and interest accruing thereafter. The outstanding balance of the mortgage loan as of September 30, 2014 and 2013 was $1,801,000 and $1,919,000, respectively.

Prospect Hospital Holdings, LLC, the parent company of Nix SPE, has provided a guaranty of the obligations of Nix SPE under the loan. The obligations under the loan facility are secured by a deed of trust on a neighborhood medical center known as Nix Alamo Heights. The loan is subject to a 7.0% interest rate and requires monthly installment payments of $20,674, with a balloon payment on the maturity date of November 1, 2019. Prepayment is subject to a fee and the loan contains customary covenants.

***Note Payable***

Nix Health entered into a note payable due in March of 2014. Interest accrued on this note at 8.96% and was payable monthly. The outstanding balance of this note as of September 30, 2013 was $39,000, and the note payable was repaid during the year ended September 30, 2014.

Scheduled payments under the Company's current and long-term debt as of September 30, 2014 are as follows (in thousands):

| *Years ending September 30,* | |

## 9. Stockholder's Deficit

***Equity Based Compensation Plans***

Effective December 15, 2010, the Board of Directors of Ivy Holdings adopted the Ivy Plan that authorized the issuance of options exercisable for up to 155,110 shares of the common stock of Ivy Holdings to employees, certain consultants and independent members of the boards of directors, of Ivy Holdings and its subsidiaries (including the Company and its subsidiaries). During the years ended September 30, 2014 and 2013, the Compensation Committee of the Board of Directors of Ivy Holdings ("Compensation Committee") granted 4,113 and 18,462 options to certain members of the Company's management and employees. These options are exercisable into Ivy Holdings stock and vest based on a number of criteria, including time, Company and Business Unit performance based on EBITDA targets and CEO and Compensation Committee discretion. Since the Ivy Holdings stock options were granted to Company employees for their services related to the Company, the related compensation cost has been recorded in the Company's consolidated financial statements.

Under the terms of the Ivy Plan, the exercise price of an incentive stock option ("ISO") may not be less than 100% of the fair market value of the Company's common stock on the date of grant and, if granted to a shareholder owning more than 10% of the Company's common stock, then not less than 110%. Stock options granted under the Ivy Plan have a maximum term of 10 years from the grant date, and are exercisable at such time and upon such terms and conditions as determined by the Compensation Committee. Stock options granted to employees generally vest over four years, subject to continued service, performance, and other criteria. In the case of an ISO, the amount of the aggregate fair market

value of common stock with respect to which the ISO grant is exercisable, for the first time by an employee during any calendar year, may not exceed $100,000.

***Stock Options Activity***

The following table summarizes information about Ivy Holdings stock options outstanding as of September 30, 2014 and 2013 and activity during the years then ended:

| | Shares Subject to Options | Weighted Average Exercise Price | Weighted Average Aggregate Intrinsic Value | Weighted Average Remaining Contractual Term (Months) |
|---|---|---|---|---|
| Outstanding as of September 30, 2012 | 112,583 | $ 100.00 | $ 20.00 | 104.2 |

| Outstanding as of September 30, 2014 | 116,433 | $ 45.37 | $ 74.63 | 84.10 |

*(1)* The number of options at September 30, 2013 includes 100,611 options modified in connection with the Repricing (see below).

The aggregate intrinsic value is calculated as the difference between the exercise price of the underlying awards and the estimated fair value of the Company's common stock for those awards that have an exercise price currently below the estimated fair value. As of September 30, 2014, the aggregate intrinsic value of outstanding shares was approximately $8,700,000. As of September 30, 2014, there were 102,931 options that are exercisable at a weighted average exercise price of $38.01.

A summary of Ivy Holdings non-vested options and the changes during the fiscal years ended September 30, 2014 and 2013 is presented as follows:

| | Shares | Weighted Average Grant Date Fair Value |
|---|---|---|
| **Ivy Holdings Stock Options:** | | |
| Nonvested at September 30, 2012 | 62,657 | $ 50.73 |
| Granted | 18,462 | 62.83 |
| Vested | (29,492) | 92.53 |
| Canceled/Forfeited | (8,435) | 79.53 |
| Nonvested at September 30, 2013 *(2)* | 43,192 | 86.99 |
| Granted | 4,113 | 63.81 |
| Vested | (29,890) | 92.00 |
| Canceled/Forfeited | (3,913) | 82.72 |
| Nonvested at September 30, 2014 | 13,502 | $ 70.20 |

*(2)* The number of non-vested options at September 30, 2013 includes 29,930 options modified in connection with the repricing (see below).

On April 5, 2013, the Compensation Committee approved the repricing of the exercise price of all outstanding stock options as of that date. Pursuant to such resolution of the Ivy Holdings Compensation Committee, as of the effective date, all of the previously granted options were exchanged for new options with a lower exercise price granted on a one-for-one basis. As a result of this repricing, the Company repriced 49,380 vested options and 59,748 unvested options from an original exercise price of $100.00 per share to a new exercise price of $30.00 per share. Other than the exercise price, all other terms of the repriced options, such as vesting and contractual life, remained the same. The Company has accounted for the repricing as a modification and recorded any net incremental fair value related to vested awards as compensation expense on the date of modification. In addition, the Company is recording the incremental fair value related to the unvested awards, together with unamortized stock-based compensation expense associated with the unvested awards, over the remaining requisite service period of the option holders. In connection with the repriced options, the Company recorded stock compensation expense of $1,454,000 on the date of the modification. Incremental compensation cost resulting from the modification was $1,097,000 and $548,000 during the year ended September 30, 2014 and from the modification date through September 30, 2013, respectively.

The original fair value of the options granted ranges from $50.73 to $63.81 per option. In connection with the repricing, the stock compensation expense related to the stock options granted prior to April 5, 2013 is calculated based on a fair value of $97.75. The fair value was determined using the Black-Scholes option pricing model.

Fair value of the repriced options was estimated with the following assumptions for Ivy Holdings:

| *For the year ended September 30,* | 2013 |
|---|---|
| Weighted average fair value of repriced options | $97.75 |
| Estimated fair market value of the Company's common stock on the date of grant | $120.00 |
| Weighted average expected life of the options | 8.2 years |
| Risk-free interest rate | 1.7% |
| Weighted average expected volatility | 45.9% |
| Dividend yield | 0.00% |

***Stock-Based Compensation Expense***

Stock-based compensation expense for all share-based payments in exchange for employee services (including stock options and restricted stock) is measured at fair value on the date of grant, estimated using an option pricing model and is recognized in the consolidated financial statements, net of estimated forfeitures over the awards requisite service period.

The Company uses the Black-Scholes option pricing model and a single option award approach to estimate the fair value of options granted. Estimated forfeitures will be revised in future periods if actual forfeitures differ from the estimates and will impact compensation cost in the period in which the change in estimate occurs. The determination of fair value using the Black-Scholes option-pricing model is affected by the Company's estimated stock price as well as assumptions regarding a number of complex and subjective variables, including expected stock price volatility, risk-free interest rate, expected dividends and projected employee stock option exercise behaviors.

# Prospect Medical Holdings, Inc.

## Notes to Consolidated Financial Statements

Fair value for options granted during the years ended September 30, 2014 and 2013 was estimated with the following assumptions for Ivy Holdings:

| *For the years ended September 30,* | 2014 | 2013 |
|---|---|---|
| Weighted average fair value of option grants | $ 63.81 | $ 62.83 |
| Estimated fair market value of the Company's common stock on the date of grant | $ 120.00 | $ 120.00 |
| Weighted average expected life of the options | 8.0 years | 8.2 years |
| Risk-free interest rate | 2.7% | 1.7% |
| Weighted average expected volatility | 45.0% | 45.9% |
| Dividend yield | 0.00% | 0.00% |

Expected Term - The expected term of options granted represents the period of time that they are estimated to be outstanding.

Risk-Free Interest Rate - The Company bases the risk-free interest rate on the implied yield in effect at the time of option grant on U.S. Treasury zero-coupon issues with equivalent remaining terms.

Expected Volatility—The Company estimates the volatility of the common stock at the date of grant based on the average of the historical volatilities of a group of peer companies. The Company has identified a group of comparable companies to calculate historical volatility from publicly available data for sequential periods approximately equal to the expected terms of the option grants. In selecting comparable companies, Management considered several factors including industry, stage of development, size and market capitalization.

Forfeitures—Share-based compensation is recognized only for those awards that are ultimately expected to vest. Compensation expense is recorded net of estimated forfeitures. Those estimates are revised in subsequent periods if actual forfeitures differ from those estimates. The Company used data since May 2005 to estimate pre-vesting option forfeitures.

Stock-based compensation expense for the Ivy Holdings stock options recognized during the years ended September 30, 2014 and 2013 was approximately $2,673,000 and $3,595,000 (including the impact of the option repricing noted above), respectively. At September 30, 2014, there were 13,502 unvested options which could potentially vest over the next three fiscal years, subject to meeting various vesting requirements which include time, discretion, and various performance targets as defined. The remaining maximum estimated stock compensation expense to be amortized to expense in future periods is approximately $960,000. The stock-based compensation expense is based on a number of criteria, including time, achievement of Company and Business Unit EBITDA targets and CEO and Compensation Committee discretion. Options which are expected to vest based on CEO and Compensation Committee discretion, are treated as variable stock options and are subject to revaluation at each reporting period. Management determined the fair value of the discretionary vested options using a Black Scholes calculation but determined that the change in compensation expense was not material to the consolidated financial statements for the years ended September 30, 2013 and 2014.

***Dividends***

The Company distributed $100 million in connection with the issuance of the Additional 2019 Notes, during the year ended September 30, 2013, which was recorded against retained earnings, and was ultimately paid to the common stockholders of Ivy Holdings.

## 10. Commitments and Contingencies

***Leases***

The Company leases various office facilities and equipment from third parties under non-cancelable operating and capital lease arrangements expiring at various dates through 2026. Certain operating leases contain rent escalation clauses and renewal options, which have been factored into determining rent expense on a straight-line basis over the lease terms. Capital leases bear interest at rates ranging from 2% to 11% per annum.

The future minimum annual lease payments (net of anticipated sublease income) required under leases in effect at September 30, 2014, are as follows (in thousands):

| *For the Years ending September 30,* | Capital Leases | Operating Leases |
|---|---|---|

Rent expense for the years ended September 30, 2014 and 2013 was approximately $9,615,000 and $7,365,000, respectively. Sublease rental income of approximately $271,000 and $209,000, for the years ended September 30, 2014 and 2013, respectively, was recorded as a reduction to rental expense.

***Litigation***

The Company is subject to a variety of claims and suits that arise from time to time in the ordinary course of its business, acquisitions, or other transactions. While the Company's management currently believes that resolving all of these matters, individually or in the aggregate, will not have a material adverse impact on the Company's consolidated financial position or results of operations, the litigation and other claims that the Company faces are subject to inherent uncertainties and management's view of these matters may change in the future. Should an unfavorable final outcome occur, there exists the possibility of a material adverse impact on the Company's consolidated financial position, results of operations and cash flows for the period in which the effect becomes probable and reasonably estimable.

Following the acquisition of the Company in August 2010, two putative class action complaints were filed against the Company, each of the Company's special committee members, Ivy Holdings, LGP, and certain other parties. These complaints, which were consolidated into a single action, allege generally

that defendants breached their fiduciary duties, or aided and abetted others' breaches of their fiduciary duties, in connection with the transaction with the Company by, among other things, authorizing the transaction for what plaintiffs claim to be inadequate consideration and pursuant to what plaintiffs claim to be an inadequate process and with inadequate disclosures. An amended complaint was filed in July 2011 alleging the same general facts.

On December 30, 2010, another lawsuit was filed in Delaware Chancery Court by Terrier Partners and five related entities against the same defendants identified above. The complaint alleges generally that the consideration offered to shareholders in connection with the transaction with the Company was inadequate in light of the revenue received under AB 1383 (see California Hospital Fee Program below), and that defendants breached their fiduciary duties, or aided and abetted others' breaches of their fiduciary duties by not obtaining a higher price in light of this additional revenue.

In May 2012, the Court of Chancery granted motions to consolidate the Terrier Partners case and the class action cases, and for class certification, certifying the class as a non-opt out class. The Court also entered a schedule permitting the plaintiffs to file a new amended complaint, and on June 11, 2012, plaintiffs filed their Verified Consolidated Third Amended Class Action Complaint. On July 26, 2012, the director defendants answered the Third Amended Complaint. That same day, Prospect moved to dismiss itself as a party to the Third Amended Complaint. The Court granted the motion to dismiss the Company as a defendant, leaving only the individuals as defendants in the case.

The parties subsequently engaged in discovery, and agreed to stay the matter in order to explore the possibility of mediation, which was unsuccessful. The defendants have vigorously defended the matter, and will continue to do so. No trial date is currently set.

Many of the Company's payer and provider contracts are complex in nature and may be subject to differing interpretations regarding amounts due for the provision of medical services. Such differing interpretations may not come to light until a substantial period of time has passed following contract implementation. Liabilities for claims disputes are recorded when the loss is probable and can be estimated. Any adjustments to reserves are reflected in current operations.

***Seismic Standards***

Our SCHS Hospitals and Alta Los Angeles Hospitals are required to comply with California's Alfred E. Alquist Hospital Facilities Seismic Safety Act (the "Alquist Act"), which regulates the seismic performance of all aspects of hospital facilities in California. The Alquist Act imposes near-term and long-term compliance deadlines for seismic safety assessment, submission of corrective plans, and the retrofitting or replacement of medical facilities to comply with current seismic standards. The Alquist Act also requires that the California Building Standards Commission adopt earthquake performance categories, seismic evaluation procedures, standards and timeframes for upgrading certain facilities, and seismic retrofit building standards. These regulations require hospitals to meet seismic performance standards to ensure that they are capable of providing medical services to the public after an earthquake or other disaster. The Building Standards Commission completed its adoption of evaluation criteria and retrofit standards in 1998.

The Alquist Act requires that within three years after the Building Standards Commission had adopted evaluation criteria and retrofit standards:

- Hospitals in California must conduct seismic evaluation and submit these evaluations to the Office of Statewide Health Planning and Development ("OSHPD"), Facilities Development Division for its review and approval;

- Hospitals in California must identify the most critical nonstructural systems that represent the greatest risk of failure during an earthquake and submit timetables for upgrading these systems to the OSHPD, Facilities Development Division for its review and approval; and

- Hospitals in California must prepare a plan and compliance schedule for each regulated building demonstrating the steps a hospital will take to bring the hospital buildings into substantial compliance with the regulations and standards.

The Company was required to conduct engineering studies at its hospitals to determine whether and to what extent modifications to the hospital facilities will be required. Management believes that SCH Culver City meets all current requirements; however, it may be required to make significant capital expenditures in the future to comply with the seismic standards, which could impact its earnings. The cost at September 30, 2014, is unknown at this time but could be material. In addition, such modifications to the hospital facilities could potentially result in environmental remediation liabilities which may be material to the Company.

The OSHPD has a voluntary program to re-evaluate the seismic risk of hospital buildings classified as Structural Performance Category ("SPC") 1. These buildings are considered hazardous and at risk of collapse in the event of an earthquake and they were required to be retrofitted, replaced or removed from providing acute care services by 2013, unless granted an extension. OSHPD is using HAZARDS U.S. ("HAZUS"), a state-of-the-art methodology, to reassess the seismic risk of SPC-1 buildings and those that are determined to pose a low seismic risk may be reclassified to SPC-2. The SPC-2 buildings would have until 2030 to comply with the structural seismic safety standards. Participation in the HAZUS program is optional for hospital owners wishing to have their SPC-1 building(s) re-evaluated. Applications for a HAZUS re-evaluation of the seismic risk were submitted for SCH Hollywood, SCH Culver City and Los Angeles Community Hospital, but there is no assurance they will result in extensions.

In addition, in 2011, the California Legislature enacted Senate Bill 90, which permitted some hospitals to apply for up to an additional seven year extension to the seismic retrofit deadlines, not to extend beyond January 1, 2020. SB 90 also permits OSHPD to extend until January 1, 2018 the date by which the hospitals must obtain a building permit and commence the required retrofit project.

SCH Culver City and Los Angeles Community Hospitals both applied for the SB 90 extension from OSHPD. Two of the buildings owned by SCH Culver City were granted SB 90 extensions until January 2019 and July 2019, respectively. Also, the facility operated by Los Angeles Community Hospital received an SB 90 extension until January 2019. All three extensions are contingent upon the delivery of certain additional plans and reports prior to January 2015 that have either been delivered or are in process at the time of this report. OSHPD is still reviewing the SB 90 extension request filed for a third building owned by SCH Culver City, which is also still subject to our application to be reclassified as a SPC-2 building.

OSHPD has discretion to approve or disapprove SB 90 extension requests, and to determine the length of the extension (up to the maximum seven years), based on eligibility factors including seismic risks associated with the affected buildings (which can be impacted by the updated HAZUS findings), community access to essential hospital services in the area and financial hardships facing the applicant.

Effective May 6, 2014, Prospect acquired the hospital facilities NSH and LACH Bellflower (see Note 4). For the newly acquired facilities, the Company is in the process of pursuing Non-Structural Performance Category ("NPC") 2 classification and the extension of the compliance deadlines that would result.

These requirements can result in significant operational changes and capital outlays. Management is continuing to assess its options and the methods of financing the required retrofits. Based on management's evaluation, the costs of renovation needed to comply with the California seismic safety standards for its acute-care facilities, including asbestos abatement, are not estimable at this time.

***Legislation and HIPAA***

The healthcare industry is subject to numerous laws and regulations of federal, state and local governments. These laws and regulations include, but are not necessarily limited to, matters such as licensure, accreditation, government healthcare program participation requirements, reimbursement for patient services, and Medicare and Medicaid fraud and abuse. Government activity has continued with respect to investigations and allegations concerning possible violations of fraud and abuse statutes and regulations by healthcare providers. Violations of these laws and regulations could result in expulsion from government healthcare programs together with the imposition of significant fines and penalties, as well as significant repayments for patient services previously billed.

The Company believes that it is in compliance with fraud and abuse regulations as well as other applicable government laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation as well as regulatory actions unknown or unasserted at this time.

The Health Insurance Portability and Accountability Act ("HIPAA") assures health insurance portability, reduces healthcare fraud and abuse, guarantees security and privacy of health information, and enforces standards for health information. The Health Information Technology for Economic and Clinical Health Act ("HITECH Act") expanded upon HIPAA in a number of ways, including establishing notification requirements for certain breaches of protected health information. In addition to these federal rules, California has also developed strict standards for the privacy and security of health information as well as for reporting certain violations and breaches. The Company may be subject to significant fines and penalties if found not to be compliant with these state or federal provisions.

***Affordable Care Act***

The Patient Protection and Affordable Care Act ("PPACA") will substantially reform the United States health care system. The legislation impacts multiple aspects of the health care system, including many provisions that change payments from Medicare, Medicaid and insurance companies. Starting in 2014, the legislation requires the establishment of health insurance exchanges, which will provide individuals without employer-provided health care coverage the opportunity to purchase insurance. It is anticipated that some employers currently offering insurance to employees will opt to have employees seek insurance coverage through the insurance exchanges. It is possible that the reimbursement rates paid by insurers participating in the insurance exchanges may be substantially different than rates paid under current health insurance products. Another significant component of the PPACA is the expansion of the Medicaid program to a wide range of newly eligible individuals. In anticipation of this expansion, payments under certain existing programs, such as Medicare disproportionate share, will be substantially decreased. Each state's participation in an expanded Medicaid program is optional.

*California Hospital Fee Program*

The State of California enacted Assembly Bill 1383 ("AB 1383") effective January 1, 2010, as amended by Assembly Bill 1653 (collectively, the "Program"), to provide supplemental payments to certain hospitals such as the hospitals owned and operated by the Company's subsidiaries. The Program requires participating hospitals to pay fee assessments into a pool of funds to which the federal government contributes matching funds. Most of these funds, including the federal matching funds, are then distributed to qualifying hospitals. In addition, on April 13, 2011 SB 90 was signed into law and provided for a six-month extension of the Hospital Fee Program for dates of service from January 1, 2011 through June 30, 2011. CMS granted final approval of SB 90 on December 29, 2011, at which point the revenue and expense was recognized for the retroactive period. In September 2011, the State of California enacted Senate Bill 335 ("SB 335") which provides a 30-month hospital fee program for dates of service from July 1, 2011 through December 31, 2013. The elements of SB 335 related to the fee for service payments were approved by CMS on June 22, 2012. The payments due under the managed care component are scheduled to be made in three cycles. The first two cycles were previously approved by CMS, and the third cycle was approved by CMS subsequent to September 30, 2014. Certain technical changes to the legislation required by CMS are included in Senate Bill 920.

Governor Brown signed Senate Bill 239 ("SB 239") in October 2013, which enacted a hospital fee program for the period January 1, 2014 through December 31, 2016. This program was approved by CMS on December 5, 2014. SB 239 provides that the hospital fee program will continue through December 31, 2022 in three year cycles and will require authorization of each cycle by the California legislature. The Company has not recognized any amounts related to SB 239 as of and for the years ended September 30, 2014 and 2013.

For the years ended September 30, 2012 and 2011, SCH Culver City received invoices for fee assessments under AB 1383 and SB 90 of approximately $6,310,000 and $19,000,000, respectively, following payment of which, SCH Culver City was scheduled to receive approximately $5,236,000 and $15,000,000, respectively. Management of SCH Culver City estimated that SCH Culver City would be a "net" payer under the Program, since the fee assessments on SCH Culver City exceeded the supplemental payments by approximately $1,074,000 and $4,000,000, respectively. Accordingly, on October 6, 2010, the Company notified the California Department of Healthcare Services ("DHCS") that SCH Culver City was opting out of the Program.

SCH Culver City did not pay the required fee assessments under the Program. Beginning February 14, 2011, the DHCS began withholding against amounts otherwise due SCH Culver City, in the amount of $65,000 per week indicating that withholdings would continue for 108 weeks and would total approximately $7,000,000. Through September 30, 2012, a total of approximately $2,986,000 had been withheld against SCH Culver City's Medi-Cal fee-for-service payments. As of September 30, 2012, SCH Culver City recorded a liability of approximately $5,494,000, representing the accrued loss above, as well as deferred recognition of payments received from managed care plans. On November 15, 2012 the Company entered into a settlement agreement with DHCS with regards to SCH Culver City's liability under AB 1383, SB 90 and SB 335, as discussed above. Under the terms of the agreement, the DHCS agreed to forgive approximately $2,000,000 of the fees due under AB 1383, which was recorded by the Company during the year ended September 30, 2013. The remaining liability due to DHCS of $4,605,000 will be repaid by the Company monthly over a 10-year period without interest or penalties. The Company recorded a net liability of $3,233,000 as of the settlement date, which represents the net present value of the liability due to DHCS discounted at an effective interest rate of 7.5%. As of September 30, 2014 and 2013, the unamortized balance of the liability amounted to $2,806,000 and $3,046,000, respectively. The DHCS will no longer withhold against any other amounts due to SCH Culver City unless the Company is delinquent on payments owed under the agreement.

As of September 30, 2013, the Company had a receivable related to the California Hospital Fee Program of $18,895,000 in the accompanying consolidated balance sheets. The Company did not have a receivable related to the California Hospital Fee Program as of September 30, 2014. As of September 30, 2014 and 2013, the Company had a liability related to the California Hospital Fee Program of $2,806,000 and $8,609,000, respectively, in the accompanying consolidated balance sheets.

Total California Hospital Fee program revenues and expenses recognized during the years ended September 30, 2014 and 2013 were as follows (in thousands):

| *Year Ended September 30,* | 2014 | 2013 |
|---|---|---|
| Hospital services revenues | $ 11,884 | $ 63,371 |
| Hospital operating expenses | 5,863 | 37,925 |
| Net pre-tax impact | $ 6,021 | $ 25,446 |

***Collective Bargaining Agreements***

A small group of employees at SCH Hollywood, which is one of the hospitals under the consolidated group of Alta Hospitals System, LLC, and Service Employees International Union, United Healthcare Workers-West ("SEIU") are currently parties to a collective bargaining agreement with a termination date of April 27, 2017. In addition, approximately 77% of the employees of SCH Culver City are part of a collective bargaining agreement with the SEIU or the California Nurses Association ("CNA"). SCH Culver City and CNA are currently parties to a collective bargaining agreement that expires on December 21, 2015. SEIU and SCH Culver City are currently parties to a three-year term agreement that expires on April 27, 2017.

As of September 30, 2014, approximately 25% of the employees at CharterCARE St. Joseph's are subject to a collective bargaining agreement with United Nurses and Allied Professionals ("UNAP"), which expires July 31, 2016. An additional 1% are subject to a collective bargaining agreement with the Federation of Nurses and Health Professionals ("FNHP"), which expires April 30, 2016.

***Tangible Net Equity ("TNE") requirement***

The Company's affiliated physician organizations must comply with a minimum working capital requirement, Tangible Net Equity ("TNE") requirement, cash-to-claims ratio and claims payment requirements prescribed by the California Department of Managed Health Care. TNE is defined as net assets, less intangibles and amounts due from affiliates, plus subordinated obligations. At September 30, 2014 and 2013, the Company and the affiliated physician organizations were in compliance with these regulatory requirements.

***Employee Health Plans***

From October 1, 2012 through December 31, 2012, the Company (except for SCH Culver City and Nix Health) was fully insured for its HMO and PPO plans to employees. For the fully insured groups, health benefits were administered by a commercial insurance carrier, based on plan coverage and eligibility guidelines determined by the Company. The insurance policies had guaranteed cost and the Medical Group and Corporate segment incurred no claim liability if terminated. SCH Culver City and Nix were self-insured for their EPO/HMO and PPO plans.

Effective January 1, 2013 the Company offered self-insured EPO/HMO and PPO plans to all eligible employees. The CharterCARE hospitals were not included under such plans from the date of acquisition through September 30, 2014 and have a separate low-deductible plan. Employee health benefits are administered by a third party claims administrator, based on plan coverage and eligibility guidelines determined by the Company, as well as by collective bargaining agreements (as reflected above). A commercial insurance policy covers losses in excess of $250,000 per occurrence for the Hospital Segment and $175,000 for the Medical Group and Corporate segments. An actuarially estimated liability of approximately $1,828,000 and $1,788,000 for incurred but not reported claims has been included in accrued salaries, wages, and benefits as of September 30, 2014 and 2013, respectively.

***Provider Contracts***

Many of the Company's payer and provider contracts are complex in nature and may be subject to differing interpretations regarding amounts due for the provision of medical services. Such differing interpretations may not come to light until a substantial period of time has passed following contract implementation. Liabilities for claims disputes are recorded when the loss is probable and can be estimated. Any adjustments to reserves are reflected in current operations.

## 11. Defined Contribution Plan

The Company sponsors a defined contribution plan covering substantially all employees who meet certain eligibility requirements. Under this plan, employees can contribute up to 100% of their compensation up to the IRS deferred annual maximum. There is currently no company match offered under the plan, except at Nix Health and PCC, for which the expense for the employer match was $576,000 and $463,000 for the years ended September 30, 2014 and 2013, respectively. Total expenses under the plan were approximately $197,000 and $87,000 during the years ended September 30, 2014 and 2013, respectively.

## 12. Accrued Medical Claims and Other Healthcare Costs Payable

The following table presents the roll-forward of incurred but not reported ("IBNR"), claims reserves (Medical Group and full risk contracts) as of and for each of the fiscal years ended September 30, 2014 and 2013 (in thousands):

| *September 30,* | 2014 | 2013 |
|---|---|---|
| IBNR as of beginning of year | $ 30,352 | $ 26,985 |
| Claim expenses incurred during the year: | | |
| Related to current year | 161,088 | 128,747 |
| Related to prior year | (3,571) | (3,646) |
| Total incurred | 157,517 | 125,101 |
| Claims paid during the year: | | |
| Related to current year | (124,393) | (100,301) |
| Related to prior year | (24,162) | (21,433) |
| Total paid | (148,555) | (121,734) |
| IBNR as of end of year | $ 39,314 | $ 30,352 |

Following is a table showing the details of the medical group cost of revenues per the consolidated statements of operations (in thousands):

| *Years Ended September 30,* | 2014 | 2013 |
|---|---|---|
| Capitation expense | $ 85,754 | $ 76,918 |
| Fee-for-service claims expense | 94,749 | 82,846 |
| Other physician compensation | 5,066 | 3,993 |
| Other cost of revenues | (227) | 700 |
| Total cost of revenues | $ 185,342 | $ 164,457 |

## 13. Joint Venture

The Company (through Prospect Medical Group, Inc.) and an unrelated third party, AMVI Care Health Network, Inc. ("AMVI") are partners in a joint venture initially formed to service Medi-Cal members under the CalOptima program in Orange County, California. Healthy Families and OneCare members were subsequently added to the joint venture arrangement. Effective January 1, 2013, all Healthy Family participants were transferred to the Company's Medi-Cal line of business and therefore no longer part of the joint venture. The Company does not consolidate the joint venture. The Company includes in its consolidated financial statements only the net results attributable to those enrollees specifically identified as assigned to it, together with the management fee that it charges the joint venture partner for managing those enrollees specifically assigned to AMVI. Costs incurred by the Company in managing the joint venture are included in general and administrative expenses in the accompanying consolidated financial statements. As of September 30, 2014 and 2013, the net liability balances of the Company investment in the joint venture under the equity method were approximately $1,594,000 and $2,000,000, respectively, and were included in accounts payable and other accrued liabilities in the accompanying consolidated financial statements.

Summarized unaudited financial information for the unconsolidated joint venture as of and for each of the years ended September 30, 2014 and 2013 is as follows (in thousands):

| *September 30,* | 2014 | 2013 |
|---|---|---|
| Cash | $ 1,753 | $ 742 |
| Receivables | 2,232 | 2,037 |
| Total assets | $ 3,985 | $ 2,779 |
| Accrued medical claims | $ 1,658 | $ 1,556 |
| Other payables | 1,470 | 34 |
| Other partner's capital | 856 | 1,188 |
| Prospect's capital | 1 | 1 |
| Total liabilities and partner's capital | $ 3,985 | $ 2,779 |

| *Years Ended September 30,* | 2014 | 2013 |

| Revenues | $ 19,289 | $ 16,307 |
| Income before income taxes | $ 2,915 | $ 2,206 |
| Prospect's equity income | $ 3,295 | $ 2,150 |
| Management fees earned by Prospect | $ 1,141 | $ 1,016 |

## 14. Segment Information

The Company's operations are organized into three reporting segments: (i) Hospital Services – which is comprised of the Alta Hospitals, SCH Culver City, Nix Health, and PCC reporting units, owns 13 hospitals or extended care facilities – Los Angeles Community Hospital, Norwalk Community Hospital, Los Angeles Community Hospital at Bellflower, Newport Specialty Hospital, SCH Hollywood, SCH Van Nuys, SCH Culver City, Nix Medical Center, Nix Specialty Health Center, Nix CGH, Roger Williams Medical Center, Saint Joseph's Health Services of Rhode Island, and Elmhurst Extended Care; (ii) Medical Group – which is comprised of the Prospect and ProMed reporting units, provides management services to affiliated physician organizations that operate as independent physician associations or medical practice groups and certain unaffiliated independent physician associations; and (iii) Corporate, which represents expenses incurred in Prospect Medical Holdings, Inc., that were not allocated to the other reporting segments.

The accounting policies of the reporting segments are the same as those described in the summary of significant accounting policies (see Note 2). The Company evaluates financial performance and allocates resources primarily based on earnings from operations before interest expense, interest income, income taxes, depreciation and amortization, as well as income or loss from operations before income taxes, excluding infrequent or unusual items.

The reporting segments are strategic business units that offer different services within the healthcare industry. Business in each reporting segment is conducted by one or more direct or indirect wholly-owned subsidiaries of the Company and certain affiliated physician organizations controlled through assignable option agreements and management services agreements. The Company voluntarily discloses the following table which summarizes certain information for each of the reporting segments regularly provided to and reviewed by the chief operating decision maker (in thousands):

| | As of and for the Year Ended September 30, 2014 | | | | |

*(1)* Prospect files consolidated tax returns and allocates costs for shared services and corporate overhead to each of the reporting segments. With the exception of Nix Health and PCC, all debt, including debt related to the Medical Group and Hospital Services segment, is recorded at the Parent Entity level. The Company does not allocate interest expense related to acquisition debt to the operating segments.

*(2)* Prospect Medical Group, Inc. (which serves as a holding company for the other affiliated physician organizations) files consolidated tax returns. The Medical Group segment includes the results for NGMA from October 1, 2012 (acquisition date) through September 30, 2014.

*(3)* The Hospital Services segment includes the results for Nix CGH, Los Angeles Community Hospital at Bellflower and Newport Specialty Hospital, and CharterCARE from the acquisition dates of April 16, 2013, May 6, 2014, and June 20, 2014, respectively, through September 30, 2014. Included in revenues from external customers are $14,525,000 and $7,700,000 of other revenues related primarily to the CMS Rural Floor settlement, meaningful use incentive payments and rental revenue from operating leases for the years ended September 30, 2014 and 2013, respectively.

## 15. Subsequent Events (Unaudited)

The Company has evaluated subsequent events through December 17, 2014, the date the Company's consolidated financial statements were available for issuance.

### *Acquisitions*

Effective October 21, 2014, the Company, through its subsidiary, Prospect CharterCARE Physicians, LLC ("PCCP"), entered into two separate asset purchase agreements pursuant to which PCCP will acquire substantially all of the assets of physician medical practices located in Rhode Island.

Pursuant to the first purchase agreement, PCCP will acquire substantially all of the assets of Physicians of Rhode Island Medical Enterprises, Inc., a primary care practice group with one physician and five nurse practitioners located in Cumberland, Rhode Island, and PMA, LLC, a primary care practice group with one physician and one nurse practitioner located in Pawtucket, Rhode Island. Pursuant to the same purchase agreement, on October 21, 2014, PCCP acquired 49% of the issued and outstanding membership interests in Partners in Clinical Research, LLC, a clinical research business located in Cumberland, Rhode Island. The Company paid $2,410,000 as consideration under the asset purchase agreement.

Pursuant to the second purchase agreement, PCCP will acquire substantially all of the assets of Physicians of East Side Primary Care, LLC, a primary care practice group with one physician, two physician assistants and one nurse practitioner located in Providence, Rhode Island. The Company paid $860,000 as consideration under this asset purchase agreement. Additionally, on each of the first four (4) anniversaries of the October 21st closing date, the Company will pay to the seller an EBITDA bonus based on the performance of the acquired practice.

The majority of the assets of the groups were acquired on October 21, 2014. However, the acquisition of certain professional licenses and related assets, and the employment of certain professional staff, will occur at a later date after all necessary licensing and credentialing by PCCP has occurred. PCCP and the sellers of the groups have entered into Interim Administrative Services Agreements that will provide for the administration of the seller entities during the period prior to such second acquisition dates. PCCP and the two physicians that are the principal owners of the seller entities have entered into employment agreements and non-compete restrictions. Additionally, PCCP entered into three (3) separate office leases with five (5) year terms that provide for the lease of the spaces currently occupied by the practices. The lessors under each office lease are the employed physicians that are the former principal owners of the groups.

***California Hospital Fee Program***

Governor Brown signed SB 239 in October 2013, which enacted a hospital fee program for the period January 1, 2014 through December 31, 2016. The fee for service component of the program was approved by CMS on December 5, 2014, and the managed care component has not yet been approved. The Company has not recognized any amounts related to SB 239 as of and for the year ended September 30, 2014. The Company anticipates a net benefit from the program for service periods from January 1, 2014 to December 31, 2016.

# CERTIFICATE OF INCORPORATION

## [NAME TO BE DETERMINED]

1. The name of the Corporation is _____, Inc. (the "Corporation")].

2. The Corporation shall be organized and operated exclusively for charitable and educational purposes within the meaning of section 501(c)(3) of the Internal Revenue Code of 1986, as the same may be amended from time to time, or of any corresponding provision of any future United States Internal Revenue Law ("the Code") that benefit, further, support, and carry out the purposes, missions, and objectives of **[name the supported municipalities and public charities]** (the "Supported Organizations") to the extent such purposes, missions, and objectives exclusively support or promote the following purposes:

(a) To maintain and improve the health of the residents of the area historically served by Eastern Connecticut Health Network, Inc., Manchester Memorial Hospital, Inc., and Rockville General Hospital, Inc., specifically, the nineteen communities of Manchester, Vernon (including Rockville), Andover, Ashford, Bolton, Columbia, Coventry, East Hartford, East Windsor, Ellington, Glastonbury, Hebron, Mansfield, Somers, South Windsor, Stafford, Tolland, Union, and Willington (the "Communities");

(b) To support or conduct community health needs assessments and encourage and support efforts to improve the health of the Communities, including the poor, the elderly, the disabled, children, and other underserved and at-risk populations;

(c) To support and engage in community projects, activities, and programs that will improve access to care and enhance the health of residents, including, but not limited to, preventative health programs and health education;

(d) To solicit and accept additional funds to support the Corporation's purposes, and to make grants and provide financial and other support to other non-profit organizations engaged in activities that further the Corporation's purposes;

(f) To support and promote the education and training of medical professionals and providers in the area;

(g) To work cooperatively with Prospect Medical Holdings, Inc. ("PMH") to ensure and augment a network of affordable and accessible health and medical care in the region; provided, however, that the Corporation will not support programs operated by or for the direct benefit of PMH while it operates as a for profit entity; and

(h) To engage in any lawful act or activity for which a corporation may be organized under the Revised Nonstock Corporation Act of the State of Connecticut in furtherance of the foregoing.

The Corporation shall not replace or support any activities or programs that are now or in the future are properly the obligation or responsibility of the government, whether municipal, state, or federal.

3. The Corporation is nonprofit and shall not have or issue shares of stock or make distributions.

4. The Corporation shall have no members.

5. The Corporation shall operate under the management of its Board of Directors, all of whom shall reside or work in the Communities. Each of the Supported Organizations shall have the right to appoint one Director to the Board of Directors as further provided in the Bylaws, and at least a majority of the Board of Directors shall be comprised of individuals appointed by the Supported Organizations..

The following individuals are not eligible to serve on the Board of Directors of the Corporation:

(a) A member of the governing board of Eastern Connecticut Health Network, Inc. ("ECHN"), Manchester Memorial Hospital, Inc., Rockville General Hospital, Inc. or any corporate affiliate of ECHN ("ECHN and its Affiliates") for two (2) years after the later of (1) the date of sale of the assets of ECHN and its Affiliates to PMH and (2) the date on which their service on the governing board in question ends;

(b) An employee of ECHN or an ECHN Affiliate for two (2) years after such employment has ended;

(c) A member of the local (or advisory) board established pursuant to the Asset Purchase Agreement for the hospitals owned and operated by PMH for two(2) years after the member's service on the local (or advisory) board ends; and

(d) A member of the governing board or an employee of PMH or one of its affiliates for two years after their service on the board in question or employment ends, as the case may be.

6. No part of the net earnings of the Corporation shall inure to the benefit of or be distributable to the Corporation's Directors, officers or other private persons, except that the Corporation shall be authorized and empowered to pay reasonable compensation for services rendered and to make payments and distributions in furtherance of the purposes set forth in Paragraph 2 hereof. No substantial part of the activities of the Corporation shall be the carrying on of propaganda, or otherwise attempting to influence legislation, and the Corporation shall not participate in, or intervene in (including the publishing or distribution of statements), any political campaign on behalf of (or in opposition to) any candidate for public office. Notwithstanding any other provision of this Certificate of Incorporation, the

Corporation shall not carry on any other activities not permitted to be carried on by a corporation exempt from federal income taxation under section 501(c)(3) of the Code or by a corporation contributions to which are deductible under section 170(c)(2) of the Code.

7. If in any taxable year the Corporation is a private foundation as defined by section 509 of the Code, the Corporation will distribute its income for each such tax year at a time and in a manner as not to become subject to the tax on undistributed income imposed by section 4942 of the Code. Further, in any such year the Corporation will not (1) engage in any act of self-dealing as defined in section 4941(d) of the Code, (2) retain any excess business holdings as defined in section 4943(c) of the Code, (3) make any investments in a manner as to subject it to tax under section 4944 of the Code, or (4) make any taxable expenditures as defined in section 4945(d) of the Code.

8. Upon any dissolution or termination of the existence of the Corporation, [**and following notice to the Attorney General of the State of Connecticut,**] all its property and assets shall, subject to any donor restrictions and after payment of the lawful debts of the Corporation and the expenses of its dissolution or termination, be delivered, conveyed and paid over (subject to any restrictions imposed by any applicable will, deed, grant, conveyance, agreement, memorandum, writing or other governing document) to one or more organizations selected by the Board of Directors, each of which at the time of such grant qualifies as an exempt organization under section 501(c)(3) of the Code and each of which maintains purposes and engages in activities deemed by the Board of Directors to be consistent with the purposes of the Corporation, in such proportions and for such exclusively charitable or educational purposes as the Board of Directors may determine.

9. In addition to and not in derogation of any other rights conferred by law, a Director of the Corporation shall not be personally liable for monetary damages for breach of duty as a Director in an amount greater than the compensation received by the Director for serving the Corporation during the year of the violation if the breach did not (1) involve any knowing and culpable violation of law by the Director, (2) enable the Director or an associate, as defined by section 33-840 of the Connecticut General Statutes, to receive an improper personal economic gain, (3) show a lack of good faith and a conscious disregard for the duty of the Director to the Corporation under circumstances in which the Director was aware that his conduct or omission created an unjustifiable risk of serious injury to the Corporation, or (4) constitute a sustained and unexcused pattern of inattention that amounted to an abdication of the Director's duty to the Corporation.

10. The Corporation shall indemnify a Director for liability, as defined in subdivision (5) of section 33-1116 of the Connecticut General Statutes, to any person for any action taken, or any failure to take any action, as a Director, except liability that (1) involved a knowing and culpable violation of law by the Director; (2) enabled the Director or an associate, as defined in section 33-840 of the Connecticut General Statues, to receive an improper personal gain; (3) showed a lack of good faith and a conscious disregard for the duty of the Director to the Corporation under circumstances in which the Director was aware that his conduct or omission created an unjustifiable risk of serious injury to the Corporation; or (4) constituted a sustained and unexcused pattern of inattention that amounted to an abdication of the Director's duty to the Corporation.

11. The Corporation's initial registered office is _____ Connecticut _____. The Corporation's initial registered agent at that office is _____, with a business address of _____, Connecticut _____, and a residence address of _____, Connecticut _____.

The Board of Directors shall consist of Appointed Directors and Elected Directors. The Appointed Directors shall constitute a majority of the Board of Directors.

Section 3.4.1. Terms

The Incorporator shall assign the initial Directors to initial terms that will establish a Board of Directors with staggered three (3) year terms, with approximately one-third appointed to a one (1) year term, approximately one-third appointed to a two (2) year term, and approximately one-third appointed to a three (3) year term. Directors shall thereafter be appointed or elected, as the case may be, to three (3) years terms except for those Directors who are appointed or elected to fill an unexpired term, and further provided, that the Board of Directors may assign newly-elected Elected Directors to such shorter terms as may be necessary to maintain a balanced staggered Board.

Section 3.4.2. Directors Appointed by Supported Organizations

Each Supported Organization shall appoint one (1) Director. If the Supported Organization is a municipality, it shall effect its appointment through a written communication from its chief elected officer, whether denoted Mayor, First Selectperson, or by another term, directed to the President of the Board of Directors. If the Supported Organization is an organization exempt under section 501(c)(3) of the Code, it shall effect its appointment through a written communication from its chief executive officer (or, if no such position is then held, by the President of its Board of Directors) directed to the President of the Board of Directors. An Appointed Director does not represent or advocate for the specific interests of the Supported Organization that appointed such Director but acts in the best interests of the Corporation generally.

Section 3.4.3 . Elected Directors

The Board of Directors may elect one (1) or more Elected Directors, provided that the number of Elected Directors must be less than half of the Directors. Elected Directors shall possess experience, knowledge, or perspectives that will augment the strength and competence of the Board as a whole. Directors shall generally be elected to three (3) year terms subject to the ability of the Board of Directors under Section 3.4.1 to assign shorter terms as may be necessary to maintain a balanced staggered Board.

Section 3.5. Resignation

Any Director may resign at any time by giving written notice to the President or Secretary of the Board of Directors. If the Director is an Appointed Director, the President shall promptly give written notice to the Supported Organization that appointed the Director in question. If no effective date is stated, the resignation shall be effective upon receipt. Acceptance of the resignation shall not be necessary to make it effective.

A Director who ceases to reside or work in the Communities shall automatically be deemed to have resigned from the Board of Directors. A Director who becomes (1) a member of the local (or advisory) board of the two hospitals owned by PMH or (2) a member of the governing board or an employee of PMH or one of its affiliates shall automatically be deemed to have resigned from the Board of Directors.

Section 3.6. Removal

Section 3.6.1. Appointed Directors

An Appointed Director may be removed with or without cause by the Supported Organization that appointed the Director. If the Supported Organization is a municipality, it shall effect the removal through a written communication from its chief elected officer, whether denoted Mayor, First Selectperson, or by another term, directed to the President of the Board of Directors. If the Supported Organization is an organization exempt under section 501(c)(3) of the Code, it shall effect the removal through a written communication from its chief executive officer (or, if no such position is then held, by the President of its Board of Directors) directed to the President of the Board of Directors. The effective date of removal shall be the date of receipt of the communication or such later date as is specified in the written communication. A Director removed in accordance with this section shall be notified in writing of said removal.

Section 3.6.2. Elected Directors

An Elected Director may be removed with or without cause by the Board of Directors upon the affirmative vote of a majority of the Directors present and voting at a meeting, a quorum being present, provided that each Director shall have been given written notice prior to the meeting that a purpose of the meeting is to consider the removal of the Director in question. The effective date of removal shall be the date of the meeting at which the vote of the Board of Directors regarding the Director in question occurred, unless otherwise provided by the Board of Directors. A Director removed in accordance with this section shall be notified in writing of said removal.

Section 3.7. Vacancies

A vacancy shall be deemed to exist if the number of Directors in office is less than the maximum number permitted by these Bylaws. The existence of a vacancy shall decrease the number of Directors in office for the purpose of determining a quorum. A vacancy for an Elected Director may be filled by the Directors at any meeting in accordance with these Bylaws.

Section 3.8. Compensation

The Directors shall serve without compensation for their services as Directors but may be reimbursed by the Corporation for their reasonable expenses and disbursements in that capacity on behalf of the Corporation.

Section 3.9. Regular Meetings of the Board of Directors

The Board of Directors shall have regular meetings at least four (4) times each year at such times and places as the Board may determine. Reasonable notice of the date, time, and place of each such meeting shall be given to each Director by mail, telephone, telefax, other electronic means, or personally a minimum of two (2) days prior to the meeting, provided that no notice need be given of any meeting held in accordance with a schedule of regular meetings distributed to Directors.

Section 3.10. Special Meetings of the Board of Directors

Special meetings of the Board of Directors may be called by the President and shall be called by the Secretary upon receipt of the written request of a majority of the Directors stating the purpose of such meeting. Reasonable notice of the date, time, place, and purpose of each such meeting shall be given to each Director by mail, telephone, telefax, other electronic means, or personally a minimum of two (2) days prior to the meeting.

Section 3.11. Annual Meeting of the Board of Directors

Unless otherwise fixed by the Board of Directors, the annual meeting of the Board of Directors will be the first regular meeting following the close of the Corporation's fiscal year.

Section 3.12. Waiver of Notice

No notice of a Directors' meeting need be given to any Director (1) who attends such meeting in person, unless the Director at the beginning of the meeting, or promptly upon arrival, objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting or (2) who waives such notice in writing executed and filed with the Secretary of the Corporation, either before or after such meeting. All waivers shall be made part of the minutes of the meeting.

Section 3.13. Action in Lieu of Meeting of the Board of Directors

Any action required or permitted to be taken by the Board may be taken without a meeting if all the Directors consent to such action in writing. Such written consent shall be made a part of the minutes of the proceeding or filed with the corporate records. Such action by written consent shall have the same force and effect as a vote of Directors at a duly convened meeting. For purposes hereof, a Director may evidence his or her consent with any manual, facsimile, conformed or electronic signature, including an electronic mail communication from the Director to the Corporation from an electronic mail address provided by the Director to the Corporation.

Section 3.14. Quorum

A majority of the number of Directors in office immediately before a meeting of the Board begins shall constitute a quorum for the transaction of business at that meeting. If a quorum is not

present at any meeting of the Board of Directors, a majority of the Directors present may adjourn the meeting, from time to time, without notice other than announcement at the meeting, until a quorum is present.

Section 3.15. Voting

a. The act of a majority of the Directors present at a meeting at which a quorum is present at the time shall be the act of the Board of Directors unless a greater number is required by the Certificate of Incorporation, these Bylaws, or by law.

b. A Director of the Corporation who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless (1) the Director's dissent is entered in the minutes of the meeting, or (2) such Director either (a) files a written dissent to such action with the person acting as the Secretary of the meeting before the adjournment of the meeting or (b) forwards such dissent by registered mail to the Secretary of the Corporation immediately after the adjournment of the meeting. The right to dissent shall not apply to a Director who voted in favor of such action.

Section 3.16. Director Participation in Meeting by Telephone or Other Communications Equipment

A Director or a member of a committee of the Board of Directors may participate in a meeting of the Board of Directors or of such committee by means of conference telephone or similar communications equipment enabling all Directors participating in the meeting to hear one another, and participation in a meeting pursuant to this subsection shall constitute presence in person at such meeting.

Section 3.17. Indemnification

The Corporation shall indemnify a Director for liability, as defined in subdivision (5) of §33-1116 of the Connecticut General Statutes, to any person for any action taken, or any failure to take any action, as a Director, except liability that (1) involved a knowing and culpable violation of law by the Director; (2) enabled the Director or an associate, as defined in §33-840 of the Connecticut General Statues, to receive an improper personal gain; (3) showed a lack of good faith and a conscious disregard for the duty of the Director to the Corporation under circumstances in which the Director was aware that his conduct or omission created an unjustifiable risk of serious injury to the Corporation; or (4) constituted a sustained and unexcused pattern of inattention that amounted to an abdication of the Director's duty to the Corporation.

## ARTICLE IV

## OFFICERS

Section 4.1. Designation of Officers

The officers of the Corporation shall be a President, a Secretary, and a Treasurer, and such other officers as the Board of Directors may from time to time determine.

Section 4.2. Election, Term of Office, and Qualification

The officers of the Corporation will be elected annually by the Board of Directors at the annual meeting of the Board of Directors, and each officer will hold office until the earlier of the officer's successor being chosen and qualified or the officer's death, resignation, or removal. Except as may otherwise be provided in the resolution of the Board of Directors choosing an officer, no officer need be a Director. One person may hold, and perform the duties of, more than one office. All officers will be subject to the supervision and direction of the Board of Directors.

Section 4.3. President

The President will preside at all meetings of the Board of Directors. In the President's absence, a person chosen by the Directors present will preside. The President will have and exercise general charge and supervision of the affairs of the Corporation and will do and perform such other duties as the Board of Directors may assign to the President.

Section 4.4. Secretary

The Secretary will act as Secretary of each meeting of the Board of Directors. In the absence of the Secretary, the presiding officer of the meeting will appoint a Secretary of the meeting. In addition, the Secretary or his or her designee will record and keep the minutes of all meetings of the Board of Directors in books to be kept for that purpose; see that all notices and reports are duly given or filed pursuant to these Bylaws or as required by law; be custodian of the records (other than financial) of the Corporation; and in general, perform all duties incident to the office of Secretary and such other duties as the President or the Board of Directors may from time to time assign to the Secretary.

Section 4.5. Treasurer

The Treasurer or his or her designee will have charge and custody of, and be responsible for, all funds and securities of the Corporation and deposit all such funds in the name of the Corporation in such depositories as will be designated by the Board of Directors; exhibit at all reasonable times the Corporation's books of account and records to any Director of the Corporation, upon application during business hours at the office of the Corporation where those books and records are kept; render a statement of the condition of the finances of the Corporation at the annual meeting of the Board of Directors; in general, perform all the duties incident to the office of Treasurer, and such other duties as the President or the Board of Directors may from time to time assign to the Treasurer; and if required by the Board of Directors, give such security for the faithful performance of the Treasurer's duties as the Board of Directors may require.

Section 4.6. Resignation and Removal

Any Officer may resign at any time by giving written notice to the President or the Secretary of the Corporation. The formal acceptance of such resignation shall not be necessary to make it effective. A resignation is effective when the notice is delivered unless the notice specifies a later effective date.

Any Officer may be removed by majority vote of the Directors present and voting at a meeting, a quorum being present, with or without cause. The removal of an Officer shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment of an Officer shall not, in and of itself, create any contract rights.

Section 4.7. Vacancies.

A vacancy in any office may be filled for the unexpired portion of the term by the Board at any time.

## ARTICLE V

## COMMITTEES OF THE BOARD

The Board of Directors may from time to time appoint committees of two or more Directors, each to serve at the pleasure of the Board of Directors, which committees shall have and may exercise such authority and powers of the Board of Directors as shall be specified in the resolution of appointment. Any committee that has the power to exercise the Board's power shall be comprised only of Directors and shall comply with the notice, quorum and voting requirements applicable to the Board of Directors. Any committee with responsibility for the Corporation's independent audit or executive compensation shall be comprised only of Directors who are independent of the Corporation as defined in Article X of these Bylaws.

## ARTICLE VI

## ADVISORY BOARDS AND COMMITTEES

The Board of Directors may from time to time create such advisory boards or committees for the purposes and with the membership determined by the Board. Any such advisory board or committee will consist of persons who are interested in the purposes of the Corporation. An advisory board and committee and each member thereof will be appointed by, and serve at the pleasure of, the Board of Directors, and any vacancy may be filled and any member may be removed, either with or without cause, by the Board of Directors. An advisory board or committee will advise the Board of Directors as to any matters that are put before it by the Board of Directors concerning the Corporation but will not have or purport to exercise any powers of the Board of Directors.

## ARTICLE VII

## CONFLICTS OF INTEREST AND CONFIDENTIALITY POLICY

### Section 7.1. Conflicts of Interest and Confidentiality Policy

The Board of Directors shall adopt a comprehensive policy on conflicts of interest and confidentiality. Such policy shall apply to Directors, officers, and other persons the Board shall designate and shall require the filing of annual disclosure forms. In any event, each Director shall disclose to the Board any conflict of interest that may arise.

### Section 7.2. Conflicting Interest Transactions

The Corporation shall comply with the provisions of §33-1127 to §33-1130, inclusive, of the Connecticut General Statutes and other relevant statutes governing a director's conflicting interest transaction.

## ARTICLE VIII

## FINANCE AND PROPERTY

### Section 8.1. Fiscal Year

The fiscal year of the Corporation shall be January 1 through December 31.

### Section 8.2. Approved Signatures

All checks, drafts and other orders for the payment of money shall be signed by any Officer, Officers, agent, or agents as shall be thereunto authorized by the Board of Directors.

### Section 8.3. Contracts and Debts

Contracts may be entered into or debts incurred only as directed by resolution of the Board of Directors or by its appointed delegate. When the execution of any contract or other instrument has been authorized by the Board of Directors without specification of the executing officer, the President or the Secretary may execute the same in the name of and on behalf of the Corporation.

### Section 8.4. Deposits

Funds of the Corporation may be deposited from time to time to the credit of the Corporation with the depositories that are selected by the Board of Directors.

## ARTICLE IX

## GIFTS, GRANTS AND DISTRIBUTIONS

Section 9.1. Gift Policies and Procedures

The Board of Directors may from time to time adopt policies and procedures governing the acceptance, management and investment of gifts, grants, and other charitable funds for the Corporation's charitable and educational purposes. All such policies and procedures will be consistent with the requirements of applicable Federal tax law. Further, any such policy or procedure shall be recognize the right of the Board of Directors in its discretion to refuse any conditional or restricted gift, grant, bequest, or contribution and/or to return to the donor any such gift

Section 9.2. Distributions

All grants, gifts, contributions, or other distributions by the Corporation for the advancement of its charitable and educational purposes shall be authorized or ratified by the Board of Directors. The Board of Directors will at all times maintain control and discretion over the distribution of funds received by the Corporation, provided that such control and discretion shall be exercised consistent with any applicable donor restrictions. The Board of Directors may solicit or receive gifts, grants, bequests, or contributions for a specific project that it has reviewed and approved as in furtherance of the purposes of the Corporation as stated in the Certificate of Incorporation.

The Board of Directors may from time to time adopt policies and procedures governing the approval and distribution of grants, gifts, contributions, or other distributions by the Corporation. All such policies and procedures will be consistent with the requirements of applicable Federal tax law.

Section 9.3. Evaluation and Site Visits

The Board of Directors or officers of the Corporation may make such evaluation and site visits with respect to grants as it deems appropriate from time to time.

Section 9.4. Recognition of Donors

The Board of Directors may from time to time create named categories to recognize donors who provide monetary or in-kind support to the Corporation.

## ARTICLE X

## DIRECTOR INDEPENDENCE

Section 10.1. Generally

At least a majority of the Directors on the Board of Directors shall be individuals who are independent of the Corporation, and members of any committee with responsibility for the Corporation's independent audit or executive compensation shall also be independent.

Section 10.2. Independent Director

A Director is independent if (a) during the Corporation's current fiscal year and at all times during its immediately preceding fiscal year, (i) the Director was not compensated as an officer or employee of the Corporation, (ii) the Director did not receive from the Corporation in any such year total compensation or other payments exceeding $10,000 as an independent contractor, and (iii) neither the Director nor any family member of the Director was involved in a transaction with the Corporation required to be reported on Schedule L, Transactions with Interested Persons, on the IRS Form 990; and (b) the Director, in the judgment of the other independent Directors of the Corporation, does not have any other interest or relationship, whether financial or non-financial, that would cause the Director to be unable to exercise independent judgment on behalf of the Corporation.

**Section 10.3. Annual Disclosure**

Each Director shall annually provide the information required to determine whether the Director is independent.

**Section 10.4. Conflicts of Interest and Confidentiality Policy**

Regardless of whether a Director is independent within the meaning of this Article X, every Director is required to comply with the provisions of the Corporation's policy on conflicts of interest and confidentiality and Connecticut laws governing conflicts of interest that apply to nonprofit and charitable corporations.

## ARTICLE XI

## AMENDMENTS

These Bylaws may be amended at any meeting of the Board of Directors at which a quorum is present by a majority vote of those Directors present and voting, provided that notice of the general nature of such amendments has been sent to the Directors by mail, telefax, other electronic means, or personally at least ten (10) days preceding the meeting at which they are to be acted upon.

| 11-1.103 | Trust u/w Gertrude H. Rogers | $3,738,871.95 | Original Trustees: Phoenix State Bank and Trust Company, and Robert S. Morris, of West Hartford, Connecticut | Article FIFTH creates a trust with $100 each month paid to a life beneficiary. The balance of the net income and, after the death of the life beneficaiary, the entire net income "shall be held, used and applied for the benefit of the Manchester Memorial Hospital, a charitable corporation located in said Manchester, for which this fund shall be held as a charitable use in perpetuity, subject to the following limitations: I direct that the net income from this fund shall be used and applied for the support and development of that department of said Hospital which shall be devoted to the medical or pathological service of that Hospital, and more specifically to its research and laboratory work, that is, any investigation towards the alleviation of illness, including payment of salaries of an adequate staff, and the installation and maintenance of proper equipment, to enable that hospital to furnish complete laboratory service of this kind to the staff of that Hospital and to the physicians of the Town of Manchester for their patients of that town, whether they are then patients of that Hospital or not. Accordingly, I direct that the net income each year shall only be disbursed to the said Hospital upon a budget for this department submitted by the Hospital to the trustees under this will and approved in writing by two competent physicians..." [The Will thereafter contains very long and detailed provisions about the physicians, the budget, and the use of funds.] My purpose in creating these limitations and conditions is to keep this fund a living force in building up the quality of medical service in that Hospital and in that community, through the establishment of highly competent technical service in research and laboratory work. If at any time the trustees of my estate shall be satisfied, after conferring with the disinterested physicians whose duty it shall then be to approve the budget as above provided, that The Manchester Memorial Hospital is not devoting said funds to the purposes for which the gift is made, or is not maintaining as adequate and competent a research and laboratory staff and department as the available income will permit, said trustees shall notify the Manchester Memorial Hospital to that effect and if the failure is not corrected within a reasonable time said trustees may terminate the right of The Manchester Memorial Hospital to receive further funds under this will and thereafter said trustees may apply the income of said fund for similar purposes at the Hartford Hospital in Hartford, Connecticut. [The section continues with the requirement that there shall be two trustees, and describes how trustees shall be appointed].<br><br>Article FIRST of the Second Codicil amends Article FIFTH but does not modify the requirement that if MMH does not use the funds as specified the trustees may terminate the right of MMH to receive further funds. | Last Will and Testament of Gertrude H. Rogers dated July 13, 1937; Codicil dated October 11, 1939; Codicil dated October 21, 1940. | Note: There is no specific gift over if MMH no longer exists as a charitable organization. The Will states that if MMH fails to use the gift as intended, the trustee may apply the income for similar purposes at Hartford Hospital. |

WILL 122 B Cleaveland Legal Blank Office, Publishers, Hartford, Conn.

**Be It Known to all Persons,** THAT I, Dwight W. Blish of the Town of Manchester in the County of Hartford in the State of Connecticut being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my last Will and Testament, hereby revoking all previous wills and codicils by me made.

First: I direct that all my just debts and funeral expenses be paid by my executor hereinafter named.

Second: I give to the town of Manchester the sum of One Hundred Dollars, in trust however, to invest the same and to use the income therefrom for the perpetual care of my burial plot in the East Cemetery in said Manchester.

Third: I give to my wife Alice E. C. Blish and to my son Hayward C. Blish all my wearing apparel, watches, jewelry, household furnishings, furniture, tools and my automobile.

Fourth: All the rest and residue of my property both real and personal and whereever situated I give, devise and bequeath to The Manchester Trust Company of said Manchester, in trust however, to take, hold, invest and reinvest the same and to use the income therefrom for the support and maintenance of my said wife and son or the survivor of them. In case the income from said trust fund is not sufficient for the comfortable support and maintenance of my said wife and son then I authorize said trustee to use any or all of the principal for said purpose. I direct said trustee to pay the funeral expenses of my said son from said trust fund and in the event that there should not be funds available for the funeral expenses of my said wife I direct said trustee to also pay her funeral expenses. It being my desire that my said wife and son shall always have a home of their own during their lifetime I hereby direct said trustee upon the written request of my said wife to sell the house occupied by her and my son and to purchase another home for her upon like request. Unless so requested by my said wife the house occupied by her and my son shall not be sold. I authorize and empower said trustee to sell all other real estate owned by me at the time of my death if it shall deem best. At the death of my said wife and son I give whatever property may then remain in the hands of said trustee to The Manchester Memorial Hospital to be held by the trustees of said hospital as a trust fund to be known as the Dwight

## Helen G. Chapman

KNOW ALL MEN BY THESE PRESENTS, That I, HELEN G. CHAPMAN, of Manchester, in the State of Connecticut, being of sound and disposing mind and memory, do hereby make, publish and declare the following to be my last will and testament, hereby revoking all former wills by me made, that is to say:

FIRST: I direct that all legacy, inheritance, succession and transfer taxes levied or imposed by the State of Connecticut or by the United States, or by any other state or country, upon my estate or upon any gift or devise under this will, or upon any legatee on account of any gift under this will, shall be paid by my executors out of my general estate and charged and allowed as an item of the expense of administration of my estate.

SECOND: I give the sum of Ten Thousand Dollars ($10,000) IN TRUST to the Hartford National Bank and Trust Company, a national banking association located in Hartford, Connecticut, and to its successors in this trust, upon the following trusts:

Said trustee shall have power of sale, investment and reinvestment of said trust fund and, after paying the expenses of said trust, it shall pay over the net income of said trust fund quarterly or oftener in its discretion to my half sister, Mrs. Jennie C. Ela, of Manchester, Connecticut, during the remainder of her life, and at her death said trust shall cease and said trustee shall pay over and distribute the principal of said trust estate as then constituted in equal shares to Jeannette Ela Talcott and Lucy Ela Cramer, who are daughters of said Jennie C. Ela, to be theirs absolutely and free of any trust. If either of said two daughters shall not then be living but shall have died leaving issue then living, said trustee shall pay over the share of the one so dying with issue to such issue then living, per stirpes, to be theirs absolutely and free of any trust.

THIRD: I give to said Hartford National Bank and Trust

Helen G. Chapman

Company, Trustee under a trust agreement made by Helen G. Chapman and Mary O. Chapman with said Bank, dated October 31, 1929, for the benefit of Mrs. Lucy Ela Cramer and her children, the sum of Five Thousand Dollars ($5,000), to be added to the trust now held by said trustee under said trust agreement.

FOURTH: I give the sum of Five Thousand Dollars ($5,000) to the Memorial Hospital, of Manchester, Connecticut, to be held by it in perpetuity, with power of investment, sale and reinvestment, and to apply the income only for the support of the Hospital maintained by it in the town of Manchester.

FIFTH: I give the sum of Twenty-five Hundred Dollars ($2500) to the Ecclesiastical Society connected with the Center Congregational Church of Manchester, Connecticut, to be held by

Dollars ($2000) to said Ecclesiastical Society, to be applied by it toward its debt.

These two gifts to the said Ecclesiastical Society are made upon the express condition that neither I nor my estate

Dollars ($1,000), with power of investment and reinvestment, the income only to be used for the care and improvement of our family

I give to George Clarke, of Manchester, the sum of Fifteen Hundred Dollars ($1500) in recognition of faithful service.

I give to Willis C. Woodruff, now living on Middle Turnpike, Manchester, Connecticut, the sum of Five Hundred Dollars ($500).

I give to Mrs. Lina Runer, of 35 Division Street, Manchester, the sum of Seven Hundred Dollars ($700).

I give to Carl I. Anderson, now in our employ, the sum of Five Hundred Dollars ($500).

I give to each of the household maids who shall be in our employ at the time of my death as a full time employee, and who shall have been so employed for at least one year prior thereto the sum of Two Hundred Dollars ($200).

EIGHTH: I give the sum of Two Thousand Dollars ($2,000) to the Austen Riggs Foundation, Incorporated, of Stockbridge, Massachusetts, to be used and applied by it from time to time toward the payment of services which it may render to persons who otherwise would be unable to have the benefit of such treatment.

NINTH: I give the sum of Two Thousand Dollars ($2,000) to Cromwell Hall, a corporation located in Cromwell, Connecticut, to be used and applied by it from time to time toward the payment of services which it may render to persons who otherwise would be unable to have the benefit of such treatment.

TENTH: All the rest, residue and remainder of my property, of whatever nature, real and personal, and wherever situated, I give, devise and bequeath to my sister, Mary O. Chapman, if she shall survive me for a period of six months, to be hers absolutely.

ELEVENTH: In case my said sister, Mary O. Chapman, shall not survive me for a period of six months, then and in that event only, I make the following disposition of the residue of my estate otherwise given to her by the preceding paragraph:

(a) I give and bequeath to my half sister, Mrs. Jennie C.

Helen G. Chapman } witness
Wallace W. Brown } witness
Spencer Rogers

Ela, as an estate for life, all my right, title and interest as then constituted in and to the land and buildings comprising our home on Forest Street in said Manchester if she shall elect to occupy the same and maintain it during the remainder of her life, with the further obligation of paying taxes, insurance premiums and repairs.

[redacted] sister shall not elect, within six months [redacted] this devise of a life estate, this gift [redacted] shall not take effect and, in lieu thereof, I give and bequeath to her granddaughter, Dorothy Talcott Beal, a life estate in the same property and upon the same terms, provided she shall elect within three months after the gift becomes available to her to accept this life estate and, if neither my said half sister, [redacted] nor her granddaughter, Dorothy Talcott Beal, [redacted] gifts shall not [redacted] divided interest [redacted] Bank and [redacted] trust, upon the following trusts:

Said trustee shall sell said premises and hold the proceeds as a special fund in trust, to pay the income of said fund to said Jennie C. Ela during the remainder of her natural [redacted]

[redacted] Beal shall elect to accept the devise of the life estate, then upon the termination of that life estate I direct that my executor shall sell said premises and divide the proceeds in the same way as is provided in the preceding paragraph hereof.

I further direct that my executor shall keep said home open for six months or more after my death so that the same may

be ready and available for the life tenant in case either said Jennie C. Ela or Dorothy Talcott Beal shall elect to accept this gift of a life estate.

If said Jennie C. Ela or Dorothy Talcott Beal shall elect to accept said life estate of said home, I also give to that one who makes such election the use for life of all my right, title and interest in and to the household furniture and furnishings in that home as then existing, and I provide that she shall not be obligated to give a bond as life tenant.

In case neither of them shall elect to accept that life estate, or, upon the termination of the life estate, if one of them elects to accept it, I give all my right, title and interest as then constituted in said household furniture and furnishings to said Dorothy Talcott Beal, if she shall then be living, and if she shall not be living I give the same to her sister, Eleanor Talcott Orloff. In both cases the gift shall be absolute, but, without limiting the foregoing gift or imposing any trust or condition thereon, I express the hope that said Dorothy Talcott Beal or Eleanor Talcott Orloff, as the case may be, shall dispose of a portion of said articles in accordance with my wishes as she may know them to be from a memorandum or otherwise.

(b) I give, devise and bequeath to Miss Gertrude H. Rogers, of Manchester, Connecticut, all my interest as then constituted in the real estate situated on the Middle Turnpike, so-called, in Manchester, known as "The Farm", together with all personal property then owned by me and situated thereon and used in connection with the same; my intent being to give to her all my interest as then constituted in the entire farm property, both real and personal, to be hers absolutely.

(c) I give, devise and bequeath all the rest, residue and remainder of my estate, both real and personal and wherever situated, including all lapsed legacies and devises, in the contingency above stated that my sister shall not survive me for a period of six months, IN TRUST to said Hartford National Bank and

Helen G. Chapman (witness) Charles Cowles Ives (witness) William W. Spencer Agent

Trust Company, and to its successors in this trust, upon the following trusts:

Said trustee shall have power to sell, invest and reinvest said trust estate from time to time according to its best judgment, without being limited to so-called trust investments, and shall [redacted] in accordance with the following

[redacted] tions and other institutions of a public and charitable or benevolent nature, operating for the moral, physical or social betterment of people, as said trustee shall select, provided that no officer, member or employee of any such institution shall receive any pecuniary profit from the operations thereof except reasonable compensation for services rendered in effecting one or more of such purposes or as a proper beneficiary of its strictly charitable purposes.

And in the exercise of such power of selection I authorize and empower said trustee, subject to the terms of this trust, to disburse as soon as properly can be done, the entire fund, principal and income, in gift to such [redacted]

[redacted]

be after the fund is distributed to it.

TWELFTH: I hereby nominate and appoint said Hartford National Bank and Trust Company and my sister, Mary O. Chapman, to be the executors of this will. So far as I am able, I hereby excuse them from giving any probate bonds as such executors.

WILL No. 17 B Cleaveland Legal Blank Office, Hartford, Conn.

**Be it known to all Persons,** THAT I, Grace Kingsbury Dart, of the Town of Manchester, in the County of Hartford, in the State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my last Will and Testament, hereby revoking all previous wills and codicils by me made.

ARTICLE I.

I direct that all my just debts and funeral expenses including Ten ($10.00) Dollars for the Minister officiating at my funeral and Five ($5.00) for each bearer be paid by my Executor hereinafter named.

ARTICLE II.

I give and bequeath to The Manchester Trust Company, a Connecticut Corporation, located in said Manchester, the sum of Five Hundred ($500.00) Dollars, in trust, however, to hold, manage, invest and reinvest the same and to use the income therefrom for the perpetual care and upkeep of Henry A Slater's lot in the Northwest or Buckland Cemetery, in said Manchester,

ARTICLE III.

I give and bequeath to said The Manchester Trust Company, the sum of Five Hundred ($500.00) Dollars, in trust, however, to hold, manage, inves and reinvest the same and to use the income therefrom for the perpetual care and upkeep of Adron Dart's lot in the Elmwood Cemetery, in Vernon Center, Connecticut, provided that if a Cemetery Association be formed at any time in the future by the owners of lots in said Cemetery, said Association shall be substituted for said The Manchester Trust Company as Trustee of said fund

ARTICLE IV.

I give, devise and bequeath to my half-brother Samuel E. Dart, the sum of Five Hundred ($500.00) Dollars to be his absolutely.

ARTICLE V.

I give, devise and bequeath to my cousin Bertha Dart, the sum of Two Hundred and Fifty ($250.00) Dollars, to be hers absolutely.

I also give and bequeath to the said Bertha Dart all of my household furniture, jewelry and personal effects and all the contents of my house except my bank books, securities and money. It is my will that none of the contents of my said house shall be sold at public auction by any of the beneficiaries of my will.

ARTICLE VI.

All the rest, residue and remainder of my property, both real and personal, wherever it may be situated and of whatsoever it may consist I direct be divided into two (2) equal parts.

The first of said equal parts, I give, devise and bequeath to The Manchester Memorial Hospital, a Connecticut Corporation, located in said Manchester, to take, hold, manage, invest and reinvest and to use the income therefrom for the general running expenses of said Hospital.

The second of said equal parts I give, devise and bequeath to The Missionary Society of Connecticut, a Connecticut Corporation, located in Hartford, Connecticut, to take, hold, manage, invest and reinvest and the principal of said gift to be added to the "Everest Fund," so-called, which is now held by said Society and the income therefrom to be used for the purposes as designated by the founders of said fund.

I Appoint said The Manchester Trust Company, a Connecticut Corporation, located in the Town of Manchester, County of Hartford, and State of Connecticut, executor of this my Last Will and Testament

In Witness Whereof, I have hereunto set my hand and seal at said Manchester, on the 7 day of December, A. D., One Thousand, Nine Hundred and thirty-one.

Accepted June 16th, 1941.

## LAST WILL AND TESTAMENT AND CODICIL OF JOHN PORTER LATE OF HARTFORD, DECEASED

KNOW ALL MEN BY THESE PRESENTS, That I, JOHN PORTER, of Hartford, Connecticut, being of sound and disposing mind and memory, do make, publish and declare the following to be my last will and testament, hereby revoking all former wills by me made, that is to say:

FIRST: If, before my death I shall not have purchased a cemetery lot in Cedar Hill Cemetery, I direct that my executors shall purchase one which shall be satisfactory to my wife, Caroline E. Porter, if she is then living, and I also direct that my executors shall erect a suitable monument on said lot which shall be satisfactory to my wife.

SECOND: I direct that all inheritance, succession, legacy and transfer taxes levied or imposed by the State of Connecticut, or by the United States, or by any other state or country, upon any property or upon any gift or devise passing under this will, shall be paid by my executors out of the residue of my estate and charged and allowed as an item of the expense of administration thereof.

THIRD: I give, devise and bequeath to my wife, Caroline E. Porter, the house and grounds comprising our home known as 39 Woodside Circle in the City of Hartford, to be hers absolutely. I also give and bequeath to my said wife all the household furniture, and furnishings contained in said home, including pictures, paintings, rugs, draperies, tableware, silverware, library and all other ornaments; also my automobiles and their accessories. I also give and bequeath to my said wife my watch and jewelry.

Without imposing any trust or condition upon this gift, I request that she will dispose of said jewelry, or a portion thereof, in accordance with my wishes as she may know them to be either from a letter left with this will, a memorandum or otherwise.

FOURTH: I direct that there be paid to my confidential business secretary, William H. McCoy, of Hartford, the sum of One Hundred and Thirty Dollars ($130) every month after my death during the remainder of the life of said William H. McCoy.

FIFTH: In appreciation of long and faithful service I give to my chauffeur, Fred O. Barton, the sum of Twenty-five Hundred Dollars ($2500).

In addition to the foregoing I direct that there shall be paid to him Two Hundred Dollars ($200) each year after my death until the total of the original gift and these annual payments shall aggregate Five Thousand Dollars ($5,000). If he shall die either before or after my death and before the entire sum of Five Thousand Dollars ($5,000) shall have been paid to him, I direct that such amount as shall not have been paid to him at his death shall thereafter be paid to his wife, if living, in quarterly installments of Seventy-five Dollars ($75) each until such balance shall have been fully paid or until her death whichever event shall first occur.

SIXTH: I give to Marshall P. Deasy, of Hartford, the sum of Ten Thousand Dollars ($10,000) if he shall survive me. If he shall not survive me I direct my executors to use said sum of Ten Thousand Dollars ($10,000) in the purchase of an annuity for the benefit of his wife or children, giving my executors full power and discretion to determine the character of the annuity and to designate the annuitants. In addition to the foregoing I direct that the [illegible] shall be paid to Marshall P. Deasy the sum of One Hundred Dollars ($100) [illegible] the [illegible] shall survive him.

SEVENTH: I give to my [illegible] Hartford, Connecticut, the sum of Ten Thousand Dollars ($10,000) if he shall survive me. If he shall not survive me I direct my executors to use said sum of Ten Thousand Dollars ($10,000) in the purchase of an annuity for the benefit of his wife or children, giving my executors full power and discretion to determine the character of the annuity and to designate the annuitants.

EIGHTH: All the rest, residue and remainder of my estate, real and personal and wherever situated, including any lapsed legacies, subject to the obligation to continue annuity payments, if any, under the preceding paragraphs of this will, I give, devise and bequeath IN TRUST to my wife, Caroline E. Porter, Charles Welles Cross, of Hartford, and the Hartford National Bank and Trust Company, a national banking association located in Hartford, as trustees, and to their successors in this trust, to hold the same upon the conditions and for the uses hereinafter stated:

I hereby expressly authorize the trustees of the trust herein created to sell and convey any property real and personal which shall at any time be a part of said trust estate and to invest and reinvest said trust fund according to their best judgment and discretion in such property, investments and securities, whether real or personal, as said trustees shall deem proper and whether the same be of the character and class regarded by law as

investments for trust funds or not, and to take second purchase money mortgages in part payment for such amounts and on such terms as they may deem for the best interests of my estate. I also authorize said trustees to mortgage said real estate according to their best judgment; to execute mortgage notes as trustees binding my trust estate without liability on their part individually; and to lease any real estate comprising said trust estate on such terms and for such periods of time as they may deem best although said leases may run beyond the probable duration of said trust.

I further direct that in the matter of sale of any of the trust estate, whether real or personal, or in the matter of the mortgage of real estate or in the leasing of real estate, a majority of my said trustees shall have full power and authority to act and to execute and deliver the necessary deeds or other instruments with the same force and effect as though signed by all the trustees.

Said trustees shall pay the net income of said trust estate quarterly or oftener in their discretion to my wife, Caroline E. Porter, during the remainder of her natural life. In addition to the foregoing gift of income, I direct that upon the written requests of my wife, Caroline E. Porter, said trustees shall pay to her from time to time such sums out of the principal of said trust estate as she may designate; provided, however, that not more than Ten Thousand Dollars ($10,000) of principal shall be paid to her in any one calendar year under this provision.

Upon the death of my wife said trust shall cease, except that I provide that my said surviving trustees shall be authorized and empowered to continue said trust without making distribution thereof for a period of not to exceed five years to enable them to liquidate said trust to the best advantage, and upon the termination of said trust on or before the expiration of said period of five years after the death of my said wife, said surviving trustees shall divide, distribute and pay over said trust estate in the following proportions and to the following persons or corporations, (it being my intention that distribution shall be made by my said surviving trustees without the appointment of distributors and that the judgment of my said surviving trustees as to the values and as to the manner of distribution shall be final):

(a) I give to Gaylord Farm Association, Incorporated, a Connecticut corporation, the sum of Five Thousand Dollars ($5,000), to be used for the support and maintenance of the Gaylord Farm Sanitarium conducted and operated by it in Wallingford in said State;

I give to the Gilead Cemetery Association, located in the village of Gilead, in the Town of Hebron, Connecticut, the sum of Two Thousand Dollars ($2,000), to be held by it as a separate fund in perpetuity, with power of investment and reinvestment, the income only to be used for the care and upkeep of its cemetery in Gilead.

I give to the Gilead Hall Association Corporation, a corporation located in the Town of Hebron, Connecticut, if at that time said corporation shall be actively engaged in the maintenance and operation of Gilead Hall in the village of Gilead in the Town of Hebron, the sum of Two Thousand Dollars ($2,000), to be held by it as a separate fund, with power of investment and reinvestment, the income only to be used for the support of said Gilead Hall thus maintained by it; provided that my said surviving trustees in the exercise of their sole and uncontrolled judgment shall decide that said Gilead Hall is then being operated for the benefit of the inhabitants of the village of Gilead so that this gift will operate for the benefit of that village.

(b) One-half of the balance of said trust estate as then constituted, less an amount equal to one-half of the total withdrawals from the principal of said trust estate made by Caroline E. Porter during her lifetime in accordance with the power hereinbefore given to her, I give to such one or more of her brothers or sisters or their descendants, or to such person or persons (other than herself) named as legatees in my will, or their descendants, or to such religious, charitable or benevolent corporations as she in the exercise of this special or limited power may by her last will and testament designate and appoint, and in case my said wife, Caroline E. Porter, shall not exercise this limited or special power of appointment, I give said portion to the person or persons who would be entitled at her death under the laws of the State of Connecticut to receive the intestate estate, if any, of said Caroline E. Porter.

(c) The other one-half of the balance of said trust estate as then constituted, plus an amount equal to one-half of the totals withdrawals from the principal of said trust estate made by Caroline E. Porter during her lifetime in accordance with the power hereinbefore given to her, I give as follows:

Thirty-five per cent. (35%) thereof I give to my nephew, James P. Cosley, of London, Freeborn County, Minnesota, if he shall then be living, and if he shall not then be living I give said portion to his wife, Ida Cosley, if she shall then be living, and if neither my said nephew, James P. Cosley, or his wife, Ida Cosley, shall then be living I give said portion, per stirpes, to his issue then living, to be theirs absolutely, free of any trust.

Fifteen per cent. (15%) thereof I give to said Mrs. Ida Cosley, wife of said James P. Cosley, if she shall then be living and if she shall not then be living I give said portion to her husband, my nephew, James P. Cosley, if he shall then be living, and if neither the said Ida Cosley nor her husband, James P. Cosley, shall then be living I give said portion, per stirpes, to her issue then living, to be theirs absolutely, free of any trust.

Fifteen per cent. (15%) thereof I give, per stirpes, to the issue then living of my said nephew, James P. Cosley and his wife, Ida Cosley, to be theirs absolutely, free of any trust.

Two and one-half per cent. (2½%) thereof I give to Marshall P. Deasy, of Hartford, if he shall then be living, and if he shall not then be living one-half of the amount which would otherwise be paid to him I give to his wife, Mrs. Elsie P. Deasy, if she shall then be living, and the other one-half thereof (or all thereof in case his said wife, Elsie P. Deasy, shall not then be living) I give in equal shares to the children then living of said Marshall P. Deasy and his wife, Elsie P. Deasy, to be theirs absolutely and free of any trust.

Two and one-half per cent. (2½%) thereof I give to my cousin, Jasper Ward Porter, of

give said portion to his wife, Hattie A. Porter, if she shall then be living, and if neither said Cooper Burd Porter nor his wife above named shall then be living, I give said portion to my wife's sister, Mabel S. Hotherall, of Hartford, if she shall then be living, in either case to be theirs absolutely, free of any trust.

Five per cent. (5%) thereof I give to said Mabel S. Hotherall if she shall then be living and if she shall not then be living I give said portion to her sister, Mrs. Florence Cunningham, of Hartford, if she shall then be living, in either case to be theirs absolutely and free of any trust.

Two and one-half per cent. (2½%) thereof I give to my wife's sister, Mrs. Lila Tryon, of New Haven, Connecticut, if she shall then be living and if she shall not then be living I give said portion to her husband, Clarence B. Tryon, if he shall then be living, in either case to be theirs absolutely and free of any trust.

Two and one-half per cent. (2½%) thereof I give to the said Clarence B. Tryon if he shall then be living and if he shall not then be living, I give said portion to his said wife, Mrs. Lila Tryon, if she shall then be living, in either case to be theirs absolutely and free of any trust.

Twenty per cent. (20%) thereof, to which shall be added any portion which by virtue of death may not pass under the foregoing paragraphs of the second half of said fund, I give in equal shares, to the following fourteen charitable institutions, in each instance to be known as "The John Porter and Caroline E. Porter Fund", to be held in perpetuity, with power of investment and reinvestment, the income only to be used for the support of the institutions hereinafter named, viz:

1. The Hartford Hospital, of Hartford, Connecticut, for the support of its general Hospital.
2. The Hartford Hospital, of Hartford, Connecticut, for the support of that department of its work known as the Old Peoples Home.
3. St. Francis Hospital, of Hartford, Connecticut.
4. The American School for the Deaf, of West Hartford, Connecticut.
5. The Travelers Aid Society, of Hartford, Connecticut.
6. The Newington Home for Crippled Children, Incorporated, of Newington, Connecticut.
7. The Salvation Army, Incorporated, to be used for the support of its work in Hartford, Connecticut.
8. The Salvation Army, Incorporated, to be used for the support of its work in Manchester, Connecticut.
9. The Young Men's Christian Association of Hartford.
10. The Young Women's Christian Association of Hartford.
11. The Hartford Chapter of the American Red Cross, of Hartford.
12. The Connecticut Institute for the Blind, of Hartford.
13. The Manchester Memorial Hospital, of Manchester.
14. The Masonic Charity Foundation of Connecticut, a corporation specially chartered by the State of Connecticut, for the benefit of the Masonic Home now maintained by it in Wallingford, Connecticut.

FOURTH: I hereby nominate and appoint my wife, Caroline E. Porter, Charles Welles Cross, of Hartford, and Hartford National Bank and Trust Company, a national banking association located in Hartford, to be the executors of this will and, so far as I am able, I hereby excuse them from giving any probate bonds as such executors or as trustees under this will.

I hereby expressly authorize my executors to sell and convey any property, real or personal, which shall be a part of my estate, to take second purchase money mortgages in part payment for such amounts and on such terms as they may deem for the best interest of my estate; to mortgage my real estate according to their best judgment; to execute mortgage notes as executors binding my estate without liability on their part individually, and to lease any real estate comprising said trust estate on such terms and for such periods of time as they may deem best although such leases may run beyond the probable duration of the period of settlement of my estate.

I further direct that in the matter of sale of my estate, whether real or personal, or in the matter of execution of mortgage deeds and notes, or in the leasing of real estate, a majority of my executors shall have full power and authority to act and to execute and deliver mortgage deeds or other instruments with the same force and effect as though signed by all the executors.

The foregoing powers given to my executors and similar powers given to my trustees in the Eighth paragraph of this will are given because of the fact that a considerable portion of my estate is invested in real estate suitable for business purposes which will require the making of leases and on which are mortgages which may mature and will have to be renewed and because in the sale of such properties it may be necessary to take back a second mortgage for a part of the purchase price, and it is my intention that my executors and my trustees shall have all the powers which I would have if living, to the end that said estate may be conserved and said real estate may be ultimately disposed of whenever my executors or my trustees shall deem it advisable to do so.

In connection with the exercise of said powers I have included as one of my executors and one of my trustees my attorney, Charles Welles Cross, in order that he may have a part particularly in the handling of all real estate matters affecting my estate, and I expressly direct that in case said Charles Welles Cross shall not qualify either as executor or as trustee, or for any reason shall later cease to act, the Court of Probate for the District of Hartford having jurisdiction of my estate shall in such event appoint a successor trustee or executor and, without limiting the power of the Court, I suggest that in such case the executor or trustee appointed in his stead shall be one of the members of the firm of which he is now the senior partner, and that such successor executor and trustee shall likewise be excused from giving bonds.

I authorize and empower my executors or my trustees in each instance to use any securities then held by my estate in payment in whole or in part of any legacies or distributive shares

ECHN Proposed Asset Purchase by MHS
Submitted October 18, 2010

of the persons named in this will to whom at that time they shall be under obligation to pay stated sums at periodic intervals in lieu of the obligation to continue to make such payments hereunder, and in any such case the purchase of an annuity, which will give such legatee the same payments for the same period of time as hereinbefore specified, shall relieve my estate from further obligation to such annuitant or annuitants in respect thereto.

If in the opinion of my executors it may become necessary or desirable to have an ancillary executor of my estate appointed in ancillary proceedings in Massachusetts because I shall at the time of my death own real estate in Massachusetts, I desire that the Third National Bank and Trust Company of Springfield, Massachusetts, be so appointed. In view, however, of the fact that the greater portion of my estate is given in trust, I direct that the Third National Bank and Trust Company of Springfield, Massachusetts, shall confer with my executors in Connecticut as to all major problems affecting the real estate in Massachusetts and that, subject to such approval by my Connecticut executors, or a majority of them, to be evidenced by their endorsement of any deed or lease, the ancillary executor in Massachusetts shall have the same powers hereinbefore conferred upon my Connecticut executors as to Massachusetts real estate.

Inasmuch as I own an undivided interest with my wife in real estate in Florida, I hereby nominate, constitute and appoint my said wife, Caroline E. Porter, and E. L. Lockhart, attorney-at-law, of Miami Beach, Florida, to be the ancillary executors of my estate in Florida, and, so far as I am able, I hereby excuse my said wife and the said E. L. Lockhart from giving any probate bonds as such ancillary executors.

IN WITNESS WHEREOF, I have hereunto set my hand and seal, declaring this to be my last will and testament, this 4th day of November, 1936.

John Porter (L.S.)

Signed, sealed, published and declared by said testator, John Porter, as and for his last will and testament, in the presence of us, the undersigned, who in his presence and in the presence of each other, at his request, have hereunto set our names as witnesses, this 4th day of November, 1936.

[illegible]

KNOW ALL MEN BY THESE PRESENTS, That I, John Porter of Hartford, Connecticut, being of sound and disposing mind and memory, do make, publish and declare the following to be a first codicil to my last will and testament, dated the 4th day of November, 1936, that is to say:

FIRST: I revoke the Sixth paragraph of my said will dated November 4, 1936, and, in lieu thereof, I provide as follows:

I give to Marshall P. Deasy, of Hartford, the sum of Ten Thousand Dollars ($10,000) if he shall survive me. If he shall not survive me I direct my executors to use said sum of Ten Thousand Dollars ($10,000) in the purchase of an annuity for the benefit of his wife or children, giving my executors full power and discretion to determine the character of the annuity and to designate the annuitants. In addition to the foregoing, I direct that there shall be paid to said Marshall P. Deasy the sum of Two Hundred and Fifty Dollars ($250) per month from the date of my death during the remainder of his life, and if his wife, Elsie P. Deasy, shall survive him I direct that there shall be paid to her after his death the sum of One Hundred Dollars ($100) per month during the remainder of her life.

SECOND: Whereas, in the Fourth paragraph of my said will I have given to my secretary, William H. KNOW ALL MEN BY THESE PRESENTS, That I, CAROLINE E. PORTER, of the Town and County of Hartford and State of Connecticut, being of sound and disposing mind and memory, do make, publish and declare the following to be my last will and testament, hereby revoking all former wills by me made, that is to say:

FIRST: I direct that all inheritance, succession, legacy, estate and transfer taxes levied or imposed by the State of Connecticut, or by the United States, or by any other state or country, upon any property of mine passing under this will, shall be paid by my executors out of the residue of my estate and charged and allowed as an item of the expense of administration thereof.

SECOND: I direct that my executors shall procure a marker to conform to that now placed at my husband's grave in Cedar Hill Cemetery, which shall bear my name and dates of birth and death. I also direct my executors to procure for my burial a casket and burial vault of the same quality as the casket and vault procured for my husband's burial.

I give the sum of Five Thousand Dollars ($5,000) to Cedar Hill Cemetery, a Connecticut corporation located in Hartford, Connecticut, to be held by it as a permanent fund, with power of investment and reinvestment, the income only to be expended in the care of the John Porter lot in said cemetery, including the proper upkeep of monument and markers, the cutting of grass, and the planting and care of flowers and flowering shrubs. Any income not required for such purposes may be expended for the general upkeep of said Cemetery, preferably in the neighborhood of said lot.

I give to my sister, Lila B. Tryon, the right to be buried in said John Porter lot. I direct either my executors or my trustees to place a suitable marker at my said sister's grave if it is not feasible for her executor or administrator to do so.

If I have not attended to these matters in my lifetime,

I direct that at the expense of my estate my executors shall place suitable markers at the graves of my sister Mabel F. Wetherell and my brother-in-law Clarence Tryon in said John Porter lot and at the grave of my brother William Wetherell in Manchester.

THIRD: (a) I give to my sister, Florence V. Cunningham, my three-stone diamond ring, my antique gold bracelet, my cameo pin, my cameo ring, my linen, and my wearing apparel, except my remaining jewelry.

(b) I give to my sister, Iva M. Ingraham, my lady's gold watch and my chain of gold beads.

(c) I give to my nephew, C. John Sperry, the sum of Two Thousand Dollars ($2,000), my books, and any automobile or automobiles of which I may be the owner at the time of my death, with all accessories thereto.

(d) I give to Eunice Sperry, wife of said C. John Sperry, the sum of Two Thousand Dollars ($2,000), my diamond sapphire pin, and my diamond and ruby pin.

(e) I give to my grandniece, Mary-Lou Sperry, my large solitaire diamond ring and the sum of Three Thousand Dollars ($3,000).

(f) I give to my grandniece, Martha Sperry, my diamond platinum watch, my diamond and sapphire ring, and the sum of Three Thousand Dollars ($3,000).

(g) I give to my grandniece, Susan Sperry, my diamond lavaliere with necklace attached, my small solitaire diamond ring, and the sum of Three Thousand Dollars ($3,000).

(h) I give and bequeath in equal shares to such of said Mary-Lou Sperry, said Martha Sperry and said Susan Sperry as shall survive me my silverware, my bric-a-brac, and any jewelry not elsewhere bequeathed in this will, including any lapsed legacies of jewelry.

(i) I give to my niece, Helen Henry, the sum of Three Thousand Dollars ($3,000).

(j) I give to my niece, Ethel Crough, the sum of Three Thousand Dollars ($3,000).

(k) I give to my nephew, Ralph Ingraham, the sum of

Two Thousand Dollars ($2,000).

(h) I give to my nephew, Edward Ingraham, the sum of Two Thousand Dollars ($2,000).

(i) I give to my nephew, Vincent Ingraham, the sum of Two Thousand Dollars ($2,000).

(j) I give to my niece, Doris Isham, the sum of Three Thousand Dollars ($3,000).

(k) I give to my nephew, William Ingraham, the sum of Two Thousand Dollars ($2,000).

(l) I give to Ida Goslee, widow of my husband's nephew James P. Goslee, the sum of Three Thousand Dollars ($3,000).

(m) I give to my husband's grandnephew, Richard Goslee, the platinum watch and chain and gold wrist watch which formerly belonged to my husband.

(n) I give to my husband's grandnephew, John Goslee, the three-stone diamond ring which formerly belonged to my husband.

FOURTH: I give the sum of Five Thousand Dollars ($5,000) to Anthony DeNaio, of 7 Mohegan Drive, West Hartford.

I give the sum of One Thousand Dollars ($1,000) to Mrs. Jane Sutton.

I give the sum of Five Thousand Dollars ($5,000) to Robert Costin, if he shall be in my employ at the time of my death.

I give the sum of Three Thousand Dollars ($3,000) to Mrs. Emma Lord, if she shall be in my employ at the time of my death.

I give the sum of Three Thousand Dollars ($3,000) to George Lord, if he shall be in my employ at the time of my death.

FIFTH: (a) If my sister, Iva M. Ingraham shall survive me, I direct that my executors shall set apart the sum of Twenty-five Thousand Dollars ($25,000) for which there shall be purchased by them a refundable annuity, payable to her in monthly installments of One Hundred Dollars ($100) each so long as she shall live, or until the total of Twenty-five Thousand Dollars ($25,000) has been paid to her, whichever shall first occur.

(b) If my sister, Florence V. Cunningham, shall survive me, I direct that my executors shall set apart the sum of Twenty-five

Thousand Dollars ($25,000) for which there shall be purchased by them a refundable annuity, payable to her in monthly installments of One Hundred Dollars ($100) each so long as she shall live, or until the total of Twenty-five Thousand Dollars ($25,000) has been paid to her, whichever shall first occur.

(c) If Mrs. Alice Wetherell, my brother's widow, shall survive me, I direct that my executors shall set apart the sum of Twenty-five Thousand Dollars ($25,000) for which there shall be purchased by them a refundable annuity, payable to her in monthly installments of One Hundred Dollars ($100) each so long as she shall live, or until the total of Twenty-five Thousand Dollars ($25,000) has been paid to her, whichever shall first occur.

SIXTH: By the will of my deceased husband, John Porter, who died June 21, 1941, the residue of his estate was given to me in trust for my life and at my death, by Article Eighth, Paragraph (b), I was also given a special or limited power of appointment over one-half of the balance of said trust estate as constituted at the time of my death, which power of appointment gave me the right to give to such one or more of my brothers or sisters, or their descendants, or to such person or persons (other than myself) named as legatees in his will, or their descendants, or to such religious, charitable or benevolent corporations as I in the exercise of said special or limited power of appointment may by my last will and testament designate and appoint. Accordingly, exercising such special or limited power of appointment thus given to me by my late husband, I nominate and appoint one of my sisters and certain religious, charitable and benevolent institutions hereinafter named to receive out of said one-half of said residuary estate of my late husband, John Porter, the following gifts, to wit:

(a) The sum of Fifteen Thousand Dollars ($15,000) to my sister, Florence V. Cunningham. This gift shall be satisfied in full before any other gifts in this clause Sixth are paid in whole or in part. If my said sister shall not survive me, then said sum shall be added to her estate.

(b) The sum of Twenty-five Thousand Dollars ($25,000) to The Connecticut Humane Society, a corporation specially chartered under the laws of the State of Connecticut and located in said Hartford.

(c) The sum of Twenty-five Thousand Dollars ($25,000) to The Newington Home and Hospital for Crippled Children, a charitable corporation located in Newington.

(d) The sum of Twenty-five Thousand Dollars ($25,000) to the Hartford Hospital, a charitable corporation located in Hartford.

The legacies contained in sub-divisions (b), (c) and(d) hereof are given in memory of my deceased husband, John Porter, and said gifts are to be held by the respective donees in each case as a permanent fund, with power of investment and reinvestment, the income to be used and applied for the general purposes of the donee.

(e) The sum of Twenty-five Thousand Dollars ($25,000) to The Center Congregational Church, Incorporated, of Manchester, Connecticut, to be held by it as a permanent fund in memory of my father, Arthur James Wetherell, and my mother, Mary Bidwell Wetherell, both deceased, former residents of the town of Manchester, with power of investment and reinvestment in such securities as would be selected by a prudent investor, the income only to be used for the support and maintenance of said Church.

(f) The balance of said one-half of said residuary estate over which I have such limited or special power of appointment shall be distributed by said trustees in equal shares to the following fourteen charitable institutions, constituting the same fourteen charitable institutions designated in the final portion of the Eighth article of the last will and testament of my said husband, John Porter, in each instance to be known as "The John Porter and Caroline E. Porter Fund", to be held in perpetuity, with power of investment and reinvestment, the income only to be used for the support of the

institutions hereinafter named, viz:

1. The Hartford Hospital, of Hartford, Connecticut, for the support of its general hospital;

2. The Hartford Hospital, of Hartford, Connecticut, for the support of that department of its work known as Jefferson House.

3. St. Francis Hospital, of Hartford, Connecticut;

4. The American School at Hartford for the Deaf, of West Hartford, Connecticut;

5. The Travelers Aid Society, of Hartford, Connecticut;

6. The Newington Home and Hospital for Crippled Children, of Newington, Connecticut;

7. The Salvation Army, Incorporated, to be used for the support of its work in Hartford, Connecticut;

8. The Salvation Army, Incorporated, to be used for the support of its work in Manchester, Connecticut;

9. The Young Man's Christian Association of Hartford;

10. The Young Women's Christian Association of Hartford;

11. The Hartford Chapter of the American Red Cross, of Hartford;

12. The Connecticut Institute for the Blind, of Hartford;

13. The Manchester Memorial Hospital, of Manchester, Connecticut;

14. The Masonic Charity Foundation of Connecticut, a corporation specially chartered by the State of Connecticut, for the support of the Masonic Home now maintained by it in Wallingford, Connecticut.

SEVENTH: All the rest, residue and remainder of my estate of whatever nature, both real and personal and wheresoever situate, I give, devise and bequeath IN TRUST to my trustees hereinafter named and to their successors in this trust upon the following trusts:

Said trustees shall have power to take, hold, receive, sell, invest and reinvest this trust estate in such investments as would be chosen by a prudent investor, including a common

trust fund managed by the corporate trustee. They shall pay over the net income of the trust estate, in equal shares, quarterly or oftener in their discretion, to or for the benefit of my sisters, Lila B. Tryon and Florence V. Cunningham, and the survivor of them, until both of my said sisters shall have died. My trustees shall have power to pay from time to time in the sole uncontrolled discretion of my trustees, excluding my sister, Florence V. Cunningham, to or for the benefit of my said sisters or either of them (without obligation to equalize) such portion or portions of the principal of this trust estate as they may deem necessary or advisable for their comfortable care, support and maintenance, or in case of their illness. I direct that said trustees shall be liberal in making such principal payments.

Upon the death of the last survivor of my said sisters this trust shall cease and my trustees shall pay over the principal of the trust estate, as then constituted, absolutely and free of trust, in equal shares, to the following:

Said Hartford Hospital;

Said Newington Home and Hospital for Crippled Children;

Said The Connecticut Institute for the Blind;

Said The Hartford Chapter of the American Red Cross, and

The Humane Society of Greater Miami, having an office at 2101 N.W. 95th Street, Miami, Florida.

EIGHTH: I nominate, constitute and appoint Hartford National Bank and Trust Company, a national banking association located in Hartford, Connecticut, my sister Florence V. Cunningham, my nephew C. John Sperry, and Spencer Gross of Hartford, Connecticut, to be the executors and trustees of this will.

I nominate, constitute and appoint such of my said executors as can qualify under Florida law to be the ancillary executors of my estate in Florida.

In the event that none of my said executors can qualify as executors in Florida, or should none of them elect so to

qualify, then I nominate, constitute and appoint E. L. Lockhart, of Miami Beach, Florida, to be the ancillary executor of my estate in Florida.

I hereby exoune all executors and trustees from giving any probate or other bond as such executors and trustees in any jurisdiction for any purpose, including qualification as executors and trustees and sale of real estate.

I authorize and empower my executors to mortgage, lease, sell and convey any real estate, or interest in real estate, of which I may be the owner at the time of my death in any jurisdiction, on such terms and conditions as they may deem wise.

I authorize any of my executors and trustees to empower any other of my executors and trustees to act for them at any time and from time to time.

IN WITNESS WHEREOF, I have hereunto set my hand and seal, declaring this to be my last will and testament, this 2nd day of July, 1956.

Dear Bob:

The provisions in the two Porter Wills, pertaining to Manchester Memorial Hospital, are as follows:

Paragraph Eighth of Will of John Porter:

"(e) The other one-half of the balance of said trust estate as then constituted, plus an amount equal to one-half of the total withdrawals from the principal of said trust estate made by Caroline E. Porter during her lifetime in accordance with the power hereinbefore given to her, I give as follows:

**********

"Twenty per cent. (20%) thereof, to which shall be added any portion which by virtue of death may not pass under the foregoing paragraphs of the second half of said fund, I give in equal shares to the following fourteen charitable institutions, in each instance to be known as "The John Porter and Caroline E. Porter Fund", to be held in perpetuity, with power of investment and reinvestment, the income only to be used for the support of the institutions hereinafter named, viz.:

LAST WILL AND TESTAMENT OF
RICHARD W. RICE, LATE OF HARTFORD, DECEASED.

# W I L L

## OF

## RICHARD W. RICE.

I, RICHARD W. RICE, of the Town of Hartford, County of Hartford, and State of Connecticut, being of sound and disposing mind and memory, do hereby make, publish and declare the following to be my last will and testament, hereby revoking all former wills by me made.

FIRST. I direct that all my just debts and the proper charges against my estate be paid by my executrix hereinafter named.

SECOND. I give and bequeath to the Superintendent of the East Cemetery, South Manchester, Connecticut, and to his successors in office, the sum of Five Hundred Dollars, in trust, however, to invest and keep the same invested and to apply and use the income therefrom for the perpetual care of the Rice family burial lot in said cemetery.

THIRD. I give, devise and bequeath to my sister, Lucy M. Ringrose, of South Manchester, Connecticut, all of my right, title and interest in and to the old homestead in South Manchester, Connecticut, to her and her heirs forever.

FOURTH. All of the rest, residue and remainder of my property, of whatever kind and nature and wheresoever situated, I give, devise and bequeath to my wife, Susie G. Rice, in trust, to hold, manage and control the same, and to pay the income therefrom to herself, the said Susie G. Rice, and in addition so much of the principal as in her judgment is necessary for her proper care, maintenance and support. Upon the death of my wife this trust shall cease, and the principal thereof, or so much of said principal as remains, and all accumulations thereto, I give, devise and bequeath to The Hartford-Connecticut Trust Company, a duly organized corporation under the laws of the State of Connecticut and located in Hartford, Connecticut, in trust, to hold, manage and control the same, and to pay the income therefrom at least quarterly in each year to my sister, Lucy M. Ringrose, of South Manchester, Connecticut, during the remainder of her natural life. And from and after the death of my said sister, my trustee, The Hartford-Connecticut Trust Company, shall hold the trust fund and the future income of the same, upon trust, to pay the income of said trust fund at least quarterly in each year to my nephew, Kenneth H. Ringrose, son of my said sister, during the remainder of his natural life. Upon the death of my said nephew, this trust shall cease, and the principal thereof, and all accumulations thereto, I give, devise and bequeath to the Manchester Memorial Hospital, of Manchester, Connecticut, in trust, to be known as the William and Mary Rice Fund, the income therefrom to be used for the purposes and uses of said Hospital.

FIFTH. I appoint my wife, Susie G. Rice, executrix of this will and request that no bonds be required of her either as executrix or trustee hereunder.

IN WITNESS WHEREOF, I have hereunto set my hand and seal at Hartford, Connecticut, this 11th day of April, 1924.

Richard W Rice (L.S.)

Signed, sealed, published and declared as and for his last will and testament by the within named testator, Richard W. Rice, in our presence, who in his presence, and at his request, and in the presence of each other, have hereunto subscribed our names as witnesses.

LAST WILL AND TESTAMENT OF
MICHELE VASQUENZA, LATE OF HARTFORD, DECEASED.

WILL OF MICHELE VASQUENZA

---------o---------

I, Michele Vasquenza, of the Town, County of Hartford, and State of Connecticut, being of sound and disposing mind and memory, hereby make this my last will and testament, intending hereby to revoke all previous wills by me heretofore made.

FIRST:- I direct that all my just debts and funeral expenses be paid by my executrix hereinafter named, as soon after my death as may by her be found convenient.

SECOND:- I give, devise and bequeath to my beloved wife Maria Cristina Vasquenza, if she shall survive me, the use and income during her natural life, of all my property both real and personal, whatsoever the same may consist of or wheresoever the same may be situated. I also give her, if she shall deem it necessary the right and power to sell, mortgage, or in any way dispose of any real estate that I may own or possess at the time of my decease, with the proviso that if my wife is obliged to sell said real estate she shall set aside in some local bank a sum equal to the cash bequests hereinafter made.

THIRD:- I give, devise and bequeath to my beloved daughter Francesca Vasquenza Caperino, of the Town, County of Hartford, and State of Connecticut, the sum of FIVE HUNDRED ($500.00) DOLLARS to belong to her absolutely, which sum is to be paid at the death of my wife. But in the event of the decease of my beloved daughter Francesca Vasquenza Caperino, prior to my death, or wife's, death, I then give, devise and bequeath, this sum FIVE HUNDRED ($500.00) DOLLARS to the children of my beloved daughter, share and share alike.

FOURTH:- I give, devise and bequeath to my beloved daughter Antonia Vasquenza Festa, of the Town, County of Hartford, and State of Connecticut, the sum of FIVE HUNDRED ($500.00) DOLLARS to belong to her absolutely, which sum is to be paid at the death of my wife. But in the event of the decease of my beloved daughter Antonia Vasquenza Festa, prior to my death, or wife's death, I then give, devise and bequeath this sum FIVE HUNDRED ($500.00) DOLLARS to the children of my beloved daughter, share and share alike.

FIFTH:- I give, devise and bequeath to be beloved sons Francesco Vasquenza and Vincenzo Vasquenza, both of the Town, County of Hartford, and State of Connecticut, all the remainder and residue of my estate both real and personal whatsoever the same may consist of or wheresoever the same may be situated, to belong to them absolutely, share and share alike. But in the event of the decease of either of my sons, prior to my death, or wife's death, then the same shall go the his children, share and share alike, and if no children survive, then the same shall go to the surviving son.

SIXTH:- I nominate, and appoint my beloved wife Maria Cristina Vasquenza executrix of this my last will and testament.

IT WITNESS WHEREOF, I have hereunto set my hand and seal at Hartford, aforesaid this twenty-first day of November A. D. 1923.

Michele X Vasquenzo (L.S.)

**Be it known to all Persons,** THAT I, Flora May Stanley, of the Town of Manchester, in the County of Hartford, in the State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my last Will and Testament, hereby revoking all previous wills and codicils by me made.

ARTICLE I.

I direct that all my just debts and funeral expenses be paid by my Executor hereinafter named.

ARTICLE II.

I give to the Town of Manchester, a Municipal corporation located in said Hartford County, the sum of Two Hundred ($200.00) Dollars, in trust however, to take, hold and invest the same and to use the income therefrom for the perpetual care of my burial lot in the East Cemetery, in said Manchester.

ARTICLE III.

I give to my cousin, Rosalie H. Burtelle the sum of Twenty-five Hundred ($2500.00) Dollars; to Luline H. Chamberlain the sum of Two Thousand ($2,000.00 Dollars; and to my cousin Myrtle H. Lyndler, the sum of Twenty-five Hundred ($2500.00) Dollars.

ARTICLE IV.

I give to Florence S. Murray, daughter of said Luline H. Chamberlain; to Earl S. Warner, son of Florence S. Murray; to Albert L. Crowell; to Maytie Case Crowell; to Earline Wheelock; to Richard S. Carpenter; to Ever Ready Circle of Kings Daughters; and to my cousins Lucien C. Stanley; Mabel Stanley Carpenter; Evelyn Wheelock; Merton Wheelock; Mattie Wheelock, and Robert Hayes Wheelock, to each of them, the sum of Five Hundred ($500.00) Dollars.

ARTICLE V.

I give to The Manchester Memorial Hospital, a Connecticut corporation, located in said Manchester, the sum of Three Thousand ($3,000.00) Dollars, to be known as the Robert N. and Florella Stanley Trust Fund, to be added to the Endowment Fund of said hospital, and the income to be used for such purposes as the Trustees may deem best.

ARTICLE VI.

I give to my cousin Myrtle L. Lyndler all my jewelry which belonged to my grandmother. All other jewelry I give to the said Evalyn Wheelock.

ARTICLE VII.

In the event that there shall not be sufficient funds to pay the foregoing bequests in full, then it is my will that each legatee receive such proportion of the whole of my estate as the sum herein bequeathed to such beneficiary bears to the sum total of my estate herein to be divided.

ARTICLE VIII.

I give to the Trustees of the South Methodist Episcopal Church of said Manchester the sum of Two Thousand ($2,000.00) Dollars, or so much thereof as may remain after the payment of all legacies herein given, debts, funeral expenses and administration expenses, to be held in trust however, and the income therefrom to be used for such Church purposes as said Trustees shall deem best.

## ARTICLE IX.

497

I give to my said cousin Myrtle L. Lyndler the life use of all my silverware, furniture and other household effects, together with the life use of any real estate owned by me at the time of my death. At the death of said Myrtle L. Lyndler I give, devise and bequeath said silverware furniture, household effects and real estate to Earl Stanley Warner.

## ARTICLE X.

All the residue of my property, of whatsoever the same may consist or wheresoever it may be situated, I give, devise and bequeath to my cousins, Rosalie H. Burtelle and Myrtle L. Lyndler.

## ARTICLE XI.

All legacy and succession taxes which may be payable in respect of the bequests and devises in this Will contained, I direct to be paid out of my residuary estate.

I, ROSE B. STRANT, of the Town of Manchester, in the County of Hartford, in the State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my last WILL AND TESTAMENT, hereby revoking all previous wills and codicils by me made.

FIRST: I direct that my funeral expenses and all my debts, (except such as shall be secured by mortgage at the time of my death) be paid from my personal estate.

SECOND: All of the rest, residue and remainder of my estate, both real and personal, of whatsoever the same may consist and wheresoever the same may be located, I give, devise and bequeath to my beloved husband, GEORGE W. STRANT, to have and to hold for and during the term of his natural life. I give unto my said husband the full power and authority to invade and to use and to consume all or any portion of my estate as he may deem necessary for his proper maintenance, support and general welfare. I hereby specifically exempt my husband from the filing of any bond in connection herewith.

Upon the death of my said husband, GEORGE W. STRANT, I direct that my estate shall be paid over and distributed to such person or persons or to the estate of my husband in such manner and proportions as my said husband may designate and appoint in his Last Will and Testament. The power of appointment hereby granted to my said husband shall be exercisable by him alone.

THIRD: Upon the death of my said husband, GEORGE W. STRANT, and in the event that he shall default in the exercise of the power of appointment hereinbefore granted to him, I direct that all of my estate then remaining be distributed as follows:

1. I give and bequeath the sum of Two Thousand ($2,000.00) Dollars to THE MANCHESTER TRUST COMPANY, IN TRUST NEVERTHELESS, for

the following uses and purposes, to wit:

a. To take, hold, receive, manage, control, invest and reinvest the same. To pay the income from said trust at such times as my trustee shall determine to my cousin, MATTIE PALMER, of Portland, Connecticut, for and during the term of her natural life, and to pay or use and expend so much of the principal of said trust as the trustee, in its sole and absolute discretion, shall deem necessary and proper for the care, comfort, support and maintenance of my cousin, MATTIE PALMER, of Portland, Connecticut, for and during the term of her natural life. Payments of principal by the said trustee to and for the benefit of my said cousin, MATTIE PALMER, shall be in such amounts and proportions and in such manner and at such times as the said trustee, in its sole and absolute discretion, shall deem necessary for her best interests and welfare.

b. Upon the death of my said cousin, MATTIE PALMER, I direct that ~~said trust shall thereupon~~ terminate and that the principal of said trust, together with any unpaid income, be paid to the MANCHESTER MEMORIAL HOSPITAL, of Manchester, Connecticut, to be added to its endowment fund and the income only from which is to be used for the general purposes of said hospital.

c. If my said cousin, MATTIE PALMER, shall predecease me, then in that event, I give and bequeath ~~said Two Thousand~~ ($2,000.00) Dollars to the MANCHESTER MEMORIAL HOSPITAL, to be used as set forth above.

2. I give and bequeath my antique rocking chair covered with needlepoint to RUTH FINLEY BARLOW, of Rockville, Connecticut, daughter of Elizabeth Finley.

3. I give and bequeath the sum of One Thousand ($1,000.00) Dollars each to RUTH FINLEY BARLOW, of Rockville, Connecticut and WILLIAM FINLEY, of Somers, Connecticut, children of Elizabeth Finley.

[redacted]

4. I give and bequeath the sum of Two Thousand ($2,000.00) Dollars to the NEWINGTON HOME FOR CRIPPLED CHILDREN, of Newington, Connecticut, to be used for the general purposes of said home.

5. I give and bequeath the sum of Two Thousand ($2,000.00) Dollars to the CONNECTICUT HUMANE SOCIETY, of Hartford, Connecticut, to be used for the general purposes of said society.

6. I give and bequeath the sum of Five Thousand ($5,000.00) Dollars to the MANCHESTER MEMORIAL HOSPITAL, to be added to its endowment fund and to be known as the George W. Strant and Rose B. Strant Memorial Fund, the income only from which is to be used for the general purposes of said hospital.

7. I give and bequeath my grandfather clock to MINOT FRYER, JR., of St. Louis, Missouri.

8. I give and bequeath the sum of Two Thousand ($2,000.00) Dollars to the WOMEN'S FEDERATION OF THE CENTER CONGREGATIONAL CHURCH, of Manchester, Connecticut, to be used for the general purposes of said federation.

9. I give and bequeath the sum of Ten Thousand ($10,000.00) Dollars in memory of my father and mother, to the CENTER CONGREGATIONAL CHURCH, of Manchester, Connecticut, to be added to its endowment fund, and to be known as the Humphrey L. Shurtleff and Calista Shurtleff Memorial Fund, the income only from which shall be used for the general purposes of said church.

11. I give and bequeath the sum of Two Thousand ($2,000.00) Dollars to CAROLINE STRANT, of Coventry, Connecticut.

FOURTH: I direct that all of the rest, residue and remainder of my estate be divided into three (3) equal parts and be distributed as follows:

a. Two (2) of said parts I give and bequeath to the MANCHESTER MEMORIAL HOSPITAL, of Manchester, Connecticut, to be added to its endowment fund and to be known as the George W. Strant and Rose B. Strant Memorial Fund, the income only from which is to be used for the general purposes of said hospital.

E
Submitted October 13, 2015

b. One (1) of said parts I give and bequeath to the NEWINGTON HOME FOR CRIPPLED CHILDREN, of Newington, Connecticut, to be added to its endowment fund and to be known as the George W. Strant and Rose B. Strant Memorial Fund, the income only from which is to be used for the general purposes of said home.

FIFTH: I further direct that estate, succession and inheritance taxes payable to any state or federal government on any of the legacies hereinbefore set forth, or on the share or portion of my estate passing to any legatee or beneficiary under the terms of this my Last Will and Testament be considered an administration expense and paid for out of the residuary funds of my estate. I further direct that any proration of such taxes be eliminated.

SIXTH: I make, constitute and appoint my husband, GEORGE W. STRANT, of the Town of Manchester, County of Hartford, and State of Connecticut executor of this my Last Will and Testament. In the event that my said husband, shall predecease me or shall be unable or shall refuse to act as such executor, then, in that event, I make, constitute and appoint JOHN R. MROSEK, of said Town of Manchester executor of this my Last Will and Testament. I direct that no bonds shall be required of either of them in such capacity.

IN WITNESS WHEREOF I have hereunto set my hand and seal at Manchester, Connecticut on this 22nd day of December A.D. 1954.

Rose B Strant (L.S.)

Signed, sealed, published and declared by the said ROSE B. STRANT as and for her Last Will and Testament, in presence of us, who at her request, in her presence, and in the presence of each other have hereunto subscribed our names as witnesses, on the 22nd day of December A.D. 1954.

June 16, 1953

In accordance with action taken at meeting of Trustees held on May 19, 1953, the Budget Committee had met on June 9 and studied the proposal to increase ward rates prior to July 1, 1953. It was reported that the cost of giving bed, board, and general nursing care to a ward patient was $13.60 per day. The rates in effect were $10.00 per day for service ward patient and $11.25 for a private ward patient. It was recommended by the Budget Committee that, effective as of June 29, 1953, service ward rates and private ward rates be increased to $12.50 per day.
It was Voted: To accept the recommendation of the Budget Committee.

Other subjects discussed were:

1. Financial problems involved in the revision of the contract with Dr. Platz, Anaesthesiologist.
2. Additional financial requirements to provide Nursing Department with 5% increment in compensation voted by Board of Trustees on September 23, 1952 to be effective for the year commencing October 1, 1953.
3. Request from employees of The Manchester Memorial Hospital for
   (a) Forty hour week
   (b) Payment by hospital of their Blue Cross premium (not including Connecticut Medical Service)
   (c) Provision for a retirement plan in addition to the present Social Security Arrangement.

It was decided that Items 1, 2 and 3 as stated above would be taken up when preparing the financial budget for the fiscal year commencing October 1, 1953.

Report of Insurance Committee
The following quotations were reported for boiler insurance:
1. Mutual Boiler Machinery Company of Boston . . . $2,358. for three years, premium to be paid in three parts.
2. Hartford Steam Boiler . . . $2,676. for three years, premium to be paid in a lump sum.

In view of the excellent service given by the Hartford Steam Boiler Company -
It was Voted: To continue the policy with Hartford Steam Boiler, and to try to obtain a reduced rate.

Report of Bowen Fund
Amount of subscriptions from November 1, 1952 to date - $9,035.05.

Report of Finance Committee (Report of invested funds and classification of investments as of March 30, 1953 distributed to Trustees)
The following recommendations were submitted:
1. That we use the proceeds from other funds to bring the accounts listed below up to the original amount:

| | Original Amount | Present Amount |
|---|---|---|
| William H. Coates Fund | $ 500.00 | $ 273.51 |
| Darling Fund | 1,000.00 | 452.95 |
| E.L.G. Hohenthal Fund | 750.00 | 403.77 |

2. That cash as shown in the Report of Invested Funds be deposited in mutual savings banks at an interest rate of 2½% or more.

3. Not to exercise the right to purchase one share of Cheney Brothers' common stock at $11.00 per share for each 10 shares held in the endowment fund.

4. To foreclose on mortgage of Elverne and Erma Harmsen, 44 Prospect Street - $1,000.

5. That all mortgage investments be at 5% interest, no mortgage to exceed $5,000. or more than one-half of appraisal value of property.

It was voted: To accept the report of the Finance Committee and make the recommendations submitted and as listed above effective.

## Fund 11-1.16

## Helen Campbell Cheney Fund

I. HELEN CAMPBELL CHENEY, of Manchester, Connecticut, do hereby make, publish and declare this to be my last will and testament, hereby revoking all other wills and codicils heretofore made by me.

First: I direct that all my funeral expenses and just debts, except those secured by mortgage on real estate, shall be duly paid.

Second: I direct that all legacy, succession, inheritance, transfer and estate taxes levied or assessed upon or with respect to any property which is included as part of my gross estate for the purpose of any such tax, whether or not such property passes under this will, shall be paid by my Executor out of my estate in the same manner as an expense of administration and shall not be prorated or apportioned among or charged against the respective devisees, legatees, beneficiaries, transferees or other recipients nor charged against any property passing or which may have passed to any of them and that my Executor shall not be entitled to reimbursement for any portion of any such tax from any person.

Third: I give and bequeath to The Cheney Cemetery Association, Incorporated, the sum of Three Thousand Dollars ($3,000) to hold the same and to invest and reinvest the same at its discretion without limitation to trust investments so-called, for the following uses and purposes: The income earned by said sum shall be expended as needed for the perpetual care and maintenance of my husband's and my lot in the cemetery grounds of said Association, including the planting and replacement of shrubs and weeding, and any income not so expended shall be used as needed for the perpetual care and maintenance of the cemetery grounds of said Association in general; and the principal of said sum shall be expended only if necessary for the repair or replacement of the monuments on said lot of my husband and myself should they be

71

that no such statutes shall be applicable to the foregoing bequest and further that said The Cheney Cemetery Association, Incorporated shall not be required to file any annual account of this trust to the Probate Court of the District of Manchester.

Fourth: I direct that my Executor shall segregate from my other property all property which I received from the estate of my late husband, Philip Cheney, except any of his household furniture and furnishings and personal effects, and I direct my Executor to pay over all such property in equal shares and I so give, devise and bequeath the same to the following nieces and nephew of my husband: Georgiana Dorey Grant, Ednah Cheney Dorey Benner, Helen Bayne Knapp, Elizabeth Bayne Blackburn and Thomas Langdon Cheney, Jr., provided, however, that if any of said nieces or nephew of my husband shall have previously died leaving issue living at my death, the share of the one so dying shall be paid, per stirpes, to his or her issue, and if any one of said nieces or nephew of my husband shall have previously died leaving no issue me surviving, his or her share shall be paid to the others of said nieces and nephew of my husband or their issue, per stirpes, as the case may be. In case of doubt as to whether any property was received by me from the estate of my husband, the decision of my Executor shall be final. Part of the property received by me from the estate of my husband was the real estate (land and buildings thereon) known as No. 50 Forest Street, Manchester, Connecticut. I anticipate that said above-mentioned nieces and nephew of my husband will wish to sell this real estate, but before doing so, I suggest that they satisfy themselves that no other nephews or nieces of my husband

4r

I declare that by the phrase "all property which I received from the estate of my late husband" I mean all property, including any substituted property, received by me from my husband's estate as devisee, legatee or beneficiary under my husband's will and owned by me at my death, but not property purchased by me from my husband's estate for a valuable consideration nor as noted above any of his household furniture and furnishings and personal effects.

Fifth: I give and bequeath to Henry E. McCone, of West Hartford, Connecticut, John H. Stearns, of West Hartford, Connecticut, and Alice G. Conway, of West Hartford, Connecticut, and the survivors or survivor of them, all of my household furniture and furnishings and I express the wish that they will dispose of certain of said articles in accordance with my wishes as they may know them to be and as they may be set forth in any memorandum or memoranda which I may leave for their guidance and will sell the remainder of said articles and add the proceeds to the residue of my estate to be disposed of in accordance with article Sixth of this will. In expressing this wish I realize that I am not creating any legal restriction upon them, but I am confident that they will comply with my wishes.

Sixth: All the rest, residue and remainder of my estate, both real and personal and wherever situated, I direct my Executor to divide into three (3) equal parts and to transfer and pay over said three (3) equal parts and I so give, devise and bequeath the same as follows:

(a) Two (2) of said equal parts to The Rhode Island Hospital, a hospital corporation organized and existing under the

93

only to be used and applied for the benefit of said Hospital in such manner as the Trustees of said Hospital may in their discretion determine. If, in the judgment of said Trustees, it seems wise, I would be pleased if One Thousand Dollars ($1,000) from said income be used annually for the work of the Hospital's Social Service Department, in which I have had a deep interest for many years.

(b) One (1) of said equal parts to Manchester Memorial Hospital, a hospital corporation organized and existing under the laws of the State of Connecticut and located in said Manchester, to be held as a permanent fund in memory of my husband, Philip Cheney, with power of investment and reinvestment, the income only to be used and applied for the benefit of said Hospital in such manner as the Trustees of said Hospital may in their discretion determine.

Seventh: I hereby confer upon my Executor full power and authority in its absolute discretion and without application to court but subject always to such restrictions as are specifically stated in this will and with due consideration of my wishes as expressed in this will

(1) To sell and convey any real or personal property at any time forming part of my estate and not specifically bequeathed or devised in this will;

(2) To settle, adjust, compound or dispose of on any terms, and with or without allowing or obtaining any time or receiving or giving any security, claims and demands belonging to or made against me or my estate;

(3) To effect any division under this will or any codicil [illegible] money and to that end

74

(4) To pay over any legacy given to a minor by this will or any codicil hereto to a parent or guardian of the person of the minor, and the receipt of such parent or guardian shall be a sufficient voucher and discharge to my Executor for all payments so made by it.

Eighth: I nominate and appoint Hartford National Bank and Trust Company to be Executor of this my last will and testament. If for any reason the settlement of my estate is delayed for more than one year after my death, I direct that no interest shall be paid upon the gifts made in this will or in any codicil hereto.

IN WITNESS WHEREOF, I have hereunto set my hand and seal at Hartford, Connecticut, this 29th day of June, 1960.

Helen Campbell Cheney (L.S.)

Signed, sealed, published and declared by the above-named testatrix, HELEN CAMPBELL CHENEY, as and for her last will and testament in the presence of us, who at her request, in her presence and in the presence of each other, have hereunto subscribed our names as witnesses.

MANCHESTER MEMORIAL HOSPITAL
DEVELOPMENT COMMITTEE
Tuesday, June 30, 1981

PRESENT: Mrs. Snyder; Messrs. Ferguson, R. Smith, Kenney, Dobkin, Johnson, Getzewich, Beck; Dr. Karns

The meeting was held to determine the appropriate memorial designations for bequests and memorial bequests received prior to the start of the Prescription '84 fund-raising drive. The committee members were presented with a list of available memorials for review.

The following determinations were made:

Bequest of Ruth E. Peck - $141,128.77
the possibility of designating the Rehabilitation Unit
"In memory of Ruth E. Peck and R. Raymond Peck"

Bequest of Shirley H. Gustafson - $15,000.00
Anesthesiologist Work Room
"In memory of C.G. Edwin Gustafson and
Shirley H. Gustafson"

Bequest of Jane N. Dewey - $5,000.00
Nurses' Lounge in Surgical Suite
"In memory of Hilma N. Dillon and Emily D. Coburn"

Bequest of Albert T. Dewey - $8,000.00
Vestibule on Second Floor East Building (244)
"Gift of Albert T. and Jane N. Dewey"

The Committee also decided that some considered thought should be given to some of the larger bequests, so that an appropriate location reflecting the unsolicited and sizeable generosity of the bequests could be selected. Therefore, further thought would be given to the Bequest of Parker Soren ($100,000) and the Bequest of Andrew Ferguson ($1 million endowment fund).

In addition, arrangements would be made to contact Mrs. Alexander Jarvis to determine a memorial location for her husband's bequest ($25,000) and Mrs. John Mrosek to pick a location to recognize gifts made in her husband's memory ($23,851.00).

It had been determined in 1980 that Dr. Lundberg, Sr., would have his $10,000 bequest memorialized in the Medical Library. The Development Office has been in touch with Dr. Lundberg, Jr., on this matter and awaiting the forwarding of a photograph of Dr. Lundberg, Sr., to be included with the memorial plaque.

Respectfully submitted,

Andrew A. Beck, Director
Public Relations and Development

MANCHESTER MEMORIAL HOSPITAL
DEVELOPMENT COMMITTEE
Tuesday, June 30, 1981

PRESENT: Mrs. Snyder; Messrs. Ferguson, R. Smith, Kenney, Dobkin, Johnson, Getzewich, Beck; Dr. Karns

The meeting was held to determine the appropriate memorial designations for bequests and memorial bequests received prior to the start of the Prescription '84 fund-raising drive. The committee members were presented with a list of available memorials for review.

The following determinations were made:

Bequest of Ruth E. Peck - $141,128.77
the possibility of designating the Rehabilitation Unit
"In memory of Ruth E. Peck and R. Raymond Peck"

Bequest of Shirley H. Gustafson - $15,000.00
Anesthesiologist Work Room
"In memory of C.G. Edwin Gustafson and
Shirley H. Gustafson"

Bequest of Jane N. Dewey - $5,000.00
Nurses' Lounge in Surgical Suite
"In memory of Hilma N. Dillon and Emily D. Coburn"

Bequest of Albert T. Dewey - $8,000.00
Vestibule on Second Floor East Building (244)
"Gift of Albert T. and Jane N. Dewey"

The Committee also decided that some considered thought should be given to some of the larger bequests, so that an appropriate location reflecting the unsolicited and sizeable generosity of the bequests could be selected. Therefore, further thought would be given to the Bequest of Parker Soren ($100,000) and the Bequest of Andrew Ferguson ($1 million endowment fund).

In addition, arrangements would be made to contact Mrs. Alexander Jarvis to determine a memorial location for her husband's bequest ($25,000) and Mrs. John Mrosek to pick a location to recognize gifts made in her husband's memory ($23,851.00).

It had been determined in 1980 that Dr. Lundberg, Sr., would have his $10,000 bequest memorialized in the Medical Library. The Development Office has been in touch with Dr. Lundberg, Jr., on this matter and awaiting the forwarding of a photograph of Dr. Lundberg, Sr., to be included with the memorial plaque.

Respectfully submitted,

Andrew A. Beck, Director
Public Relations and Development

Ella C.Livermore

I, Ella C.Livermore of New Haven, in the County of New Haven and State of Connecticut, do make, publish and declare this my last will and testament, hereby revoking all wills heretofore made by me,

FIRST: I direct my executor, hereinafter named, to pay my just debts and funeral expenses out of my estate and I further direct my said executor to pay out of my estate all succession, inheritance, estate and transfer taxes, and all other taxes which may be legally assessed upon my estate or any part thereof, or upon any legacy herein contained, without charging the same to or diminishing any legacy herein given because of any tax or taxes.

SECOND: I direct that my remains be cremated and that my ashes be buried beside the grave of my late husband, Frederick W.Hills, in Spring Grove Cemetery in Hartford, Connecticut.

THIRD: I give and bequeath to my executor hereinafter named a sum sufficient but not in excess of five thousand dollars ( $5,000) and direct my said executor to apply said sum to the erection of a suitable monument in the family burial lot of my father, Loren Gardner, in the cemetery at South Manchester, Connecticut, suitably inscribed upon which shall be the names and dates of birth and death of my said father, Loren Gardner, my mother, Amanda Wells Gardner, and such of their descendants and their descendants' wives as may be buried in said burial lot, unless I shall have in my lifetime erected or otherwise provided for the erection of such a monument,

FOURTH: I give and bequeath twenty five thousand dollars ( $25,000) to the Hartford Hospital a corporation specially chartered by the State of Connecticut, located in Hartford in said State, in memory of my late husband, Frederick W.Hills, to be held by said Hospital as a fund to be known as The Frederick W.Hills Fund, the income therefrom to be

used for the proper uses of said Hospital. I request, but do not make it a condition, that the income, or so much as may be necessary, be applied to the maintenance of a free bed in said Hospital for poor patients.

FIFTH: I give and bequeath twenty five thousand dollars ( $25,000) to the Manchester Memorial Hospital, a corporation specially chartered by the State of Connecticut, located at South Manchester in said State, in memory of my father, Loren Gardner, to be held by said Hospital as a fund to be known as The Loren Gardner Fund, the income therefrom to be used for the proper uses of said Hospital. I request, but do not make it a condition, that the income, or so much as may be necessary, be applied to the maintenance of a free bed in said Hospital for poor patients.

SIXTH: I give and bequeath my ring with a large sapphire in a platinum and diamond setting, to my grandniece, Emily B.Hendricks, of Ann Arbor, Michigan.

SEVENTH: In memory of my father, Loren Gardner, I give and bequeath the sum of three thousand dollars ( $3,000) to the South Manchester Methodist Episcopal Church, an ecclesiastical corporation, located in South Manchester, Connecticut.

EIGHTH: I direct my executor hereinafter named to sell all of my real estate, wherever situated, and to receive, hold and distribute the proceeds as though they were a part of my personal estate, and I expressly authorize my said executor and its successors to convey my said real estate and sell the same for cash or for bonds or notes or mortgage or other securities, or for cash and securities.

NINTH: I direct my executor to establish out of my estate, in cash or securities, or both, the following funds;

(a) A fund of the value, so near as may be, of twenty thousand dollars ( $20,000) for the benefit of my niece Lena A.Gilbert, of New Haven, Connecticut.

(b) A fund of the value so near as may be, of twenty thousand dollars ( $20,000) for the benefit of my niece Elsa G. Quick, of Minneapolis, Minnesota.

(c) A fund of the value so near as may be, of twenty thousand dollars ( $20,000) for the benefit of my nephew, George W.Hendricks of Daytona, Florida.

(d) A fund of the value, so near as may be of ten thousand dollars ( $10,000) for the benefit of my nephew, Edwin F.Gardner of New Haven, Connecticut.

(e ) A fund of the value, so near as may be, of three thousand dollars ( $3,000) for the benefit of Harriet Hills, of New Haven, Connecticut.

(f) A fund sufficient to produce an annual income of six hundred dollars ( $600.00) for the benefit of Valentine N.Bagley of the City of New York.

TENTH: I give and bequeath the funds described in the ninth article hereof to The Second National Bank of NewHaven, a national banking association, duly authorized and empowered to act as executor and trustee, located in and having its principal office for the transaction of business in the City of New Haven and State of Connecticut, in trust, however, for the following uses and purposes:

(a) To hold and manage said funds and property during the period of the existence of the hereinafter stated trusts, with full power to retain existing investments, to sell, exchange, or otherwise dispose of all or any part thereof whether real or personal either for cash or upon credit and for such prices and upon such terms and conditions as to the said trustee shall seem proper, and to borrow money and to mortgage or hypothecate said property or any part thereof to secure such borrowings, and to make, execute and deliver all necessary or convenient deeds, conveyances, mortgages and bills of sale thereof, and such other instruments as shall be necessary or convenient for the purposes hereof, and to pay all taxes and charges thereon and to invest and reinvest the proceeds, increment, emoluments and income of said property in stocks, bonds, securities and other property real or personal whether or not the same shall be legal investments for trustees, and said trustee shall not be liable because of the character of such investments, and to collect the income therefrom, and to retain as principal in said trust all increases in the value of securities and property held in said trust whether or not such increases are realized by sale, exchange or other disposition and to likewise retain, as part of the principal of said trust fund, shares of stock received by way of stock dividends, and the proceeds of the sale or other disposition of stock rights. Purchasers from my said trustee or its successor, shall not be liable for, or required to follow, the application or disposition by said trustee of any sums paid to said trustee.

(b) I direct my said trustee to pay over to my niece, Lena A.Gilbert, during her lifetime, the net income of said fund hereinbefore established for her benefit, and upon her death to assign, transfer and pay

over the principal of said fund and any income accumulated thereon to her surviving issue, in equal shares if more than one, per stirpes and not per capita, free and discharged of all trusts; but if my said niece shall not leave issue her surviving, my said trustee shall transfer, assign and pay over the principal of said trust fund and any income accumulated thereon to such person or persons as shall be entitled to receive the residue of my estate hereunder, free and discharged of trust.

(c) I direct my said trustee to pay over to my niece, Elue G. Quick, of Minneapolis, Minnesota, during her lifetime, the net income of said fund hereinbefore established for her benefit, and upon her death to assign, transfer and pay over the principal of said fund and any income accumulated thereon to her surviving issue, in equal shares if more than one, per stirpes and not per capita, free and discharged of all trusts; but if my said niece shall not leave issue her surviving, my said trustee shall transfer, assign and pay over the principal of said trust fund and any accumulated income thereon to such person or persons as shall be entitled to receive the residue of my estate hereunder, free and discharged of trust.

(d) I direct my said trustee to pay over to my nephew, George W.Hendricks, during his lifetime, the net income of said fund hereinbefore established for his benefit, and upon his death to assign, transfer and pay over the principal of said trust fund and any income accumulated thereof to his surviving issue, in equal shares if more than one, per stirpes and not per capita, free and discharged of all trusts; but if my said nephew shall not leave issue him surviving, my said trustee shall transfer, assign and pay over the principal of said trust fund and any income accumulated thereon to such person or persons as shall be entitled to receive the residue of my estate hereunder, free and discharged of trust.

(e) I direct my said trustee to pay over to my nephew, Edwin F.Gardner, during his lifetime the net income of said fund established for his benefit, and after his death to pay said net income to my niece, Lena A.Gilbert, during her lifetime and upon her death, or upon the death of my said nephew if she shall not survive him, my said trustee shall assign, transfer and pay over the principal of said fund and any income accumulated thereon to the surviving issue of my said niece Lena A.Gilbert, in equal shares if more than one, per stirpes and not per capita, free and discharged of trust; but if my said niece shall not leave issue her surviving and also surviving my said nephew Edwin F.Gardner, at the death of the survivor

of my said nephew Edwin F. Gardner and my niece Lena A. Gilbert, my said trustee shall transfer, assign and pay over the principal of said trust fund and any income accumulated thereon to such person or persons as shall be entitled to receive the residue of my estate hereunder, free and discharged of trust.

( f ) I direct my said trustee to pay over to Harriet Hills, of New Haven, during her lifetime, the net income of said fund established for her benefit and after her death my said trustee shall transfer assign and pay over the principal of said trust fund and any income accumulated thereon, to such person or persons as shall be entitled to receive the residue of my estate hereunder, free and discharged of trust.

( g ) I direct my said trustee to pay over to Valentine N. Bagley from the income of the said fund hereinbefore established for his benefit, during his lifetime, six hundred dollars ( $600.) per annum, in quarterly instalments, and at his death my said trustee shall transfer, assign and pay over the principal of said trust fund and any income accumulated thereon, to such person or persons as shall be entitled to receive the residue of my estate hereunder, free and discharged of trust.

ELEVENTH: I give, bequeath and devise all the rest, residue and remainder of my property, of every kind and character and wheresoever located, including lapsed legacies, if any, to my said nieces, Lena A.Gilbert, and Elue G. Quick and my said nephews George W.Hendricks and Edwin F.Gardner, in equal shares, provided, however, that if one or more of them shall have died leaving issue such issue shall take its parent's share in equal shares per stirpes and not per capita.

TWELFTH: Should any legatee hereinbefore named contest this will, I hereby revoke his or her legacy and such legatee or legatees so contesting this will shall take no benefit herein, but such legacy, legacies or benefits shall be a part of the residue of my estate and disposed of therewith as hereinbefore provided.

THIRTEENTH: I direct and authorize my executor hereinafter named and my trustee to make any and all distributions herein provided.

FOURTEENTH: I hereby appoint said The Second National Bank of New Haven to be the executor of this my last will and testament, with power to sell, convey, lease and mortgage any part or all of the property, real or personal, of my estate not herein specifically devised, and I direct that my said executor shall not be required to give any bond or other security

for the faithful performance of its duties as such executor in any State or States where it may be necessary or convenient to make proof of this my will.

IN WITNESS WHEREOF, I have hereunto set my hand and seal to this my last will and testament, at New Haven, in the County of New Haven this 12th day of October 1929.

Ella C.Livermore ( L.S.)

Signed, sealed, published and declared by the within named testatrix, Ella C.Livermore, to be her last will and testament, in the presence of us and each of us, who, in her presence and in the presence of each other and at her request, have hereunto subscribed our names as witnesses.

Curtis K.Thompson 28 Smith St., West Haven, Conn,
Avery Tompkins 16 Pauline Ave., West Haven, Ct.

STATE OF CONNECTICUT
COUNTY OF NEW HAVEN ss. PROBATE COURT

In the Matter of the Probate of the last will and testament of Ella C. Livermore late of New Haven in said District, deceased.

DEPOSITION OF SUBSCRIBING WITNESS

Curtis K.Thompson of West Haven being duly sworn and examined before the Probate Court for the District of New Haven, deposes and says:

I was acquainted with said Ella C.Livermore now deceased.

That the subscription of the name of said decedent, at the end of the instrument now shown to me, and offered for probate as the last will and testament of the said Ella C.Livermore deceased, and bearing date the 12th day of October in the year one thousand nine hundred and twenty nine was made by the said decedent at the town of New Haven in the presence of myself and the other subscribing witnesses.

Thatat the time of making such subscription the said decedent declared the said instrument so subscribed by her to be her last will and testament and I thereupon signed my name as a witness, at the end of said instrument, at the request of said decedent, and in her presence. I also saw said W.Martha Kraft and Avery Tompkins the other subscribing witnesses, sign their names as witnesses at the end of said will, and know that they did so at the request and in the presence of said decedent.

That the said decedent, at the time of executing the said instrument, was over the age of eighteen years, and to the best of my knowledge and belief of sound mind and memory, and not under any restraint, and

competent in every respect to make a Will.

Curtis K.Thompson

Subscribed and sworn to this 13th day of March 1931, before me,

Clifford B.Sturges Asst. Clerk of the

Probate Court for the District of New Haven

District of New Haven ss. Probate Court, May 1st, 1931

The within and foregoing instrument purporting to be the last will and testament of Ella C.Livermore late of New Haven in said District, deceased, having been presented for probate and all parties interested, in the probate thereof,- having had notice of the hearing thereon,- said instrument is proved, approved and allowed as the last will and testament of said deceased, and ordered to be recorded.

## Donald G. Piper and Hazel B. Piper Memorial

I, **HAZEL B. PIPER**, presently of the Town of Manchester, County of Hartford and State of Connecticut, make this Will, hereby revoking all Wills and Codicils heretofore made by me.

**FIRST:** I direct that my Executor hereinafter named, shall pay all of my just debts, expenses of last illness and funeral expenses as soon after my death as possible, with the exception that any debt owed by me which is secured by mortgage or by any other lien on my real or personal property may be continued for an indefinite period in the discretion of my Executor. I hereby direct that all legacy, succession, inheritance, transfer and estate taxes, levied or assessed upon or with respect to any property which is included as part of my gross estate for the purpose of any such tax, shall be paid by my Executor out of the residue of my estate as an expense of administration and shall not be prorated or apportioned among or charged against the respective devisees, legatees, beneficiaries, transferees or other recipients, nor charged against any property passing or which may have passed to any of them and that my Executor shall not be entitled to reimbursement for any portion of any such tax from any such person.

**SECOND:** I give and bequeath the sum of **ONE THOUSAND AND 00/100 ($1,000.00) DOLLARS** unto **ALICE FERRY**, presently of 237 Pine Lake Drive, Coventry, Connecticut, if she survives me.

**THIRD:** I give and bequeath unto **GERALDINE D. CLAXON**, presently of 1000 Burlington Avenue North, Apartment 310, St. Petersburg, Florida 33705, if she survives me, the sum of **SIX THOUSAND AND 00/100 ($6,000.00) DOLLARS** together with the following described rings of mine:

(1) Yellow gold ring with opal and diamonds;

(2) White gold ring with seven (7) diamonds and two (2) emeralds;

(3) White gold wedding band with diamonds (with extension); and

(4) White gold larger diamond ring with cluster around it (with extension).

**FOURTH:** All the rest, residue and remainder of my property, both real and personal, and of whatsoever nature, wherever the same may be located or found, which I may own or have the right to dispose of at my death (intending hereby to exercise any power of disposition or appointment that I may

have at my death), I give, devise and bequeath unto MANCHESTER MEMORIAL HOSPITAL, of Manchester, Connecticut, in memory of DONALD G. PIPER and HAZEL B. PIPER, to be held in the Consolidated Investment Fund, the income only from which is to be used at the discretion of the Board of Trustees of the hospital for its general uses and purposes.

FIFTH: For purposes of this Will, a person shall not be considered to survive another if he shall die within thirty (30) days of the death of such other.

SIXTH: I may desire to dispose of certain articles of personal property to other persons in which event I shall leave a memorandum or memoranda with this, my last Will and Testament. Such memoranda are not intended to change the nature of any gift or bequest herein which is absolute.

SEVENTH: I nominate and appoint PAUL R. MARTE, presently of Manchester, Connecticut, to be the Executor of this, my last Will and Testament. In the event he is unable or unwilling to accept such appointment, then I nominate and appoint THE CONNECTICUT BANK AND TRUST COMPANY, presently of Hartford, Connecticut to act as Executor. I further direct that no bond be required of any of them in such capacity or in connection with the sale of any real estate in my estate by any court or judge.

EIGHTH: In addition to the usual powers, I give my Executor full discretionary power and authority with respect to the property of the estate as follows:

To sell or resell the whole or any part of the property, real or personal, for cash or upon such terms as to payment as may be deemed advisable, and to execute and deliver any deed, bill of sale, conditional bill of sale, or other document necessary or convenient to effect a sale;

To borrow funds for any purpose which may be deemed proper, and to pledge the whole or any part of the property to secure the payment of such loan;

To compromise claims by or against the estate;

To make in cash, or in property at such value as shall be fixed, any distribution required, and to determine the distributees upon such evidence as shall be deemed proper;

The enumeration of the foregoing specific powers shall not be construed as a limitation of general powers.

IN WITNESS WHEREOF, I, the said HAZEL B. PIPER, herewith set my hand and seal to this, my last Will and Testament, typewritten on three (3) sheets of paper (including the attestation clause, signatures of witnesses and self-proving

affidavit) upon the margin of each one of which I have also written my name, this 30th day of November, nineteen hundred and ninety.

(1) To Elizabeth Connell, the sum of One Thousand (1000) Dollars.

(2) To Elizabeth Jones, the sum of One Thousand (1000) Dollars.

(3) To Estelle Moore, the sum of One Thousand (1000) Dollars.

(4) To Alice Fones, the sum of One Thousand (1000) Dollars.

(5) To Christine Morris, the sum of One Thousand (1000) Dollars.

If any of the above mentioned legatees shall not be living,

-9-

them I direct that such legacy shall be paid to the United Thank Offering of the Woman's Auxiliary of the Protestant Episcopal Church in memory of such legatee.

(6) To the Rector, Wardens and Vestry of the Parish of Trinity Church, Hartford, Connecticut, the sum of Two Thousand (2000) Dollars to become a part of its Endowment Fund.

(c) The balance of the funds after the payment of the aforementioned legacies, the Trustees shall divide into ten (10) equal parts and I give, devise and bequeath said parts as follows:

(1) Two (2) of said parts to the General Theological Seminary, in the City and State of New York in memory of my beloved husband, Henry Quimby, an alumnus of said institution. Said fund shall be known as "The Quimby Scholarship" and the income therefrom shall be used for scholarship purposes.

(2) Two (2) of said parts to the Manchester Public Hospital, of Manchester, Connecticut, in memory of my father and mother, Levi Drake and Julia Pease Drake, the income therefrom to be used to support a bed in said hospital. It is my wish that said fund shall be known as the "Drake Bed Fund" and I request that the nomination to this bed be vested in the governing body of the Congregational Church in North Manchester, Connecticut, of which my parents were members for many years.

(3) One (1) of said parts to The Newington Home for Crippled Children, a corporation organized under the laws of the State of Connecticut and located at Newington, Connecticut, in memory of my daughter, Edith Salisbury Quimby, for the general purposes of the corporation.

(4) Two (2) parts to the National Council of the Protestant Episcopal Church in memory of my sisters-in-law, Olive Ethel Quimby, Estelle Eunice Quimby and Emma Maud Purvis, for missionary work of the Church.

(5) One (1) part to the Church Pension Fund of the Protestant Episcopal Church in memory of my father-in-law and mother-in-law, Thomas Willis Quimby and Emma Jane Quimby, and my brother-in-law, the Reverend David Thomas Quimby.

-3-

(6) One (1) part to the Trustees of Donations of the Protestant Episcopal Church in the Diocese of Massachusetts, to be held for the benefit of the needy and sick of St. John's Church, Lowell, Massachusetts. This bequest is given in memory of my husband, Henry Quimby, former Rector of said Parish. Should St. John's Church cease to function as a separate parish, then this fund, or so much thereof as remains, I give, devise and bequeath to the Rector, Wardens and Vestry of the Parish of Trinity Church, Hartford, Connecticut, to become a part of its Endowment Fund.

(7) One (1) part to the Trustees of Donations of the Protestant Episcopal Church in the Diocese of Massachusetts to be used for the benefit of St. John's Church, Lowell, Massachusetts. This bequest is given in memory of my husband, Henry Quimby, former Rector of said Parish. Should St. John's Church cease to function as a separate parish, then I give, devise and bequeath so much as remains to the National Council of the Protestant Episcopal Church for the missionary work of the Church.

(d) The Trustees shall have the power to sell, convey, mortgage and lease any property in said trust upon such terms as they may deem advisable; to retain in trust any and all securities which shall come to them as a part of my estate; to invest and reinvest any of the funds of the trust in such securities as the Trustees may deem advisable, without being limited to investments prescribed or authorized by the laws of the State of Connecticut or any other jurisdiction; to exercise any right or option by subscription or otherwise which may attach to or arise from any property held in trust; to join in any plan involving the merger, reorganization or structural change of any corporation, including the right to deposit the securities of such corporation on such terms as they may approve and the right to receive any securities, cash or property in exchange for the securities of such corporation when the Trustees hold the stocks, bonds or other

-4-

securities or interest in the corporation involved; to vote any corporate stock belonging to the trust estate through the individual trustee or the officers of the corporate trustee or by proxy, with or without power of substitution, and to execute proxies to one or more nominees; to determine what funds shall constitute income and what funds shall constitute principal, but in making such determination the Trustees are to observe the following rules:

1. Stock dividends are to be considered as principal and not income.

2. Liquidation dividends are to be considered as principal and not income.

3. Extra cash dividends and money received from the sale of rights to subscribe to stock are to be considered as income, but whether or not such rights shall be sold or taken up shall be left to the sole discretion of the Trustees.

In addition to the foregoing, but nonise in limitation thereof, the Trustees shall have the power in relation to any securities or property held in trust which any individual would have when holding the same in an individual capacity.

NINTH: If Susan Kellam and my sisters-in-law, Estelle Monica Quimby and Emma Maud Purvis, should all predecease me, then I direct my Executors to distribute the rest, residue and remainder of my estate in the same manner as set forth in Article Eighth, subsections (b) and (c), free of the trust created under Article Eighth.

TENTH: I direct that all inheritance, succession, collateral, transfer and estate taxes, levied or assessed upon or with respect to any property which is included as a part of my gross estate for the purpose of any such tax, shall be paid by my Executors out of my estate in the same manner as an expense of administration and shall not be prorated or apportioned among or charged against the respective devisees, legatees, beneficiaries, transferees or other recipients, nor charged against any property passing or which may have passed to

any of them, and that my Executors shall not be entitled to reimbursement for any portion of any such tax from any person. 564

ELEVENTH: I appoint Carlos S. Holcomb, of New Hartford, Connecticut, and Hartford National Bank and Trust Company, of Hartford, Connecticut, as Executors of this will. I authorize and empower my Executors to sell, convey, mortgage and lease, without order of the Probate Court, any real or personal property or interest therein of which I may die possessed. I direct that my Executors and my Trustees shall make any distribution, which may be necessary under the terms of this will, in money or in kind, or partly in money and partly in kind, including securities, real property or undivided interests in real or personal property, making the necessary equalization in cash, at values to be determined by my Executors or Trustees.

IN WITNESS WHEREOF I have hereunto set my hand and seal at Hartford, Connecticut, this 7th day of September, A. D. 1949.

I, EDITH DRAKE QUIMBY, of West Hartford, Connecticut, make this Codicil to my last will and testament dated September 7, 1949.

FIRST: I hereby revoke sub-section (a) of Article Eighth of said will and in lieu thereof I insert the following paragraph:

(a) The Trustees shall pay over from the net income the sum of Fifty (50) Dollars a month to Susan Kellam during her life and shall pay the sum of Two Hundred (200) Dollars a month in equal shares to Estelle Eunice Quimby and Emma Maud Purvis, or the survivor of them, during their respective lives. The Trustees may hold, accumulate or add to the principal the balance of said net income after said payments. The Trustees may expend such portion of the principal as may be necessary in their discretion for the proper care and maintenance of Estelle Eunice Quimby, Emma Maud Purvis and Susan Kellam.

SECOND: I hereby republish and confirm my said will in all respects except as altered by this Codicil.

Recorded Vol. 65, Page 337,

Clerk

The Hartford-Connecticut Trust Company

HARTFORD, - CONN.

I, James M. Preston , of the Town of Manchester, Connecticut, do make, publish and declare this instrument as and for my last Will and Testament hereby revoking all wills by me at any time heretofore made.

FIRST: I direct the payment of all my just debts and funeral expenses by my executor hereinafter named.

SECOND: I give and bequeath to my wife, Mattie Hills Preston, if she survives me, all of my household furniture, wearing apparel and other personal articles and personal effects of all kinds, to be hers absolutely.

THIRD: Except as above specified, I give, devise and bequeath all of my property, both real and personal, to The Hartford-Connecticut Trust Company of Hartford, Connecticut, in trust, however, for the following purposes: to wit, To hold, manage and invest said property within the limits of the law pertaining to trust estates and pay over the income thereof and so much of the principal as necessity may require, to my wife, Mattie Hills Preston, so long as she shall live and remain unmarried.

FOURTH: In the event of the remarriage of my said wife the trust hereinbefore created shall terminate and the trustee shall set off to my said wife one-third (1/3) of the trust fund to be her absolute property.

FIFTH: Upon the death of my said wife the trust shall terminate and upon its termination, whether because of her death or remarriage, the trust fund, except for the portion to be set out to her as above specified in case of her remarriage, shall be disposed of as follows:-

(a) There shall be paid therefrom to the Manchester Memorial Hospital of Manchester, Connecticut, the sum of Eight Thousand ($8,000) Dollars, the same to be held by said Hospital in trust and the income thereof applied for the maintenance of a free bed, such endowment to be known as "The Mattie Hills Preston Free Bed Endowment."

(b) Out of funds remaining after the foregoing payment, there shall be paid so far as the amount of the trust fund may permit, to the Second Congregational Church of South Windsor, Connecticut, the sum of Five Thousand ($5,000) Dollars, the same to be held by said Church in trust and

the income thereof to be applied to any legitimate work of the Church, the fund to be called "The Frances Skinner Preston Fund."

(c) Out of funds remaining after the foregoing payments, there shall be paid, as far as the amount of the trust may permit, to the Salvation Army, Incorporated, South Manchester, Connecticut, Corps, the sum of Five Thousand ($5,000) Dollars, the same to be held by it in trust and the income thereof applied to any legitimate work of the said South Manchester Corps.

(d) Out of funds remaining after the foregoing payments, there shall be paid to the Connecticut Childrens Aid Society the sum of Five Thousand ($5,000) Dollars, the same to be held by it in trust and the income thereof applied to any legitimate work of the Society.

(e) Out of funds remaining after the foregoing payments, there shall be paid to the Manchester Memorial Hospital aforesaid, a second bequest of the sum of Eight Thousand ($8,000) Dollars, the same to be held by it in trust and the income thereof applied for the maintenance of a free bed, said endowment to be known as "The Janes Preston Free Bed Endowment." If, owing to the small amount which may perhaps be available to apply on this bequest, said Manchester Memorial Hospital is unwilling to accept the same for the purposes indicated, this payment shall become inoperative and such money or other property as would have been available therefor shall be disposed of in accordance with the provision of sub-dividion (f) of this Clause of my will.

(f) After all of the above payments to be made at the termination of the trust have been fully provided for (except as the payment described in sub-division (e) may prove impracticable, or any other payment may fail to be accepted by the beneficiary) all the remaining property of the trust, if any, not used in connection with said payments, shall be paid over to the Missionary Society of Connecticut, a corporation of that State located in Hartford, to be used as its proper officers may deem appropriate.

SIXTH: I nominate and appoint The Hartford-Connecticut Trust Company aforesaid to be executor of this my will and trustee of the trust

fund hereinbefore established and I give to my said executor and trustee full power and authority in either capacity to sell and convey any real estate which may form a portion of my estate or of said trust fund provided, however, that if this power of sale is to be exercised during the lifetime of my said wife (she being still unmarried) this power shall be exercised only with her written consent to be evidenced by her joining in such deed or deeds of conveyance as may be made by my said executor or trustee.

IN WITNESS WHEREOF I have subscribed and do publish and declare this instrument as and for my last Will and Testament, in presence of the witnesses attesting the same at my request this 3rd day of April 1924.

James M. Preston (L.S.)

Subscribed, sealed, published and declared by the said testator, James M. Preston, as and for his last Will and Testament, in our presence, who, at his request, in his presence and in the presence of each other, have hereunto subscribed our names as witnesses this 3rd day of April 1924.

MANCHESTER MEMORIAL HOSPITAL

F.O. Boynton

I give and bequeath to the Manchester Memorial Hospital of Manchester, Connecticut, . . . all the rest, residue and remainder of my estate, to be held as a separate and permanent fund and the income thereof to be used for the general purposes of the hospital with special reference to the furnishing of hospital facilities to persons then not able to pay for the service so rendered. Report to Finance Committee, undated.

Drake Fund

Two (2) of said parts to the Manchester Public Hospital of Manchester, Connecticut, in memory of my father and mother, Levi Drake and Julia Pease Drake, the income therefrom to be used to support a bed in said hospital. It is my wish that said fund shall be known as the "Drake Fund" and I request that the nomination to this bed be vested in the governing body of the Congregational Church in North Manchester, Connecticut, of which my parents were members for many years. Will of Edith Drake Quimby of West Hartford, CT.

LOOMIS, ERNA W.

WILL

OF

ERNA W. LOOMIS

I, ERNA W. LOOMIS, also known as ERNA WESTHAVER LOOMIS , of Manchester, Connecticut, declare this my Will, and I revoke any prior will or codicil.

ARTICLE I

My beloved spouse, ROBERT GEORGE LOOMIS, has predeceased me and I leave no issue. My beloved cousins are: MARION E. LANGILLE who is married to JOHN H. LANGILLE, both of Halifax, Nova Scotia, Canada; LOGAN GRADY who is married to EDRIS GRADY, both of Boutillier's Point, Halifax, Nova Scotia; and MILDRED LANGILLE of Fauxburg, Nova Scotia, Canada, wife of my late cousin WALTER LANGILLE.

My beloved friends are PHILIP C. FROH and MARCIA FROH of Manchester, Connecticut, and JAMES E. DOUGAN and THERESA H. DOUGAN of Manchester, Connecticut.

ARTICLE II

I direct that all my enforceable debts (other than claims of any mortgagee) be paid as soon as practicable after my death. My estate shall be primarily liable for my funeral, medical and estate administration expenses.

ARTICLE III

I direct that all estate, inheritance, transfer, succession, legacy and other similar taxes, including any interest and penalties thereon, which shall become payable upon or with respect to any and all property required to be included in my taxable estate under the provisions of any tax law, whether or not passing under this will or any codicil hereto, shall be paid out of my residuary estate as an administration expense, without proration or apportionment against any legatee devisee, beneficiary, transferee, or other recipient of such property.

ARTICLE IV

I give all my tangible personal property, and fire, theft or other insurance policies covering such property to those INDIVIDUALS who survive me and who are named herein in Article V of this Will. My executors shall divide such property among them in equal shares as far as practicable. All storage or delivery costs shall be paid by my estate.

## SIXTH

I give, devise and bequeath Four Million ($4,000,000.00) Dollars, IN TRUST, to **BARRY W. BOTTICELLO**, as Trustee, who shall establish and administer separate trusts for each of the beneficiaries named hereinbelow, in accordance with the respective percentages, set forth below, of the assets which are subject to this Article Sixth. Each trust shall be subject to and governed by the terms and provisions set forth more particularly below:

A. Twenty (20%) percent thereof IN TRUST for the benefit of **NANCY L. SCOTT**, presently of Manchester, Connecticut;

B. Fifteen (15%) percent thereof IN TRUST for the benefit of **JANICE DABATE**, presently of Manchester Connecticut;

C. Five (5%) percent thereof IN TRUST for the benefit of **LAURIE GARDNER**, presently of Manchester, Connecticut;

D. Eight and one-third (8 1/3%) percent thereof IN TRUST for the benefit of **RICHARD DABATE**, presently of Manchester, Connecticut;

E. Two and one-half (2 1/2%) percent thereof IN TRUST for the benefit of **DAVID J. ROSSETTO**, presently of Mystic, Connecticut;

J. Eight and one-third (8 1/3%) percent thereof IN TRUST for the benefit of **SANDRA BIDWELL**, presently of Manchester, Connecticut;

K. Ten (10%) percent of thereof IN TRUST for the benefit of **JUDY ANDERSON**, presently of Manchester, Connecticut.

(i) I direct my Trustee, hereinabove named, to establish and administer separate trusts for each of the above-named individuals. During the lifetime of each beneficiary, my Trustee shall hold, manage, invest and reinvest the Trust property and pay to such beneficiaries, or expend on his or her behalf, so much of the net income thereof as the Trustee in the Trustee's sole discretion deems advisable for his or her support, maintenance, education and/or needs in connection with any physical or mental disability. Said distributions shall be made not less

frequently than quarterly. Any of that income not so paid or applied shall from time to time be added to principal.

(ii) Upon the death of any above-named beneficiary the Trustee shall distribute the then remaining Trust of said deceased beneficiary, as it shall then be constituted, absolutely and free of trust, to those beneficiaries and in the respective percentages set forth in Article Seventh of this my Last Will and Testament.

(iii) Said Trustee may employ counsel or other agents in the discharge of the Trustee' duties and determine and pay to them and himself reasonable compensation.

(iv) I hereby incorporate by reference the powers listed in Section 45a-234 and Sections (1), (2), (3), (5), (7), (9), (10), (11), (12), (14), (15), (16), (17), (18), (19), (20), (21), (22), (23), (24), (25), (26) and (27) of Section 45a-235 of the Connecticut General Statutes, as the same may be amended from time to time, and I direct that the Trustee is authorized to exercise all powers and rights listed therein.

(v) The Trustee shall hold and manage the property as separate Trust Funds, invest and re-invest the same in such loans, stocks, bonds,

securities and real estate as the Trustee deems proper and suitable for the investment of Trust Funds, being restricted only to those investments that a reasonably prudent Trustee would make. The Trustee shall have the continuing, absolute, discretionary power to deal with any property, real or personal, held in Trust, as freely as I might in the handling of my own affairs. Such power may be exercised without prior or subsequent approval of any court or judicial authority, and no person dealing with the Trustee shall be required to inquire into the Trustee's power to act.

(vi) The Trustee shall have the power to accumulate or withhold the income. The income is expressly given for the support of the beneficiaries or his or her family. The Trustee shall have full, exclusive and sole discretion as to the manner in which the provisions and terms of said Trust shall be carried out, and the Trustee's discretion in all matters pertaining thereto, or to any interpretations of matters or questions arising out of said Trust, shall be final and conclusive. I direct that the said **BARRY W. BOTTICELLO**, be not required to furnish bond in the capacity of Trustee under this article. In the event

F. 5% to **EAST CATHOLIC HIGH SCHOOL**, of Manchester, Connecticut.

G. 5% to the **AMERICAN HEART ASSOCIATION**, of Wallingford, Connecticut.

H. 5% to the **AMERICAN CANCER SOCIETY**, of Wallingford, Connecticut.

I. 5% to the **MANCHESTER AREA CONFERENCE OF CHURCHES**, Manchester, Connecticut.

Except as set forth in the individual bequests above, the bequests subject to this Paragraph shall be unrestricted in purpose and left to the discretion of the governing board of each of the respective charitable organizations.

## EIGHTH

I appoint **BARRY W. BOTTICELLO**, of Manchester, Connecticut, to be the Executor of this, my Last Will and Testament, and I direct that he be not required to furnish bond in such capacity. In the event that **BARRY W. BOTTICELLO** predeceases me or is unable or

# DISTRICT OF ELLINGTON

APPLICATION FOR WAIVER OF 5-DAY LAW & BLOOD TEST
To the Probate Court for the District of Ellington:

MATTER OF MARRIAGE OF MARGUERITE EDWARDS of Vernon, Conn. and THOMAS V. EDWARDS of Vernon, Conn.

We, Marguerite Edwards and Thomas V. Edwards, hereby make application to said Court of Probate for a decision in writing that our marriage should be celebrated without delay and that such decision is in accordance with public policy and the provisions of Chapter 147 of the Public Acts of 1929, and for the following reason, to wit: that the five day requirement and a delay in the celebration of our marriage would be a source of great embarrassment.

Dated at Rockville, this 16th day of February, 1942.

PROBATE COURT.

Present, Hon. Francis T. O'Loughlin, Judge.

Pursuant to the provisions of Section 1595c of the cumulative supplement of the General Statutes, January Sessions 1931, 1933, 1935, State of Connecticut, Marguerite Edwards of Vernon, Connecticut and Thomas V. Edwards of Vernon, Connecticut persons intending to intermarry, appeared before me in said Court in Rockville, this 16th day of February, A.D. 1942, and after hearing evidence by them presented, I am of the opinion that public policy requires that the intended marriage between said parties should be performed forthwith and that the blood test of persons intending to intermarry in said State of Connecticut as provided in subsection B of said section should be dispensed with and the same is hereby dispensed with; and that the five-days statutory notice required under subsection c of said section should be dispensed with and the same is hereby dispensed with.

WILL

I, ARTHUR T. [redacted] of the City of Rockville in the Town of Vernon and State of Connecticut, do make, publish and declare this instrument as and for my last will and testament hereby revoking all wills and codicils by me at any time heretofore made.

First: I direct that all my just debts and funeral expenses be fully paid as soon as may be after my death.

Second: If my daughter, Emily [redacted] Swindells, is living at the time of my death, I give, devise and bequeath to my said daughter, to her, her heirs and assigns forever absolutely, my home No. 74 Prospect Street in Rockville, including the grounds, residence and other buildings, together with the contents thereof, including my automobiles and personal effects; and my one-half interest in the summer cottage on Shore Avenue, Eastern Point, Groton, Connecticut, including the contents thereof, together with the land and its appurtenances, my said daughter owning the other half interest in said summer cottage.

In the event that my said daughter is not living at my death then I give, devise and bequeath the property disposed of by this Article of my will to my son, Lebbeus F. [redacted] to him, his heirs and assigns forever, if he is living at the time of my death.

Third: I give and bequeath to the Union Congregational Church of Christ, Rockville, Connecticut, the sum of Five Thousand Dollars ($5,000) to be kept as a separate and permanent fund in memory of my wife, Alice Farmer Bissell, and to be known as the Alice Farmer Bissell Fund, the net income thereof to be used for the general expenses of said Church.

Fourth: I give and bequeath to the Rockville City Hospital the sum of Twenty-five Thousand Dollars ($25,000) to be kept as a permanent fund in memory of my wife, Alice Farmer Bissell, and to be known as the Alice Farmer Bissell Fund. The net income from said fund shall be used and applied for the general purposes of said Hospital.

Fifth: All the rest, residue and remainder of my estate, real and personal, whatsoever and wheresoever situated, I give, devise and bequeath, in equal shares, to my son, Lebbeus F. Bissell, and my daughter, Emily Bissell Swindells, the issue, if any, of either of my said children who dies before me to receive the share to which my such deceased child would have been entitled if living, and if there are no such issue who survive me, such share to be added to the other shares, provided however that if both my son and daughter are deceased at my death leaving no issue of either then surviving, that then and in that event I dispose of said rest, residue and remainder as follows, that is to say:

I give and bequeath to Leslie Boyd Farmer of Washington, D.C., the sum of Ten Thousand Dollars ($10,000) or if he be not then living, to his children equally, and the sum of Ten Thousand Dollars ($10,000) To Alice Farmer Vernlund, of Sunset Farm, West Hartford, Connecticut, or if she be not living at my death, to her children equally; and all the balance of said rest, residue and remainder to said Rockville City Hospital to be added to the fund provided in the Fourth Article of this will, and expended as therein provided.

Sixth: I nominate and appoint my said son, Lebbeus F. Bissell, and my said daughter, Emily Bissell Swindells, to be Executors of this my will and I hereby excuse my said Executors, in so far as I am able, from giving any bonds in that capacity. If either of my said Executors should die before me, or for any other reason fail to qualify in that capacity, I nominate and appoint The Hartford-Connecticut Trust Company of Hartford, Connecticut, to be Co-Executor instead, and if both the Executors originally named should fail to qualify, I nominate and appoint said The Hartford-Connecticut Trust Company to be sole executor. I give to my said Executors, including the substituted Executor named in case it is acting, full power and authority, according to their discretion, to sell and convey any real estate which may form a portion of my estate.

IN WITNESS WHEREOF I have hereunto set my hand and seal at Hartford, Connecticut, this 1st day of September, A.D. 1932.

DECREE ADMITTING WILL & ORDERS

At a Court of Probate holden at Vernon, in and for the District of Ellington, in the County of Tolland, State of Connecticut, on the 11th day of February A.D. 1942

Present, Hon. Francis T. O'Loughlin, Judge.

ESTATE OF ARTHUR T. BISSELL late of Vernon in said District, deceased.

Upon the application of Emily Bissell Swindells of Rockville praying that an instrument in writing purporting to be the last will and testament of said deceased be admitted to probate and that letters testomentary on said estate be granted as per application on file more fully appears;

This Court for cause shown, viz: that all parties known to be interested in said estate, other than the petitioner, and legally capable of acting, have signed and filed in Court a written waiver of notice, dispenses with notice of the pendency of said application, and of a hearing thereon.

After due hearing had, this Court finds that said deceased last dwelt and was domiciled in the town of Vernon in said District, and died testate on the 5th day of February A.D. 1942; that the instrument referred to in said application was duly executed by the testator as and for his last will and testament and that he was at the time of executing the same of lawful age and of sound mind and memory. It is therefore considered by this Court that said will is duly proved and the same is proved and approved. Whereupon letters testamentary on said estate are granted to Emily Bissell Swindells and Lebbeus F. Bissell who on the 11th day of February, 1942 appeared in Court, accepted said trust, and gave bond jointly with Aetna Casualty and Surety Company as surety in the penal sum of One Thousand (1,000) Dollars, which is accepted and approved by this Court and ordered to be recorded and kept on file. (Recorded in Vol. 7 of Bonds, page 273.)

ORDERED, That twelve months from the 11th day of February, 1942 be and the same are allowed the Executors within which to settle said estate.

ORDERED, That six months from the 11th day of February, 1942 be and the same are limited and allowed for the creditors to bring in their claims against said estate, and

KNOW ALL MEN BY THESE PRESENTS:

THAT I, FLORENCE PARSONS MAXWELL, of the Town of Hartford, County of Hartford and State of Connecticut, do hereby make, publish and declare this to be as and for my last will and testament, hereby revoking all former wills, testaments and codicils heretofore by me made.

FIRST: I direct my executors hereinafter named to pay all my just debts and funeral expenses and all the expenses of settlement of my estate; and to pay as an administration expense all inheritance, succession, transfer and death taxes imposed by this or any other state, or by the United States, or by any foreign country, upon or with respect to any property required to be included in my gross estate for the purpose of computation of any such tax, without recovery or reimbursement either from the holders of any such property or from any legatee or devisee under this will.

SECOND: I give and bequeath to my daughters, PRISCILLA MAXWELL ENDICOTT of New York City, and HARRIET MAXWELL VEIASI of Hartford, Connecticut, all of my household furniture and furnishings, articles of personal and household use and adornment and all other tangible personal property that I may own at my decease, absolutely, to be delivered to them against their joint receipt.

THIRD: I give and bequeath to my grandson, MAXWELL HELDING of West Hartford, Connecticut the sum of Ten Thousand Dollars ($10,000.), absolutely. I request that he distribute or expend the same in accordance with a memorandum that I will leave with this my will, but I impose no duty upon him, legal or equitable, so to do.

FOURTH: I give and bequeath to my nephew, HERMAN PARSONS SMITH of Pascoedale, Rhode Island, the sum of Thirty Thousand Dollars ($30,000.), absolutely and in fee simple, but in trust, nevertheless, for the following uses and purposes, to wit:

To divide the same into two (2) equal shares, and

(a) To hold, manage and control one of said shares and after the payment of all necessary expenses, to apply so much of the income and/or principal of said shares for the support, education, maintenance and benefit of his son, STEWART SMITH, during the term of his natural life, as he in his sole discretion may deem proper, with power to add to the principal any income therefrom unexpended in any year or to hold the same as income for future expenditure. It is my wish that the beneficiary of this share be given the very best of care during his lifetime. Upon the death of said STEWART SMITH, I direct that whatever may remain of the principal of said share together with any accumulations thereon shall be added to the remaining share if his father be then living, or, if his father be not then living, paid over to his brother, ERIC COATES SMITH, free and clear of any and all trusts.

(b) To hold, manage and control the remaining share and after the payment of all necessary expenses, to pay over the net income thereof to himself during the term of his natural life. Upon the decease of my said nephew, I direct that this share with any additions thereto by reason of the provisions of this will and any accumulations thereon shall be paid over to his son, ERIC COATES SMITH, free and clear of any and all trusts.

I direct that said EMERSON PARSONS SMITH be excused from giving bonds as trustee of this trust and, in the event of his death, resignation or disability or that he should for any reason fail to qualify and act as trustee, that HARTFORD NATIONAL BANK AND TRUST COMPANY, a corporation under the National Bank Act located in the Town and County of Hartford and State of Connecticut, be appointed trustee in his place and stead with all the powers and discretion herein given to him.

FIFTH: I give and bequeath to my niece, MARY GRIST PARSONS of Jamestown, Rhode Island, the sum of One Thousand Dollars

($1,000.), absolutely.

SIXTH: I give and bequeath to my niece, ANN COULTER PARSONS of East Greenwich, Rhode Island, the sum of One Thousand Dollars ($1,000.), absolutely.

SEVENTH: I give and bequeath to my niece, MARGARET GRANT SMITH of Pawtucket, Rhode Island, the sum of One Thousand Dollars ($1,000.), absolutely.

EIGHTH: I give and bequeath to my niece, GERTRUDE SMITH PARSONS of Quincy, Massachusetts, the sum of One Thousand Dollars ($1,000.), absolutely.

NINTH: I give and bequeath to LLOYD S. HAYDEN of New Britain, Connecticut, the sum of One Thousand Dollars ($1,000.), absolutely.

TENTH: I give and bequeath to said HARTFORD NATIONAL BANK AND TRUST COMPANY the sum of Thirty-five Thousand Dollars ($35,000.), absolutely, but in trust, nevertheless, to hold, manage and control the same and after the payment of all necessary expenses including reasonable compensation to my said trustee to pay over the net income thereof not less often than quarterly to MARGARET SHINE, who has been in my employ for many years, during the term of her natural life, with power whenever in the sole judgment of my said trustee it may be necessary or desirable to use principal for her comfortable maintenance and support, to pay over, apply or expend so much of the principal as my said trustee in its sole discretion may deem proper for such purposes. After the death of said MARGARET SHINE said principal sum shall be paid over to the trustee of, and added to, the trust created by paragraph FOURTEENTH of my will of the residue of my estate.

ELEVENTH: I give and bequeath to my grandson, BRADFORD MAXWELL ENDICOTT of Dedham, Massachusetts, if living at the time of my death, the sum of Twenty Thousand Dollars ($20,000.), absolutely. In the event of his death prior to my own, I direct that said sum shall be paid over to his issue per stirpes; and if

he leave no such issue then surviving to his wife, BIRDIT CARSTENSEN MEDICOTT, absolutely.

TWELFTH: I give and bequeath to my granddaughter, PRISCILLA MEDICOTT MOULTON of Darien, Connecticut, if living at the time of my death, the sum of Twenty Thousand Dollars ($20,000.), absolutely. In the event of her death prior to my own, I direct that said sum shall be paid to her issue PER STIRPES; and if she leave no such issue then surviving to BRADFORD MAXWELL MEDICOTT, or, if he be not then living to his issue, absolutely.

THIRTEENTH: I give and bequeath to RUTH RUSSELL BELDING, wife of my grandson, MAXWELL BELDING of West Hartford, the sum of Five Thousand Dollars ($5,000.), absolutely.

FOURTEENTH: All the rest, residue and remainder of my estate of every name and nature, real and personal, including any lapsed or void legacies or devises and any property over which I may hold a power of appointment, I direct my executors hereinafter named to divide into six (6) equal shares:

(a) One (1) of said shares I give, devise and bequeath in equal portions to the children of my said grandson, MAXWELL BELDING, who shall be living at the time of my decease and to the issue of any child of his who shall then be deceased, the issue of any such deceased child to take the parent's share, absolutely; provided, however, that if any of said beneficiaries shall be under the age of twenty-one (21) years at my decease, then I direct that the portion of such beneficiary be retained by said HARTFORD NATIONAL BANK AND TRUST COMPANY, as trustee, and that the income and/or principal of such portion or so much thereof as my trustee shall determine be used in the discretion of my said trustee for the care, education, benefit and support of such beneficiary until such beneficiary shall attain the age of twenty-one (21) years, when all of such portion then in the

-4-

vol400 PAGE 352

hands of such trustee shall be paid over and delivered to him or to her.

(b) I give, devise and bequeath one (1) of said shares to said HARTFORD NATIONAL BANK AND TRUST COMPANY, absolutely and in fee simple, but in trust, nevertheless, to hold, manage and control the same and after the payment of all necessary expenses including reasonable compensation to my said trustee, to pay over, apply or expend for the benefit of my granddaughter, VIRGINIA BELDING, of the Town of Vernon, so much of the net income thereof as my said trustee shall in its sole discretion deem proper, with power whenever in the sole judgment of my said trustee it may be necessary or desirable to use the principal of said trust fund for the comfortable maintenance and support of my said granddaughter, to pay over, apply or expend so much of said principal as my said trustee in its sole discretion may deem proper for such purposes, and with power to add to the principal thereof any income therefrom unexpended in any year, or to retain the same as income for future expenditure. Upon the death of said VIRGINIA BELDING, I direct my said trustee to divide the principal of said trust fund into two equal portions. One (1) such portion shall be paid over to ROCKVILLE CITY HOSPITAL, an eleemosynary corporation of Connecticut located in Rockville, the principal to be kept safely invested and known as the FRANCIS TAYLOR HASWELL MEMORIAL FUND, and the net income only used for its general uses and purposes. The remaining portion shall be paid over to THE NEWINGTON HOME AND HOSPITAL FOR CRIPPLED CHILDREN, Newington, Connecticut, the principal to be kept safely invested and the net income only used for its general uses and purposes.

(c) I give, devise and bequeath two (2) of said shares to said HARTFORD NATIONAL BANK AND TRUST COMPANY, absolutely and in fee simple, but in trust, nevertheless, to hold, manage and control the same and after the payment of all necessary

expenses including reasonable compensation to my said trustee, to pay over the net income thereof not less often than quarterly to my said daughter, PRISCILLA MAXWELL MEDICOTT, during the term of her natural life, with power whenever in the sole judgment of my said trustee it may be necessary or desirable to use the principal of said trust fund for the comfortable maintenance and support of my said daughter, to pay over, apply or expend so much of said principal as my said trustee in its sole discretion may deem proper for such purposes; and after her decease to distribute the same amongst one or more members of a class consisting of her lawful issue, in such proportions, with such limitations, and subject to such trusts and conditions as my said daughter may direct and appoint by any last will and testament duly executed by her. Said appointment shall not be deemed ineffectual because said last will and testament may make no specific reference to the power granted hereunder, or because said last will and testament may have been executed prior to the date hereof. In default of such appointment, such shares shall be divided among and paid over to the lawful issue of my said daughter equally, per stirpes and not per capita; and if there be no lawful issue of my said daughter then surviving, such shares shall be transferred and paid over to my issue then surviving equally, per stirpes; provided, however, that if any trust fund is then held under the provisions hereof for the benefit of any beneficiary to whom such distribution is to be made, the share to which such beneficiary would otherwise be entitled shall be added to such trust fund so held for such beneficiary as aforesaid, the fund so added to follow the disposition of the fund to which it is added in all respects, both as to income and as to principal.

(d) I give, devise and bequeath two (2) of said shares to said HARTFORD NATIONAL BANK AND TRUST COMPANY, absolutely and

in fee simple, but in trust, nevertheless, to hold, manage and control the same and after the payment of all necessary expenses including reasonable compensation to my said trustee, to pay over the net income thereof not less often than quarterly to my said daughter, HARRIET MAXWELL VEISSI, during the term of her natural life, with power whenever in the sole judgment of my said trustee it may be necessary or desirable to use the principal of said trust fund for the comfortable maintenance and support of my said daughter, to pay over, apply or expend so much of said principal as my said trustee in its sole discretion may deem proper for such purposes. Upon the death of said HARRIET MAXWELL VEISSI, I direct that the principal of said trust fund shall be paid over to such corporation or corporations organized under the laws of the State of Connecticut and operated exclusively for religious, charitable, scientific, literary or educational purposes, no part of the net earnings of which inures to the benefit of any private stockholder or individual and no substantial part of the activities of which is carrying on propaganda or otherwise attempting to influence legislation, as she may by will appoint; and in default of such appointment my trustee shall divide such principal into two (2) equal portions and pay over one (1) of said portions to HARTFORD HOSPITAL, an eleemosynary corporation of Connecticut, the principal to be kept safely invested and known as the FRANCIS TAYLOR MAXWELL MEMORIAL FUND and the net income only used for its general uses and purposes; and my said trustee shall continue to hold the remaining portion in trust for the public charitable uses and upon the terms and conditions contained and expressed in the resolution and declaration heretofore adopted by the Board of Directors of said Hartford National Bank and Trust Company, creating THE HARTFORD FOUNDATION FOR PUBLIC GIVING and all the provisions thereof are hereby incorporated herein.

FIFTEENTH: Where in this will it is provided that any trust estate be divided into separate shares or trusts to be administered for the benefit of two (2) or more beneficiaries the trustee may, nevertheless, for the purpose of management or investment, treat the entire estate, or some portions thereof, as a whole, with each beneficiary having an undivided interest therein; provided that where in such case distribution is required to be made to one beneficiary prior to the time distribution is made to another, the trustee may distribute to such beneficiary his or her proportionate part of said trust from any part of the entire trust estate, taking into consideration the value at that time of the trust property and any advancement or underpayment therefrom received by the beneficiary to whom distribution is thus made.

During the continuance of any trust herein created I authorize my said trustee to retain, sell, convey and transfer real and personal estate, and to invest and reinvest in any securities (including common stocks and any common trust fund held by my trustee) or property that such trustee in its or his or her discretion may deem proper, without regard to laws governing the investment of trust funds, and to determine and vary from time to time the proportion of the trusts to be invested in evidences of debt and the proportion thereof in equities or other property; to exercise any right or option of subscription or otherwise attached to or which at any time may belong or be given to the holders of any stocks, bonds, securities or other instruments in the nature thereof forming part of the trust estate; to give proxies to vote shares of stock in any corporation at any time held in said estate; to unite with other owners of property or securities similar to any which may be held at any time in the estate in carrying out any plan for the

consolidation, merger, dissolution, liquidation, foreclosure, lease or sale of the property of any corporation, company or association, the securities of which may form a portion of these trusts, or the incorporation, reincorporation or reorganization thereof, or the readjustment of the capital or financial structure thereof; to deposit any such securities in accordance with such plan; to pay any assessments, expenses and sums of money which it may deem expedient or which may be required with reference to any such plan; to register and hold securities or other property in the name of a nominee provided such nominee is the nominee of a corporate trustee hereunder or in the name of such corporate trustee as trustee, without further designation, or in the name of such corporate trustee individually, without any words indicating its fiduciary capacity, without liability other than for any loss which may result from such securities or other property being registered or held in such manner instead of in its name as trustee of these trusts; to execute leases on the whole or any portion of any property held in such trusts for such period of time as the trustee may deem for the best interests of said estate, even though the term of such lease may extend beyond the life of said trusts; to improve and develop any real estate at any time held in said trusts; to borrow money and to mortgage, pledge or hypothecate any real or personal property in any trust as security therefor; to abandon, adjust, arbitrate, compromise and otherwise deal with and settle claims in favor of or against the trust estate; to retain, without liability for loss or depreciation resulting from such retention, original property, real or personal, at any time received by it from my executors hereinafter named for such time as such trustee shall deem best, although such property may not be of the character prescribed by law, or by the terms of this instrument, for the investment of other trust funds, and although it represents a large percentage of the total property of this

estate; and if non-income producing property is retained, then upon the sale, exchange or other disposition of such property, to make a reasonable apportionment of the proceeds between income and principal so as to make up for the loss of income during the period of retention of the unproductive property; to set up such reserves for depreciation or other purposes as such trustee in its or his or her judgment may deem advisable for the protection of any trust (but the omission so to do shall not be evidence of neglect on the part of the trustee); to determine what receipts shall be deemed to be principal and what shall be income and what disbursements shall be charged to each and in what proportions; to make any divisions necessary or convenient hereunder and any valuations incidental thereto; and to apply income for the benefit of any beneficiary in lieu of paying the same over to him or to her. Whenever any portion of said estate is to be divided and paid over, such payments may be made in property or in cash or partly in each at the trustee's discretion. Each trustee may employ and compensate, out of the principal or income of the trust estate as it or my individual trustees shall deem proper, agents, brokers, attorneys and assistants deemed by it or my individual trustees to be necessary or proper for the administration of any trust. The trustee shall pay to the beneficiary entitled to the next successive estate dividends declared but not paid and interest or other income accrued but not received. If any beneficiary shall be under the age of twenty-one (21) years at the time when an outright distribution to such beneficiary is authorized and directed under the terms of this will, then I request, that the part of such beneficiary be retained by my trustee and that the income and/or principal of such part (or such portion thereof as my trustee shall determine) be used in the discretion of my said trustee for the care, education, benefit and support of such

beneficiary until such beneficiary attains the age of twenty-one (21) years when all of the part of such beneficiary then in the hands of such trustee shall be paid and delivered to such beneficiary.

SIXTEENTH: In the event that any devisee, legatee or beneficiary under this will shall disclaim in whole or in part any interest given to him by the terms hereof, then I direct that such interest or so much thereof as such devisee, legatee or beneficiary shall have disclaimed shall pass forthwith to those persons or institutions who would have been entitled to receive the same if the devisee, legatee or beneficiary filing such disclaimer had died on the date of such disclaimer.

SEVENTEENTH: I hereby constitute and appoint said HARTFORD NATIONAL BANK AND TRUST COMPANY, my said daughter, HARRIET MAXWELL VEISEI, and my said grandson, MAXWELL HERRING, to be executors of this my will, with power of sale of real and personal property and to borrow money and to mortgage, pledge or hypothecate any real or personal property in my estate as security therefor, and to abandon, adjust, arbitrate, compromise and otherwise deal with and settle claims in favor of or against the estate as they shall deem best. I authorize them to pay any pecuniary amounts hereunder in property or securities at their own valuations, or partly in property and partly in cash. I direct that so far as is legally possible my individual executors be excused from giving bonds in connection with the administration of my estate and I authorize them or either of them at any time and from time to time to empower said HARTFORD NATIONAL BANK AND TRUST COMPANY to act, sign and seal for them as such executors.

In the event of the death, resignation or disability of either or both of my individual executors, or that they or either of them should for any reason fail to qualify and act as

such executors, then I direct that the remaining executor or executors named herein act with all the powers and discretion hereinbefore given to all.

LAST WILL AND TESTAMENT

I, MAY RISLEY ADAMS of the Town of Vernon, County of Tolland and State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my last Will and Testament, hereby revoking all previous wills and codicils by me made.

FIRST: I direct that all my just debts and funeral expenses be paid and discharged by my Executor hereinafter named.

SECOND: I direct my Executor hereinafter named to cause the headstone, placed at my grave in the Stephen G. Risley lot in the Grove Hill Cemetery, in said Town of Vernon, to be suitable inscribed as follows: "May R. Adams", and to inscribe on the monument on the said Stephen G. Risley lot, the date of my death and my age. I further direct my said Executor to cause the words "Perpetual Care" to be suitable cut on the monument on said lot.

THIRD: I give and bequeath unto the TOWN OF VERNON the sum of One Thousand Dollars, IN TRUST, However, to hold and manage the same with full power of investment and reinvestment and to apply the net income thereof to the proper care and maintenance of the Stephen G. Risley lot in the grounds of said Cemetery, including the preservation and repair of the monument, grave markers and other structures thereon. Should the net income be more than sufficient for the purposes aforesaid, any excess may be used for the care and maintenance of the John Wrisley lot which is situated directly opposite the said Stephen G. Risley lot.

FOURTH: I give and bequeath unto MARION L. BUTLER of Rockville, Connecticut, the sum of Two Thousand Dollars; to be hers, absolutely.

FIFTH: I give and bequeath unto EMILY BISSELL SWINDELLS of said Rockville, the sum of Two Thousand Dollars; to be hers, absolutely.

SIXTH: I give and bequeath unto the UNION CONGREGATIONAL CHURCH of said Rockville, the sum of One Thousand Dollars, for the establishment of a fund to be known as the May R. and Frank M. Adams Fund, the income thereof to be used for the general uses and purposes of said Church.

SEVENTH: I give and bequeath unto said UNION CONGREGATIONAL CHURCH, the sum of Five Hundred Dollars, in memory of Esther Langdon Adams (mother of Frank Mark Adams), for the establishment of a fund to be known as the Esther Langdon Adams Fund, the income thereof to be used for the general uses and purposes of said Church.

EIGHTH: I give and bequeath unto the ST. JOHN'S EPISCOPAL CHURCH of said Rockville, the sum of One Thousand Dollars, for the establishment of a fund to be known as the May R. And Frank M. Adams Fund, the income thereof to be used for the general uses and purposes of said Church.

NINTH: I give and bequeath unto THE ROCKVILLE CITY HOSPITAL, INC. of said Rockville, the sum of Ten Thousand Dollars, in memory of my father and mother, Stephen Goodale Risley, M.D. and Emeret Scott Risley, for the establishment of a fund to be known as the Stephen Goodale Risley and Emeret Scott Risley Fund, the income thereof to be used for the general uses and purposes of said Hospital; together with the diploma of my late father, Stephen Goodale Risley, M.D., and my John Hamilton clock, made in Glasgow, Scotland, before 1720.

TENTH: I give and bequeath unto my second cousin MISS LENA EUNEGIA McINTOSH (daughter of Ethan and Lottie McIntosh), of East Longmeadow, Massachusetts, if living at the time of my death, the sum of Five Hundred Dollars, absolutely.

ELEVENTH: I give and bequeath unto my second cousin ELIZABETH ADAMS JENKS WALTER of 4 Orchard Street, Adams, Massachusetts (daughter of Mr. and Mr. Edwin Jenks and widow of Ellery Walter), if living at the time of my death, the sum of One Thousand Dollars, absolutely.

TWELFTH: I give and bequeath unto IDA ZAHNER of said Rockville, if she is in my employ at the time of my death, or in the event that she is not in my employ at the time of my death, then only in the event that she was forced and obliged to leave my employby reason of her own sickness, the sum of Twenty-five Thousand Dollars; together with my "Corona Zephyr" typewriter with the green cover, one of my radios whichever she may choose, and twelve silver teaspoons marked "R"; to be hers, absolutely.

THIRTEENTH: I give and bequeath unto THE ROCKVILLE PUBLIC LIBRARY of said Rockville, the sum of Two Thousand Dollars, in order that said Library may purchase new books for the use of said Library. All books purchased from either the income or principal, or both, or said sum shall be marked and labelled "Risley-Adams Fund".

THIRTEENTH: I give and bequeath unto CORINNE SYKES SPENCER of said Rockville, the sum of Five Hundred Dollars; to be hers, absolutely.

FOURTEENTH: I give and bequeath unto my goddaughter MISS JOSEPHINE STUART ADAMS of 66 Sorrento Street, Springfield, Massachusetts, (Half-sister of Frank Mark Adams) the sum of Five Thousand Dollars; to be hers, absolutely.

(Continued from Page 326 - Estate of May Risley Adams)

TWENTIETH: It is my express wish and desire that said MARION L. BUTLER and EMILY BISSELL SWINDELLS take charge of my home and personal affairs, under the supervision and direction of my Executor, until such time as distribution of my estate is made inaccordance with the terms of this my last Will and Testament.

TWENTY-FIRST: All the rest, residue and remainder of all my property, of every description, both real and personal, of whatsoever the same may consist or wheresoever it may be situated, I give, devise and bequeath unto said THE ROCKVILLE CITY HOSPITAL, INC., in order that the same may be added to and become a part of the Stephen Goodale Risley and Emeret Scott Risley Fund, which is established in paragraph Ninth of this my last Will and Testament.

TWENTY-SECOND: In the event that any bequests or legacies under the terms of this will, other than that provided for in the residuary clause of this will, shall for any reason lapse or fail to take effect, it is my wish that the same become a part of the rest, residue and remainder of my estate and be distributed in accordance with the terms of Paragraph Twenty-first of my will.

TWENTY-THIRD: If my estate shall prove to be insufficient to permit the payment of all legacies in full, I direct that the legacies to MARION L. BUTLER, EMILY BISSELL SWINDELLS, ST. JOHN'S EPISCOPAL CHURCH and IDA ZAHNER, in Paragraphs Fourth, Fifth, Eighth, and Twelfth, respectively, of this my last Will and Testament, shall have a preference and be paid in full prior to the payment in part or in full of any other legacy in favor of any other legatee herein enumerated.

TWENTY-FOURTH: I direct that all succession, inheritance and transfer taxes which would be payable on account of the legacies provided in this will, shall be paid out of the residue of my estate so that said several legacies shall be net for their full amount to the said several legatees.

I Appoint DONALD C. FISK of the Town of Ellington, Connecticut, to be the Executor of my Last Will and Testament, and I authorize and empower him to sell and convey any real estate or interest therein that I may own at my decease. In the event of his death prior to my own, or his inability to serve as such Executor, then I appoint THE HARTFORD-CONNECTICUT TRUST COMPANY, ROCKVILLE BRANCH, of said Rockville, to be such Executor, with like authority to sell and convey real estate.

IN WITNESS WHEREOF, I have hereunto set my hand and seal at said Rockville, on the 26th day of February, A.D. One Thousand Nine Hundred and Forty-four.

DECREE ADMITTING WILL & ORDERS

At a Court of Probate holden at Vernon, in and for the District of Ellington, in the County of Tolland, State of Connecticut, on the 2nd day of September, A.D. 1949.

Present, Hon. Thomas F. Rady, Judge.

ESTATE OF MAY RISLEY ADAMS or MAY R. ADAMS, late of Vernon in said District, deceased.

Upon the application of Gertrude S. Colburn of Lynn, Mass. praying that an instrument in writing purporting to be the last will and testament of said deceased be admitted to probate and that letters testamentary on said estate be granted as per application on file more fully appears;

This Court for cause shown, viz: that all parties known to be interested in said estate consist of the petitioner who is legally capable of acting, have signed and filed in Court a written waiver of notice, dispenses with notice of the pendency of said application, and of a hearing thereon.

After due hearing had, this Court further finds that said deceased last dwelt and was domiciled in the town of Vernon in said District, and died testate on the 28th day of August, A.D. 1949; that the instrument referred to in said application was duly executed by the testator as and for her last will and testament and that she was at the time of executing the same of lawful age and of sound mind and memory. It is therefore considered by this Court that said will is duly proved and the same is proved and approved. Whereupon letters testamentary on said estate are granted to Donald C. Fisk who on the 2nd day of September, 1949 appeared in Court, accepted said trust, and gave bond jointly

LAST WILL AND TESTAMENT OF WILLIAM MAXWELL

I, WILLIAM MAXWELL, of the City of Rockville, State of Connecticut, do hereby make, publish and declare the following as and for my Last Will and Testament:

FIRST: I revoke each and every Will and Codicil heretofore by me at any time made.

SECOND: To VISITING NURSE ASSOCIATION, in Rockville, Connecticut, I give and bequeath the sum of One thousand dollars ($1,000).

THIRD: To THE AMERICAN BOARD OF COMMISSIONERS FOR FOREIGN MISSIONS I give and bequeath the sum of Two thousand dollars ($2,000).

FOURTH: To the CONGREGATIONAL HOME MISSIONARY SOCIETY I give and bequeath the sum of Two thousand dollars ($2,000).

FIFTH: To MANHATTAN EYE, EAR AND THROAT HOSPITAL I give and bequeath the sum of One thousand dollars ($1,000).

SIXTH: To TUSKEGEE INSTITUTE I give and bequeath the sum of One thousand dollars ($1,000).

SEVENTH: To my EXECUTORS hereinafter named or the survivor of them, I give and bequeath the sum of Sixty thousand dollars ($60,000) absolutely. Without intending to qualify the absolute character of this bequest, I hereby express the hope that they or the survivor of them will distribute said sum among such of my friends, relatives, domestic servants in my employ at the time of my death, and my business associates in such manner and amounts as I may indicate by a written memorandum, or, failing such memorandum, as my said Executors or the survivor of them shall determine.

EIGHTH: To my sister, J. ALICE MAXWELL, I give and bequeath all books, furniture, rugs, pictures, silverware, household effects, horses, carriages, harnesses, automobiles, jewelry, wearing apparel, domestic supplies, and all other articles of personal or household use or adornment wherever located.

NINTH: To my brother, FRANCIS T. MAXWELL, I give and devise all my interest in the property situated on Chestnut Street, in Ellington and Vernon, in the State of Connecticut.

TENTH: To my sister, J. ALICE MAXWELL, I give and devise all my interest in the property on Union Street, occupied by my said sister and myself as our residence, and all the real estate connected therewith on Union, Main and Village Streets, and all my block of tenements on Main Street, and the property known as the "Einseidel property" on Village Street, and also the stable property, all situated in the City of Rockville and State of Connecticut; also all the real estate owned by me and situated in the rear of the Public Library in the said City of Rockville, and the property adjoining the same on Prospect Street; also the property formerly known as the "Grant property," which adjoins my said residence property on Union Street.

(Continued from Page 88 - Estate of William Maxwell, deceased)

ELEVENTH: All the rest, residue and remainder of my property, real and personal, of every kind, nature and description and wheresoever situated, I direct my Executors to divide into one hundred equal parts, which I give, devise and bequeath as hereinafter provided.

TWELFTH: To my TRUSTEES hereinafter named I give, devise and bequeath six of said equal parts of my said residuary estate IN TRUST NEVERTHELESS to invest and reinvest the same and keep the same invested and to collect and receive the rents, issues and income thereof and to pay the net income thereof ~~and to pay the net income thereof~~ to my sister J. ALICE MAXWELL for and during the term of her natural life, and upon her death, to pay the said net income to my brother FRANCIS T. MAXWELL for and during the term of his natural life. Upon the death of the survivor of my said brother and sister, the said trust shall cease and terminate, and I thereupon give, devise and bequeath the said trust fund to YALE UNIVERSITY of New Haven, Connecticut, to be held as a separate fund and the income thereof to be used for the benefit of the academic department of the said Yale University.

THIRTEENTH: To ROCKVILLE PUBLIC LIBRARY in Rockville, Connecticut, I give, devise and bequeath four of said equal parts of my said residuary estate in trust to use the income thereof for the general purposes of the said Library.

FOURTEENTH: To ROCKVILLE CITY HOSPITAL in Rockville, Connecticut, I give, devise and bequeath four of said equal parts of my said residuary estate in trust to use the income thereof for the general purposes of said Hospital.

FIFTEENTH: To UNION CONGREGATIONAL CHURCH OF CHRIST in Rockville, Connecticut, I give, devise and bequeath four of said equal parts of my said residuary estate in trust to use the income thereof for the general purposes of said Church.

SIXTEENTH: To my TRUSTEES hereinafter named I give, devise and bequeath eighty-two of said equal parts of my said residuary estate IN TRUST NEVERTHELESS to invest and reinvest the same and to keep the same invested and to collect and receive the rents, issues and income thereof and, during the joint lives of my brother FRANCIS T. MAXWELL and my sister J. ALICE MAXWELL to pay over two-thirds of the net income thereof to my said sister J. Alice Maxwell and one-third of the net income thereof to my said brother Francis T. Maxwell, and from and after the death of either my said brother or my said sister, to pay the whole of said net income to the survivor of them. Upon the death of the survivor of my said brother and sister, I direct my Trustees to dispose of the said eighty-two equal parts of my said residuary estate as follows:

(a) To my niece, PRISCILLA MAXWELL ENDICOTT, I give, devise and bequeath twenty-one of said equal parts absolutely, and, in the event that she shall have previously died, I give, devise and bequeath the said twenty-one equal parts in equal shares per stirpes to her surviving issue, and, if she shall leave no issue then surviving, I give, devise and bequeath the same in equal shares per stirpes to the then-living grandchildren and issue of deceased grandchildren of my brother Francis T. Maxwell.

(b) To my TRUSTEES hereinafter named I give, devise and bequeath twenty-one of said equal parts IN TRUST NEVERTHELESS to invest and reinvest the same and to keep the same invested and to collect and receive the rents, issues and income thereof and to pay over the net income thereof to my niece, HARRIET K. MAXWELL, for and during the term of her natural life, and upon her death I give, devise and bequeath the said trust fund in equal shares per stirpes to the then-living grandchildren and issue of deceased grandchildren of my brother Francis T. Maxwell.

(c) To my TRUSTEES hereinafter named I give, devise and bequeath ten of said equal parts IN TRUST NEVERTHELESS to invest and reinvest the same and to keep the same invested and to collect and receive the rents, issues and income thereof and to accumulate the net income thereof for the benefit of MAXWELL BELDING, a grandson of my brother Francis T. Maxwell, until the said Maxwell Belding shall attain the age of twenty-one years, and thereupon to pay over to the said Maxwell Belding all of said accumulated income and thereafter to pay to the said Maxwell Belding the net income of said trust fund until he shall attain the age of thirty years, whereupon my Trustees shall pay over the capital of said trust fund to the said Maxwell Belding absolutely. In the event that the said Maxwell Belding should die before attaining the age of thirty years, I give, devise and bequeath the capital of said trust fund upon his death in equal shares to his surviving children, and, in the event that he should leave no children him surviving, I give, devise and bequeath the same in equal shares per stirpes to the then-surviving grandchildren and issue of deceased grandchildren of my brother Francis T. Maxwell.

(d) To my TRUSTEES hereinafter named I give, devise and bequeath ten of said equal parts IN TRUST NEVERTHELESS to invest and reinvest the same and to keep the same invested and to collect and receive the rents, issues and income thereof and to accumulate the net income thereof for the benefit of VIRGINIA BELDING, a granddaughter of my brother Francis T. Maxwell, until the said Virginia Belding shall attain the age of twenty-one years, and thereupon to pay over to the said Virginia Belding all of said accumulated income and thereafter to pay to the said Virginia Belding the net income of said trust fund until she shall attain the age of thirty years, whereupon my Trustees shall pay over the capital of said trust fund to the said Virginia Belding absolutely. In the event that the said Virginia Belding should die before attaining the age of thirty years, I give, devise and bequeath the capital of said trust fund upon her death in equal shares to her surviving children, and, in the event that she should leave no children her surviving, I give, devise and bequeath the same in equal shares per stirpes to the then-surviving grandchildren and issue of deceased grandchildren of my brother Francis T. Maxwell.

(e) To my TRUSTEES hereinafter named I give, devise and bequeath ten of said equal parts IN TRUST NEVERTHELESS to invest and reinvest the same and to keep the same invested and to collect and receive the rents, issues and income thereof and to accumulate the net income thereof for the benefit of BRADFORD ENDICOTT, a grandson of my brother Francis T. Maxwell, until the said Bradford Endicott shall attain the age of twenty-one years, and thereupon to pay over to the said Bradford Endicott all of said accumulated income and thereafter to pay to the said Bradford Endicott the net income of said trust fund until he shall attain the age of thirty years, whereupon my Trustees shall pay over the capital of said trust fund to the said Bradford Endicott absolutely. In the event that the said Bradford Endicott should

(Continued from Page 89 - Estate of William Maxwell, deceased)

die before attaining the age of thirty years, I give, devise and bequeath the capital of said trust fund upon his death in equal shares to his surviving children, and, in the event that he should leave no children him surviving, I give, devise and bequeath the same in equal shares per stirpes to the then-surviving grandchildren and issue of deceased grandchildren of my brother Francis T. Maxwell.

(f) To my TRUSTEES hereinafter named I give; devise and bequeath ten of said equal parts IN TRUST NEVERTHELESS to invest and reinvest the same and to keep the same invested and to collect and receive the rents, issues and income thereof and to accumulate the net income thereof for the benefit of PRISCILLA ENDICOTT, a granddaughter of my brother Francis T. Maxwell, until the said Priscilla Endicott shall attain the age of twenty-one years, and thereupon to pay over to the said Priscilla Endicott all of said accumulated income and thereafter to pay to the said Priscilla Endicott the net income of said trust fund until she shall attain the age of thirty years, whereupon my Trustees shall pay over the capital of said trust fund to the said Priscilla Endicott absolutely. In the event that the said Priscilla Endicott should die before attaining the age of thirty years, I give, devise and bequeath the capital of said trust fund upon her death in equal shared to her surviving children, and, in the event that she should leave no children her surviving, I give, devise and bequeath the same in equal shares per stirpes to the then-surviving grandchildren and issue of deceased grandchildren of my brother Francis T. Maxwell.

SEVENTEENTH: I direct the payment out of my residuary estate of all succession, inheritance, estate and transfer taxes and death duties which may be levied or assessed upon or against any and all of the foregoing legacies, devises and transfers of property or upon my estate as a whole.

EIGHTEENTH: I nominate, constitute and appoint my brother, FRANCIS T. MAXWELL, my sister, J. ALICE MAXWELL, and the HARTFORD CONNECTICUT TRUST COMPANY as and to be the EXECUTORS of this my Last Will and Testament and the TRUSTEES of the trusts herein created, and in the event that either my said brother or my said sister should for any reason fail to qualify or cease to act as such Executor or as such Trustee, I nominate, constitute and appoint in his or her place and stead as such Executor or as such Trustee or both, as the case may be, my friend FREDERICK N. BELDING. I direct that no security shall be required of any of said individuals or of said Trust Company for the faithful performance of his, her or its duties as such Executor or as such Trustee and that no surety shall be required on any bond that may be given by any of them as Executor or as Trustee in any state or country in which my Will may be filed or proved.

To my said Executors and the survivor of them I give and grant full power and authority to sell any and all real estate which I may own at the time of my death and which is not specifically devised hereunder, either at public or private sale, and either for cash or on credit, or partly for cash and partly on credit, securing the payment of so much of the purchase price as remains on credit by mortgage on the property sold.

I also authorize my Executors and the survivor of them to make payment of all bequests and trusts provided for in this Will by setting apart and distributing to said legatees and to the trustees of said trusts any stocks, bonds or other securities in which my estate may be invested at the time of my death, in such manner and in such amounts as my said Executors, or the survivor of them, may prefer and at the market values of such securities, such market values to be conclusively determined by my said Executors, and also to distribute my residuary estate at like valuations by turning over to the legatees and trustees entitled thereto such securities and investments as shall remain after the payment of all expenses and legacies and trusts hereinbefore provided for; but nothing herein contained shall be deemed to prohibit the sale of any personal property owned by me at the time of my death and not herein specifically bequeathed, if my Executors shall desire to sell the same.

I authorize my Trustees to continue the investment of any trust or any part thereof in such securities and property as they may receive from my Executors, as aforesaid, although such securities and property may not be of the kind or class authorized by law for the investment of trust funds. I also authorize my Trustees to invest and reinvest any trust fund or any part thereof in any stocks, bonds or securities or real estate which they may deem advisable, and I direct that in making such investments my Trustees shall not be limited to investments of the kind authorized by law for the investment of trust funds. I also authorize my Trustees to become parties to the reorganization, consolidation or merger of any corporation the securities of which may form a part of any trust and for such purpose I direct that they shall have full authority to execute any agreement or instrument necessary and to make any necessary payments, loans or advances and to take any further steps necessary to effect the same, including the deposit, surrender and exchange of any securities which they may deem advisable in connection therewith.

I authorize my Trustees to sell any real estate which may form a part of any trust herein created either for cash or on credit or partly for cash and partly on credit, securing the payment of so much of the purchase money as remains on credit by mortgage on the property sold, and I authorize and empower my said Trustees to lease any of the real estate belonging to any trust for any term or terms of years and for such rental and upon such conditions as they may deem expedient.

In case any trust fund created under this Will shall at any time contain interest-bearing securities having a value above par, I authorize the payment of the interest in full to the beneficiary of the income and exonerate the Trustee or Trustees from all liability to retain a portion of such interest as a sinking fund for the reimbursement of principal.

I hereby expressly exempt my Executors from any obligation to file any inventory or account, any laws to the contrary notwithstanding.

In WITNESS WHEREOF I have hereunto set my hand and affixed my seal on this 8th day of February in the year One thousand nine hundred and thirty-six.

CODICIL TO LAST WILL AND TESTAMENT OF WILLIAM MAXWELL

I, WILLIAM MAXWELL, of the City of Rockville and State of Connecticut, do hereby make, publish and declare the following as and for a Codicil to my Last Will and Testament bearing date the 8th day of February, 1936:

FIRST: To my sister, J. ALICE MAXWELL, I give and devise all my right, title and interest in and to the certain lots or parcels of real property, in which the graves of members of my family are located, situated in the Grove Hill Cemetery in the City of Rockville, Town of Vernon and State of Connecticut, and all other real property adjacent thereto and used in connection therewith, and together being hereinafter referred to as "family burial ground." In the event that my said sister should predecease me, I give and devise the same to the said GROVE HILL CEMETERY, IN TRUST to retain and maintain the same in perpetuity as a burial ground for such members of our family as are already interred therein and for my said sister and myself.

SECOND: To my said sister, J. ALICE MAXWELL, I give and bequeath the sum of Thirty thousand dollars ($30,000) in the event she should survive me, and, in the event that she should predecease me, I give and bequeath the sum of Forty-five thousand dollars($45,000) to HARTFORD-CONNECTICUT TRUST COMPANY, its successor or successors, IN TRUST NEVERTHELESS, to invest and reinvest the same and collect and receive the income thereof and to apply so much of said income as may be deemed necessary within the discretion of my Trustee, from time to time, to the proper and suitable maintenance and care of the said "family burial ground", together with the markers, monuments, trees, shrubbery, walls, bridges, paths, and all other structures and vegetation thereon, until such time as the Town of Vernon, or City of Rockville, or other municipal corporation shall assume the entire financial responsibility for the care, maintenance and control of the said Grove Hill Cemetery, including all of the real property referred to in Article FIRST hereof. In the event that the net income of said trust should at any time, in the discretion of my Trustee, be deemed insufficient to provide for the proper and suitable maintenance and care of said "family burial ground" as aforesaid, by reason of storms or other emergency or for any other reason, I authorize my Trustee to use and apply such part of the principal of said trust as my Trustee in its discretion shall deem advisable for the purpose aforesaid. Should the net income of said trust at any time, in the opinion of my Trustee, exceed the requirements of caring for said "family burial ground" as aforesaid, I direct that such excess income shall be paid over in the discretion of my Trustee to the ROCKVILLE PUBLIC LIBRARY, situated in the said Town of Vernon. Should the financial responsibility of caring for the said Grove Hill Cemetery be assumed as aforesaid by the said Town of Vernon or City of Rockville or other municipal corporation and by reason thereof the income of said trust fund or any part thereof shall no longer be necessary for the proper and suitable maintenance and care of said "family burial ground" as aforesaid, I direct my Trustee to pay over and distribute to ROCKVILLE PUBLIC LIBRARY all of the principal and accumulated income of said trust fund that by reason of such situation shall no longer be required for the maintenance of said "family burial ground."

THIRD: Except as modified by this Codicil, I hereby ratify and confirm my said Last Will and Testament.

IN WITNESS WHEREOF I have hereunto set my hand and affixed my seal this 3rd day of December in the year One thousand nine hundred and thirty-eight.

LAST WILL AND TESTAMENT

I, BRUNO E. DOSS, of the Town of Vernon, County of Tolland, and State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my Last Will and Testament, hereby revoking all previous wills and codicils by me made.

FIRST: I direct my Executor hereinafter named to pay my funeral expenses and just debts, and I hereby direct that all legacy, succession, inheritance, transfer and estate taxes shall be paid by my Executor out of my estate in the same manner as an expense of administration and shall not be prorated or apportioned among or charged against the respective devisees, legatees, beneficiaries, transferees or other recipients, except as hereinafter set forth, nor charged against any property passing or which may have passed to any of them and that my Executor shall not be entitled to reimbursement for any portion of any such tax from any person.

SECOND: All the rest, residue and remainder of my estate, of every nature and kind wheresoever the same may be situated, I give, devise and bequeath to my Trustee, hereinafter named, in trust however, to invest and reinvest the same, and pay the net income therefrom, not less frequently than quarterly, if convenient, to my wife, MAUD J. DOSS, so long as she shall live. Anything herein contained to the contrary notwithstanding, my Trustee may at any time and from time to time pay over to my said wife so much or all of the principal of this trust for her benefit as my Trustee in its absolute discretion deems advisable and the judgment of my Trustee as to the amount of such payments and the advisability thereof shall be final and conclusive upon all persons interested or who may become interested in such trust.

If my said Trustee should deem it necessary or advisable to purchase or sell stocks or bonds comprising any portion of said trust, then it is my wish that

said transactions be carried on through the brokerage firm of COOLEY & CO., 100 Pearl Street, Hartford, Connecticut, and preferably through NORMAN SPENCER, if he is there affiliated.

THIRD: Upon the death of my said wife I direct my said Trustee, hereinafter named, to pay over and deliver the then remaining principal of said trust estate to my Executor hereinafter named to divide as hereinafter set forth and which principal I give, devise and bequeath and direct my Executor to distribute as follows:

a. Subject to sub-paragraph "e" of this Paragraph Third, I bequeath Three Thousand (3,000) Dollars in cash, to my said Trustee hereinafter named in trust however, for the following purpose: to invest and reinvest the same and use the net income therefrom to provide a fund to be known as the BRUNO E. DOSS ROCKVILLE HIGH SCHOOL ATHLETIC FUND, and the proceeds of which shall be spent for the purpose or purposes agreed upon by the current Principal and athletic coaches (both male and female) of the Rockville High School, and to be in conjunction with athletic activities of the school. I direct that said purpose or purposes be something other than normal current expenses of the athletic program and to the end that this fund should not be used directly or indirectly to affect the normal town budget allocation for athletic activities. Otherwise, I give to them a wide discretion.

b. Subject to sub-paragraph "e" of this Paragraph Third, I bequeath the sum of Five Thousand (5,000) Dollars in cash to Yale University in trust for the following purpose: To manipulate said money in its discretion, to the end that a fund be provided to be known as the BRUNO E. DOSS SCHOLARSHIP FUND for the aid and assistance of needy and deserving students, with the understanding that all loans from said fund are to be repaid, if possible, when said students are able to do so. It is my wish that preference be given to boys living in Tolland County.

c. Subject to sub-paragraph "e" of this Paragraph Third, I bequeath the sum of Five Thousand (5,000) Dollars in cash to the UNIVERSITY OF CONNECTICUT in trust for the following purpose: To manipulate said money in its discretion, to the end that a fund be provided to be known as the BRUNO E. DOSS SCHOLARSHIP FUND for the aid and assistance of needy and deserving students, with the understanding that all loans from said fund are to be repaid, if possible, when said students are able to do so. It is my wish that preference be given to boys living in Tolland County.

d. Subject to sub-paragraph "e" of this Paragraph Third, I bequeath Ten Thousand (10,000) Dollars in cash to ROCKVILLE CITY HOSPITAL, INC., in trust for the following purpose: To set up a fund to be known as BRUNO E. DOSS and MAUD J. DOSS fund; to invest and reinvest the same in its discretion and to pay over only the income therefrom, at least annually, to the ROCKVILLE CITY HOSPITAL, INC. GENERAL OPERATING EXPENSE ACCOUNT.

Carol A. Buchard 5/4/56

e. In the event that at my death my records should show that sub-paragraphs "a", "b", "c" and "d" of this Paragraph Third have been carried out, in whole or in part by me prior to my death, then in that event, I direct that the provisions as set forth in said sub-paragraphs shall be diminished to the extent that they have been carried out.

f. All the rest, residue and remainder of my estate of every nature and kind wheresoever the same may be situated after the payment of all administration expenses, I give, devise and bequeath to my sons, PHILIP G. DOSS, of 88 Grand Avenue, Rockville, Connecticut, and LEON F. DOSS, of 17 Washington Place, Bloomfield, New Jersey, in equal shares, to be theirs, absolutely. However, in the event either of my said sons should not be alive at the time of distribution hereunder then in that event I give, devise and bequeath such son's share, in equal shares, to his children who are alive

at the time of distribution hereunder. However, in the event either of my said sons should not be alive at the time of distribution hereunder and should have no children alive at the time of distribution hereunder, then in that event, I give such son's share to the wife which he had at the time of his death, provided she is alive at the time of distribution hereunder. However, in the event either of my said sons should not be alive at the time of distribution hereunder and should have no children alive at the time of distribution and if he had no wife at the date of his death who is alive at the time of distribution hereunder, then in that event, I give, devise and bequeath the share of the son not alive at the time of distribution hereunder to the surviving son if he be alive at the time of distribution hereunder, or his children or his wife, as aforesaid.

FOURTH: I hereby permit my said wife, MAUD J. DOSS, to turn over to my trustee as set forth in Paragraph Second of this my will any property both real and personal which the said trustee shall be willing to accept and to have said property thereby increase the principal of said trust and be thereafter controlled by said trustee and disposed of as set forth in this my Will.

FIFTH: I nominate and appoint THE CONNECTICUT BANK AND TRUST COMPANY, of Hartford, Connecticut, to be the Executor of this my Last Will and Testament and to be the Trustee of each and every trust not otherwise provided for in this Will, and I direct that it shall serve in both of said capacities without being required to furnish any bonds or other security for the faithful performance of its duties as such.

SIXTH: I authorize and empower my said Executor and my said Trustee in addition to the powers and discretions hereinbefore specifically mentioned and those conferred upon it by law and unless herein expressly prohibited, the following power and authority which may be exercised by it, in either or both capacities, at any time and from time to time, as it shall in its absolute

CODICIL TO WILL OF BRUNO E. DOSS

I, BRUNO E. DOSS, of the Town of Vernon, in the County of Tolland, in the State of Connecticut, make this Codicil to my Last Will and Testament dated May 4, 1956.

WHEREAS I now desire to change sub-paragraph "d" in Paragraph Third of said Last Will and Testament; add sub-paragraph "dd" in said Paragraph Third of said Last Will and Testament, which will immediately follow sub-paragraph "d" of said Paragraph Third of said Last Will and Testament; and add to sub-paragraph "e" of said Paragraph Third in said Last Will and Testament, NOW THEREFORE,

I direct that sub-paragraph "d" of said Paragraph Third read as follows:

d. Subject to sub-paragraph "e" (as amended by this Codicil) of Paragraph Third, I bequeath Eight Thousand (8,000) Dollars in cash to ROCKVILLE CITY HOSPITAL, INC., in trust for the following purpose: To set up a fund to be known as BRUNO E. DOSS and MAUD J. DOSS fund; to invest and reinvest the same in its discretion and to pay over only the income therefrom, at least annually, to the ROCKVILLE CITY HOSPITAL, INC. GENERAL OPERATING EXPENSE ACCOUNT.

I direct that sub-paragraph "dd" be added to said Paragraph Third, immediately following Sub-Paragraph "d" of said Paragraph Third of said Last Will and Testament as follows:

dd. Subject to sub-paragraph "e" of said Paragraph Third (as amended by this Codicil), I bequeath Two Thousand (2,000) Dollars in cash to the UNION CONGREGATIONAL CHURCH, of Rockville, Connecticut, and direct that it be used for its BUILDING FUND, either to pay existing debts or to pay for further improvements or building.

I direct that sub-paragraph "e" of said Paragraph Third now read as follows:

e. In the event that at my death my records should show that sub-paragraphs "a", "b", "c", "d" and "dd" of this Paragraph Third have been carried out, in whole or in part by me prior to my death, then in that event, I direct that the provisions as set forth in said sub-paragraphs shall be diminished to the extent that they have been carried out.

I hereby republish and confirm my said Last Will and Testament, with the changes and additions thereto, as aforesaid.

IN WITNESS WHEREOF, I have hereunto set my hand and seal at Rockville, Connecticut, on the 17th day of June, A. D., One Thousand Nine Hundred and Fifty-Seven.

CONFIDENTIAL

LAST WILL AND TESTAMENT

of

EVA NOBLE WOOD

I, EVA NOBLE WOOD, of the Town of Vernon, County of Tolland and State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my Last Will and Testament, hereby revoking all previous wills and codicils by me made.

FIRST: I direct my Executor to pay my funeral expenses and just debts, except secured or mortgage debts, and that all legacy, succession, inheritance, transfer and estate taxes, levied or assessed upon or with respect to any property which is included as part of my gross estate for the purpose of determining any such tax shall be paid by my Executor out of my estate in the same manner as an expense of administration and shall not be prorated or apportioned among or charged against the respective devisees, legatees, beneficiaries, transferees or other recipients nor charged against any property passing or which may have passed to any of them and that my Executor shall not be entitled to reimbursement for any portion of any such tax from any person.

SECOND: I give and bequeath to my niece EDITH F. MOREHOUSE, of Norwich, Connecticut, each and all of the following articles, which formerly belonged to my mother; my silver tea set with the quilted effect, my set of silver spoons, my Haviland china dinner set and my gold watch.

THIRD: I give and bequeath to my husband, HOWARD I. WOOD, of the said Town of Vernon, all my household furniture, furnish-

ings, linen, silver and plate glassware and crockery, pictures, books, bric-a-brac and fixtures, including all household implements and effects used in or about my home in said Town of Vernon, not hereinbefore specifically bequeathed.

FOURTH: I give and bequeath unto the UNION CONGREGATIONAL CHURCH OF CHRIST, INC.. of the said Town of Vernon, the sum of Three Thousand (3,000) Dollars, to be held by said Church and the income from said sum is to be used for its general uses and purposes and said sum is to be known as the Mr. and Mrs. S. Tracy Noble Fund.

FIFTH: I give and bequeath unto the ROCKVILLE CITY HOSPITAL, INC., of said Town of Vernon, the sum of One Thousand (1,000) Dollars to be held by said Hospital and the income from said sum to be used for its general uses and purposes and said sum is to be known as the Eva Noble Wood Fund.

SIXTH: All the rest, residue and remainder of all my property, both real and personal, of whatsoever the same may consist and wheresoever the same may be situated, I give, devise and bequeath to THE CONNECTICUT BANK AND TRUST COMPANY, of Hartford, Connecticut, IN TRUST nevertheless, to hold, manage, invest and reinvest and to pay the net income thereof as hereinafter set forth, and further and in addition thereto, I authorize and empower the said Trustee to pay to my said husband, HOWARD I. WOOD, from time to time, so much of the principal of said Trust as it may in its sole and uncontrolled discretion deem necessary to maintain or assist my said husband in comfort, in sickness and in health, having regard to the condition and standard of living to which he was accustomed

during my lifetime. Throughout the duration of the trust hereinabove created, the Trustee is authorized and empowered to pay so much or none of the net income thereof to or among one or more of the following persons: (1) my husband, HOWARD I. WOOD, (2) my niece, EDITH F. MOREHOUSE, (3) my nephew, CROSLEY J. FITTON, and (4) the then living issue of my said niece and nephew (whether the parents of such issue are living or dead) in such amounts and proportions as my said Trustee in its sole and absolute discretion shall deem advisable from time to time without regard to equality of distribution. Any income not so disbursed shall be incorporated into the principal of the trust fund as an integral part thereof to be held, administered and distributed in accordance with all the terms, conditions and limitations applying thereto. Upon the death of my said husband, or upon my death, if he shall not survive me, the Trustee shall divide the corpus of said Trust Estate into two shares to be disposed of as follows:

A. One such share shall be held by said Trustee for the benefit of my niece, EDITH F. MOREHOUSE, of Norwich, Connecticut. The Trustee shall pay to my said niece, or expend in her behalf, so much of the net income derived from her particular share, as the Trustee may deem advisable to provide properly for her maintenance, welfare and comfort. Upon the death of my said niece her share shall be divided into as many equal shares as there are children of hers then living and deceased children of hers leaving issue then surviving. The Trustee shall pay to each of such children of my niece, EDITH F. MOREHOUSE then living, so much of the income derived from his or her particular share as the Trustee may deem advisable to provide properly for his or her maintenance, educa-

tion, welfare and comfort. The Trustee shall pay to the issue of such deceased children of my said niece the share of said deceased child in equal shares, per stirpes and free of trust. Upon the death of each of said living children of my said niece, the Trustee shall pay his or her share to his or her issue surviving in equal shares, per stirpes and not per capita, free of trust.

B. One such share shall be held by said Trustee for the benefit of my nephew, CROSLEY J. FITTON, of West Hartford, Connecticut. The Trustee shall pay to my said nephew, or expend in his behalf, so much of the net income derived from his particular share as the Trustee may deem advisable to provide properly for his maintenance, welfare and comfort. Upon the death of my said nephew his share shall be divided into as many equal shares as there are children of his then living and deceased children of his leaving issue then surviving. The Trustee shall pay to each of such children of my said nephew, CROSLEY J. FITTON, then living, so much of the income derived from his or her particular share as the Trustee may deem advisable to provide properly for his or her maintenance, education, welfare and comfort. The Trustee shall pay to the issue of such deceased children of my said nephew the share of said deceased child in equal shares, per stirpes and free of trust. Upon the death of each of said living children of my said nephew the Trustee shall pay his or her share to his or her issue surviving in equal shares, per stirpes and not per capita, and free of trust.

C. I hereby authorize and empower the Trustee in its sole and absolute discretion at any time and from time to time, to disburse from the principal of any of the trust estates created

herein such amounts as it may deem advisable to provide adequately and properly for any emergency or extraordinary expense of the current income beneficiary thereof, his or her spouse and children, including, but not by way of limitation, expenses incurred by reason of illness, disability and education. In determining the amounts of principal to be so disbursed, the Trustee shall take into consideration any other income or property which such income beneficiary may have from any other source; and the Trustee's discretion shall be conclusive as to the advisability of any such disbursement and the same shall not be questioned by anyone. For all sums so disbursed the Trustee shall have full acquittance.

D. Anything herein elsewhere to the contrary notwithstanding all property of the trust estates created herein as described in this paragraph shall finally be distributed not later than twenty-one (21) years after date of death of the last survivor of the group composed of myself, my husband, HOWARD I. WOOD, and those of my nieces and nephews and/or descendants who are living at the time of my death, and if, at the expiration of such period any part of the trust estate remains undistributed, the same shall immediately vest in and be distributed to the persons then entitled to receive the income from the aforementioned trust estate in the proportion that they are so entitled.

SEVENTH: In the event that any bequests or legacies under the terms of this Will, other than those provided for in the residuary clause hereof, shall for any reason lapse or fail to take effect, then the same shall be and become a part of the rest, residue and remainder of my estate, and shall be distributed in accordance with

the terms of paragraph Sixth hereof.

EIGHTH: Without intending in any manner to limit or qualify any provision, bequest or devise of this my Last Will and Testament, I hereby express the opinion that it might be desirable that my husband, if living at my death, should create a trust inter vivos for his own benefit, of his own estate, since increasing age and infirmity might detract from his ability successfully to manage his estate during declining years.

NINTH: I authorize and empower my Executor and Trustee to make all divisions and distributions provided for under this Will; to sell at public or private sale to any purchaser, with or without option for cash and to exchange, lease or mortgage any interest in real or personal property; to invest and reinvest such property, real or personal, as it shall deem wise without being limited to investments authorized for Trust funds by the laws of the State of Connecticut; to borrow money by mortgage, on collateral or otherwise; and to register securities in its own name or in the name of its nominee.

TENTH: I nominate and appoint THE CONNECTICUT BANK AND TRUST COMPANY, of Hartford, Connecticut, to be Executor of this my Last Will and Testament.

IN WITNESS WHEREOF I have hereunto set my hand and seal at said Vernon, on the 18th day of June A.D., One Thousand Nine Hundred and Sixty-four.

Upon the death of said Lucina Ackerly the entire principal fund then remaining I give, devise and bequeath to the Rockville City Hospital hereinbefore referred to, and the same shall thereupon become part of the endowment fund of that institution, absolutely and forever, it being my intention and will that said Rockville City Hospital shall have and possess all the rest residue and remainder of the said trust fund and the principal aforesaid to it absolutely and forever

Fifteenth

The rest residue and remainder of my estate both real and personal of whatever description and wherever found I devise give and bequeath to my well loved wife Lucina E. Henry to her and her heirs and assigns absolutely and forever, and I constitute my said wife residuary legatee in case any of the before mentioned devises and bequests should fail or are not accepted as conditioned and stipulated.

Sixteenth

I direct that all succession, inheritance and transfer taxes which would be payable on account of the legacies other than residuary legacies hereinbefore given, shall be paid out of the residue of my estate, so that said several legacies shall be net for their full amounts, to the said several legatees.

Seventeenth

I constitute and appoint my wife Lucina E. Henry my Executrix together with my personal friends John E. Fisk and George W. Randall both of Rockville, as Executors of this my last will and testament. I also direct that bonds are not to be required of the aforesaid Executors. My Executors are to be allowed reasonable time to carry out the several provisions of my will in paying the several legacies and bequests hereinbefore mentioned. I however urge that my estate be settled as promptly as possible without unnecessary loss to my Estate or undue injury to any

All Men By These Presents, That I, Alvah H. Belding, of the City of Rockville, County Tolland and State of Connecticut, being of sound and disposing mind and memory do make my last will and testament, hereby revoking all former wills and codicils by me made. I give, devise and bequeath my property and estate, both real and personal, in manner following, namely:-

1. I direct that all of my just debts and expenses be paid and discharged with convenient speed by my executors hereinafter named.

2. I give to my son, Frederick Norton Belding of Rockville, Connecticut, my dwelling house, stable and curtilage, being the premises which I now occupy on Talcott Avenue, in the city of Rockville, together with the household furniture, furnishings, draperies, pictures, silver-ware, linen and bric-a-brac and household implements, with the exception of a few articles included in the above which have previously been disposed of to my daughter, Florence M. Ruckols, also my horses, carriages, harness, robes, sleighs, hay and grain, automobiles, equipment and utensils used in connection with my residence, together with the vacant building lot nearly opposite my premises and situated on Davis Street, south of the premises of A. Leroy Martin, and containing about two acres of land, absolutely and in fee simple.

3. I give to my son, Frederick Norton Belding or Rockville, Connecticut, Henry W. Ruckols of Pelham Manor, New York, W. P. Metherington, F. W. Howard and W. B. Read of Belding, Michigan, Trustees, the sum of Forty Thousand (40,000.) Dollars, in trust, to and their successors in office for the purpose of building and establishing at the village of Belding, Michigan, a public circulating library for the benefit of the general public under such rules, regulations and restrictions as the trustees thereof in their judgment may deem advisable, having in mind the welfare and convenience of the reading public.

The general management and oversight of said public library shall be vested in said board of Trustees and in their successors in office, which may elect of their number a president, vice-president, secretary and treasurer, and such other executive officers as they may deem necessary. All vacancies upon said board for any cause shall be filled by appointment of the surviving trustees.

4. I give and bequeath to the trustees of the Rockville City Hospital of Rockville, Connecticut, the sum of Three Thousand (3,000.) Dollars to be used and expended by them for the purposes indicated in the will of the late William H. Prescott regarding the establishment of a City Hospital, as they may deem most advisable.

5. I give to Frederick Norton Belding of Rockville, Connecticut, Trustee, the sum of Ten Thousand (10,000) Dollars, in trust, for the following purpose:- to take, invest, reinvest and manage the same, and collect the income and avails thereof and pay such income regularly to Hettie M. Remick of Newton Center, Massachusetts, for, and during the term of her natural life; directing that said payments be made at regular periods as the trustee in his best judgment may determine, having in mind the character of the investment, the income therefrom and the convenience of the beneficiary. At the decease of the said Hettie M. Remick, I order and direct that my said trustee pay Five Thousand (5,000.) Dollars of the said principal sum, to the trustees or the proper officials of the Baptist Church located at Belding, Michigan, to be used by said trustees or said officials for the best interest of said Church as shall be determined by said trustees or officials or their successors in office. The remaining Five Thousand (5,000.) Dollars of said principal sum I give to Frederick Norton Belding of Rockville, Connecticut and Clarence M. Ruckols of Pelham Manor, New York, trustees in trust, for the following purpose: To hold, invest, re-invest and manage for the benefit of a proposed town or village hospital at Belding, Michigan, until such time as a permanent organization may be created for the establishment of said city or town hospital, when, and in that event, my said trustees are directed to pay over to the proper officials of said proposed hospital, the sum of Five Thousand (5,000.) Dollars, to be used and expended for the best interest of said hospital institution as the trustees or managers thereof may in their best judgment deem most advisable.

6. I give the following sums of money to the following named persons, absolutely and forever; to wit,

# DISTRICT OF ELLINGTON

I, Ruth Talcott Britton, of Talcottville, Vernon, Connecticut, being of sound and disposing mind, memory and understanding, do make, publish and declare this to be my Last Will and Testament, hereby revoking all other wills heretofore made by me.

FIRST: I direct that all my just debts and funeral expenses be paid as soon as conveniently can be after my decease, and that all succession, legacy, transfer or inheritance taxes be paid by my Executor out of the residue of my estate as an expense in the settlement thereof.

SECOND: I give and bequeath to Jennie Gardner Gillette, of Jacksonville, Florida, all of my jewelry not hereinafter otherwise disposed of, all of my clothing, and all other articles of personal use or adornment, together with the sum of Ten Thousand (10,000) Dollars. If the said Jennie Gardner Gillette shall predecease me, I give and bequeath said articles to her daughter, Pamilla, and said sum of Ten Thousand (10,000) Dollars to her daughter, Pamilla, and her son, Gardner T. Gillette, share and share alike.

THIRD: I give to The Hartford-Connecticut Trust Company, of Hartford, Connecticut, the sum of One Thousand (1,000) Dollars, IN TRUST, NEVERTHELESS, to keep the same safely invested, and to use so much of the income thereof as may be necessary for the proper care of my family lot in Mt. Hope Cemetery in said Talcottville, and for the care and repair of the monuments and gravestones on said lot, and to use any surplus income toward the general care of said Cemetery.

FOURTH: I give to the American Missionary Association, Incorporated by an act of the Legislature of the State of New York, the sum of Ten Thousand (10,000) Dollars.

FIFTH: I give to the American Board of Commissioners for Foreign Missions, incorporated in Massachusetts in 1812, the sum of Ten Thousand (10,000) Dollars.

SIXTH: I give to the Women's Board of Foreign Missions, Inc. with headquarters in Boston, Massachusetts, the sum of Five Thousand (5,000) Dollars.

SEVENTH: I give to the Congregational Home Missionary Society, with headquarters now at 287 Fourth Avenue, New York City, the sum of Five Thousand (5,000) Dollars.

EIGHTH: I give to the Talcottville Congregational Church, Inc., of Talcottville, Town of Vernon, Connecticut, the sum of One Thousand (1,000) Dollars absolutely, but I suggest that said sum be set aside and kept safely invested and that the income therefrom shall be used in helping to pay the general church expenses, not intending, however, by this suggestion to make said sum a permanent trust fund.

NINTH: I give to the Missionary Society of Connecticut, the sum of Two Thousand (2,000) Dollars.

TENTH: I give to The Hartford Dispensary, of Hartford, Connecticut, the sum of One Thousand (1,000) Dollars.

ELEVENTH: I give to The Hartford Hospital, of said Hartford, the sum of Five Thousand (5,000) Dollars, IN TRUST, NEVERTHELESS, the principal to be kept safely invested and the income used for the general purposes of said Hospital at the discretion of its trustees.

TWELFTH: I give to The Hartford-Connecticut Trust Company, of Hartford, Connecticut, and to its successor or successors, the sum of Five Thousand (5,000) Dollars, IN TRUST, NEVERTHELESS, to use and apply the income thereof at the discretion of the trustee for the benefit of the school or schools in the village of Talcottville, in said Town of Vernon, Connecticut.

THIRTEENTH: I give to the Talcottville Congregational Church, Inc., of said Talcottville, the sum of Five Thousand (5,000) Dollars, IN TRUST, NEVERTHELESS, to use and expend the net income thereof in such manner, at such times and in such amounts as the pastor and deacons of said church in their discretion may determine, for the benefit of any needy person or persons living in the parish of said church, whether members or attendants of said church or not, and to use and apply any balance of income not required for that purpose for any of the charitable or missionary activities of said church. If the said church shall ever cease to conduct or maintain a place of public worship in said Town, said fund of Five Thousand (5,000) Dollars shall be and become the property of the Missionary Society of Connecticut, to be held in trust by said Missionary Society, and the income to be used in furtherance of said Society's purposes.

FOURTEENTH: I give to The Talcott Brothers Company, of said Talcottville, IN TRUST, NEVERTHELESS, the sum of Five Thousand (5,000) Dollars, to use and apply the income at the discretion of the Trustee for village improvement work especially for establishing and maintaining tennis courts and recreation grounds in the village of Talcottville. If the said, The Talcott Brothers Company should disolve or for any reason cease or abandon its corporate activities in said village of Talcottville, said fund of Five Thousand (5,000) Dollars shall be and become the property of the Town of Vernon, or of such other town as shall then include said village as the same now exists, to be held in trust by such town and the income to be applied toward the same purposes as hereinbefore described.

FIFTEENTH: I give to the Young Women's Christian Association, of Hartford, Connecticut, the sum of One Thousand (1,000) Dollars.

SIXTEENTH: I give to the Rockville Hospital, of Rockville, in the Town of Vernon, Connecticut, the sum of Five Thousand (5,000) Dollars, IN TRUST, NEVERTHELESS, to keep said sum safely invested, and to use and apply the income for the general purposes of said Hospital at the discretion of its trustees.

SEVENTEENTH: I direct that the legacies given and bequeathed under Clauses third to sixteenth hereof, both inclusive, shall be paid in preference and priority to all other pecuniary legacies given and bequeathed by this my last Will and Testament.

EIGHTEENTH: I give and bequeath the following sums of money, to wit;

To Robert Starr, Jr., son of Dr. Robert Starr, of South Windsor, Connecticut, the sum of Five Hundred (500) Dollars.

To Gardner T. Gillette, son of the Rev. Edwin C. Gillette, of Jacksonville, Florida, the sum of Two Thousand (2,000) Dollars.

(Continued from page 42) (Will of Ruth Talcott Britton)

To Morris H. Talcott of Talcottville, Connecticut, the sum of Five Thousand (5,000) Dollars.

To my housekeeper, Mrs. Hattie Damon, if she shall be in my employ at the time of my death, the sum of Five Hundred (500) Dollars.

NINETEENTH: I give and bequeath to my nephew, John G. Talcott, Jr. of said Talcottville, the sum of Five Thousand (5,000) Dollars and my pearl brooch and pearl earrings, formerly owned by his grandmother, Rosa J. Talcott.

TWENTIETH: I give and bequeath to Pamilla Gillette, of Jacksonville, Florida, the sum of Two Thousand (2,000) Dollars, and my wrist watch set with diamonds.

TWENTY-FIRST: I give and bequeath to my sister-in-law, Harriet Ward Britton, the sum of Two Thousand Five Hundred (2,500) Dollars, my platinum diamond bar pin and my jade bead necklace.

TWENTY-SECOND: I give and bequeath to The Hartford-Connecticut Trust Company, of Hartford, Connecticut, the sum of Fifty Thousand (50,000) Dollars, IN TRUST, NEVERTHELESS, with power to receive the same in whole or in part in securities which I may own at the time of my death as hereinafter provided, to hold or sell such securities, to invest any cash in said trust without being bound by statutory provisions with respect to investments made by trustees, and to dispose of the income and principal as hereinafter provided.

A. I direct the trustee to pay at reasonable intervals, the net income of said trust to my step-son John D. Britton as long as he shall continue to live.

B. Upon the death of the said John D. Britton, I authorize, empower and direct the trustee to distribute said trust fund equally to The Hartford Branch, Woman's Board of Missions and The Woman's Congregational Home Missionary Union of Connecticut, each of said organizations to hold IN TRUST the amount so received by it and to devote the income to the furtherance of its general purposes.

TWENTY-THIRD: I give and bequeath to The Hartford-Connecticut Trust Company of Hartford, Connecticut, the sum of Fifty Thousand (50,000) Dollars, IN TRUST, NEVERTHELESS with like powers as those granted to said Company as trustee under the twenty-second Clause hereof, and I direct the Trustee to hold and dispose of the income and principal of the trust hereby created as follows.

A. I direct the trustee to pay, at reasonable intervals, the net income of said trust to my step-son Kenneth P. Britton as long as he shall continue to live.

B. Upon the death of said Kenneth P. Britton, I authorize, empower and direct the trustee to distribute said trust fund equally to The Hartford Branch, Woman's Board of Missions and The Woman's Congregational Home Missionary Union of Connecticut, each of said organizations to hold IN TRUST the amount so received by it and to devote the income to the furtherance of its general purposes.

TWENTY-FOURTH: I give and bequeath the following articles of my personal property, to wit;

To Florence White Talcott, my ring set with three pearls and my ring set with three large diamonds.

To my step-son John D. Britton, my silver tea service and my diamond bracelet.

To my step-son Kenneth P. Britton, my solitare diamond engagement ring.

To May Gurley Betts, wife of Edgar H. Betts, of Troy, New York, my aquamarine necklace.

To Mrs. Kate Beebe Negus of Brooklyn, N.Y., my diamond bar pin with sapphires.

To Ely M. T. Ryder of Yonkers, New York, my minature of Captain Ely Morgan and the large gilt Colonial mirror now hanging in the hall of my home at Talcottville, being the mirror that came from Ellington.

TWENTY-FIFTH: All the furniture, jewelry and other articles of household or personal use or adornment which I received from my husband, Charles O. Britton, during his life time or which I may be entitled to receive from his estate, and not hereinbefore otherwise disposed of, I give and bequeath to my step-sons, John D. Britton and Kenneth P. Britton, to be divided between them in such manner as they may determine.

If either of my said two stepsons shall predecease me, I give and bequeath said articles to the survivor of them.

TWENTY-SIXTH: I give to my brother, John G. Talcott, all my shares of stock in The Talcott Brothers Company, and all my right and interest in the partnership known as Talcott Brothers I also give, devise and bequeath to my said brother, John G. Talcott, my real estate in Talcottville, Connecticut, however bounded and described, with the buildings thereon and appurtenances thereto, together with my automobiles and accessories, also all household furniture and effects not hereinbefore otherwise disposed of.

If my said brother, John, shall not survive me, I give, devise and bequeath all said stock, interest in the partnership, real estate and personal property and effects to such of his children and descendants of deceased children as shall survive me, equally and per stirpes.

TWENTY-SEVENTH: All the rest, residue and remainder of my property, both real and personal of which I may die seized or possessed, or to which or any interest in which I may at the time of my death be entitled, including any property over which I may have power of disposal or appointment at the time of my death, I give, devise and bequeath to my brother, John G. Talcott.

If my said brother shall predecease me, I give, devise and bequeath said residue, equally and per stirpes to such of his children and descendants of deceased children as may survive me.

(Continued from page 43) [Will of Ruth Talcott Britton]

** TWENTY-EIGHTH: I appoint my said brother, John G. Talcott, and my step-son, John D. Britton, and The Hartford-Connecticut Trust Company, of Hartford, Connecticut, to be CO-Executors of this my Last Will and Testament. I request that no bond be required of either of said Executors or of any institution, church or corporation to which any funds are given in trust under this will. I authorize my Executors in the exercise of their sole discretion to pay any pecuniary legacies herein bequeathed, in whole or in part, in cash or in securities of my estate at market value as of the first day of the calendar month in which such legacies are paid. The income on all funds given in trust shall commence to accrue only from the time when such funds are paid over by the Executors to the Trustees. If for any reason either or both of said individual Executors named should fail to qualify and act as Executors hereof, or should die or resign after so qualifying, I appoint the others or other named as Executors to be the actual Executors of this my Will, with all the powers hereinbefore granted to the three together.

IN WITNESS WHEREOF, I have hereunto set my seal and have subscribed these presents, and do make, publish and declare the same as and for and to be my Last Will and Testament in the presence of the witnesses attesting and subscribing the same at my request ** this 12th day of March, A.D., 1924, "my step-son, John D. Britton, and" being added before execution.

Ruth Talcott Britton (L.S.)

I, Ruth Talcott Britton, of Talcottville in the Town of Vernon, Connecticut, do make, publish and declare this instrument as and for a Codicil to my Last Will and Testament dated March 12, 1924.

FIRST: Believing that the disposition made in Clause Second of my said will of jewelry, clothing and other articles of personal use and adornment will impose an undue burden upon Jennie Gardner Gillette or her daughter Pamilla, and that it is more appropriate that the distribution of such articles be a function of my more immediate relatives, I hereby revoke so much of Clause Second as refers to such jewelry, clothing and articles of personal use and adornment and direct that they be disposed of as a part of my residuary estate passing to my brother John G. Talcott, and if he predeceases me to such of his children and descendants of deceased children as may survive me equally and per stirpes. The provisions of this codicil shall not operate to alter or amend the bequest of Ten Thousand ($10,000) Dollars to said Jennie Gardner Gillette if living and to her daughter and son if she is not living.

SECOND: Except as herein modified, all the provisions of my said will are hereby ratified and confirmed.

IN WITNESS WHEREOF, I have subscribed and do publish and declare this instrument as and for a Codicil to my Last Will and Testament dated March 12, 1924, in presence of the witnesses attesting the same at my request this 16th day of September A. D. 1927.

I, Ruth Talcott Britton, of Talcottville in the Town of Vernon, Connecticut, do make, publish and declare this instrument as and for a Second Codicil to my Will dated March 12, 1924 and the First Codicil thereto dated September 16, 1927.

FIRST: It is my belief that the provisions of Clauses Twenty-second and Twenty-third of my said will in which I make bequests to my step-sons John D. Britton and Kenneth P. Britton respectively, in the form of income of certain trust funds are not in this respect appropriate and being desirous of amplifying the benefits to them from these bequests I hereby revoke said Clauses Twenty-second and Twenty-third in their entirety and in lieu thereof I direct that the sum of One Hundred Thousand ($100,000) Dollars therein disposed of shall constitute two outright bequests of Fifty Thousand ($50,000) Dollars each to my step-son John D. Britton and my step-son Kenneth P. Britton respectively.

In case either of my said step-sons should die before me the issue, if there are any who survive me of my said deceased step-son shall receive, in equal shares per stirpes, the bequest which such deceased step-son would have received if living, and failing such issue such bequest shall be added to the bequest to my other step-son or to the issue of such other step-son who survive me if such other step-son has also previously died. If both of my said step-sons should die before me leaving no issue of either who survive me the One Hundred Thousand ($100,000) Dollars which they would have received if living shall be divided in equal shares between the Hartford Branch Woman's Board of Missions and the Woman's Congregational Home Missionary Union of Connecticut.

SECOND: The bequests contained in this codicil, as well as in the previous codicil, shall be entitled to the benefits of the provisions of Clause First of my said will charging inheritance and similar taxes on my residuary estate.

THIRD: Except as herein modified all of the provisions of my said will as amended by said first codicil are hereby ratified and confirmed.

IN WITNESS WHEREOF, I have subscribed and do publish and declare this instrument as and for a Second Codicil to my Last Will and Testament dated March 12, 1924 in presence of the witnesses attesting the same at my request this 26th day of January, A. D. 1929.

## Fund 11-1.52

## Fred Talcott Fund

I, Fred Talcott, of the City and County of Providence in the State of Rhode Island, hereby revoking all other and former Wills by me made, do make this my last will and testament in manner following, that is to say,

FIRST. I give and bequeath to my wife, Helen E. Talcott, in lieu of her dower out of my estate, the sum of twenty-five thousand dollars. I also give and bequeath to her all my household goods, furniture and supplies, pictures, table ware, silver ware, books, household ornaments and furnishings.

SECOND. I give and bequeath to my brother, Phineas Talcott of the City of Rockville in the State of Connecticut, the sum of fifteen thousand dollars. And further I direct my executor to transfer and make over to him all mortgage deeds together with the mortgage notes thereby secured, which may belong to me at the time of my decease, in which mortgage deeds the name of my said brother appears as mortgagee and in which mortgage deeds the property described as mortgaged is located in the State of Rhode Island, excepting from this bequest to my said brother however any mortgage which I may hold upon real estate situate upon Sabin Street in said Providence.

THIRD. I give and bequeath to Hannah K. Talcott, the widow of my brother, Allyn K. Talcott late of said Rockville, deceased, the sum of five thousand dollars, if she be living at the time of my decease.

FOURTH. I give and bequeath to my cousin, George Talcott of said Rockville, the sum of five thousand dollars if he be living at the time of my decease, and if he be not then living then I give and bequeath said sum of five thousand dollars to his son, Phineas W. Talcott, if he be then living.

FIFTH. I give and bequeath to my cousin, E. Belle Robbins of

Wetherefield, in said State of Connecticut, the sum of four thousand dollars.

SIXTH. I give and bequeath to my sister-in-law, Annie Bryant, wife of Charles F. Bryant of Wollaston in the Commonwealth of Massachusetts, the sum of two thousand dollars.

SEVENTH. I give and bequeath to my brother-in-law, Reverend Ernest N. Bullock, of Roswell, New Mexico, the sum of two thousand dollars.

EIGHTH. I give and bequeath to LeFavour H. Bosworth of said Providence, the sum of one thousand dollars.

NINTH. I give and bequeath to Thomas Sellew of said Providence, the sum of one thousand dollars.

TENTH. I give and bequeath to Sidney S. Blaisdell of said Providence, the sum of one thousand dollars.

ELEVENTH. I give and bequeath to Del Towle and his wife, Lizzie G. Towle, of Salem in said Commonwealth of Massachusetts, or in case of the decease of either of them prior to my decease then to the survivor of them, the sum of one thousand dollars.

TWELFTH. In recognition of faithful services, I give and bequeath to Herbert Gould and to James Degnan now in the employ of the Rhode Island Label Works in said Providence, in which I am interested, the sum of three thousand dollars each and I give and bequeath to each of the other employees of said Label Works who at the time of my decease shall then have been in its employ for a period of five years or more, a sum of money which shall be equivalent to twelve weeks wages at the rate which they may then be receiving. The moneys to be paid to said employees shall be paid to them at such times and in such installments as my executor hereinafter named may deem advisable: Provided that any moneys to which the two employees, William McMahon and Louis LaRock, may be entitled under this clause shall be paid to the Superintendent and Foreman, said James Degnan, to be by him so applied for the benefit of the said two employees, McMahon and LaRock, and their families as he in his sole discretion may deem advisable.

Said Rhode Island Label Works is incorporated and is the purchaser of, and is now carrying on, the business which I formerly carried on under the same name, and fpr the purposes of this bequest I direct that the time for which said employees may have been in my employ shall be added to the time for which they shall at my decease have been in the employ of said corporation and that such employment by me be considered in their favor the same as though they had been for the entire time in the employ of the said corporation.

THIRTEENTH. I give and bequeath to the Rhode Island Hospital, incorporated by an act of the General Assembly passed at the January Session, 1863, and located in the City of Providence in said State, the sum of two thousand dollars, for its uses and purposes.

FOURTEENTH. I give and bequeath to the Congregational Church and Society of Vernon Centre in said State of Connecticut, the sum of five hundred dollars, for the general uses and purposes of said church.

FIFTEENTH. I give and bequeath to the Broadway United Presbyterian Church on Broadway in said Providence, the sum of five hundred dollars, to be applied to the general uses and purposes of that particular church.

SIXTEENTH. Whereas one William H. Prescott of said Rockville, now deceased, in and by his will bequeathed a large sum of money towards the support and maintenance of a hospital to be thereafterwards established in said Rockville, and it is my desire to make a contribution towards the erection and establishment of such hospital. I give and bequeath to the persons who at the time of my decease may be the custodians of the said fund, bequeathed as aforesaid by said Prescott, the sum of five thousand dollars to be used by them or their successors in such trust towards the erection and establishment of such hospital.

SEVENTEENTH. In case my personal estate shall not be sufficient to satisfy all the aforegoing legacies in full, then I direct that my executor shall sell any real estate which may belong to me at the time of

my decease, or such part thereof as may be necessary, and apply so much of the proceeds thereof to the satisfaction of said legacies as shall be necessary to satisfy them in full, and in case my personal estate together with the proceeds of the sale of my said real estate shall be sufficient to satisfy said legacies in full, then I direct that all of them, except said legacy to said Rhode Island Hospital, shall abate ratably.

EIGHTEENTH. In case it shall be found necessary to sell the real estate which may belong to me at the time of my decease, under the aforegoing provision, then I hereby authorize and empower my executor hereinafter named, or any administrator with the will annexed, for the time being, to sell any part or the whole of such real estate in its or his discretion and upon any sale or sales thereof, to make, execute and deliver to the purchaser or purchasers thereof such deed or deeds or other conveyances as shall vest in such purchaser or purchasers, his, her or their heirs and assigns, a good title to such real estate in fee simple. No purchaser under this power shall be required to look after the application of the purchase money.

NINETEENTH. In case of the death of any of the aforesaid beneficiaries under this my will prior to my decease, I direct that the legacy or devise, herein given to such deceased beneficiary, shall thereupon lapse, except where in any bequest or devise I have otherwise provided.

TWENTIETH. All the rest, residue and remainder of my estate and property, whatsoever and wheresoever, which shall belong to me at the time of my decease I give, devise and bequeath to the Industrial Trust Company, a banking corporation having a place of business in said Providence, to its use, but in trust nevertheless for the uses, purposes and trusts following, that is to say,

Upon trust to take possession of the same and receive the rents, profits and income therefrom with power to invest and reinvest the same, and all other of my personal estate, in its discretion and to

lease from time to time any real estate which shall belong to me at the time of my decease for such times and on such terms as it may deem advisable, to apply the said rents, profits and income to the payment of all taxes, assessments, insurance, repairs and other necessary charges and expenses whatsoever upon said real estate or incident to the care and management of the same, including a just compensation to said trustee for its services, and to pay three-fifth parts of the net income of said trust to my wife, said Helen E. Talcott, during her life and one-fifth part thereof to my said brother, Phineas Talcott, during his life and the remaining one-fifth part thereof to said Hannah K. Talcott during her life. In case of the death of my brother, said Phineas Talcott, leaving my wife and said Hannah K. Talcott him surviving, then I direct that three-fifth parts of the then share of my said brother in said income shall be paid to my wife and the remaining two-fifth parts thereof to said Hannah K. Talcott, and in case of the death of either my wife or of said Hannah K. Talcott thereafterwards, or in case only one of them shall survive my said brother then the entire then share of my said brother in said income shall be paid to the survivor of them. In case of the death of said Hannah K. Talcott leaving my wife and my said brother, Phineas, her surviving, then I direct that three-fifth parts of the then share of said Hannah K. Talcott in said income shall be paid to my wife and the remaining two-fifth parts thereof to my said brother, and in case of the death of either my wife or of my said brother thereafterwards, or in case only one of them shall survive said Hannah K. Talcott, then the entire then share of said Hannah K. Talcott in said income shall be paid to the survivor of them. In case of the death of my wife, leaving my said brother, Phineas, and said Hannah K. Talcott her surviving then I direct that the then share of my wife in said income shall be paid in equal shares to my said brother and to said Hannah K. Talcott and if only one of them shall survive my wife or in case of the death of either of them thereafter-

wards then the entire then share of my wife in said income shall be paid to the survivor of them.

Upon the decease of the last survivor of the aforesaid beneficiaries under this trust I direct that one-half part of all the trust estate and property then remaining in the hands of my said trustee be by it made over to the persons mentioned in the sixteenth clause of this my will as the custodians of the William H. Prescott Fund, or to the persons who at the termination of this trust may be such custodians, to be applied towards the establishment of the hospital in said Rockville proposed or contemplated in the will of said Prescott, but if such hospital shall then be already established then said one-half part of said trust estate and property shall be by said trustee made over to such hospital to be used by it for its uses and purposes.

I direct that four-tenths of said remaining portion of said trust estate and property be made over by said trustee to the Rhode Island Hospital, mentioned in the thirteenth clause of this my will, for its uses and purposes, and that the remaining one-tenth part of said trust estate and property be made over by said trustee to The Providence District Nursing Association, a charitable corporation having its headquarters in said Providence, for its uses and purposes.

I hereby authorize and empower my said trustee, in case it shall at any time deed it advisable, to sell either at public auction or private sale the whole or any part of said trust estate and property and upon any sale of any real estate at any time under this power I hereby authorize and empower my said trustee to execute and deliver to the purchaser or purchasers thereof such deed or deeds or other conveyances as shall vest in such purchaser or purchasers a good and valid title thereto in fee simple. No purchaser or purchasers under this power shall be required to see to the application of the

purchase money nor be required to inquire into the advisability of making any sale.

TWENTY-FIRST. I nominate and appoint said Industrial Trust Company sole executor of this my last will and testament.

In Testimony Whereof, I have hereunto set my hand and affixed my seal at said Providence this 16th day of January, A. D. 1917.

Fred Talcott

WILL

I, J. ALICE MAXWELL, of the City of Rockville, State of Connecticut, do hereby make, publish and declare the following as and for my Last Will and Testament:

FIRST: I revoke each and every will and codicil heretofore by me at any time made.

SECOND: To my brother, FRANCIS T. MAXWELL, and my friend, THOMAS B. GILCHRIST, and the survivor of them, I give and bequeath the sum of Sixty thousand dollars ($60,000) and all my jewelry, furs, clothing, table linen, bed linen, and articles of a personal or family nature and such other articles as they in their discretion shall deem unsalable or unsuitable for sale. Without intending to qualify the absolute character of this bequest, I express the hope that they or the survivor of them will distribute the said sum of money and the said jewelry, furs, clothing, linen and other articles of personal property among such of my relatives, friends, servants in my employ at the time of my death, and other individuals and institutions, in such manner and amounts as I may indicate by a written memorandum or failing such memorandum as they or the survivor of them shall determine to be in accordance with what they believe to be my wishes. In case of any uncertainty as to the items of personal property covered by this bequest, the decision of my Executors shall be final and controlling for all purposes.

THIRD: To ROCKVILLE PUBLIC LIBRARY, in Rockville, Connecticut, I give and bequeath the four oil portraits of my Kellogg ancestors which are now hanging in the second floor hall of my residence in Rockville, Connecticut, and the portrait of my mother hanging in the billiard room of my said residence, each of which pictures is identified by a label pasted on the back thereof.

FOURTH: To VISITING NURSE ASSOCIATION, in Rockville, Connecticut, I give and bequeath the sum of One thousand dollars ($1,000).

FIFTH: To GROVE HILL CEMETERY, in the City of Rockville, Town of Vernon and State of Connecticut, I give and devise all my right, title and interest in and to the certain lots or parcels of real property situated in said Cemetery in which the graves of my brother William Maxwell and other members of my family are located and all other real property adjacent thereto and used in connection therewith, which together are hereinafter referred to as "family burial ground", IN TRUST NEVERTHELESS, to hold and maintain the same in perpetuity as a burial ground for such members of our family as are already interred therein and for myself, it being my wish that no other person or persons be interred therein after my death.

SIXTH: To THE HARTFORD-CONNECTICUT TRUST COMPANY, its successor or successors, I give and bequeath the sum of Forty-five thousand dollars ($45,000), IN TRUST NEVERTHELESS, to invest and reinvest the same and keep the same invested and to collect and receive the income thereof and to apply so much of said income as may be deemed necessary within the discretion of my Trustee, from time to time, to the proper and suitable maintenance and care of the said "family burial ground", together with the markers, monuments, trees, shrubbery, walls, bridges, paths and other structures and vegetation thereon, until such time as the Town of Vernon, or City of Rockville, or other municipal corporation shall assume the entire financial responsibility for the care, maintenance and control of the said Grove Hill Cemetery, including all of the real property referred to in Article FIFTH hereof. In the event that the net income of said trust should at any time, in the discretion of my Trustee, be deemed insufficient to provide for the proper and suitable maintenance and care of said "family burial ground", as aforesaid, by reason of storms or other emergency or for any other reason, I authorize my Trustee to use and apply such part of the principal of said trust as my Trustee in its discretion shall deem advisable for the purpose aforesaid. Should the net income of said trust at any time, in the opinion of my Trustee, exceed the requirements of caring for said "family burial ground", as aforesaid, I direct that such excess income shall be paid over in the discretion of my Trustee to ROCKVILLE PUBLIC LIBRARY. Should the financial responsibility of caring for the said Grove Hill Cemetery be assumed as aforesaid by the said Town of Vernon or City of Rockville or other municipal corporation and, by reason thereof, the income of said trust fund or any part thereof no longer be necessary for the proper and suitable maintenance and care of said "family burial ground", as aforesaid, I direct my Trustee to pay over and distribute to ROCKVILLE PUBLIC LIBRARY all or such part of the principal and accumulated income of said trust fund which, by reason of such situation, shall no longer be required for the maintenance of said "family burial ground", as aforesaid.

SEVENTH: All the rest, residue and remainder of my property, real and personal, of every kind, nature and description and wheresoever situated, I direct my Executors to divide into one hundred equal parts, which I give, devise and bequeath as hereinafter provided.

EIGHTH: To ROCKVILLE PUBLIC LIBRARY, in Rockville, Connecticut, I give, devise and bequeath four of said equal parts of my said residuary estate in trust to use the income thereof for the general purposes of the said Library.

NINTH: To ROCKVILLE CITY HOSPITAL, in Rockville, Connecticut, I give, devise and bequeath four of said equal parts of my said residuary estate in trust to use the income thereof for the general purposes of said Hospital.

TENTH: To my TRUSTEES, hereinafter named, I give, devise and bequeath ninety-two of said equal parts of my said residuary estate, IN TRUST NEVERTHELESS, to invest and reinvest the same and keep the same invested and to collect and receive the rents, issues and income thereof, and, after paying all proper expenses in connection with the administration thereof, to pay over the net income thereof to my brother FRANCIS T. MAXWELL, for and during the term of his natural life. Upon the death of my said brother, I direct my Trustees to dispose of the said ninety-two equal parts of my said residuary estate as follows:

(a) To my Trustees, hereinafter named, I give, devise and bequeath twenty-four of said equal parts, IN TRUST NEVERTHELESS, to invest and reinvest the same and to keep the same invested and to collect and receive the rents, issues and income thereof and to pay over the net income thereof to my niece PRISCILLA MAXWELL ENDICOTT, for and during the term of her natural life, and upon her death I give, devise and bequeath the said trust fund in equal shares per stirpes to the grandchildren and lawful issue of deceased grandchildren of my brother Francis T. Maxwell.

(b) To my TRUSTEES, hereinafter named, I give, devise and bequeath twenty-four of said equal parts, IN TRUST NEVERTHELESS, to invest and reinvest the same and to keep the same invested and to collect and receive the rents, issues and income thereof and to pay over the net income thereof to my niece HARRIET K. MAXWELL WEISSI, for and during the term of her natural life, and upon her death I give, devise and bequeath the said trust fund in equal shares per stirpes to the grandchildren and lawful issue of deceased grandchildren of my brother Francis T. Maxwell.

(c) To my TRUSTEES, hereinafter named, I give, devise and bequeath eleven of said equal parts, IN TRUST NEVERTHELESS, to invest and reinvest the same and to keep the same invested and to collect and receive the rents, issues and income thereof and to accumulate the net income thereof for the benefit of MAXWELL BELDING, a grandson of my brother Francis T. Maxwell, until the said Maxwell Belding shall attain the age of twenty-one years, and thereupon to pay over to the said Maxwell Belding all of said accumulated income of said trust fund until he shall attain the age of thirty years, whereupon my Trustees shall pay over the capital of said trust fund to the said Maxwell Belding absolutely. In the event that the said Maxwell Belding should die before attaining the age of thirty years, I give, devise and bequeath the capital of said trust, upon his death, in equal shares to his surviving children, and, in the event that he should leave no children him surviving, I give, devise and bequeath the same to his sister VIRGINIA BELDING if living, and if not living, then to her children then living, in equal shares, and in the event that neither the said Virginia Belding nor any children of the said Virginia Belding should survive the said Maxwell Belding, I give, devise and bequeath the same in equal shares per stirpes to the then-living grandchildren and lawful issue of deceased grandchildren of my brother Francis T. Maxwell.

(d) To my TRUSTEES, hereinafter named, I give, devise and bequeath eleven of said equal parts, IN TRUST NEVERTHELESS, to invest and reinvest the same and to keep the same invested and to collect and receive the rents, issues and income thereof and to accumulate the net income thereof for the benefit of VIRGINIA BELDING, a granddaughter of my brother Francis T. Maxwell, until the said Virginia Belding shall attain the age of Twenty-one years, and thereupon to pay over to the said Virginia Belding all of said accumulated income and thereafter to pay to the said Virginia Belding the net income of said trust fund until she shall attain the age of thirty years, whereupon my Trustees shall pay over the capital of said trust fund to the said Virginia Belding absolutely. In the event that the said Virginia Belding should die before attaining the age of thirty years, I give, devise and bequeath the capital of said trust, upon her death, in equal shares to her surviving children, and, in the event that she should leave no children her surviving, I give, devise and bequeath the same to her brother MAXWELL BELDING if living, and if not living, then to his children then living, in equal shares, and in the event that neither the said Maxwell Belding nor any children of the said Maxwell Belding should survive the said Virginia Belding, I give, devise and bequeath the same in equal shares per stirpes to the then-living grandchildren and lawful issue of deceased grandchildren of my brother Francis T. Maxwell.

(e) To my TRUSTEES, hereinafter named, I give, devise and bequeath eleven of said equal parts, IN TRUST NEVERTHELESS, to invest and reinvest the same and to keep the same invested and to collect and receive the rents, issues and income thereof and to accumulate the net income thereof for the benefit of BRADFORD ENDICOTT, a grandson of my brother Francis T. Maxwell, until the said Bradford Endicott shall attain the age of twenty-one years, and thereupon to pay over to the said Bradford Endicott all of said accumulated income and thereafter to pay to the said Bradford Endicott the net income of said trust fund until he shall attain the age of thirty years, whereupon my Trustees shall pay over the capital of said trust fund to the said Bradford Endicott absolutely. In the event that the said Bradford Endicott should die before attaining the age of thirty years, I give, devise and bequeath the capital of said trust, upon his death, in equal shares to his surviving children, and, in the event that he should leave no children him surviving, I give, devise and bequeath the same to his sister PRISCILLA ENDICOTT if living, and if not living, then to her children then living, in equal shares, and in the event that neither the said Priscilla Endicott nor any children of the said Priscilla Endicott should survive the said Bradford Endicott, I give, devise and bequeath the same in equal shares per stirpes to the then-living grandchildren and lawful issue of deceased grandchildren of my brother Francis T. Maxwell.

(f) To my TRUSTEES, hereinafter named, I give, devise and bequeath eleven of said equal parts, IN TRUST NEVERTHELESS, to invest and reinvest the same and to keep the same invested and to collect and receive the rents, issues and income thereof and to accumulate the net income thereof for the benefit of PRISCILLA ENDICOTT, a granddaughter of my brother Francis T. Maxwell, until the said Priscilla Endicott shall attain the age of twenty-one years, and thereupon to pay over to the said Priscilla Endicott all of said accumulated income and thereafter to pay to the said Priscilla Endicott the net income of said trust fund until she shall attain the age of thirty years, whereupon my Trustees shall pay over the capital of said trust fund to the said Priscilla Endicott absolutely. In the event that the said Priscilla Endicott should die before attaining the age of thirty years, I give, devise and bequeath the capital of said trust, upon her death, in equal shares to her surviving children, and, in the event that she should leave no children her surviving, I give, devise and bequeath the same to her brother BRADFORD ENDICOTT if living, and if not living, then to his children then living, in equal shares, and in the event that neither the said Bradford Endicott nor any children of the said Bradford Endicott should survive the said Priscilla Endicott, I give, devise and bequeath the same in equal shares per stirpes to the then-living grandchildren and lawful issue of deceased grandchildren of my brother Francis T. Maxwell.

ELEVENTH: If, upon the termination of any of the trusts hereinbefore provided for in Article TENTH hereof, there should be no issue of my brother Francis T. Maxwell

then living, and entitled under the provisions of my will to the capital of such trust, then, in such event, I give, devise and bequeath the capital of any such trust in equal shares to ROCKVILLE PUBLIC LIBRARY and ROCKVILLE CITY HOSPITAL, both situated in the City of Rockville and State of Connecticut.

TWELFTH: I direct the payment out of my residuary estate of all succession, inheritance, estate and transfer taxes and death duties which may be levied or assessed upon or against any and all of the foregoing legacies, devises and transfers of property or upon my estate as a whole.

THIRTEENTH: I nominate, constitute and appoint my brother FRANCIS T. MAXWELL, my friend THOMAS B. GILCHRIST, and THE HARTFORD-CONNECTICUT TRUST COMPANY as and to be the EXECUTORS of this my Last Will and Testament and the TRUSTEES of the trusts herein created. In the event that either the said Francis T. Maxwell or the said Thomas B. Gilchrist should for any reason fail to qualify or cease to act as such Executor or as such Trustee, I nominate, constitute and appoint in his place and stead as such Executor or as such Trustee, or both, as the case may be, FRED N. BELDING, the son-in-law of my said brother Francis T. Maxwell. I direct that no security shall be required of any of said individuals or of said Trust Company for the faithful performance of his or its duties as such Executor or as such Trustee and that no surety shall be required on any bond that may be given by any of them as Executor or as Trustee in any state or country in which my Will may be filed or proved.

J.A.M. To my Executors and the survivor of them, I give and grant full power and authority to sell any and all real estate which I may own at the time of my death, either at public or private sale, and either for cash or on credit, partly for cash and partly on credit, securing the payment of so much of the purchase price as remains on credit by mortgage on the property sold.

I also authorize my Executors and the survivor of them to make payment of all bequests and trusts provided for in this Will by setting apart and distributing to said legatees and trusts any stocks, bonds or other securities in which my estate may be invested at the time of my death, in such manner and in such amounts as my said Executors, or the survivor of them, may determine and at the market values of such securities, such market values to be conclusively determined by my said Executors, and also to distribute my residuary estate by like valuations, by turning over to the legatees and trustees entitled thereto such securities and investments as shall remain available therefor; but nothing herein contained shall be deemed to prohibit the sale of any personal property owned by me at the time of my death and not herein specifically bequeathed, if my Executors shall desire to sell the same.

I authorize my Trustees to continue the investment of any trust or any part thereof in such securities and property as they may receive from my Executors, as aforesaid, although such securities and property may not be of the kind or class authorized by law for the investment of trust funds. I also authorize my Trustees to invest and reinvest any trust fund or any part thereof in any stocks, bonds or securities or real estate which they may deem advisable, and direct that in making such investments my
JA.M. Trustees shall not be limited to investments of the kind authorized by law for the investment of trust funds. I also authorize my Trustees to become parties to the reorganization, consolidation or merger of any corporation the securities of which may form a part of any trust and for such purpose I direct that they shall have full authority to execute any agreement or instrument necessary and to make any necessary payments, loans or advances and to take any further steps necessary to effect the same, including the deposit, surrender and exchange of any securities which they may deem advisable in connection therewith.

I authorize my Trustees to sell any real estate which may form a part of any trust herein created either for cash or on credit or partly for cash and partly on credit, securing the payment of so much of the purchase money as remains on credit by mortgage on the property sold, and I authorize and empower my said Trustees to lease any of the real estate belonging to any trust for any term or terms of years and for such rental and upon such conditions as they may deem expedient.

In case any trust fund created under this Will shall at any time contain interest-bearing securities having a value above par, I authorize the payment of the interest in full to the beneficiary of the income and exonerate the Trustee or Trustees from all liability to retain a portion of such interest as a sinking fund for the reimbursement of principal.

I expressly exempt my Executors from any obligation to file any inventory or account, any laws to the contrary notwithstanding.

J.A.M. I direct that my Executors and Trustees shall be compensated for their services in the amounts and at the rates and in the manner prescribed by the statutes of the State of New York now in effect providing for compensation of executors and trustees, in like manner as if my estate were being administered in the State of New York in accordance with the laws of such State.

CODICIL

KNOW ALL MEN BY THESE PRESENTS, That I, J. ALICE MAXWELL, of the City of Rockville, County of Tolland, and State of Connecticut, being of sound and disposing mind and memory, do make, publish and declare the following to be a first codicil to my last will and testament, dated the 28th day of March, 1941, as the result of the recent death of my beloved brother, Francis T. Maxwell:

FIRST: I revoke the gift in the Second article of my said will to my brother, Francis T. Maxwell, and Thomas B. Gilchrist, and the survivor of them, of the sum of Sixty Thousand Dollars ($60,000) and articles of jewelry, wearing apparel, household furnishings and articles of a personal or family nature, and other articles as therein stated, and in lieu thereof I give the same sum of Sixty Thousand Dollars ($60,000) and all the articles specified in said Second article to Frederick N. Belding, of Rockville (whose wife was a daughter of my brother, Francis T. Maxwell), Howard W. Bennett, of Manchester, and Jeremiah H. Bartholomew, Jr. of West Hartford, and the survivors or survivor of them, upon the same terms and with the same hope as expressed in said Second article. I further provide that while all three are living the decision of any two of them shall be effective and conclusive to dispose of such articles.

SECOND: I revoke the appointment of my brother, Francis T. Maxwell and said Thomas B. Gilchrist contained in the Thirteenth article of said will to act as executors and trustees of the trusts created in said will other than the trust to The Hartford-Connecticut Trust Company in the Sixth article thereof, and in lieu thereof I nominate, constitute and appoint said Frederick N. Belding, said Howard W. Bennett and The Hartford-Connecticut Trust Company to be the executors of my said last will and testament and the trustees of each of the trusts therein created, other than said trust in the Sixth article, and I direct that no security shall be required of either of said individuals, or of said Trust Company, for the faithful performance of his or its duties as such executor or as such trustee, and that no surety shall be required on any bond that may be given by any of them as executor or as trustee in any state or country in which my will may be filed or proved. I also give to said executors named in this codicil, and to them as trustees, all the powers and authority given to my executors and trustees in and by the Thirteenth article of said will.

I further revoke the last two paragraphs of said article Thirteenth of said will, in which I attempt to exempt my executors from any obligation to file any inventory or account and in which I direct that my executors and trustees shall be compensated for their services in the amounts and at the rates prescribed by the statutes of the State of New York.

THIRD: Except as altered hereby, I hereby republish and reaffirm my said will dated March 28, 1941.

IN WITNESS WHEREOF, I have hereunto set my hand and seal, declaring this to be a first codicil to my last will and testament dated the 28th day of March, 1941, this instrument being executed this 17th day of April, 1942.

LAST WILL AND TESTAMENT,

I, CAROLINE E. STEELE METCALF of the Town of Vernon in the County of Tolland in the State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my last Will and Testament, hereby revoking all previous wills and codicils by me made.

FIRST: I will and direct that my just debts and funeral expenses be paid as soon after my decease as is reasonably convenient.

SECOND: I give and bequeath the sum of Five Hundred (500) Dollars to the Town of Bolton in the County of Tolland and State of Connecticut, to hold, manage, invest and reinvest said sum as a perpetual trust and to use the income therefrom for the care and maintenance of the John F. Steele and Sanford Steele lots in the Belknap Cemetery in said Town of Bolton.

THIRD: I give and bequeath the sum of Five Thousand (5000) Dollars to the Trustees of the Methodist Church of Rockville, Connecticut, in trust, nevertheless, to hold, manage, invest and reinvest said sum, and to use the income therefrom to assist in defraying the general current expenses of said Church; and if said Church should disband, dissolve or otherwise cease to exist as such Church, then I direct said Trustees to pay said sum and the accrued and unexpended interest thereon, if any, to the Southern New England Conference of the Methodist Church, in trust, to hold, manage, invest and reinvest said sum, and to use the income therefrom for the maintenance, support, relief and care of the retired ministers or their widows of said Conference, known as "Conference Claimants".

In either of said purposes, this trust shall be known as the W. A. Metcalf and Caroline E. Metcalf Fund.

FOURTH: I give and bequeath the sum of One Thousand (1000) Dollars to Arthur H. Metcalf, of the town of Tolland in said County of Tolland, brother of my deceased husband if living at my death.

FIFTH: I give and bequeath the sum of One Thousand (1000) Dollars to my brother, Charles S. Steele, of Yonkers, New York, if living at my death.

SIXTH: I give and bequeath unto Homer C. Waltz of said town of Vernon, my safe, as a gift in memory of William A. Metcalf, my late dear husband and a good friend of said Homer C. Waltz.

SEVENTH: I give and bequeath all of my wearing apparel, and all the furniture, bric-a-brac and articles of like nature in my house including my sewing machine and electric refrigerator to Caroline K. Metcalf of said town of Tolland. Without intending to qualify the absolute character of this bequest, I hereby express the hope that said Caroline K. Metcalf will distribute said articles among such of my friends, relations or others, in such manner as I may indicate by a written memorandum, or failing such memorandum, as said Caroline K. Metcalf shall determine.

EIGHTH: I give and bequeath unto George E. Metcalf of said town of Tolland, the sum of Ten Thousand (10,000) Dollars, to him, his heirs and assigns, absolutely and forever. Without intending to qualify the absolute character of this bequest, I hereby express the hope that said George E. Metcalf will use the same in providing for an education for his son Harold Joseph Metcalf, and also in making an easier life for himself.

It is my wish and desire, and I make this bequest in the sincere hope and belief, that the said George E. Metcalf will take good and sufficient care of Anna L. Metcalf, during her life.

NINTH: All the rest, residue and remainder of my estate of whatsoever nature and wheresoever situated, I give, bequeath and devise to the Trusteesof the Rockville City Hospital, Inc., a charitable corporation organized and existing under the laws of the State of Connecticut, and owning and operating a hospital in said town of Vernon, in trust, nevertheless, to hold, invest and reinvest the same and to use the income thereof for the general uses and purposes of said Hospital as said Trustees shall see fit. Said trust shall be known as the William A. and Caroline E. Metcalf Fund.

I APPOINT The Hartford-Connecticut Trust Company, Rockville Branch of the Town of Vernon County of Tolland and State of Connecticut executor of this my Last Will and Testament.

IN WITNESS WHEREOF I have hereunto set my hand and seal at said Vernon on the 13th day of February, A.D., One Thousand Nine Hundred and Forty-one.

(signed) Caroline E. Steele Metcalf (L.S.)

Signed, sealed, published and declared by the said CAROLINE E. STEELE METCALF as and for her Last Will and Testament, in presence of us, who at her request, in her presence, and in the presence of each other have hereunto subscribed our names as witnesses on the 13th day of February, A.D. 1941.

CODICIL TO WILL OF CAROLINE E. STEELE METCALF

I, CAROLINE E. STEELE METCALF of the Town of Vernon, County of Tolland and State of Connecticut, do hereby make this Codicil to my last Will and Testament dated the 13th day of February, 1941.

1. WHEREAS, by the Fourth Paragraph of my said Will, I gave and bequeathed "the sum of One Thousand (1000) Dollars to Arthur H. Metcalf, of the Town of Tolland in said County of Tolland, brother of my deceased husband, if living at my death", and

WHEREAS, since the execution of said Will, said Arthur H. Metcalf has passed away.

NOW I DO HEREBY REVOKE said legacy and in lieu thereof I give and bequeath the amount of said legacy, being One Thousand (1000) Dollars to the Trustees of the Methodist Church of Rockville, Connecticut, in trust, nevertheless, to hole, manage, invest and reinvest said sum, and to use the income therefrom to assist in defraying the general current expenses of said Church; and if said Church should disband, dissolve or otherwise cease to exist as such Church, then I direct said Trustees to pay said sum and the accrued and unexpended interest thereof, if any, to the Southern New England Conference of the Methodist Church, in trust, to hold, manage, invest and reinvest said sum, and to use the income therefrom for the maintenance, support, relief and care of the retired ministers or their widows of said Conference, known as "Conference Claimants". In either of said purposes, this trust shall be known as the W. A. Metcalf and Caroline E. Metcalf Fund.

2. WHEREAS, by the Fifth Paragraph of my said Will, I gave and bequeathed "the sum of One Thousand (1000) Dollars to my brother, Charles S. Steele, of Yonkers, New York, if living at my death", and

WHEREAS, since the execution of said Will, my said brother, Charles S. Steele, has passed away.

NOW I DO HEREBY REVOKE said legacy and in lieu thereof I give and bequeath the amount of said legacy, being One Thousand (1000) Dollars, as follows, to wit:

The sum of Five Hundred (500) Dollars to the ROCKVILLE CHAPTER of the AMERICAN RED CROSS, of Rockville, Connecticut;
The sum of Three Hundred (300) Dollars to the ROCKVILLE PUBLIC HEALTH NURSING ASSOCIATION, of said Rockville; and
The sum of Two Hundred (200) Dollars to the AMERICAN FOUNDATION FOR THE BLIND, Inc. of 15 West 16th Street, New York, New York.

3. I HEREBY republish and confirm my said Will in all respects except as altered by this Codicil.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal at said Vernon, this 19th day of April, A.D. 1944.

WHEREAS, under the provisions of Section 2, Article IX of the By-laws of Sabra Trumbull Chapter, D.A.R. the Advisory Board of the Sabra Trumbull Chapter is given the power to manage all business connected with the Free Bed Fund given by the Chapter to the Rockville City Hospital, Inc., and

WHEREAS, the records of said Chapter, as well as the records of said Advisory Board, do not disclose that any definite regulations have been decided upon or adopted concerning the use of a free bed at said Hospital other than preference to a Daughter and limiting the expenditures to income from said fund.

NOW, THEREFORE, at a meeting of the Advisory Board of the Sabra Trumbull Chapter held on December 4 1954, the following regulations were adopted concerning the expenditures of the income of the Free Bed Fund established with the Rockville City Hospital, Inc.:

(1) The income from said Fund was established for the benefit of Sabra Trumbull Daughters who shall always have preference in its use.

(2) Payments of a portion or the whole of approved applicants' bills from said income shall be made to the Rockville City Hospital only on the first of the months of January, April, July and October of each year.

(3) If the income of any quarter is insufficient to pay the bill or bills incurred by approved applicants during the quarter for which the income was derived, then the income is to be prorated against the total indebtedness for the quarter.

(4) In the event that on January first of each year there remains an unexpended balance of the income from said fund, the

Advisory Board may if it so decides used the whole thereof or any part thereof in reimbursing Daughters for any portion or the whole of the balance it became necessary for them to pay or incur for a hospital bed at the Rockville City Hospital not previously paid from the income of the Fund by reason of inadequate income during any quarter.

(5) If on January first of each year it is found that the income from the calendar year just elapsed exceeds the expenditures and obligations incurred then in that event the Advisory Board may use the unexpended balance or a portion thereof in paying bills owing for a bed in said hospital by deserving and needy people or they may reimburse such deserving and needy people for a portion or the whole of a bill for a bed in the Rockville City Hospital that they have paid.

(6) Whatever income that is not used in any calendar year shall be applied to the principal of said Fund.

(7) These regulations are to become effective on January 1st, 1955.

Board of Trustees
Rockville City Hospital
Rockville, Connecticut

Gentlemen:

As you know the Sabra Trumbull Chapter, D.A.R., has been formally disbanded.

As a result of this action there are two matters which concern the Rockville City Hospital. The first is the permanent endowment for a "free bed" fund. I understand, from Mr. Joseph McMannus, that the Connecticut Bank and Trust Company, the fiduciary of this fund, knows of the dissolution of the Sabra Trumbull Chapter and that the bank will continue to maintain the fund with the discretion in you, as trustees, to choose beneficiaries. The former members of the Sabra Trumbull Chapter will appreciate any preference which you may choose to give to them or to other D.A.R. members as beneficiaries of this fund.

The second matter of which you are advised is that under section 39 of the will of Celia E. Prescott, late of Rockville, the trustees of the Hospital are the

remaindermen of a one thousand dollar ($1,000) bequest. Therefore, I enclose herewith bank book no. 40260 of the Savings Bank of Rockville evidencing a deposit in that amount which now belongs to the trustees of the hospital subject to the trust provision set forth in the copy of section 39 of Mrs. Prescott's will which is appended to the bank book.

Very truly yours,

Mrs. Donald C. Fisk

Re: Estate of Minnie Foster Riley

Dear Mrs. Yaskulka:

In accordance with your letter of July 28, I am enclosing the following extract from Mrs. Riley's Last Will and Testament for your records: to wit,

> "ARTICLE THIRD: I give and bequeath the following property or sums of money as set forth in the Article THIRD of my will, as follows:
>
> (j) The sum of Fifteen Thousand ($15000) Dollars to the Rockville City Hospital of Rockville, Connecticut, as a permanent fund to be known as the "Winchell-Foster Free Bed Fund" in memory of my grandparents, Cyrus and Hester Winchell, and my parents, Wilbur and Mary Edna Foster, and which sum shall be held and invested and reinvested as the governing body of said Hospital shall, in its sole discretion deem best, and the income from which shall be used for the maintenance of a free bed in said Hospital".

In response to paragraph 4 of your letter regarding the nearest relative, I am sorry to say that I do not know who the person might be who would qualify as "the nearest relative". As you know, Mrs. Riley's only son predeceased her and left surviving no issue. I will give you the name of his wife and you may write to her if it pleases you to do so; it is, Mrs. Dorothy Neilson Riley, P.O. Box 288, Stonington, Connecticut.

We wish to thank you for your prompt reply and the information you submitted therein.

Very truly yours,

DECREE ADMITTING WILL AND ORDERS
At a Court of Probate holden at Vernon, in and for the District of Ellington, in the County of Tolland, State of Connecticut, on the 8th day of July, A.D. 1965.
Present, HON. THOMAS F. RADY, Judge.

ESTATE OF ELSIE SYKES PHELPS, late of Vernon in said District, deceased.

Upon the application of Horace W. Jones, Jr. of W. Hartford praying that an instrument in writing purporting to be the last will and testament of said deceased be admitted to probate and that letters testamentary on said estate be granted as per application on file more fully appears.

This Court for cause shown, viz: that all parties known to be interested in said estate and legally capable of acting, have signed and filed in Court a written waiver of notice, dispenses with notice of the pendency of said application, and of a hearing thereon.

After due hearing had this Court finds that said deceased last dwelt and was domiciled in the town of Vernon in said District, and died testate on the 27th day of June A.D. 1965; that the instrument referred to in said application was duly executed by the testatrix as and for her last will and testament and that she was at the time of executing the same of lawful age and of sound mind and memory. It is therefore considered by this Court that said will is duly proved and the same is proved and approved. Whereupon letters testamentary on said estate are granted to Horace Walker Jones, Jr. and The Connecticut Bank & Trust Company, formerly The Hartford Connecticut Bank Trust Company appeared in Court and accepted said trust and the will excuses said Horace Walker Jones, Jr. from furnishing bond.

ORDERED, That twelve months from the 8th day of July, 1965 be and the same are allowed the Executors within which to settle said estate.

ORDERED, That six months from the 8th day of July, 1965 be and the same are limited and allowed for the creditors to bring in their claims against said estate and the said Executors are directed to give public notice to the creditors to bring in their claims within said time allowed, by posting a copy of this order upon the public sign-post nearest to the place where the deceased last dwelt within said town and by publishing the same once in some newspaper having a circulation in said Probate District within thirty days from the date of this order and return make to this Court of the notice given, and of a list of all claims presented within said time.

ORDERED, That two months from the 8th day of July, 1965 be and the same are allowed the Executors within which to make, or cause to be made, a true and perfect inventory of all the estate of said deceased, both real and personal, including choses in action. And this Court appoints W.Thurston Rowley and Robert C.Terwilliger disinterested persons, appraisers under oath, to appraise said estate, and return make to this Court within said time allowed.

(signed) Thomas F Rady, Judge.

(b) To pay over to my said daughters DOROTHY PHELPS JONES and MILDRED PHELPS JONES in equal shares the entire principal of the trust fund and accumulated income upon the death of the said Joseph Quinn free and discharged of the trust. If either of them is not then living, her issue shall take her share per stirpes; if either die without issue then to the survivor of them; and, if no survivor, to the issue of the other of them.

ARTICLE XIII: All of the rest, residue and remainder of my property, both real and personal and of whatsoever nature, whether the same may be located or found, including any and all lapsed legacies or devises, I give, devise and bequeath to my said daughters, DOROTHY PHELPS JONES and MILDRED PHELPS JONES, in equal shares absolutely, and if either of them is not living at the time of my death, then to her issue per stirpes; if either die without issue, then to the survivor of them; and, if no survivor, to the issue of the other of them.

ARTICLE XIV: In the event that from any cause my estate shall at the time of my death be insufficient for the payment in full of all the legacies and devises in this will contained, I direct that the legacies to my said daughters, Dorothy Phelps Jones and Mildred Phelps Jones, and my said son-in-law, Horace Walker Jones, Jr., contained in ARTICLE III, sub-sections (a), (b) and (c), and ARTICLE VII of this Will shall be paid in full, and that all other legacies and devises in this Will contained shall proportionately abate so far as may be necessary to meet the conditions of my estate.

ARTICLE XV: I hereby nominate, constitute and appoint said THE CONNECTICUT BANK AND TRUST COMPANY, HORACE WALKER JONES, JR. and SAMUEL H. SNIDER, Executors of this my Last Will and Testament. I direct that no bond be required of said Horace Walker Jones, Jr. and said Samuel H.Snider as executors by any court or Judge.

In the event that either Horace Walker Jones, Jr. or Samuel H Snider is unable or unwilling to act as executor, I direct that no successor be appointed to him and that the remaining executors shall act as executors and shall have all the powers and duties herein conferred upon my said executors, and if both of them are unable or unwilling to act, then The Connecticut Bank and Trust Company, shall act as sole executor with the same rights, duties and discretionary powers herein conferred upon my said executors.

I hereby authorize my Executors and Trustee to sell, mortgage and convey the whole or any part of my estate not specifically devised and the whole or any part of said trust funds whether real or personal, at public or private sale, for cash or upon such terms as to payment as may be deemed advisable, and to execute and deliver such deeds and other instruments as may be necessary to vest title in the purchaser, without any obligation or liability on the part of the purchaser to see to the application of the purchase money; to determine whether any moneys are to be considered as income or principal, and whether any expenses are to be paid from income or principal; to pay any or all expenses for the protection and maintenance of real estate and for care, storage, transportation and delivery of personal property out of the principal of my estate as an administration expense; to continue to hold any property, real or personal, which is a part of my estate at the time of my death, for such period of time as shall be deemed to be for the best interests of my estate; to invest and reinvest any trust fund in any property or security, including non-income-producing property, common and other corporate stocks, and common trust funds

my Executors will select such securities as will be approved by the respective legatees; to pay any legacies of cash or personal property at any time after the expiration of one month after the approval of my will by the court of probate; to pay over the net income of the trust to the respective beneficiaries at least quarterly; to favor any life beneficiary over the remaindermen in any conflict of interests between the life beneficiaries and remaindermen, provided that in the judgment of my Trustee it is prudent to do so; and to make in cash or in property or in both at such value as either my Executors or my Trustee shall fix any and all divisions and distributions of my estate and any fund held in trust whenever distribution is required including any revaluations and allocations necessary in connection therewith.

I direct my Executors to make such adjustments in the number of shares of stock hereinbefore bequeathed as may be necessary or appropriate in the event of a merger, recapitalization, reorganization, increase or decrease in the capital of any such corporation between the date of this Will and the date of my death.

I direct that the full amount received as interest upon any bonds owned by me at the time of my death which may be appraised above their par value or which may be received by the Trustees at a valuation above the par value, or which shall have been at any time bought by the Trustees at a premium, shall be accounted for as income and paid to persons entitled to such income without regard as to the rate of interest which would be actually received upon such bond if held to maturity, or without regard to their appraised value or cost, and if such bonds are paid or sold and the amount realized is less than the appraised value or cost, the loss shall be charged against the principal as a proper diminution of principal.

The words "child or children," "descendants" and "issue" as used in this Will are intended to mean not only heirs of the blood but also children by adoption or descendants of any adopted person.

IN WITNESS WHEREOF I have hereunto set my hand and seal this 28th day of September, 1955.

WILL

OF

PERCY W. BAKER

I, Percy W. Baker, of Vernon, Connecticut, make, publish and declare this to be my last will and testament and hereby revoke all of my prior wills and codicils.

ARTICLE I: Payment of Taxes. I direct that all legacy, succession, inheritance, transfer and estate taxes payable with respect to property included in my gross estate for the purpose of any such tax excepting, however, any property with respect to which I have been granted a power of appointment, shall be paid out of my estate in the same manner as an expense of administration and shall not be prorated or apportioned among or charged to the respective devisees, legatees, beneficiaries, transferees or other recipients nor charged against any property passing or that may have passed to any of them, whether under this will or otherwise. I further direct that my estate shall not be entitled to reimbursement for any portion of any such tax from any such person.

PWB ARTICLE II: Bequests.

(1) I give and bequeath the sum of $5,000.00 to EMERSON S. ABORN of 18 Meadowbrook Road, Ellington, Connecticut, to be his, absolutely.

(2) I give and bequeath the sum of $5,000.00 to SHERWOOD H. ABORN of 13 Esther Avenue, Ellington, Connecticut, to be his, absolutely.

(3) I give and bequeath the sum of $5,000.00 to HAZEL CONNOR of 24 Lucian Street, Manchester, Connecticut, to be hers, absolutely.

(4) I give and bequeath the sum of $5,000.00 to SHIRLEY TOWNSEND of P. O. Box 1327, Clarksville, VA 23927, to be hers, absolutely.

(5) I give and bequeath the sum of $5,000.00 to EVELYN SALZER of 325 Kelly Road, Apt. 8, Vernon, Connecticut, to be hers, absolutely.

(6) I give and bequeath the sum of $2,000.00 to MARGARET PARKER of Welles Village, Vernon, Connecticut, to be hers, absolutely.

(7) I give and bequeath the sum of $1,000.00 to LINDSAY TAYLOR of 100 Talcott Avenue, Rockville, Connecticut, to be hers, absolutely.

(8) I give and bequeath the sum of $2,000.00 to PAMELA TAYLOR of 100 Talcott Avenue, Rockville, Connecticut,

to be hers, absolutely.

(9) I give and bequeath the sum of $3,000.00 to GEORGE TAYLOR of 100 Talcott Avenue, Rockville, Connecticut, to be his, absolutely.

ARTICLE III: Residue. All the rest, residue and remainder of my property, real and personal, of whatever nature and wherever situated, I give, devise and bequeath as follows:

(a) Twenty (20) per cent to be held in trust to establish a fund known as the Julia and Percy Baker Family Memorial Fund. Said fund is to be used for the upkeep and physical maintenance of the Rockville General Hospital, Rockville, Connecticut. The physical maintenance of the Hospital by said fund is defined to include items such as painting, roof repairs, furnace repairs or replacement carpet repairs or replacement, or any other repairs or replacement of existing fixtures so as to keep the Hospital in good physical condition.

The intent is that the principal of the fund so established and known as the Julia and Percy Baker Family Memorial Fund not be invaded. Only interest or other income generated by the Fund shall be used for purposes of physical maintenance, and the corpus of said fund is not to be invaded by the Trustee.

(b) Eighty (80) per cent to be held in trust to establish a fund known as the Julia and Percy Baker Family Memorial Fund. Said fund is to be used for the upkeep and physical maintenance of the Union Congregational Church of Rockville Connecticut. The physical maintenance of the Church by said fund is defined to include items such as painting, roof repairs, furnace repairs or replacement, carpet repairs or replacement, or any other repairs or replacement of existing fixtures so as to keep the Church in good physical condition.

The intent is that the principal of the fund so established and known as the Julia and Percy Baker Family Memorial Fund not be invaded. Only interest or other income generated by the Fund shall be used for purposes of physical maintenance, and the corpus of said Fund is not to be invaded by the Trustee.

ARTICLE IV: Powers. In addition to all statutory, inherent and implied powers, I give my Executor and my Trustee and any Successor Executor and Trustee full discretionary power and authority:

to retain, without liability for loss or depreciation resulting from such retention, any property, real or personal, received by them, including without limitation any investment received by them regardless of the percentage of assets represented thereby and whether or not productive of income; to invest and reinvest from time to time all or any part of the property in such stocks, common or preferred (including, without

limitation, the shares and other securities of any corporation related thereof), common trust funds, bonds, debentures, notes, securities, life insurance and annuity contracts, or other real or personal property as they may select; and to make and change such investments from time to time as they deem proper;

to sell, grant options to purchase, exchange and alter property held in my estate or as part of any trust, real or personal, at any price that they shall consider represents an adequate consideration and upon any terms that they shall deem advisable;

to lease property on any terms and conditions and for any period although extending beyond the period of any trust; to insure, improve, repair, alter and partition real estate; to erect or raze improvements; to grant easements; and to subdivide and dedicate to public use;

to cause any of the investments that may be delivered to or acquired by them to be issued, held or registered in their name, in negotiable form, in the name of a nominee or in any form in which title will pass by delivery; and any corporation or its transfer agent may presume conclusively that said nominee is the actual owner of securities submitted for transfer;

to exercise in person or by proxy, all voting, option, subscription, reorganization, consolidation, merger and liquidation rights and all other rights and privileges of whatever nature incident, appurtenant or pertaining to securities in my estate, in trust, or to which I am otherwise entitled and in connection therewith to enter into any covenant or agreement binding the estate or trust and to purchase any new securities issued as a result of or in connection with any such act;

to settle, compromise, contest or abandon claims or demands in favor of or against my estate or trust;

to borrow money, assume indebtedness, extend mortgages and encumber by mortgage or pledge although extending beyond the period of any trust;

to distribute any property distributable to a minor hereunder directly to the minor or to the minor's parent or guardian for the minor's benefit or to any person as custodian for the minor under the Uniform Gifts to Minors act of any state or in any other manner deemed to be for the minor's benefit, and the written receipt of the person receiving any such distribution shall be a full and complete discharge;

to lend funds to, sell assets to, purchase assets from, borrow from, accept contributions from and otherwise deal (in the case of my Trustee) with my estate and (in the case of my Executor) with any trust created hereunder in any manner that my Executor and Trustee shall determine to be proper; provided, however, that my Trustee shall not use or lend for the payment of any taxes, liabilities, debts or any other claims or charges against my estate any portion of any payment from an employee or self-employed benefit plan payable to my Trustee if such use or loan would subject such payment to inclusion in my gross estate for Federal estate tax purposes;

to select property to be allocated to any separate trust created herein or distributed in satisfaction of any gift provided for hereunder, without any duty of impartiality with respect to the income tax basis of such property; provided however, that such power shall not be exercised in a manner that will result in the loss of, or decrease in, any Federal estate tax deduction;

to hold the principal of two or more trusts created

hereunder in one or more consolidated funds in which the separate shares shall have undivided interests.

ARTICLE V: Executor and Trustee. I appoint WILLIAM E. HALL of Coventry, Connecticut, to be my Executor. I direct that only a nominal bond be required of him to act in such capacity.

I hereby designate that the Chairman of the Union Congregational Church Business Committee at the time of my death will be the Trustee of the Trust herein created for the Union Congregational Church. It is my intention that the successor Chairman of said Committee will become the successor Trustee under this Will. I direct that only a nominal bond be required of any Trustee to act in such capacity.

ARTICLE VI: Miscellaneous Provisions. For the purposes of this will a person who does not survive me by fifteen days shall be deemed to have predeceased me.

Neither the gender nor the number (singular or plural) of any word shall be construed to exclude another gender or number when a different gender or number would be appropriate.

The underlined captions set forth in this will at the beginning of the various ARTICLES are for convenience of reference only and shall not be deemed to define or limit the provisions contained in said ARTICLES or to affect in any way their construction or application.

PMB To the extent that any property or interest in property is disclaimed, such property or interest shall pass as if the disclaiming beneficiary had predeceased me.

If I own property that is subject to administration outside the state of my domicile, I authorize my Executor to pay the taxes and expenses of that administration from the assets of my domiciliary estate.

It is my intention that the provisions of this will shall be construed under the laws of the State of Connecticut.

ARTICLE VII: Omission. I intentionally omit any provision for my sister, JULIA H. BAKER, as she has sufficient means to provide for herself.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on June 22, 1990.

# Last Will and Testament

I, FAITH S. SCHORTMANN, a.k.a. FAITH L. SCHORTMANN, of the Town of Ellington, County of Tolland, and State of Connecticut, hereby make, publish and declare this to be my Last Will and Testament, hereby revoking all previous Wills and Codicils by me made.

ARTICLE I

I direct that all my enforceable debts, administration and funeral expenses be paid as soon as practicable after my death. In the event that any property or interest in property passing under this Will, by operation of law, or otherwise, shall be encumbered by mortgage or lien, or shall be hypothecated and/or pledged to secure any obligation, my Co-Executors (hereinafter defined to include any successor or substitute Executor, Executrix, Administrator or Administratrix), in their sole and absolute discretion, may, but need not, charge such mortgage, lien, or security interest against, pay the same from or purchase the underlying obligation with, assets of my estate.

ARTICLE II

I direct that my Co-Executors pay, as an expense of administration, out of my residuary estate, without apportionment, all federal and state estate, inheritance and succession taxes (including any interest and penalties) incurred by reason of my death in respect of all property required to be included in my gross estate for the purpose of such taxes, whether such property passes under this Will or otherwise, (excepting, however, any property over which I have a power of appointment, which property shall be liable to my Co-Executors for that amount of the taxes beyond which would have been assessed, had such property not been included in my taxable estate), without contribution by any recipient of any such property.

VOL. 205 PAGE 408

ARTICLE III

I hereby give and bequeath to my nieces, MARILYN SKINNER CHASE, of Coventry, Connecticut, and DIANNE MCLAUGHLIN, of Somers, Connecticut, in approximately equal shares as they shall mutually agree, the following items of tangible personal property: my cut glass collection, my pink globe lamp, all my china, my china buffet closet, all my silverware and all my jewelry owned by me at the time of my death.

ARTICLE IV

To the individuals listed below, I hereby give and bequeath the following:

A. To my sister-in-law, ELEANOR I. SKINNER, of Vernon, Connecticut, my collection of owls and my collection of music boxes;

B. To my brother, LEROY B. SKINNER, of Vernon, Connecticut, all my tangible personal property (except business interests, partnership interests, United States bonds, treasury certificates, stocks, securities and cash on hand or on deposit), which is located in the basement of my personal residence at the time of my death; and

C. To my sister-in-law, PHYLLIS SKINNER, all the rest of my tangible personal property (except business interests, partnership interests, United States bonds, treasury certificates, stocks, securities and cash on hand or on deposit) owned by me at the time of my death.

If any of the individual beneficiaries named in this Article IV shall not survive me, the bequest to such individual(s) shall lapse and same shall become part of my residuary estate, hereinafter disposed of.

I may leave a memorandum of my wishes regarding the ultimate disposition of some or all of such property, and I would hope that my wishes as to the disposition of such property would be respected, insofar as those wishes are made known, but such

memorandum shall not affect the absolute nature of these bequests.

ARTICLE V

I hereby give and bequeath to my brother, LEROY B. SKINNER, and my sister-in-law, ELEANOR I. SKINNER, or unto the survivor of them, all stock of Northeast Utilities owned by me at the time of my death. In the event both LEROY B. SKINNER and ELEANOR I. SKINNER shall predecease me, then this bequest shall lapse and shall become part of my residuary estate, hereinafter disposed of.

ARTICLE VI

I hereby give and bequeath to ROCKVILLE GENERAL HOSPITAL, INC., located in Vernon, Connecticut, the proceeds of all my investments with the IDS Financial Services, Inc., and its related companies, to be held as a separate fund known as the FAITH S. SCHORTMANN FUND. Said Fund shall be restricted, and the Board of Trustees or other governing body of said ROCKVILLE GENERAL HOSPITAL, INC., shall invest and reinvest such Fund in any manner it deems appropriate, but shall use or expend only the income therefrom (without invasion of the principal of said Fund) for such purposes directly related to the operation and/or improvement of the maternity and nursery facilities of said ROCKVILLE GENERAL HOSPITAL, INC., in whatever manner it deems appropriate.

ARTICLE VII

To the organizations listed below, I hereby give and bequeath the following:

A. To the CONNECTICUT STATE GRANGE, ORDER OF PATRONS OF HUSBANDRY, CHAPTER 52, of Vernon, Connecticut, the sum of FIVE HUNDRED DOLLARS ($500.00);

B. To the AMERICAN LEGION AUXILIARY DOBSOZ ERTFL HOBAR HANSEN, UNIT 14, of Vernon, Connecticut, the sum of FIVE HUNDRED DOLLARS ($500.00);

FILED

C. To the ROCKVILLE GENERAL HOSPITAL AUXILIARY, of Vernon, Connecticut, the sum of FIVE HUNDRED DOLLARS ($500.00); and

D. To the VISITING NURSES ASSOCIATION, of Vernon, Connecticut, the sum of FIVE HUNDRED DOLLARS ($500.00).

These bequests are unrestricted, and the Board of Trustees or other governing body of each such organization may use and expend its bequest for its benefit in any manner it deems appropriate.

ARTICLE VIII

I hereby give, devise and bequeath all the rest, residue and remainder of the property which I may own at the time of my death, real, personal and mixed, of whatsoever nature and wheresoever situated, including all property which I may acquire or become entitled to after the execution of this Will, (hereinafter referred to as my "residuary estate"), as follows:

A. FORTY-FIVE PERCENT (45%) of my said residuary estate to ROCKVILLE GENERAL HOSPITAL, INC., of Vernon, Connecticut, to be added to and become a part of the FAITH S. SCHORTMANN FUND, to be used and expended in accordance with the terms of Article VI of this, my Last Will and Testament;

B. FORTY-FIVE PERCENT (45%) of my said residuary estate to my brother, LEROY B. SKINNER, and my sister-in-law, ELEANOR I. SKINNER, or unto the survivor of them, to be theirs absolutely. In the event both LEROY B. SKINNER and ELEANOR I. SKINNER shall predecease me, then this legacy shall lapse and shall pass instead to the other then living beneficiaries or existing organization taking under this Article VIII, allocated in accordance with and in proportion to each such beneficiary's respective share of my residuary estate as set forth under this Article VIII;

C. FIVE PERCENT (5%) of my said residuary estate to the Trustees under a certain Trust Indenture by and between

1495

GEORGE R. SKINNER, JR. (a.k.a. RAYMOND SKINNER) as Donor and ELEANOR I. SKINNER and FAITH S. SCHORTMANN as Trustees, dated October 19, 1960, said Trust being for the benefit of my brother, GEORGE R. SKINNER, JR. Such percentage of my residuary estate shall be added to the principal of the Trust created under said Trust Indenture, including any amendments thereto, to be held, administered and distributed in all respects as an integral part thereof. In the event GEORGE R. SKINNER, JR., shall predecease me, then this legacy to the Trustees of said Trust Indenture shall lapse and shall pass instead to the other then living beneficiaries or existing organization taking under this Article VIII, allocated in accordance with and in proportion to each such beneficiary's respective share of my residuary estate as set forth in this Article VIII; and

D. FIVE PERCENT (5%) of my said residuary estate to my sister-in-law, PHYLLIS SKINNER, provided, however, in the event PHYLLIS SKINNER shall predecease me, then her then living issue shall take, per stirpes, the share of my residuary estate she would have taken, has she survived me.

ARTICLE IX

At the time of the execution of this Will, I am widowed and have no children.

ARTICLE X

If any person named or referred to in this my Will and I shall die under such circumstances that it is difficult or impossible to determine who predeceased the other, then I direct that the terms and provisions of this my Will shall be construed as though I had survived such other person and that my estate shall be administered and distributed in all respects accordingly.

7195

ARTICLE XI

I hereby incorporate by reference the 'Fiduciary Powers Act", as set forth in Connecticut General Statutes, Sec. 45-100e, and grant to my Co-Executors (including any successor Executor or Executrix herein named) the powers enumerated therein.

ARTICLE XII

I hereby appoint my brother, LEROY B. SKINNER, of the Town of Vernon, County of Tolland, and State of Connecticut, and my sister-in-law, ELEANOR I. SKINNER, of the Town of Vernon, County of Tolland, and State of Connecticut, Co-Executors of this my Last Will and Testament, to serve without bond insofar as the laws of any state in which my estate is administered allow. In the event that either of them is unable or unwilling to act, or continue to act, in such capacity, then the remaining Co-Executor shall act alone as the Executor or Executrix, as the case may be, of this, my Last Will and Testament.

IN WITNESS WHEREOF, I have hereunto set my hand and seal at Vernon, Connecticut, on the 21st day of November, A.D., One Thousand Nine Hundred Ninety.

Hartford National Bank and Trust Company,
By William B. Dana Associate Trust Officer.

A true copy Attest: Asst. Clerk

I, Frederick W. Swindells, of Rockville, Connecticut, hereby make the following as my last will and testament, hereby revoking all former wills by me made.

First: I appoint my father, Frederick Swindells, my mother, Annie Swindells, and Hartford National Bank and Trust Company, a national banking association, located in Hartford, Connecticut, Executors of this will. I relieve my father and mother from the necessity of furnishing bonds as Executors. I authorize my Executors and their successor or successors to sell and convey any property, real and personal, which may form part of my estate. All succession, inheritance, transfer, legacy and estate taxes shall be paid from my estate as administration expenses.

Second: All my articles of personal and household use and adornment, including household effects and all property of whatever nature that may be located in my home or homes at the time of my death, except cash and securities, if any, I give to my father, Frederick Swindells, and to my mother, Annie Swindells, in equal portions, or to the survivor thereof. In case neither my father nor my mother survive me, I give the same to my Trustees named in paragraph Sixth of this will in equal portions with the request that they make such disposition thereof as in their opinion would meet my wishes.

Third: I give to my wife, Lois W. Swindells, the life use of one-third of my estate upon furnishing by her of a proper probate bond for the protection of the principal of the same.

Fourth: I give to said Hartford National Bank and Trust Company and its successor or successors the sum of Twenty Thousand (20,000) Dollars, authorizing my Executors to use for that purpose securities at their valuation. Said fund shall be held by said Hartford National Bank and Trust Company as a trust fund with powers and duties in respect thereto as follows:

(a) To sell and convey the same.

(b) To invest and reinvest the proceeds of such sale or sales at the sole discretion of my Trustee without restriction to trust investments so-called.

(c) To collect the income thereof and, after paying all proper charges therefrom, to pay to or for the benefit of George M. Allen of Rockville, Connecticut, said net income in quarterly installments or oftener at the discretion of my Trustee so long as he shall live.

(Continued over)

VOL. 47

# DISTRICT OF ELLINGTON

(Continued from page 277) (Estate Frederick W. Swindells)

Fifth: I give to said Hartford National Bank and Trust Company, its successor or successors, the sum of Twenty Thousand (20,000) Dollars, authorizing my Executors to use for that purpose securities at their valuation, in trust, however, for the following uses and purposes:

(a) To sell and convey the same.

(b) To invest and reinvest the proceeds of such sale or sales at the sole discretion of my Trustee without restriction to trust investments so-called.

(c) To collect the income thereof and, after paying all proper charges therefrom, to pay the net income to or for the benefit of Edna May Henry, who has been in my family as a ward, in quarterly installments or oftener at the discretion of my Trustee, so long as she shall live.

Sixth: All the rest and residue of my property and estate, together with all property and estate over which I may have the power of appointment by the will of my father, Frederick Swindells, of Rockville, Connecticut, and/or by his said trust instrument, I give, devise and bequeath to Hartford National Bank and Trust Company and to The Travelers Bank and Trust Company, corporations located in Hartford, Connecticut, in equal amounts, to be held by said trust companies respectively, as Trustees, with powers and duties as follows:

(a) Their powers and duties in reference to the investment and management of said trust funds shall be those set forth in clauses (a) and (b) of paragraph Fourth of this will. Said Trustees shall collect the income of said respective trust funds, and, after paying all proper charges therefrom, shall pay the net income thereof in semi-annual installments or oftener at their discretion to charitable corporations or societies incorporated for the relief of sick and suffering poor children, and/or for the relief of sick suffering and indigent, aged men and women, and/or for the support of public and charitable hospitals. I direct that each of said Trustees shall select such corporations from time to time depending upon the work of the corporations for the charities aforesaid and the needs and scope of their work. I give to such Trustees the widest discretion in this matter for I am aware that the disposition of funds held for charitable purposes intended to be administered in perpetuity must necessarily change from time to time. I intend to be definite in my instructions within the requirements of law and yet give to my Trustees freedom of disposition of such income within such defined limits. The ultimate beneficiaries of this charity shall be poor and suffering individuals. I prefer that the almoner corporations or societies which are the immediate administrators of such charities shall be few rather than numerous, for it does not seem to me wise that there should be a scramble among charitable corporations or societies for the distribution of the funds above constituted. Said trust funds are to be known as the Swindells Charitable Foundations.

In Testimony Whereof I have hereunto set my hand and seal at Truro N.S., this 15 day of October 1930.

HARTFORD NATIONAL BANK AND TRUST COMPANY

HARTFORD, CONNECTICUT

Trust Department

October 24, 1933

The Rockville City Hospital
45 Prospect Street
Rockville, Connecticut

Gentlemen:

F. W. SWINDELLS CHARITABLE FOUNDATION

As you may know, this company and the Travelers Bank and Trust Company are Trustees of the Charitable Foundation created by the will of the late Frederick W. Swindells.

Under the provisions of his will the income from this fund is distributed from time to time to hospitals and charitable organizations for the care of the poor and suffering, which organizations are selected by the Trustees.

We feel that it is entirely fitting a contribution should be made to the Hospital in Rockville, which was Mr. Swindell's residence, and we are accordingly enclosing herewith a check to your order for $500. We understand that you will receive a similar check from the Travelers Bank and Trust Company.

Will you be good enough to acknowledge receipt of this?

Very truly yours,

Signed:
William B. Dana
ASSOCIATE TRUST OFFICER

WBD:MLF

HARTFORD, CONNECTICUT

Department

October 24, 1933.

Rockville City Hospital,
Rockville, Connecticut.

Gentlemen:

The Travelers Bank and Trust Company is trustee for one-half of a fund known as the F. W. Swindells Charitable Foundation created in the will of F. W. Swindells, late of Rockville, Connecticut. One of the specific purposes of this trust fund is "for the support of public and charitable hospitals".

Mr. Frederick Swindells of Rockville, in advising with us as to the disposition of certain amounts of income now on hand, suggests that we send an amount of $500 to your institution for the general uses and purposes of your institution. We are accordingly enclosing our check for this amount, payable to the Rockville City Hospital and will ask you to sign the enclosed receipt and return it to us.

Very truly yours,

Signed:

John B. Bolles
Assistant Secretary

Rockville, Connecticut, January 27, 1936

The annual meeting of the Trustees of The Rockville City Hospital was held this day in the Directors' Room of The Hartford-Connecticut Trust Company, "Rockville Branch", F. N. [illegible], Vice-President, in the Chair.

The minutes of the last annual meeting were read and approved.

The treasurer's report was also read and approved and voted to be placed on file.

The report of the Superintendent was read and approved.

The report of J. Everett North, Auditor of Agnes H. Lazzerin, Superintendent's report, was also read and approved.

Additional report of the Secretary is as follows:

"The Rockville City Hospital has been particularly favored during the past year in the gift of funds as follows:

| | |
|---|---|
| Gift of the Rockville Athletic Association (deposited in State Savings Bank, Hartford) | $ 981.86 |
| Gift of United Polish Societies (deposited in People's Savings Bank, Rockville) | $ 383.32 |
| Gift of Florence P. Maxwell, Francis T. Maxwell, and Priscilla Endicott (for Nurses' Home) (disbursed on Nurses' Home remodeling $7,544.54) | $7,600.00 |
| Gift of William Maxwell (not yet invested) | $4,500.00 |
| Income received from F. W. Swindells Charitable Foundation | $ 500.00 |

The Nurses' Home, under the gratuitous supervision of George Arnold, Jr., has been thoroughly remodeled, the major items being the installation of new heating apparatus, new plumbing and fixtures, new floors laid, the entire interior painted and papered. A number of ladies contributed to the Home, articles of furniture and draperies. Mr. Francis T. Maxwell contributed an electric refrigerator. Workmen have made reduction in the amount of their bills for services rendered. The result of these contributions has given to the Hospital a Nurses' Home that is ideal in every respect and much enjoyed by the nurses.

The Trustees much appreciate the interest that has been shown by different individuals in bringing about these conditions.

The sterilizing outfit at the Hospital, which has been in use for a number of years, has arrived at a condition that necessitates frequent repairs. It has been deemed advisable that it be replaced with a new outfit, the installing of which is now in process at an estimated cost of $2,000."

Voted to instruct our Treasurer to consolidate all of the investments of the special "Funds" of less than $5,000., unless it shall conflict with the terms of the will or the wishes of the donor.

Voted to instruct our Treasurer that before such consolidation is made, that any income that has been allowed to accumulate in any of our funds be transferred to the "General Fund", unless such increase is called for by the terms of the will or the wishes of the donor.

Voted that the Treasurer withdraw any legacies or special gifts that may at present be carried in the "General Fund", and that the same be specially designated as are the other special funds, selecting such investments from the General Fund as the Treasurer may deem best.

Voted that our Treasurer keep a list of the names of the donors and amount of each gift that make up the Consolidated Invested Funds, to be kept with the same.

Voted that we approve the sale of securities and investments that have been made by the Finance Committee or the Treasurer during the past year as shown in the Treasurer's report.

Voted to sell one and 45/55ths shares General Motors Common held by the Robert Maxwell Fund, being a dividend received from the E. I. DuPont deNemours Co. Common.

The following Trustees were elected by ballot as officers for the year ensuing:

| | |
|---|---|
| F. T. Maxwell | President |
| F. N. Belding | Vice-President |
| A. T. Bissell | Secretary |
| The Hartford-Connecticut Trust Co. "Rockville Branch" | Treasurer |
| F. N. Belding, George Arnold, Jr. and L. F. Bissell | Auditors |
| F. N. Belding, F. T. Maxwell and A. T. Bissell | Finance Committee |

The following Trustees were present at the meeting:

F. N. Belding
A. T. Bissell
George Arnold, Jr.
Lebbeus F. Bissell

The following named persons are Trustees of The Rockville City Hospital:

F. T. Maxwell
F. N. Belding
A. T. Bissell
George Arnold, Jr.
Lebbeus F. Bissell

Meeting dissolved,

Attest:

A. T. Bissell

Secretary.

January 21, 1941

Following the adjourned meeting of the corporators of The Rockville City Hospital, Inc. this day, a meeting of the Trustees was held.

Those present were:

Arthur T. Bissell
George Arnold, Jr.
Lebbeus F. Bissell
Donald C. Fisk
Frederick H. Holt, representing The Hartford-Connecticut Trust Company, Rockville Branch, Treasurer.

Mr. George Arnold, Jr. was elected chairman, due to the absence of Francis T. Maxwell and Frederick N. Belding.

The minutes of the previous annual meeting held on January 16, 1940 and a special meeting of the trustees held on December 19, 1940 were read, approved and accepted.

The Treasurer's report was read by Mr. Frederick H. Holt and was accepted.

Five gifts were received through the year, namely:

$3,000.00 from the Estate of Charlotte Howell; $103,413.25 from the Estate of the late Fred Talcott; $1000.00 from the Sabra Trumbull Chapter of the Daughters of the American Revolution; $9700.00 from Mr. Francis T. Maxwell; $500.00 from the Frederick W. Swindells Charitable Foundation. Mr. Holt also stated that there had been an additional $13,500.00 received from the Fred Talcott Estate between the completing of the Treasurer's report and the date of this meeting.

A vote of appreciation of the very generous gift of Francis

T. Maxwell in the amount of $9700.00 to the Rockville City Hospital was ordered placed on record.

The report of the auditors - George Arnold, Jr., Frederick N. Belding and Lebbeus F. Bissell - was accepted.

The report of Kenneth M. White, auditor for the accounts of Mrs. Agnes H. Lazzerin, Superintendent of the Hospital, was accepted and ordered placed on file.

The report of Agnes H. Lazzerin, Superintendent of the Hospital was accepted and ordered placed on file.

The report of Margaret E. Ronan, X-Ray Technician was accepted and ordered placed on file.

The report of Margaret E. Fay, Laboratory Technician was accepted and ordered placed on file.

It was voted that the Secretary cast one ballot for the following officers for the ensuing year, or until their successors are chosen:

| | |
|---|---|
| President | Francis T. Maxwell |
| Vice-President | Frederick N. Belding |
| Secretary | Donald C. Fisk |
| Treasurer | The Hartford-Connecticut Trust Company, Rockville Branch |

The ballot was cast and the chairman declared them elected.

It was voted that the Secretary cast one ballot for the following to serve as Executive Committee for the ensuing year, or until their successors are chosen:

Francis T. Maxwell
Arthur T. Bissell
George Arnold, Jr.

The ballot was cast and the chairman declared them elected.

It was voted that the Secretary cast one ballot for the following to serve as Finance Committee for the ensuing year, or until their successors are chosen:

Francis T. Maxwell
Frederick N. Belding
Arthur T. Bissell

The ballot was cast and the chairman declared them elected.

It was voted that the Secretary cast one ballot for the following to serve as Auditors for the ensuing year, or until their successors are chosen:

George Arnold, Jr.
Frederick N. Belding
Lebbeus F. Bissell

The ballot was cast and the chairman declared them elected.

A general discussion of the accounts receivable was had and it was voted that Donald C. Fisk make recommendations to George Arnold, Jr. and Lebbeus F. Bissell as to those accounts in which, in his opinion, actions should be instituted for the collection thereof.

It was voted that the Finance Committee appoint an auditor for the accounts of Agnes H. Lazzerin, Superintendent of the Hospital.

A report by Lebbeus F. Bissell was made concerning certain differences between Agnes H. Lazzerin, Superintendent of the Hospital, and some of the doctors on the staff of the Rockville City Hospital, and a general discussion was had concerning the same.

No other business coming before the meeting, same was adjourned.

Attest: Donald C. Fisk

A true copy

I, Robert Maxwell, of the City of Rockville, State of Connecticut, being of sound and disposing mind and memory, do hereby make, publish and declare this to be my last will and testament, hereby revoking all other wills by me at any time heretofore made:

First: I give and bequeath unto the Rockville Public Library, the sum of Twenty-five thousand dollars ($25,000.)

Second: I give and bequeath unto my Executors hereinafter named, or the survivors or survivor of them, the sum of One hundred thousand dollars ($100,000.), to be devoted by them to the establishment and maintenance of a suitable building or buildings, grounds and equipment in the City of Rockville, State of Connecticut, where the residents of the City of Rockville and vicinity may, without charge and without regard to race or religion, obtain healthful exercise, recreation, amusement and instruction, or, in the discretion of my Executors, the said principal sum or the income thereof, or both, to be devoted by them in such other manner as they may deem suitable for the benefit of the said residents of Rockville and vicinity.

Third: I give and bequeath unto those persons who may be at the time of my death the trustees of the George Sykes Manual Training School, the sum of Fifty thousand dollars ($50,000.), or such part thereof as my said Ex-Executors may approve, and the balance thereof, if any, shall fall into and become a part of my residuary estate.

Fourth: I give and bequeath unto the New York Association for improving the condition of the poor the sum of Ten Thousand dollars ($10,000.), to be applied by them in furtherance of the work conducted by such Association known as "Sea Breeze", and now located at Coney Island, New York, or to the general uses and purposes of said Association AS the Board of Managers of said Association may determine.

Fifth: I give and bequeath unto William Sargent now in my employ as butler, the sum of Five thousand dollars ($5,000.), provided that he shall be in my employ at the time of my death, but if he should not be in my employ at that time, I give and bequeath unto him the sum of Two Thousand dollars ($2,000.) only.

Sixth: I give and bequeath unto Frederick Rogers, now in my employ as butler, the sum of Five thousand dollars ($5,000.), provided that he shall be in my employ at the time of my death.

Seventh: I give and bequeath unto my Executors hereinafter named, or the survivor of them, the sum of Seventy-five thousand dollars ($75,000.), absolutely. Without intending to qualify the absolute character of this bequest I hereby express the hope that they will distribute this sum among such of my friends, relatives, domestic servants in my employ at the time of my death, and my associates in the Hockanum Association, provided such Association is in existence at the time of my death, in such manner and amounts as my brother William Maxwell, with the advice of his co-executors, shall determine.

Eighth: I give, devise and bequeath unto my Executors hereinafter named, the survivors or survivor of them, the sum of Three hundred thousand dollars ($300,000.), in trust, to invest and reinvest the same and keep the same invested, and to collect the rents, issues and profits thereof and to pay the net income to my sister, J. Alice Maxwell, for and during the term of her natural life and upon her death to pay the said income in equal shares to my brothers, Francis T. Maxwell and William Maxwell, for and during their respective natural lives, and to the survivor of them during his natural life, if one of my brothers die before my said sister, and to pay the whole of

(Continued from Page 572)

such income to the survivor of my said brothers during his life on the death of either of my said brothers after my sister's death; and upon the death of the last survivor of the said J. Alice Maxwell, Francis T. Maxwell and William Maxwell, the said trust shall cease and terminate, and I give, devise and bequeath the said trust fund to Yale University, of New Haven, Connecticut, to be known as the "Robert Maxwell Fund", and the income thereof to be used for the purpose of paying or aiding in the payment of salaries of professors in the academic department, or at the option of the corporation the fund may be used for the establishment of one or more professorships in the academic department, and the unexpended income not required for such purpose used in the payment or as an aid in the payment of salaries of other professors in the academic department.

Ninth: I give and bequeath the sum of Ten thousand dollars ($10,000.) to each of my nieces, Helen Maxwell, Priscilla Maxwell, and Harriet Kellogg Maxwell.

Tenth: I give and bequeath all interest which I may have at the time of my death in the copartnership known as The Hockanum Association to my brothers, Frances T. Maxwell and William Maxwell, and direct that my Executors shall be under no obligation to collect my interest in the said firm or to cause a liquidation of the partnership or of my interest therein, but that such copartnership interest shall pass to my brothers on my death.

Eleventh: I give and bequeath unto my brother, William Maxwell, a sufficient number of shares of the preferred and common stock which I may own at the time of my death in The Hockanum Mills Company, or in such other corporation or corporations firm or firms as may succeed to the property and business of said The Hockanum Mills Company, so that the shares of stock or interest of my said brother, William Maxwell in the said The Hockanum Mills Company, or its successor or successors, together with the interest which he may own therein at the time of my death, shall be equal to the shares or interest therein of my brother Francis T. Maxwell, at the time of my death; all the rest, residue and remainder of my shares of preferred and common stock in said The Hockanum Mills Company or other my interest therein, or in its successor of successors, I give, devise and bequeath in equal shares to my brother, William Maxwell, my brother Francis T. Maxwell, and my sister J. Alice Maxwell.

Twelfth: All the rest, residue and remainder of my property, real and personal, of every nature and kind, I give, devise and bequeath to my sister, J. Alice Maxwell, and my brothers Francis T. Maxwell and William Maxwell, to be divided equally among them and to be their absolute property. Without intending to qualify the absolute character of this devise and bequest, I request my said sister and brothers to donate to the Metropolitan Museum of Art and to such of my close personal friends as they may select such of my objects of art, tapestries, furniture, rugs and other personal effects as they may choose. I especially recommend that my brother, William Maxwell, supervise and direct such distribution. All my correspondence and papers, both of a personal or business nature, I give unto my brother William Maxwell, if living, for such disposition as he may think proper.

Thirteenth: I hereby nominate and appoint as the Executors of this my Will, my said sister, J. Alice Maxwell, and my brothers, Frances T. Maxwell and William Maxwell, and I direct that no security be required of them or either of them for the faithful performance of their duties as such, nor shall any surety be required on any bond to be given by them. I also exempt them from any obligation to give bond or security on any bond in their capacity as trustees of any trust herein created.

And for the purpose of making provision for the payment of my debts and legacies or otherwise to carry out the provisions of this will and to make distribution of my estate, I authorize and empower my executors and any administrator who may be appointed of this my will to sell any real estate which I may own at the time of my death and which is not specifically devised hereunder, at public or private sale, either for cash or on credit, or partly for cash and partly on credit, securing the payment of so much of the purchase money as remains on credit by mortgage on the property sold.

I authorize my Executors to allot, in setting apart the trust fund herein created, investments which I may leave at the time of my death at valuations to be fixed by my Executors; and I authorize the trustees to retain such investments in the trust fund. I prescribe that such trustees shall not be limited in the investment of the said trust fund by the rules of the law governing investment of trust funds, but it may be invested in such securities or property as they may deem advantageous.

I hereby authorize my trustees to sell any real estate which may form part of the trust herein created either for cash or on credit, or partly for cash and partly on credit, securing the payment of so much of the purchase money as remains on credit by mortgage on the property sold.

I authorize and empower my said trustees to lease any of the real estate which may belong to said trust for any term or terms of years and upon such rental and conditions as they may deem expedient.

Fourteenth: In case of the death, resignation or refusal to act of any of the executors and trustees herein named or appointed, pursuant to this power I empower the remaining Executors or Executor, trustee or trustees, by instrument in writing to appoint as co-executor or co-trustee hereunder any individual or trust company who may be qualified to act hereunder; and the person or corporation so appointed shall have and possess all the powers and in all respects exercise the duties of such executor and trustee under this will in like manner as if he or it had been herein named as such executor or trustee.

LAST WILL AND TESTAMENT
of
FRANCIS T. MAXWELL Dated, May 15, 1940

I, FRANCIS T. MAXWELL, of the City of Rockville and State of Connecticut, do hereby make, publish and declare the following as and for my LAST WILL AND TESTAMENT, hereby revoking all other wills and codicils by me made.

FIRST: I direct the payment of all my just debts and funeral expenses as soon as convenient after my death.

SECOND: To my wife, FLORENCE PARSONS MAXWELL, I give and devise my dwelling house with the stable and other buildings appurtenant thereto and the land upon which the same are erected, situated on Ellington Avenue, Prospect, North Park and Cliff Streets, in the towns of Vernon and Ellington, in the State of Connecticut, to have and to hold the same to her, her heirs, and assigns, forever. I also give and bequeath to my said wife all my household furniture, supplies, utensils, fixtures, works of art, automobiles, wearing apparel, jewelry, farming utensils and personal effects, and all other articles of personal or domestic use or adornment, relying upon my said wife to give to such of my daughters as shall survive me any of such articles of personal property as she may desire. I direct that my said wife shall have the privilege of accepting all or any part of the property devised and bequeathed to her by the provisions of this Article of my will and that any part of said property that my said wife may not accept shall fall into and become a part of my residuary estate. F.T.M.

THIRD: To my wife, FLORENCE PARSONS MAXWELL, and my daughters, PRISCILLA MAXWELL ENDICOTT and HARRIET K. MAXWELL VEISSI, and to the survivor of them, I give and bequeath the sum of Fifty thousand dollars ($50,000), as joint tenants. Without intending to qualify the absolute character of this bequest, it is my hope that my said wife and daughters, or such of them as shall survive me, will distribute the said sum among such of our friends, relatives, domestic servants in my employ at the time of my death, and business associates and institutions in such manner and amounts as I may indicate by a written memorandum, or, failing such memorandum, as my said wife and daughters or the survivors or survivor of them shall determine.

FOURTH: To each of my granchildren, MAXWELL M. BELDING, VIRGINIA BELDING, BRADFORD MAXWELL ENDICOTT and PRISCILLA ENDICOTT, I give and bequeath the sum of Ten Thousand dollars ($10,000). F.T.M.

FIFTH: To my TRUSTEES hereinafter named I give and bequeath all the shares of stock which I may own at the time of my death in The Hartford-Connecticut Trust Company IN TRUST NEVERTHELESS to hold the same for and during the lifetime of my sister J. ALICE MAXWELL and to collect and receive the dividends and income thereof and the same to pay over and distribute in quarterly installments to my said sister for and during the period of her life. Upon her death I direct that the said shares of stock and any and all property into which the said shares of stock or the proceeds thereof or any part thereof shall have been converted shall fall into and become a part of my residuary estate.

SIXTH: To CONNECTICUT HISTORICAL SOCIETY of Hartford, Connecticut, I give and bequeath the sum of Five thousand dollars ($5,000), in trust, to invest and reinvest the same and apply the income thereof to any of its purposes that the Directors or Trustees thereof may deem advisable.

SEVENTH: To CONNECTICUT CHILDREN'S AID SOCIETY of Hartford, Connecticut, I give and bequeath the sum of Five thousand dollars ($5,000), in trust, to invest and reinvest the same and apply the income thereof to any of its purposes that the Directors or Trustees thereof may deem advisable.

EIGHTH: To CONNECTICUT HUMANE SOCIETY of Hartford, Connecticut, I give and bequeath the sum of Five thousand dollars ($5,000), in trust, to invest and reinvest the same and apply the income thereof to any of its purposes that the Directors or Trustees

F.T.M. NINTH: To HARTFORD HOSPITAL in Hartford, Connecticut, I give and bequeath the sum of Five thousand dollars ($5,000), in trust, to invest and reinvest the same and apply the income thereof to any of the purposes of said Hospital that the Directors or Trustees thereof may deem advisable, but preference in the use thereof to be given to residents of Rockville, Connecticut.

TENTH: To CITY OF ROCKVILLE in the State of Connecticut, I give and bequeath the sum of Twenty-five thousand dollars ($25,000), as a sinking fund to be used for the payment of bonds of said City falling due in future years.

ELEVENTH: To said CITY OF ROCKVILLE I give and bequeath the further sum of Twenty-five thousand dollars ($25,000), to be used for the purpose of providing or improving athletic facilities at Fox Hill Park in said City of Rockville and for the improvement of said Park by the planting of trees and shrubs in the discretion of the Common Council of said City, it being my wish that the athletic facilities shall be provided before any expenditure of said fund shall be made for the planting of trees or shrubs in said Park.

TWELFTH: To each of the following Churches situated in Rockville and Vernon in the State of Connecticut, I give and bequeath the sum of One thousand dollars ($1,000): ROCKVILLE METHODIST EPISCOPAL CHURCH, SAINT JOHN'S EPISCOPAL CHURCH, BAPTIST CHURCH, SAINT BERNARD'S ROMAN CATHOLIC CHURCH, SAINT JOSEPH'S ROMAN CATHOLIC CHURCH, FIRST EVANGELICAL LUTHERAN CHURCH, TRINITY EVANGELICAL LUTHERAN CHURCH, APOSTALIC CHRISTIAN CHURCH, VERNON CENTER CONGREGATIONAL CHURCH AND the JEWISH SYNAGOGUE on East Main
F.T.M. Street in Rockville.

THIRTEENTH: All the rest, residue and remainder of my property, real and personal, of every kind, nature and description and wheresoever situated, including all lapsed legacies and devises and any and all property over which I may have power of appointment, I give, devise, bequeath and appoint to my TRUSTEES hereinafter named, IN TRUST NEVERTHELESS, to divide the same into four equal parts and to hold and dispose of said four equal parts as follows:

(a) To hold in trust two of said parts for the period of the life of my wife FLORENCE PARSONS MAXWELL and to invest and reinvest the same and collect and receive the income thereof and to pay over the said income in quarterly installments to my said wife for and during the term of her natural life and upon her death to divide the capital of said trust among my then-surviving daughters and issue of deceased daughters in equal shares per stirpes, the share of each daughter to be added to the trust for such daughter hereinafter provided for, and the share of each issue of a deceased daughter to be paid to such issue if over thirty years of age and, if under thirty years of age, to be held in trust as hereinafter provided.

(b) To hold in trust one of said parts, and any addition or additions thereto that may result from the privisions of subdivisions (a) or (c) hereof, for the period of the life of my daughter PRISCILLA MAXWELL ENDICOTT and to invest and reinvest the same and collect and receive the income thereof and to pay over the said income in quarterly
F.T.M. installments to my said daughter for and during the term of her natural life and upon her death to distribute the capital of said trust among her surviving children and issue of deceased children in equal shares per stirpes, subject to the provision hereinafter made as to the continuance in trust of the share of any beneficiary under the age of thirty years, and in the event that she should leave her surviving no child or children or issue of a deceased child, then to divide the capital of said trust among my then-surviving daughter and issue of deceased daughters in equal shares per stirpes, the share of such daughter to be added to the trust for such daughter, elsewhere in this Article provided for, and the share of each issue of a deceased daughter to be paid to such issue if over thirty years of age, and, if under thirty years of age, to be held in trust as hereinafter provided.

(c) To hold in trust one of said parts, and any addition or additions thereto that may result from the provisions of subdivisions (a) or (b) hereof, for the period of the life of my daughter HARRIET K. MAXWELL VEISSI and to invest and reinvest the same and collect and receive the income thereof and to pay over the said income in quarterly installments to my said daughter for and during the term of her natural life and upon her death to distribute the capital of said trust among her surviving children and issue of deceased children in equal shares per stirpes, subject to the privision hereinafter made as to the continuance in trust of the share of any beneficiary under the age of thirty years, and in the event that she should leave her surviving no child or children or issue of a deceased child, then to divide the capital of said trust among my then-surviving daughter and issue of deceased daughters in equal shares per stirpes, the share of such
F.T.M. daughter to be added to the trust for such daughter, elsewhere in this Article provided for, and the share of each issue of a deceased daughter to be paid to such issue if over thirty years of age and, if under thirty years of age, to be held in trust as hereinafter provided.

(d) In the event that any of the issue of any daughter of mine shall be under the age of thirty years at the time when he or she shall be entitled to receive a distributive share of my residuary estate as hereinbefore provided, I direct my Trustees to continue to hold in trust the share of such issue until he or she shall attain the age of thirty years or die before attaining that age and to accumulate the income thereof and to pay over the same to such issue when he or she shall attain the age of thirty years, and, in the event that such issue shall die before attaining the age of thirty years, then upon his or her death to distribute and pay over the same to the executors or administrators of such deceased issue as a part of his or her estate.

(e) In the event that, upon the termination of any of said trusts, there should be no issue of mine then living, then, and in such event, I direct that the capital of such trust shall be divided into two equal parts, one of which parts I give, devise and bequeath to ROCKVILLE CITY HOSPITAL and the other to HARTFORD HOSPITAL.

FOURTEENTH: The provisions of this my will for the benefit of my wife are intended by me to be and shall be accepted by her in lieu of all dower interest or other claim or right which she may have in, to or against my estate or any part thereof.

F.T.M. FIFTEENTH: I nominate, constitute and appoint my wife, FLORENCE PARSONS MAXWELL, my son-in-law, FREDERICK N. BELDING, and TRAVELERS BANK AND TRUST COMPANY, of Hartford, Connecticut, as and to be the EXECUTORS of this my Will and the TRUSTEES of the trusts provided for herein, and I direct that no security shall be required of any of

To my Executors and the survivor of them I give and grant full power and authority to sell any and all real property, which I may own at the time of my death and which is not specifically devised hereunder, either at public or private sale and either for cash or on credit or partly for cash and partly on credit, securing the payment of so much of the purchase price as may remain on credit by mortgage on the property sold. I authorize my Executors or the survivor of them to make payment in full or in part of all bequests of more than Two thousand dollars ($2,000) provided for in this my will, by setting apart and distributing to the respective legatees any stocks, bonds or other securities in which my estate may be invested at the time of my death, except such as are hereinbefore specifically bequeathed, in such manner and such amounts as my said Executors or the survivor of them may prefer, and at such values as my Executors may determine, and to distribute my residuary estate in like manner; but nothing herein contained shall be deemed to prohibit the sale of any personal property owned by me at the time of my deathand not herein specifically bequeathed, if my Executors shall desire to sell the same.

F.T.M. I authorize my Trustees to sell any and all real property which at any time may form a part of any of said trusts either at public or private sale and either for cash or on credit or partly for cash and partly on credit, securing the payment of so much of the purchase price as may remain on credit by mortgage on the property sold. I authorize my said Trustees to receive from my Executors in lieu of cash any and all securities, investments or property real or personal inwhich my estate or any part thereof may be invested at the time of my death and to retain such securities, investments or property or any part thereof, in their discretion, and to sell the same and reinvest the proceeds thereof in such securities, investments or property as they shall deem suitable and proper without being limited to the class or type of investments in which trustees may be authorized to invest trust funds by the law of any State having jurisdiction over my estate or the administration of any trust provided for herein. I direct that all dividends, whether extraordinary or ordinary, in stock or cash, as well as the proceeds of sale of any rights of subscription to stocks or bonds shall be regarded as income and shall be distributed by my Trustees as income of the trust to which the same shall be appurtenant. I authorize my Trustees to become parties to the reorganization, consolidation or merger of any corporation the securities of which may form a part of any trust herein provided for, and for such purpose I direct that they shall have full authority to execute any agreement necessary and to make any necessary payments, loans or advances and F.T.M. to take any further steps necessary to effect the same, including the deposit, surrender and exchange of any securities which they may deem desirable in connection therewith. I also direct that my Trustees shall not be required to create a sinking fund to make good any loss to the principal of any trust which may result from the purchase of any securities at a premium.

SIXTEENTH: I direct that all succession, inheritance, estate or transfer taxes upon the devises, legacies, bequests and trusts provided for in this my will or upon any property or the transfer thereof passing by reason of my death shall be paid out of my residuary estate.

IN WITNESS WHEREOF I have hereunto set my hand and affixed my seal this 15th day of May in the year One thousand nine hundred and forty.

DECREE ADMITTING WILL & CODICIL & ORDERS.

At a Court of Probate held at Vernon, within and for the District of Ellington, County of Tolland, State of Connecticut, on the 15th day of April 1942

Present, Hon. Francis T. O'Loughlin, Judge.

ESTATE OF FRANCIS T. MAXWELL, late of Vernon in said District, deceased.

Upon the application of The Travelers Bank and Trust Company of Hartford, Conn. praying that an instrument in writing purporting to be the last will and testament of said deceased, and codicil thereto, be admitted to probate and that letters testamentary on said estate be granted as per application on file more fully appears:

This Court for cause shown, viz: that all parties known to be interested in said estate and legally capable of acting have signed and filed in Court a written waiver of notice, dispenses with notice of the pendency of said application, and of a hearing thereon.

After due hearing had, at which the minors interested in said estate were represented by their guardian ad litem appointed by this Court, who in good faith appeared for them, this Court finds that said deceased last dwelt and was domiciled in the Town of Vernon in said District, and died testate on the 23rd day of March, 1942; that the instrument referred to in said application, including codicil thereto, was duly executed by the testator as and for his last will and testament and that he was at the time of executing the same of lawful age and of sound mind and memory. It is therefore considered by this Court that said will is duly proved and the same is proved and approved. Whereupon letters testamentary are granted to Florence Parsons Maxwell and The Travelers Bank and Trust Company of

APPLICATION FOR EXTENSION OF TIME TO FILE INVENTORY
To the Probate Court for the District of Ellington in the State of Connecticut

ESTATE OF FRANCIS T. MAXWELL, late of Rockville in said District, deceased.

The subscriber represents that

1. It is an executor of the will of said deceased.
2. It is unable to complete an inventory and appraisal of said estate within two months after its qualification as executor because of extensive research necessary into the manner of description of certain real estate holdings as well as appraisal of large security holdings, and further because the appraisers of said estate have not yet been appointed by the Judge of Probate

WHEREFORE, your applicant prays this Court to extend the time for lodging such inventory with this Court for a period of two months.

Re: Rockville General Hospital, Inc. Endowment Funds

Dear Mr. Hector:

Pursuant to our telephone conversation I have reviewed the endowment funds held by the Rockville General Hospital with Wilson Keithline of the Trust Department of The Connecticut Bank and Trust Company.

As a result we have developed the following information:

Total Endowment Funds of the Hospital

| | |
|---|---|
| Consolidated Investment Fund | $ 3,420,000.00 |
| L. Henry Fund | 73,000.00 |
| M. Henry Fund | 87,000.00 |
| Memorial Funds Restricted | 275,000.00 |
| Memorial Funds Unrestricted | 298,000.00 |
| Rockville Mutual Fire Fund. | 585,000.00 |
| Suspense Account | 4,000.00 |
| | $ 4,742,000.00 |

You will note that we have rounded off the figures here to even thousands. I have attempted to divide our total funds into three categories--1. Definitely Unrestricted Funds
2. Definitely Restricted Funds
3. Questionable Funds

Those three categories are as follows: (Once again in some cases the figures have been rounded off to the nearest thousand so that the figures included in the above three groupings will not necessarily total $4,742,000.00 but they should be within $2,000 or $3,000.)

| F. Talcott Fund | | 137,600.00 |
| Maxwell Fund | | 165,500.00 |
| Bernice H. Sykes Fund | | 89,200.00 |
| Total | $ | 1,277,300.00 |

2. Definitely Restricted Funds

| | | |
|---|---|---|
| Memorial Funds Restricted | $ | 275,000.00 |
| L. Henry Fund | | 73,000.00 |
| M. Henry Fund | | 87,000.00 |
| Alice Farmer Bissell Fund | | 1,708,200.00 |
| Charles Phelps Free Bed Fund | | 14,100.00 |
| Risley Funds | | 410,600.00 |
| Trumbull Chapter, D.A.R. Fund | | 147,300.00 |
| United German Fund | | 10,000.00 |
| W. H. Prescott Fund | | 258,500.00 |
| A. S. Whitlook Free Bed Fund | | 18,800.00 |
| Winchell Foster Free Bed Fund | | 15,400.00 |
| Betsey Tucker Free Bed Fund | | 1,600.00 |
| Eva Wood Fund | | 600.00 |
| Bruno Doss et ux Fund | | 5,900.00 |
| Elsie S. Phelps Fund | | 5,600.00 |
| Total | $ | 3,027,000.00 |

3. Questionable Funds

| | | |
|---|---|---|
| C. E. Prescott Fund | $ | 95,200.00 |
| F. T. Maxwell Fund | | 32,500.00 |
| W. Maxwell Fund | | 305,200.00 |
| Total | $ | 432,900.00 |

The totals therefore are as follows:

| | | |
|---|---|---|
| 1. Definitely Unrestricted Funds | | 1,277,300.00 |
| 2. Definitely Restricted Funds | | 3,027,000.00 |

The funds listed as "Definitely Restricted" are done so after a review of the documents setting up these funds. Either these funds were left for a specific use, such as furnishing a free bed, or were left in perpetual trust with specific instructions that only income was to be used by the Hospital. There are several funds included in these "Definitely Restricted" Funds for which supporting documents cannot be found or are not available. Actually these are minor in nature and with no documentation it is impossible for the trustees to make use of the principal.

Because there are only three "Questionable" Funds, I will go into a little detail concerning them. The C. E. Prescott Fund consisted of an original testamentary gift of $15,000 in perpetual trust with the income to be used for the purposes of the Hospital. In addition, there was a $400 unrestricted gift which could be used. Therefore, of the total present value of the C. E. Prescott gift of $95,200, a fractional part amounting to 400/15,400ths might be available.

In the F. T. Maxwell Funds there were some gifts of stock which apparently were not restricted in use. However, it appears from the records of the Bank that we have already used up the portion of this fund which was unrestricted.

The W. Maxwell Fund was made up of an original gift of $14,000 in cash and $61,472 on an insurance policy. These amounts did not carry any restrictions. Also included in this fund, however, was a testamentary gift of $96,200 which definitely was restricted. Therefore, there may be available to us in that fund a fraction of the present value in the same ratio as the unrestricted funds were to the total value of the gifts when made.

Before advising the trustees to make use of any of these "Questionable" Funds, especially the larger W. Maxwell Fund, I am presently of the opinion that I would require Court approval. It should also be made clear that the figures used here are market values as of September, 1967 and therefore subject to some change, although I understand that the market value today is very close to that we used in September.

Of our total funds 59% are made up of common stock and local Hartford Insurance Companies. Approximately 25% is in Travelers Insurance Company. The Bank does not feel that there would be any difficulty in transferring securities between Restricted Accounts and Unrestricted Accounts. However, it appears that no matter how we look at it most of the securities are going to be Insurance stocks.

I trust that this is the information you want. The finance committee of the Hospital has available to it the last statement issued by The Connecticut Bank and Trust Company and I am sure this could be made readily available.

If there is any further information which I can develop for either your office or the auditing firm, I would be very happy to do so.

Very truly yours,

DECREE ADMITTING WILL AND ORDERS

At a Court of Probate holden at Vernon, in and for the District of Ellington, in the County of Tolland, State of Connecticut, on the 8th day of June A.D 1959.

Present, HON. THOMAS F. RADY, Judge.

ESTATE OF MARY E. SNYDER late of Vernon in said District, deceased.

Upon the application of The Connecticut Bank and Trust Co. of Hartford, Conn. praying that an instrument in writing purporting to be the last will and testament of said deceased and codicil thereunto, be admitted to probate and that letters testamentary on said estate be granted as per application on file more fully appears.

This Court for cause shown, viz: that all parties known to be interested in said estate, other than the petitioner, and legally capable of acting, have signed and filed in Court a written waiver of notice, dispenses with notice of the pendency of said application and of a hearing thereon.

After due hearing had this Court finds that said deceased last dwelt and was domiciled in the town of Vernon in said District, and died testate on the 2nd day of June A.D. 1959; that the instrument referred to in said application, including codicils thereunto, was duly executed by the testatrix as and for her last will and testament and that she was at the time of executing the same of lawful age and of sound mind and memory. It is therefore considered by this Court that said will is duly proved and the same is proved and approved. Whereupon letters testamentary on said estate are granted to The Connecticut Bank and Trust Company who on the 8th day of June, 1959 appeared in Court, accepted said trust by C.H.Gustafson, Assistant Trust Officer.

ORDERED, That twelve months from the 8th day of June, 1959 be and the same are allowed the Executor within which to settle said estate.

ORDERED, That six months from the 8th day of June, 1959 be and the same are limited and allowed for the creditors to bring in heir claims against said estate, and the said Executor is directed to give public notice to the creditors to bring in their claims within said time allowed, by posting a copy of this order upon the public sign-post nearest to the place where the deceased last dwelt within said town, and by publishing the same once in some newspaper having a circulation in said Probate District within thirty days from the date of this order and return m ake to this Court of the notice given, and of a list of all claims presented within said time.

ORDERED, That two months from the 8th day of June, 1959 be and the same are allowed the Executor within which to make, or cause to be made, a true and perfect inventory of all the estate of said deceased, both real and personal, including choses in action. And this Court appoints Raymond R Reid of Manchester and Bernie Cantor of Rockville, disinterested persons, appraisers under oath, to appraise said estate, and return make to this Court within said time allowed.

(signed) Thomas F Rady, Judge.

Dear Miss Batz:

Thank you so much for your phone call this afternoon. It was a pleasure to talk with you.

We are very pleased to learn that your brother, Charles, has included Rockville Hospital in his will. The hospital is honored to be included in a will -- a privilege rightfully reserved for family and cherished friends or charities. His thoughtfulness is very much appreciated.

Do have a wonderful trip to Switzerland -- it sounds like a perfectly delightful vacation, and one which you well deserve.

Sincerely,

Judy

Dear Miss Batz:

I want to thank you for the gift of $4,000 which you have donated to the hospital from the estate of your brother, Charles F. Batz. I regret that circumstances prevented me from meeting with you on Friday afternoon to express my gratitude in person. You, and your brother, are very generous.

Rockville Hospital is very fortunate to have a friend like you. I understand that your connection with the hospital goes way back. Your gifts over the years have helped us in many ways; and the hours which you donated as a volunteer were much appreciated.

As a community hospital, it is a special pleasure to have many friends in the community – folks like yourself who have seen Rockville Hospital grow and who have supported that process, folks who have received care here and who are generous in helping us to serve others.

I will be delighted to inform the Board of Trustees of this gift, and together with them to determine the best use for these funds.

With sincere thanks,

Dear Miss Batz:

I have just learned from Mr. Beeman of a $4,000 bequest from the estate of Charles F. Batz. You are very kind to donate this amount to Rockville Hospital.

On behalf of the Board of Trustees, I thank you and assure you that we will give careful consideration to the best use of your gift. Unrestricted gifts are especially appreciated, since they allow us to put the money where it is most needed at a given time.

We thank you for your thoughtful generosity.

LAST WILL AND TESTAMENT
OF
CHARLES F. BATZ VOL. 207 PAGE 018

I, CHARLES F. BATZ, of the Town of Ellington, County of Tolland and State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my Last Will and Testament, hereby revoking all previous wills and codicils by me made.

ARTICLE ONE

I direct that all my last illness, funeral expenses and just debts, except those secured by mortgage of real estate, be paid as soon after my death as may be found convenient. I direct that all inheritance, legacy, succession or estate duties or taxes which shall become payable in respect of any property or interest, whether or not passing under my Will or any Codicil which I may hereafter execute, or in respect of any transfer lawfully taxable that I may have made, shall be payable out of my residuary estate.

ARTICLE TWO

I give and bequeath all my household furniture and furnishings, to my sister, EMMA M. BATZ, of Ellington, Connecticut, absolutely; and if she shall not so survive me, then to my cousins, ROBERT N. BEAVERSTOCK and DOROTHY B. GESSAY, both of Ellington, Connecticut, to them or the survivor of them at my death, in equal shares, absolutely.

ARTICLE THREE

I give and bequeath:

A) The sum of TWO THOUSAND FIVE HUNDRED ($2,500.00) DOLLARS TO WALTER W. GESSAY, of Ellington, Connecticut, absolutely.
B) The sum of TWO THOUSAND FIVE HUNDRED ($2,500.00) DOLLARS to DOROTHY B. GESSAY, of said Ellington, absolutely.
C) The sum of TWO THOUSAND FIVE HUNDRED ($2,500.00) DOLLARS to ROBERT N. BEAVERSTOCK, of said Ellington, absolutely.
D) The sum of TWO THOUSAND FIVE HUNDRED ($2,500.00) DOLLARS to MARILYN G. WHITE and BETHANY WHITE, both of said Ellington, to them or the survivor of them, in equal shares, absolutely.
E) The sum of ONE THOUSAND ($1,000.00) DOLLARS to FRANCES FILIP, of Vernon, Connecticut, absolutely.
F) The sum of TWO THOUSAND ($2,000.00) DOLLARS to CHARLES SCHAEFFER of Ellington, Connecticut, absolutely.
G) The sum of TWO THOUSAND FIVE HUNDRED ($2,500.00) DOLLARS to ROBERT ABORN and CAROL ABORN, of Plainville, Connecticut, to them or the survivor of them, in equal shares, absolutely.
H) The sum of THREE THOUSAND ($3,000.00) DOLLARS to JENNIFER TRAYNOR of Farmington, Connecticut, KATHY ABORN of Plainville, Connecticut, and DEBORAH ABORN of Plainville, Connecticut, to them or the survivor of them, in equal shares, absolutely.
I) The sum of TWO THOUSAND FIVE HUNDRED ($2,500.00) DOLLARS to ST. LUKE CHURCH, of said Ellington, absolutely.

If any of the above should not survive me, the bequest to that person shall lapse and shall pass as part of the rest and residue of my estate as hereinafter set forth.

J. DONALD SHANNON
ATTORNEY AT LAW
SOUTH FIELD CORNERS
P. O. BOX 307
SOMERS, CT 06071

ARTICLE FOUR

I give and devise my undivided one-half (1/2) interest in and to the real estate, situated in said Ellington, on the westerly side of the highway known as Shenipsit Street, consisting of my residence, known as 97 Shenipsit Street, together with forty-six (46) acres, more or less, to the said TOWN OF ELLINGTON; said acreage to be allowed to grow wild, with walking trails to be maintained as a nature preserve for educational and conservation purposes for the benefit and enjoyment of the public, subject, however, to a life estate in favor of my said sister, EMMA M. BATZ.

I direct that my said sister shall not be required to account for or repair any waste, injury or damage to, or depreciation of, such real estate, or shall she be required to maintain any insurance of any kind with respect to said property, and I direct that my said sister shall not be required to furnish a bond or other security for the safe-keeping thereof, nor to account to any Court.

Upon the death of my said sister, or upon my death if she should not survive me, I direct that all structures on said real estate, other than the residence, be demolished and/or removed from the premises.

ARTICLE FIVE

All of the rest, residue and remainder of my estate to my said sister, EMMA M. BATZ, absolutely; and if she shall not so survive/me then I direct that said rest, residue and remainder be divided into four (4) equal parts, and one of such parts be distributed to each of the following, absolutely:

A) ROCKVILLE GENERAL HOSPITAL, INC., of Rockville-Vernon, Connecticut

B) THE ROCKVILLE PUBLIC HEALTH NURSING ASSOCIATION, INC., of Rockville-Vernon, Connecticut

C) THE HALL MEMORIAL LIBRARY, of Ellington, Connecticut; and

D) THE ROCKVILLE PUBLIC LIBRARY, of Rockville-Vernon, Connecticut.

ARTICLE SIX

I authorize my Executrix/Alternate Executor, hereinafter named, to sell, exchange, assign, transfer or convey any real estate or personal property held in my estate, not otherwise herein disposed of, at public or private sale, at such time and price and upon such terms and conditions, including credit, as she/he may determine, without Probate Court approval.

# LAST WILL AND TESTAMENT

I, FRANCIS J. GREGORY, of the Town of Tolland, County of Tolland and State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my LAST WILL AND TESTAMENT, hereby revoking all previous wills and codicils by me made.

## FIRST

I direct my Executrix, hereinafter named, to pay all my just debts and funeral expenses, except debts secured by mortgage, all expenses as to the settlement of my estate, and all inheritance and succession taxes which may become due.

## SECOND

All of my estate, both real and personal, and of whatsoever kind and nature and wherever situate or being, of which I may die seized or possess or to which I may be entitled at the time of my death, I give, devise and bequeath to my wife, MARY V. GREGORY, if she be living for the space of thirty (30) days after my death, to have and to hold the same absolutely, to her and her heirs and assigns forever.

## THIRD

In the event that my wife, MARY V. GREGORY, shall either die before me or not survive me for the space of thirty (30) days, then I give and bequeath the following sums to the individuals and institutions listed below:

1. To The Saint Joseph's Abbey located in Spencer, Massachus the sum of THREE HUNDRED ($300.00) DOLLARS for a series of Gregorian Masses for the repose of my soul.

2. To MARY JUSTICE, 105 Park Street, Pawtucket, Rhode Island, the sum of FIVE THOUSAND ($5,000.00) DOLLARS.

3. To ROSEMARY HARRIS, P.O. Box 6, Northboro, Massachusetts, the sum of FIVE THOUSAND ($5,000.00) DOLLARS.

4. To LAWRENCE F. MERLINO, 43 Rhodes Road, Tolland, Connecticut, the sum of FIVE THOUSAND ($5,000.00) DOLLARS.

5. To FRANCIS MERLINO, 4401 West Rose Lane, Glendale, Arizona, the sum of THREE THOUSAND ($3,000.00) DOLLARS.

6. To THOMAS MERLINO, 2259 Crossbough Drive, Toledo, Ohio, the sum of THREE THOUSAND ($3,000.00) DOLLARS.

7. To RICHARD MERLINO, 17 Elizabeth Lane, Tolland, Connecticut, the sum of THREE THOUSAND ($3,000.00) DOLLARS.

8. To GAIL GREGORY FINNEGAN, 10 Blanding Avenue, West Barrington, Rhode Island, the sum of THREE THOUSAND ($3,000.00) DOLLARS.

9. To ROBERT GREGORY, 10 Blanding Avenue, West Barrington, Rhode Island, the sum of THREE THOUSAND ($3,000.00) DOLLARS.

10. To JUDITH GREGORY, 10 Blanding Avenue, West Barrington, Rhode Island, the sum of THREE THOUSAND ($3,000.00) DOLLARS.

## FOURTH

All of the rest, residue and remainder of my estate, wherever it may be found, shall be distributed equally among the following:

St. Lawrence Seminary, Mt. Calvary, Wisconsin,

Seraphic Mass Association, Pittsburgh, Pennsylvania,

St. Jude's Children's Hospital, Memphis, Tennessee,

Rockville General Hospital, Rockville, Connecticut,

The Jimmy Fund, Boston, Massachusetts,

St. Matthew's Church, Tolland, Connecticut.

## FIFTH

I hereby grant to my Executrix, in addition to the general powers conferred upon her by law, the following:

A. To continue, settle or discontinue, or to incorporate any business or partnership in which I may be interested.

B. To continue to hold any property, real and personal, and other [illegible] including but not limited to stocks, bonds, real estate and investments, in the form in which it shall be at the time of my death without regard to the limitations imposed by law.

C. To sell, lease, pledge, mortgage, transfer, exchange, convert, or otherwise dispose of, or grant options with respect to any and all property at any time forming part of my estate, in such manner, at such time or times, for such purposes, for such prices and upon such terms, credits and conditions as may be deemed advisable.

D. To exercise rights to subscribe to or convert securities.

E. To vote, in person or by general proxy, any and all stock in any and all corporations at any and all meetings of stockholders for any and all purposes without any limitations whatsoever.

F. To compromise any claim by or against the estate upon such terms as may be deemed advisable.

G. To make distribution in cash or in kind or partly in each.

SIXTH

I APPOINT my wife, MARY V. GREGORY, of the Town of Tolland, County of Tolland and State of Connecticut, Executrix of this, my LAST WILL AND TESTAMENT, and so far as I am able, I hereby excuse her from giving any probate bond as such Executrix. If for any reason my said wife, MARY V. GREGORY, is unable to act at Executrix, then in that event I appoint the CONNECTICUT BANK AND TRUST COMPANY to act as such Executor of this Will.

IN WITNESS WHEREOF, I have subscribed my name to this my WILL AND TESTAMENT, consisting of this and three (3) preceding typewritten pages, and for the purpose of identification, I have initialed each such page in the presence of the persons witnessing it at my request, this 16th day of March, 1979, at Vernon, Connecticut.

FRANCIS J. GREGORY L.S.

The foregoing instrument, consisting of this and three (3) preceding typewritten pages, was signed, published and declared by FRANCIS J. GREGORY to be his LAST WILL AND TESTAMENT in our presence, and we, at his request and in his presence and in the presence of each other, have hereunto subscribed our names as witnesses, this 16th day of March, 1979, at Vernon, Connecticut.

LAST WILL AND TESTAMENT

OF

JOHN A. DUELL

I, JOHN A. DUELL, of the Town of Tolland, in the County of Tolland, in the State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my Last Will and Testament, hereby revoking all previous Wills and Codicils by me made.

FIRST: I direct my Executrix to pay my funeral expenses and just debts, except secured or mortgage debts, and that all legacy, succession, inheritance, transfer and estate taxes, levied or assessed upon or with respect to any property which is included as part of my gross estate for the purpose of determining any such tax, shall be paid by my Executrix out of my estate in the same manner as an expense of administration and shall not be prorated or apportioned among or charged against the respective devisees, legatees, beneficiaries, transferees or other recipients nor charged against any property passing or which may have passed to any of them and that my Executrix shall not be entitled to reimbursement for any portion of any such tax from any person.

SECOND: I hereby give and bequeath unto FIRST LUTHERAN CHURCH of Ellington, Connecticut, the sum of FIVE THOUSAND ($5,000) DOLLARS, for its general use and purpose.

THIRD: I hereby give and bequeath unto ROCKVILLE GENERAL HOSPITAL of Rockville, Connecticut, the sum of FIVE THOUSAND ($5,000) DOLLARS, for its general use and purpose.

John A. Duell

FOURTH: I give, devise and bequeath all of the rest, residue and remainder of my property, both real and personal, of whatsoever the same may consist and wheresoever the same may be situated, to the following of my nieces and nephews, in equal shares, as follows:

(A) One-Seventh (1/7) share of said rest, residue and remainder unto my niece, LOUISE HELLER, presently of Manchester, Connecticut. In the event my said niece, LOUISE HELLER, should predecease me, then this share shall be divided equally among the surviving named nieces and nephews.

(B) One-Seventh (1/7) share of said rest, residue and remainder unto my nephew, OTTO HELLER, presently of Manchester, Connecticut, per stirpes.

(C) One-Seventh (1/7) share of said rest, residue and remainder unto my nephew, ROBERT DUELL, presently of Princeton, New Jersey, per stirpes.

(D) One-Seventh (1/7) share of said rest, residue and remainder unto my nephew, EDWARD DUELL, presently of Ellington, Connecticut, per stirpes.

(E) One-Seventh (1/7) share of said rest, residue and remainder unto my nephew, RALPH DUELL, presently of Tolland, Connecticut, per stirpes.

(F) One-Seventh (1/7) share of said rest, residue and remainder unto my niece, MILDRED HOTZ, presently of Bedford, Ohio, per stirpes.

(G) One-Seventh (1/7) share of said rest, residue and remainder unto my niece, JULIANA FREY, presently of Tolland, Connecticut, per stirpes.

FIFTH and LAST: I nominate, constitute and appoint my said niece, LOUISE HELLER, presently of Manchester, Connecticut, Executrix of this, my Last Will and Testament, with full power of disposition, management and sale with respect to both real and personal property belonging to me, including the power to borrow money for any purpose incidental to the administration of my estate with or without a mortgage or pledge of estate property and to have and exercise all of the fiduciary powers

John A Duell

enumerated in Section 45-100e of the Connecticut General Statutes, Revision 1958, as amended, which powers are incorporated herein by reference. I also authorize my Executrix to make any division of my estate required by this, my Last Will and Testament, and to determine what property shall be included in each share thereof and the value of such property; and the division and determination so made by my Executrix shall be final and conclusive upon all interested parties.

I further direct that my Executrix be excused from posting bond or security insofar as I have the power to excuse.

In the event said LOUISE HELLER shall die, resign or be unable or unwilling to serve as such Executrix, then I direct that OTTO HELLER, presently of Manchester, Connecticut, shall serve as sole Executor in the same manner and with the same above stated powers, also to serve without bond.

IN WITNESS WHEREOF, I have hereunto set my hand and seal to this, My Last Will and Testament, consisting of this page and Two (2) preceding pages each of which I have signed at Vernon, Connecticut, this 14th day of September, A.D., 1988.

# Last Will and Testament.

I, HAZEL S. BURGESS,

of the Town of Manchester, in the County of Hartford,

in the State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my last Will and Testament, hereby revoking all previous wills and codicils by me made.

FIRST: I direct that my funeral expenses and all debts, except debts secured by mortgage on real estate, if any, be paid. I also direct that all legacy, succession, inheritance, transfer and estate taxes, levied or assessed upon or with respect to any property which is included as part of my gross estate for the purpose of any such tax, shall be paid by my Executor out of my estate in the same manner as an expense of administration and shall not be prorated or apportioned among, or charged against the respective devisees, legatees, beneficiaries, transferees or other recipients nor charged against any property passing, or which may have passed to any of them, and that my Executor shall not be entitled to reimbursement for any portion of any such tax from any person.

SECOND: I give and bequeath to my nephew, Lockhart B. Rogers, all my household furniture, furnishings, and personal effects. If he shall not survive me then I give such property to my sister-in-law, Bertha S. Burgess.

THIRD: All the rest, residue and remainder of my estate, both real and personal, of whatsoever the same may consist and wheresoever the same may be located, I give, devise and bequeath to CONNECTICUT BANK AND TRUST COMPANY, IN TRUST NEVERTHELESS, for the following uses and purposes:

(a) To take, hold, receive, manage, control, invest and reinvest the same, in such stocks, bonds, securities and bank accounts as my said Trustee, in the exercise of its discretion, shall deem proper or advisable, without regard to any statutory limitation upon the investment of trust funds.

(b) To pay one-half (½) of the net income to my sister-in-law, BERTHA S. BURGESS, of Manchester, Connecticut, during her life, or to use and apply the same for her benefit, so long as she shall live. Upon her death, the Trustee shall continue the payment of one-half (½) of the net income to my brother, WILLIAM T. BURGESS,

of Manchester, Connecticut, if he shall then be living, and to continue said payments so long as he shall live. If, in the sole discretion of the Trustee, the best interests of my brother will be served by the use and application of such income for his benefit, rather than by payment directly to him, I direct that such payments be so used or applied. Upon the death of my brother, or if he shall have predeceased my sister-in-law, then upon the death of my sister-in-law, I direct that such payment of one-half (½) of the net income be made to my nephew, LOCKHART B. ROGERS, or be used or applied for his benefit, for life.

(c) To pay one-half (½) of the net income to my nephew, LOCKHART B. ROGERS, of Cambridge, Massachusetts, or to use and apply the same for his benefit, during his life and for so long as he shall live. If either my sister-in-law or brother shall be living at the death of my nephew, whether the same shall occur prior to or subsequent to my death, I direct that such income be paid to the Board of Trustees of South Methodist Church and the Trustees of Manchester Memorial Hospital, both of Manchester, Connecticut, equally, and used by them for the general purposes of said institutions. Such income shall be paid until the death of both my sister-in-law and brother.

(d) Upon the death of all of the beneficiaries hereunder, I direct that this Trust shall thereupon terminate, and the principal, together with any accumulation of income, be paid equally to the Board of Trustees of South Methodist Church and the Trustees of Manchester Memorial Hospital, both of Manchester, Connecticut, to be safely invested by each, and the income only therefrom to be used for the general uses and purposes of said Church and Hospital.

Signed, sealed, published and declared by the said HAZEL S. BURGESS as and for her Last Will and Testament, in presence of us, who at her request, in her presence, and in the presence of each other have hereunto subscribed our names as witnesses, on the 20th day of July, A. D., 1959

In the event either of my said nieces shall predecease me and shall leave a child or children surviving, then and in that event, I direct that such child or children, equally, of such deceased niece of mine, shall take the share which the parent would have taken if living. If either of my said nieces shall predecease me leaving no issue surviving, then I direct my remaining niece shall take said deceased niece's share.

THIRTEENTH: All the rest, residue and remainder of my property, both real and personal, and of whatsoever nature, wherever the same may be located or found, which I may own or have the right to dispose of at my death (intending hereby to exercise any power of disposition or appointment that I may have at my death), I give, devise and bequeath unto

the said MASSACHUSETTS INSTITUTE OF TECHNOLOGY, to be added to the said RAYMOND A. and HELEN E. ST. LAURENT FACULTY FUND, as set forth in Article Eleventh above and used in accordance with the terms and conditions contained therein.

FOURTEENTH: For purposes of this Will, a person shall not be considered to survive another if he shall die within thirty (30) days of the death of such other.

FIFTEENTH: I may desire to dispose of certain articles of personal property to other persons in which event I shall leave a memorandum or memoranda with this, my last Will and Testament. Such memoranda are not intended to change the nature of any gift or bequest herein which is absolute.

SIXTEENTH: I nominate and appoint PAUL R. MARTE, presently of Manchester, Connecticut, to be the Executor of this, my last Will and Testament. In the event he is unable or unwilling to accept such appointment, then I nominate and appoint CONNECTICUT NATIONAL BANK, presently of Hartford, Connecticut, to act as Executor. I further direct that no bond be required of any of them in such capacity or in connection with the sale of any real estate in my estate by any court or judge.

SEVENTEENTH: In addition to the usual powers, I give my Executor full discretionary power and authority with respect to the property of the estate as follows:

Sell or resell the whole or any part of the property, real or personal, for cash or upon such terms as to payment as they may deem advisable and to execute and deliver any deed, bill of sale, conditional bill of sale, or other document necessary or convenient to effect a sale;

Invest and reinvest in any real or personal property or security, including common and other corporate stocks, and common trust funds, which they shall deem proper without restriction to investments approved by law for fiduciaries;

Set reserves out of income for the payment of taxes, assessments, insurance, repairs, fees and other expenses;

Lease the whole or any part of the property, real or personal, for such periods and upon such terms as they may deem proper, and to pledge the whole or any part of the property to secure the payment of such loan;

Borrow funds for any purpose they may deem proper, and to pledge the whole or any part of the property to secure the payment of such loan;

Enter into and perform any plan or agreement in to the merger or reorganization of any corporation the securities of ll be a part of the property;

MAY 10 2000 2:57 PM FR CUMMINGS & LOCKWOOD 869 3128 TO 9186553000

Make in cash, or in property at such value as they shall fix, any distribution required, and to determine the distributees upon such evidence as they shall deem proper;

Exercise any rights to subscribe to or convert securities, and for the purpose of providing funds for such securities, to pledge any part of this property;

Vote any shares of stock in person or by proxy, and to assert or waive any stockholder's right or privileges in respect thereto, and to exercise all the powers given in this instrument to the same unrestricted extent as if they were the absolute owners of such shares of stock or other securities, provided however, that the rights and privileges aforesaid shall be exercised with a view to the benefit and advantage of the property;

Determine in any doubtful case which funds shall be classed as income or principal and which expenses shall be chargeable to income or to principal;

Pay out of principal any tax upon gains on sales of securities or other property or upon securities or other property received which, for the purpose of any income tax shall be considered income, but which under the provisions of law or of this instrument shall be considered principal;

Purchase and/or maintain and/or sell residential properties for occupancy, rent free, by any of the beneficiaries hereunder, and/or their spouses, and to pay all taxes and assessments, expenses of maintaining the properties, premiums of insurance on such residences, including insurance to cover liability for accidents to persons on such properties, and to make such purchases or payments out of principal or income as the Trustee in his sole discretion, shall determine;

Compromise claims by or against the trusts or estate.

IN WITNESS WHEREOF, I, the said HELEN B. ST. LAURENT, herewith set my hand and seal to this, my last Will and Testament, typewritten on seven (7) sheets of paper (including the attestation clause, signatures of witnesses and self-proving affidavit) upon the margin of each one of which I have also written my name, this 13th day of July, nineteen hundred and eighty-nine.

Re: HARRIET K. MAXWELL FOUNDATION GRANT
Dear Annette:

On behalf of the Directors of the Harriet K. Maxwell Foundation, I am pleased to report that the Foundation has made a grant to Rockville Hospital in the aggregate amount of $450,000. This grant consists of two parts, namely, a grant of $250,000 to establish the Harriet K. Maxwell Fund, an endowment fund to provide for the normal maintenance and repair of the Maxwell Home and its grounds and a separate grant of $150,000 to pay for the major structural repairs to the Home which are considered essential for its preservation and continued use as an integral part of the Hospital.

With regard to the $250,000 Fund, this grant is conditioned on the continued use of the Maxwell Home as a part of the Hospital; and that if the Home is not so used for a period of 24 consecutive months or if the Home is damaged or destroyed and not restored to its prior level of usefulness within a reasonable time thereafter, then the balance of the Fund shall be transferred to the George Maxwell Library of Rockville, Connecticut, to be held as an endowment fund for its general uses and purposes.

I would be pleased to discuss any aspects of this grant with you or your associates. I would like to talk with you at your convenience about the timing of the funding of this two-part grant.

On behalf of the Board members, I would like to say again how pleased we are to be able to continue Mrs. Maxwell's support of the Hospital, particularly the maintenance and repair of the Maxwell house. I hope that in announcing this grant to your Board and hospital family you will stress that it basically reflects the continuation of her interest in the Hospital and the preservation of the unique family Home.

Sincerely yours,

Re: HARRIET K. MAXWELL FOUNDATION

Dear Annette:

I have not heard from either Mr. Werkoscoski or Mr. Stahelski following our telephone conversation of last week. Since I have the funds available and I think they should be put to work, I am taking the liberty of sending you two separate checks from the Foundation in full payment of the grants we have made to the Rockville General Hospital.

The first check in the amount of $250,000 is for the Harriet K. Maxwell Memorial Fund, the annual pay out therefrom to be used for the general maintenance and repair of the Maxwell Home and its grounds.

The second check in the amount of $150,000 represents the grant to pay for the three major structural repairs to the Home, all as outlined in the correspondence I received from Mr. Lou Grimaldi. With regard to the expenditure of this grant, the Foundation would like to receive a final report when the funds are fully expended. Based on my understanding of the projects, I expect we will have a report before the end of the current calendar year.

With regard to the endowment fund, I have avoided using the term "income therefrom" since I know that the Hospital's endowment funds are being managed on a total return basis and that the annual spending policy for your endowment funds will provide the cash flow to carry out the objective of this fund, namely, providing for the normal maintenance and repair of the Maxwell Home.

Dear Annette:

In preparing the correspondence to you today in which Bill encloses the two Foundation checks, I noticed an error in his letter directed to you of May 11. Therefore, I am enclosing a corrected copy of the first page of said letter. The dollar amount in the first sentence of the letter dated May 11 should have read "$400,000" rather than $450,000.

I apologize for any inconvenience this may have caused you.

FOR IMMEDIATE RELEASE
June 11, 1998

## *Rockville General Hospital Receives Endowment and Major Gift from Maxwell Foundation*

Vernon, CT -- Rockville General Hospital announced today that it has received two major gifts – one an outright gift and the other a permanent endowment – from the Harriet K. Maxwell Foundation. Combined, the two gifts total $400,000.

Both gifts are restricted by the donor for use in maintaining and improving the exterior of the Maxwell Mansion, the historic building that serves as the entryway to the hospital.

An outright gift in the amount of $150,000 will be used for immediate improvements to the exterior of the Maxwell Mansion, including repairs to its tile roof and its many distinctive chimneys.

Income from a permanent endowment gift in the amount of $250,000 will be used for ongoing maintenance and repairs to the exterior of the Maxwell Mansion and its grounds.

The Harriet K. Maxwell Foundation has been a major donor to Rockville General Hsopital in the past. In 1992, it made a generous gift of $175,000 which funded extensive restoration work to the Maxwell Mansion. This work included painting, window repairs and replacement, improvements to the air conditioning system to permit removal of air conditioners on the front face of the building, and improvements to the wrought iron fencing that surrounds the hospital campus.

--More--

AN AFFILIATE OF ECHN
Eastern Connecticut Health Network, Inc.

Harriet Maxwell was also a major donor to the Rockville General Hospital Auxiliary, underwriting the cost of an ornate, highly-detailed dollhouse replica of the Maxwell Mansion. The dollhouse became the centerpiece of a successful fundraising effort by the RGH Auxiliary.

Harriet K. Maxwell was the niece of the Maxwell Mansion's last occupants, brother and sister Francis and J. Alice Maxwell. A native of Rockville, Mrs. Maxwell moved west as an adult, living for many years in Santa Barbara, California and Carefree, Arizona. She maintained local ties through her charitable foundation located in West Hartford, which supported causes of interest to Mrs. Maxwell. Mrs. Maxwell died in December 1996 at the age of 93.

The Maxwell Mansion was originally the home of Mr. and Mrs. George Maxwell. Designed by the noted architect Charles Platt, construction began on the 52-room mansion in 1900 and was completed in 1904. It was a private residence until 1945, when it was sold to what was then known as Rockville City Hospital. In the 50 years since, Rockville General Hospital has grown considerably, adding wings, adjacent buildings and community-based sites. Today, the Maxwell Mansion houses administrative offices but no clinical services. Rockville General Hospital enjoys a distinctive, non-institutional hospital entryway by having this historic home as its front door.

David Engelson, Chairman of the Community Relations and Development Committee for Rockville General Hospital and a trustee of Eastern Connecticut Health Network said today "we could not be more delighted with this wonderful gift. Mrs. Maxwell's support continues a tradition of community service and philanthropy by the Maxwell family that goes back for generations. The permanent endowment will allow us to maintain our beautiful 'front door' into the future. All of us in the Rockville General Hospital family are extremely grateful to Mrs. Maxwell and to the board of her Foundation."

## MARJORIE RISLEY SCHOLARSHIP FUND

The Marjorie Risley Scholarship Fund is established with the following primary objective:

To assist nurses with their continuing education programs. The money to be used would be for educational programs that will help the nurse maintain a high level of expertise.

A second use for the money would be to bring educators to this hospital to bring educational programs to a group of nurses.

The principal of the fund is to be invested with high interest in mind. The income only is to be used for the above purposes.

The Director of Nurses will determine who is to receive the assistance. If she needs advice relative to who should receive assistance she will consult the committee members. The members are:

LAST WILL AND TESTAMENT

OF

1972

KATHERINE SYKES BISSELL

I, KATHERINE SYKES BISSELL, of Rockville, Town of Vernon, County of Tolland and State of Connecticut, being of sound and disposing mind and memory, do make, publish and declare this to be my Last Will and Testament, hereby revoking all former wills and codicils by me heretofore made.

FIRST: I direct my Executors to pay my just debts, and my funeral and administration expenses; and I further direct said Executors to pay all the estate, inheritance, succession, legacy and transfer taxes imposed by and made payable under the laws of the United States or this State or any other state or country by reason of my death, and to charge such payments against the residue of my estate as an administration expense; and I further direct that such tax payments shall not be prorated or apportioned among or charged against the respective devisees, legatees, beneficiaries, transferees or other recipients or be charged against any property passing or which may have passed to any of them; and I further direct that my Executors shall not be entitled to reimbursement for any portion of any such tax payments from any such person.

SECOND: I give and bequeath to my husband, Lebbeus F. Bissell, all of my household goods and furnishings, and other personal articles and effects and any automobiles which may be registered in my name at the time of my death, to be retained or disposed of by him as he may deem most in accordance with

VOL 94 PAGE 422

my wishes which I shall have made known to him. If my said husband shall not survive me, then I give and bequeath all said personal property to my sons, Marcus C. Mason, Jr., of Winnetka, Illinois, and John S. Mason, of Vernon, Connecticut, to be similarly retained or disposed of by them as they may deem most in accordance with my said wishes.

THIRD: I give and devise the real property located on Ellington Avenue, Ellington, Connecticut, and on Tyler Avenue, Eastern Point, Groton, Connecticut, if I shall be the owner of any such real property at the time of my death, to my said husband, Lebbeus F. Bissell, to be his absolutely and forever, if he shall survive me; but if my said husband shall not survive me, then I give and devise said real property equally to my said sons, Marcus C. Mason, Jr., and John S. Mason, to be theirs absolutely and forever, in equal shares as Tenants in Common.

FOURTH: I give and bequeath the sum of Forty Thousand Dollars ($40,000) to my said son, Marcus C. Mason, Jr., and to my daughter-in-law, Josephine T. Mason, in equal shares, absolutely and forever; but if either of them shall not survive me, then I give and bequeath all of said sum to the survivor of them. In the event neither of them shall survive me, then I give and bequeath all of said sum to the issue of said Marcus C. Mason, Jr., and said Josephine T. Mason, who shall be living at the time of my death, per stirpes, absolutely and forever.

FIFTH: I give and bequeath the sum of Twenty Thousand Dollars ($20,000) to my said son, John S. Mason, absolutely and

forever; but if he shall not survive me, then I give and bequeath all of said sum to the issue of the marriage of said John S. Mason and Emily Lowry Mason, who shall be living at the time of my death, per stirpes, absolutely and forever.

SIXTH: I give and bequeath the sum of Twenty Thousand Dollars ($20,000) to my great granddaughter, Katherine Bissell Porter, absolutely and forever. In the event she shall not survive me, then I direct this bequest shall pass instead to her mother, Joan T. Porter, to be hers absolutely and forever.

SEVENTH: (a) I give and bequeath the sum of Fifty Thousand Dollars ($50,000) to The Rockville General Hospital, Incorporated, of Rockville, Connecticut, in memory of my parents, Mr. and Mrs. Thomas W. Sykes, the income therefrom to be used for the general purposes of said Hospital.

(b) I give and bequeath the sum of Three Thousand Dollars ($3,000) to Vassar College, located in Poughkeepsie, New York, to be used for the general purposes of said College.

EIGHTH: I give and bequeath the sum of Five Thousand Dollars ($5,000) to Ida Zahner, if she shall be in my employ at the time of my death, to be hers absolutely and forever; but if said Ida Zahner shall not be in my employ at such time, this bequest shall lapse and pass instead with the residue of my estate.

NINTH: (a) I give and bequeath, absolutely and forever, the sum of Twenty Thousand Dollars ($20,000) to my grandson, John S. Mason, Jr., if he shall survive me, but if he shall not survive me, to his issue, per stirpes, who survive me, but if neither he nor any of his issue shall survive me, this bequest shall lapse and pass instead with the residue of my estate under Paragraph TWELFTH hereof.

(b) I give and bequeath, absolutely and forever, the sum of Twenty Thousand Dollars ($20,000) to my grandson, Thomas S. Mason, if he shall survive me, but if he shall not survive me, to his issue, per stirpes, who survive me, but if neither he nor any of his issue shall survive me, this bequest shall

lapse and pass instead with the residue of my estate under Paragraph TWELFTH hereof.

**TENTH:** (a) I give and bequeath, absolutely and forever, the sum of Twenty Thousand Dollars ($20,000) to my grandson, Marcus C. Mason, III, if he shall survive me, but if he shall not survive me, to his issue, per stirpes, who survive me, but if neither he nor any of his issue shall survive me, this bequest shall lapse and pass instead with the residue of my estate under Paragraph TWELFTH hereof.

(b) I give and bequeath, absolutely and forever, the sum of Twenty Thousand Dollars ($20,000) to my grandson, Edwin T. Mason, if he shall survive me, but if he shall not survive me, to his issue, per stirpes, who survive me, but if neither he nor any of his issue shall survive me, this bequest shall lapse and pass instead with the residue of my estate under Paragraph TWELFTH hereof.

**ELEVENTH:** (a) I give and bequeath, absolutely and forever, the sum of Twenty Thousand Dollars ($20,000) to my granddaughter, Joan T. Porter, if she shall survive me, but if she shall not survive me, to her issue, per stirpes, who survive me, but if neither she nor any of her issue shall survive me, this bequest shall lapse and pass instead with the residue of my estate under Paragraph TWELFTH hereof.

(b) I give and bequeath, absolutely and forever, the sum of Twenty Thousand Dollars ($20,000) to my granddaughter, Sara M. Ellison, if she shall survive me, but if she shall not survive me, to her issue, per stirpes, who survive me, but if neither she nor any of her issue shall survive me, this bequest shall lapse and pass instead with the residue of my estate under Paragraph TWELFTH hereof.

(c) I give and bequeath, absolutely and forever, the sum of Twenty Thousand Dollars ($20,000) to my granddaughter, Jane L. Mason, if she shall survive me, but if she shall not sur-

vive me, to her issue, per stirpes, who survive me, but if neither she nor any of her issue shall survive me, this bequest shall lapse and pass instead with the residue of my estate under Paragraph TWELFTH hereof.

**TWELFTH:** I give and bequeath all the rest, residue and remainder of my property, both real and personal, wheresoever situate, and whether acquired before or after the execution of this Will, (hereinafter called the "Trust Estate"), to The Connecticut Bank and Trust Company, a Connecticut banking corporation located in Hartford, Connecticut, (hereinafter called the "Trustee"), IN TRUST, HOWEVER, for the following uses and purposes:

(a) To pay to, or expend for the benefit of, my said husband, Lebbeus F. Bissell, so much of the annual net income from the Trust Estate and so much of the principal thereof as the Trustee shall deem to be in the best interest of my said husband, for his most comfortable maintenance and support during his life. In connection with making such payments, the Trustee shall be generous in exercising its discretion and shall take into consideration such factors as the cost of living and the impact of Federal, State and local taxes upon the net spendable funds of my said husband, and the Trustee is hereby exonerated from any liability in connection with making such payments in the exercise of its absolute discretion. The Trustee shall add to the principal of the Trust Estate and invest and distribute as a part thereof, any part of the annual net income therefrom not expended under the terms of this subparagraph. Anything herein to the contrary notwithstanding, my said husband shall have the right at any time during his life, exercisable by a written instrument filed with the Trustee during his lifetime, or by Will, to appoint, in trust or otherwise, all or any part of the Trust Estate to my issue, or any of them, in such proportions and amounts as he shall, in his

sole judgment determine; provided, however, the exercise of no such power shall be effective unless it shall make specific reference to said power hereby created.

(b) Upon the death of my said husband, in the event he shall not have effectively exercised the power of appointment hereinabove conferred as to all of the Trust Estate, or if he shall not survive me, upon my death, the Trustee shall divide all of the principal of the Trust Estate, as it is then constituted, into two (2) parts, one for my said son, Marcus C. Mason, Jr., and his issue, and the other for my said son, John S. Mason, and his issue.

(1) The Trustee shall pay to, or expend for the benefit of, my said son, Marcus C. Mason, Jr., so much of the annual net income from his part of the Trust Estate as determined, and so much of the principal thereof as the Trustee shall deem to be in the best interest of said Marcus C. Mason, Jr., for his most comfortable maintenance and support during his life. In making expenditures for my said son hereunder, the Trustee is to be guided by the same factors as are hereinabove enumerated in subparagraph (a) with respect to my said husband. The Trustee shall add to the principal of this part of the Trust Estate, and invest and distribute as a part thereof any part of the annual net income therefrom not expended under the terms hereof. Anything herein to the contrary notwithstanding, after the death of my said husband, said Marcus C. Mason, Jr., shall have the power at any time during his life, exercisable by a written instrument filed with the Trustee during his lifetime, or by Will, to appoint in trust or otherwise, all or any part of his part of the Trust Estate to his issue, or any of them, in such

proportions and amounts as he shall, in his sole judgment, determine; provided, however, that no exercise of such power shall be effective unless it shall make specific reference hereto.

(2) Upon the death of said Marcus C. Mason, Jr. if he shall survive my said husband, or if he shall not survive my said husband, upon the death of my said husband, or if neither of them shall survive me, upon my death, the Trustee shall divide said part of the Trust Estate, as it is then constituted, into as many equal portions as there shall be children of said Marcus C. Mason, Jr., either living at that time or deceased and represented by then living issue, and forthwith shall pay over and distribute one such portion, free of any trust, to each of said living children who shall then have reached the age of thirty-five (35), and one such portion to the then living issue, per stirpes, of each of said children who shall previously have died, and shall set out one such portion to be continued in trust for each remaining child. Thereafter, the Trustee shall pay over to, or expend for the benefit of, each such remaining child so much of the annual net income from his said portion and so much of the principal thereof as the Trustee, in its sole judgment, shall deem advisable for the maintenance, support and education of such child and shall accumulate and add to the principal of each said portion any part

VOL 94 PAGE 428

of the annual net income therefrom not expended under the terms hereof. As each such remaining child shall reach the age of twenty-five (25), or shall have reached such age, the Trustee shall pay over and distribute to him one-third (1/3) of the net balance of his said portion, free of any trust, and as each such remaining child shall reach the age of thirty (30), or shall have reached such age, in addition to the amount distributable to him at the age of twenty-five (25), the Trustee shall pay over and distribute to him one-half (1/2) of the net balance of his said portion, free of any trust, and as each such remaining child shall reach the age of thirty-five (35), the Trustee shall pay over and distribute to him all of the net balance of his said portion, free of any trust. In the event any such remaining child shall die before receiving all of his said portion, then upon the death of such child, the Trustee shall pay over and distribute all of his said portion, as it is then constituted, to his then living issue, per stirpes, free of any trust, but if there shall be no issue of such child then living, the Trustee shall divide such child's portion, as it is then constituted, into as many equal parts as there shall be at that time children of said Marcus C. Mason, Jr., either living or deceased and represented by then living issue, and shall pay over and distribute, free of any trust, one such part to each of said living children who already shall have reached the age of thirty-five (35), and one such

proportions and amounts as he shall, in his sole judgment, determine; provided, however, that no exercise of such power shall be effective unless it shall make specific reference hereto.

(2) Upon the death of said Marcus C. Mason, Jr. if he shall survive my said husband, or if he shall not survive my said husband, upon the death of my said husband, or if neither of them shall survive me, upon my death, the Trustee shall divide said part of the Trust Estate, as it is then constituted, into as many equal portions as there shall be children of said Marcus C. Mason, Jr., either living at that time or deceased and represented by then living issue, andforthwith shall pay over and distribute one such portion, free of any trust, to each of said living children who shall then have reached the age of thirty-five (35), and one such portion to the then living issue, per stirpes, of each of said children who shall previously have died, and shall set out one such portion to be continued in trust for each remaining child. Thereafter, the Trustee shall pay over to, or expend for the benefit of, each such remaining child so much of the annual net income from his said portion and so much of the principal thereof as the Trustee, in its sole judgment, shall deem advisable for the maintenance, support and education of such child and shall accumulate and add to the principal of each said portion any part

part to the then living issue, per stirpes, of each of said children who previously shall have died, and shall add one of such parts to each of the portions then held in trust hereunder for said living children who have not then reached the age of thirty-five (35), the same to be held and administered in trust as to principal and income, and ultimately distributed, in the same manner as herein provided with respect to the original portion to which such part is so added. All amounts distributable hereunder shall be computed after the deduction of all proper expenses and charges.

(3) If at any time after the last to die of myself, my said husband and my said son, Marcus C. Mason, Jr., there shall be no living issue of said Marcus C. Mason, Jr., the Trustee shall add all of the principal of this part of the Trust Estate, as it is then constituted, to the trust under subparagraph (c) of this Paragraph TWELFTH of this, my Last Will and Testament, to be held, administered and distributed as therein provided.

(4) The Trust hereby created in this subparagraph (b) shall terminate in any event and every final distribution or payment of this part of the principal of the Trust Estate shall be made not later than twenty (20) years after the death of the last survivor of my said husband, Lebbeus F. Bissell, my said son, Marcus C. Mason, Jr., and the issue of said Marcus C. Mason, Jr., who shall be living at the time of my

death, in case said trust shall not have terminated previously in accordance with the terms hereof; and in the event of the termination of this trust in accordance herewith, the Trustee shall pay over and distribute this part of the Trust Estate, as it is then constituted, to the persons who would be entitled thereto as hereinbefore provided had the youngest child of said Marcus C. Mason, Jr. reached the age of thirty-five (35).

(c) (1) Upon the death of my said husband, in the event he shall not have effectively exercised the power of appointment hereinabove conferred, as to all of the Trust Estate, or if he shall not survive me, upon my death, the Trustee shall pay to, or expend for the benefit of my son, John S. Mason, during his life, all of the annual net income from his part of the Trust Estate.

(2) Upon the death of said John S. Mason if he shall survive my said husband, or if he shall not survive my said husband, upon the death of my said husband, or if neither of them shall survive me, upon my death, the Trustee shall divide said part of the Trust Estate, as it is then constituted, into as many equal portions as there shall be children of the marriage of said John S. Mason to said Emily Lowry Mason, either living at that time or deceased and represented by then living issue, and forthwith shall pay over and distribute

one such portion, free of any trust, to each of said living children who shall then have reached the age of thirty-five (35), and one such portion to the then living issue, per stirpes, of each of said children who shall previously have died, and shall set out one such portion to be continued in trust for each remaining child. Thereafter, the Trustee shall pay over to, or expend for the benefit of, each such remaining child so much of the annual net income from his said portion and so much of the principal thereof as the Trustee, in its sole judgment, shall deem advisable for the maintenance, support and education of such child, and shall accumulate and add to the principal of each said portion any part of the annual net income therefrom not expended under the terms hereof. As each such remaining child shall reach the age of twenty-five (25), or shall have reached such age, the Trustee shall pay over and distribute to him one-third (1/3) of the net balance of his said portion, free of any trust, and as each such remaining child shall reach the age of thirty (30), or shall have reached such age, in addition to the amount distributable to him at the age of twenty-five (25), the Trustee shall pay over and distribute to him one-half (1/2) of the net balance of his said portion, free of any trust, and as each such remaining child shall reach the age of thirty-five (35), the Trustee shall pay over and distribute to him all of the net balance of his said portion, free of any trust. In the event

any such remaining child shall die before receiving all of his said portion, then upon the death of such child, the Trustee shall pay over and distribute all of his said portion, as it is then constituted, to his then living issue, per stirpes, free of any trust, but if there shall be no issue of such child then living, the Trustee shall divide said child's portion, as it is then constituted, into as many equal parts as there shall be at that time children of the marriage of said John S. Mason to said Emily Lowry Mason, either living or deceased and represented by then living issue, and shall pay over and distribute, free of any trust, one such part to each of said living children who already shall have reached the age of thirty-five (35), and one such part to the then living issue, per stirpes, of each of said children who previously shall have died, and shall add one of such parts to each of the portions then held in trust for said living children who have not then reached the age of thirty-five (35), the same to be held and administered in trust as to principal and income and ultimately distributed in the same manner as herein provided with respect to the original portion to which such part is so added. All amounts distributable hereunder shall be computed after deduction of all proper expenses and charges.

(3) If at any time after the last to die of myself, my said husband and my said son, John S. Mason, there shall be no living issue of the marriage of said John S. Mason

to said Emily Lowry Mason, the Trustee shall add all of the principal of the Trust Estate, as it is then constituted, to the trust under subparagraph (b) of this Paragraph TWELFTH of this, my Last Will and Testament, to be held, administered and distributed as therein provided.

THIRTEENTH: In addition to any powers hereinbefore conferred upon it, the Trustee under this, my Last Will and Testament, shall have the following powers and authority:

(a) To retain without liability for loss or depreciation resulting from such retention, original property, whether real or personal, received by it from my estate for such period as to it shall seem best, although such property may not be of the character prescribed by law or by the terms of this Will for the investment of trust funds, and without regard to what percentage of the total value of the Trust Estate such original property represents.

(b) To invest and reinvest from time to time in such stocks, common or preferred, bonds, debentures, notes, securities, or other property, either of the class or kind now or hereafter ordinarily approved or held to be lawful for the investment of trust funds, or not, as the Trustee, in its absolute discretion, may select, and to make and change such investments from time to time according to its discretion; to con-

tinue to hold any stock, securities, or other property which it may receive hereunder, and to invest in property located outside the State of Connecticut.

(c) To pay all lawful taxes, all charges and other expenses properly incident to the management of the Trust Estate, and to make returns for Federal and State income tax purposes and to settle and compromise any and all claims which may from time to time arise in connection therewith.

(d) To make any divisions and payments pursuant to the terms of these trusts, using cash, securities, or other property of whatever nature and in whatever proportions the Trustee, in its judgment, shall deem appropriate; and the judgment of the Trustee shall be final.

(e) To exercise in person or by proxy, all voting, option, subscription, reorganization, consolidation, merger and liquidation rights, and all other rights and privileges of whatsoever nature incident, appurtenant or pertaining to securities in the Trust Estate, and, in connection therewith, to enter into any covenant or agreement binding the Trust Estate, and to purchase any new securities issued as a result of, or in connection with, any such act.

(f) To determine, in its absolute and uncontrolled discretion, whether any money or other property coming into its hands is part of the principal of the Trust Estate, or the gross income therefrom, or the net income available for distribution thereunder, and to apportion between principal and in-

come any loss or expenditures which, in its opinion, should be apportioned, and which as to the Trustee may seem just and equitable; and any such determination as between principal and income so made by the Trustee in good faith shall be conclusive and binding upon all beneficiaries or other persons interested in the Trust Estate.

(g) To manage and control the Trust Estate and to sell, exchange, lease, rent, assign, transfer or otherwise dispose of all or any part thereof, real or personal, upon such terms and conditions as it may, in its discretion, deem proper, without requesting permission from any Probate Court.

FOURTEENTH: As a matter of convenience to the beneficiaries, the Trustee hereunder may be changed at any time and a successor corporate Trustee appointed by my said husband during his lifetime, and thereafter, with respect to each portion of the Trust Estate, by the person entitled to receive income from such portion at the time of such change, including the personal representative of any such person who is then legally incompetent. Such power shall be exercised by giving written notice to the then Trustee and to the successor Trustee and upon the acceptance of the trusts by the successor Trustee and the transfer to the successor Trustee of the Trust Estate, or the portion thereof as the case may be, said then Trustee shall cease to be Trustee of the Trust Estate, or portion, and the successor Trustee shall become and thereafter be Trustee thereof, to serve in the same manner and with the same powers.

FIFTEENTH: I nominate, constitute and appoint my said husband, Lebbeus

F. Bissell and my said sons, Marcus C. Mason, Jr., and John S. Mason, Executors of this, my Last Will and Testament, all to serve without requirement of bond, with full power of disposition, management and dealing with respect to both real and personal property belonging to me in order to carry out the administration hereof. I authorize my Executors to make any division of my estate required by this, my Last Will and Testament, and to determine what property shall be included in each share thereof and the value of such property; and the division and determination so made by my Executors shall be final and conclusive upon all interested parties. I also authorize my Executors to join my said husband or his estate in the filing of any Federal income tax return for any year for which I have not filed such return prior to my death, and also to consent to any gifts made by my said husband as being made half by me for the purpose of the Federal gift tax law; and my Executors may take such action even though it may result in additional liabilities for my estate. If my said husband and/or my said sons shall die, resign, or be unable or unwilling to act as an Executor hereof, then I direct that the remaining or surviving Executors, as the case may be, shall serve as sole Executor or Executors, as the case may be, to act in the same manner and with the same powers.

SIXTEENTH: Reference herein to said The Connecticut Bank and Trust Company shall include any corporation or association which may succeed to its trust business.

IN WITNESS WHEREOF, I have hereunto set my hand and seal,

SECOND CODICIL
TO
LAST WILL AND TESTAMENT
OF
KATHERINE SYKES BISSELL

I, KATHERINE SYKES BISSELL, of the Town of Vernon, County of Tolland and State of Connecticut, being of sound and disposing mind and memory, do make, publish and declare this to be the Second Codicil to my Last Will and Testament, dated March 10, 1969.

FIRST: Paragraph FIRST of my said Last Will and Testament is hereby renumbered Paragraph FIRST (a), and the following new Paragraph FIRST (b) is hereby added to my said Last Will and Testament:

"FIRST: (b) It is my understanding that Paragraph NINTH (a) (2) of the Last Will and Testament of my late husband, Lebbeus F. Bissell, dated March 24, 1972, grants to me a testamentary general power of appointment over the Marital Trust Estate created in Paragraph NINTH (a) of said Last Will and Testament. I hereby exercise the said power of appointment by directing that the share of any estate, inheritance, succession, legacy and transfer taxes assessed or imposed by reason of my death which is attributable to the inclusion in my estate for the purposes of such taxes of any part of the principal of said Marital Trust Estate, shall be charged against said Marital Trust Estate rather than the residue of my estate, notwithstanding the provisions of Paragraph FIRST (a) of this Will. In determining the amount of such taxes, the principal of said Marital Trust Estate shall be deemed to be the portion of my said es-

The Avis M. Lloyd Tree of Life is a beautiful bronze sculpture in the John A. DeQuattro Community Cancer Center that provides donors the opportunity to support cancer patients while honoring family and friends. Proceeds from the purchase of an engraved dove, boulder or 2" x 4" leaf will be used by the Avis M. Lloyd Fund to provide services at the Cancer Center such as: lay navigator to greet and assist cancer patients, valet attendant, dietician, social worker and financial services for patients in need. Created by the family members of Avis M. Lloyd, the Tree of Life honors the memory of loved ones such as Mrs. Lloyd but also celebrates the current lives of family and friends by honoring birthdays, anniversaries, marriages, retirements or other special occasions.

Dear Stan,

Team Towanda Foundation is pleased to inform you that ECHN Community Foundation will be the beneficiary of half of the net proceeds from our April 28 FUNdraiser. This event is attended by over 500 women from the Greater Hartford area and is always a very successful and fun event.

We will be in touch with you soon after the event to let you know how much the gift will be.

Like you, we are all hoping and praying that 2012 will be "The Year of the Cure". In the meantime, remember Towanda's battle cry: FIGHT & PRAY & LIVE & LAUGH & LOVE!

Sincerely,

Ellen Hollister

## A $10,000 Grant To ECHN From Team Towanda Foundation

**Regional**

*Submitted by Rosemary Mariocchio, ECHN, on 2011-05-23.*

The Team Towanda Foundation recently presented a check in the amount of $10,000 to Eastern Connecticut Health Network (ECHN) in support of its Breast Care Collaborative/Early Detection Program.

The funds will provide approximately 125 mammogram screenings, as well as breast ultrasounds and gift cards to help purchase medical supplies required after surgery (if needed), for uninsured women. Team Towanda is also donating approximately 250 cookbooks for Early Detection Program mastectomy patients. The value of this gift is $4,000.

In addition, the Team Towanda Foundation has given ECHN a challenge to sell up to $5,000 worth of their latest cookbook, Towanda Celebrates with her Bosom Buddies: Another Towanda Cookbook ($20 each). The challenge extends to the end of 2011. If ECHN meets this challenge, Team Towanda will not only donate the $5,000 from the sale of the cookbooks but will also match it with another $5,000 grant.

If you are interested in learning more about ECHN's Early Detection Program or to purchase a copy of the Team Towanda cookbook, please call 860-672-6365. More information about the Team Towanda Foundation and its services can be found on their website at www.teamtowanda.org.

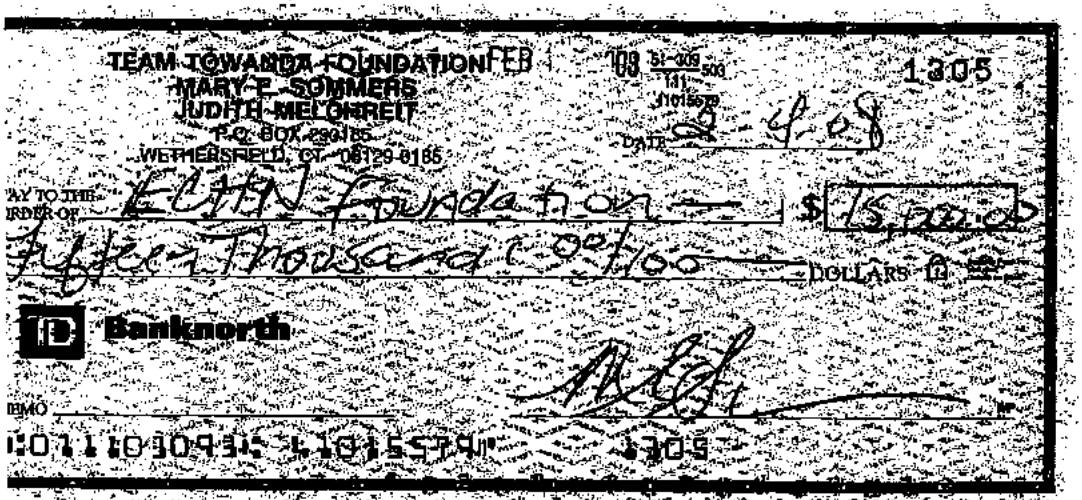
Ms. Debra Martin
ECHN
Fitch Building, 26B Union Street
Vernon, CT 06066



Dear Debra:

Team Towanda Foundation is pleased to make a $15,000 donation to the Towanda Fund administered by the ECHN Foundation. As you know, so many people have contributed to Team Towanda's efforts to provide mammograms and breast related services to the uninsured, underserved population of the Greater Hartford area. This donation is possible as a result of sales of the Charge of the Casserole Cavalry- The Official Towanda Cookbook, proceeds from the 2007 TTF FUNdraiser, memorial and thanksgiving gifts, as well as a number of smaller fundraisers held to benefit TTF projects and the women we serve.

We look forward to partnering with ECHN again in 2008 to support all the Pink Ribbon Warriors.

In Hope and Strength we offer you our very Breast Regards for the coming year!

Judith G. Melchreit
President, Team Towanda Foundation

"Through our Tip A Firefighter Night The ManchesterFirefighters Union Local 1579 decided to keep the fundraising effort local. With ECHN and the DeQuattro Cancer Center having a large footprint in our community it really wasn't a hard decision where to focus our efforts"

"Our Pink T-shirt campaign is part of a National Program thru the International Association of Firefighters-IAFF in which Locals throughout the country sell and wear the Pink T-Shirts for the month if October and all profits go to Support Breast Cancer Research"

"We've had tremendous feedback from both the community and from Chili's that we are already planning on a similar effort next year"

**Author:** Debra McCaig

The coffee cart was started in 1996. The suggestion was brought to the Volunteer Office by a cancer survivor who was a volunteer. The first donation was for $10,000 to the building fund for the Cancer Center. The coffee cart has donated about $500,000 over the past 14 years towards cancer programs. This year we funded the Early Detection Program, Breast Care Collaborative, Oncology Education and the start of a survivorship program.

Dear CRC members,

I wanted to follow up with you regarding a discussion that came from our group a few months ago regarding purchasing a van to be used by ECHN for the benefit of both the patients. I have spoken to Mike Lynch and we have selected a certified used van which costs $23,995 with 34,725 miles. Mike has offered to give us that van at $19,700. Thank you Mike!

One of the benefactors of this van would be the Clinical Day School to use the van to transport patients to our Partial Hospital and Intensive Outpatient Programs during the school year and to and from the Programs in the summer. These are 3 and 4 hour programs for adolescents who need more intensive treatment than outpatient but do not need inpatient level of care.
The Clinical Day School currently has 36 adolescents in the Program and transport all of them. We will the use the van Monday- Friday.
2) Another potential use will be for when ECHN conducts health fairs in the community to transport the necessary staff and equipment.

The following commitments have been pledged:
$5,000 from [redacted]
THIS BRINGS OUR REQUESTED TOTAL NEEDED TO: $14,700.
I wanted to ask (one last time) to make the commitment. This stemmed from the fact that we were able to raise the necessary funds to complete the BH activity/dining room. Please feel free to email me personally today a commitment if you are ready and moving forward to Nina Kruse at (nkruse@echn.org <mailto:nkruse@echn.org>).
Thank you again for all your support,

Stan

Notes:
The fund is an account funded by the residents of Woodlake at Tolland. The goal is to provide the residents a mechanism for self-expression and self-determination. All residents are automatically members of the council and have a right to participate in elections and other activities. The duty of the council is to represent their constituents at the meetings. The Resident Council is mandated by the State of Connecticut as a part of the Reisdents Bill of Rights. All monies are raised by the residents, for the residents and voted how to be utilized by the residents of Woodlake.

# MARY K. BARTON

KNOW ALL MEN BY THESE PRESENCE, that I, MARY K. BARTON, of the Town of South Windsor, County of Hartford and State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my Last Will and Testament, hereby revoking all previous Wills and Codicils by me at any time heretofore made.

FIRST: I direct my Co-executors, hereinafter named, to pay my just debts, except such as at the time of my death may be secured by mortgage, if any, and my funeral and administration expenses, and I further direct my said Co-executors to pay all the estate, inheritance, succession, legacy and transfer taxes imposed by and made payable under the laws of the United States or this State or any other state or country by reason of my death, and to charge such payments against the residue of my estate as an administration expense, and I further direct that such payments shall not be prorated or apportioned among or charged against the respective devisees, legatees, beneficiaries, transferees or other recipients or be charged against any property passing or which may have passed to any of them.

SECOND: All the rest, residue and remainder of my estate, real personal and mixed, and wheresoever the same may be situated, of which I may die seized or possessed, or to which I may in any manner be entitled at the time of my death, I give, devise and bequeath unto my sister, ANNA H. BARTON, to be hers absolutely and forever and provided she shall survive me.

**FOURTH:** If my sister, ANNA H. BARTON, does not survive me, then all the rest, residue and remainder of my estate, real, personal and mixed, together with any lapsed legacies, I give, devise and bequeath unto the SHAWMUT BANK, with offices in Hartford, Connecticut, or its successors, as Trustee of a certain trust to be known as the BARTON FAMILY TRUST.

I ORDER AND DIRECT my Trustee to invest and re-invest all the assets in the trust account as it, in its absolute discretion, deems fit and to pay all of the net income thereof in convenient installments at least quarter/annually to or for the benefit of, the Manchester Memorial Hospital.

If the Manchester Memorial Hospital or its lawful successor is no longer in existence, or if it is not then a charitable organization within the meaning of the Internal Revenue Code, the net income shall be distributed to one or more organizations selected by the trustee, each of which is a charitable organization as defined in Sections 170(c) and 2055(a) of the Internal Revenue Code of 1986, as

amended from time to time, in such proportions among such organizations as the trustee shall decide.

FIFTH: In addition to all powers granted by law to my trustee, the trustee shall have the additional powers enumerated herein:

1. To retain for any period of time without limitation, and without liability for loss or depreciation in value, any property transferred to the trustee, including partnership interests (whether general, special, or limited), even though the trustee could not properly purchase the property as a trust investment and though its retention might violate principles of investment diversification;

2. To sell at public or private sale, wholly or partly for cash or on credit, contract to sell, grant or exercise options to buy, convey, transfer, exchange, or lease (for a term within or extending beyond the term of the trust) any real or personal property of the trust, and to partition, dedicate, grant easements in or over, subdivide, improve, and remodel, repair, or raze improvements on any real property of the trust, and in general to deal otherwise with the trust property in such manner, for such prices, and on such terms and conditions as any individual might do as outright owner of the property;

3. To borrow money at interest rates then prevailing from any individual, bank, or other source, and to create security interests in the trust property by mortgage, pledge, or otherwise;

4. To invest in bonds, common or preferred stocks, notes, real estate mortgages, common trust funds, shares of

regulated investment companies (including any participation in an investment company registered under the Investment Company Act of 1940 for which the corporate trustee or an affiliate of the corporate trustee is acting as investment advisor, custodian or administrator), currencies, partnership interests (whether general, special, or limited), or other securities or property, real or personal, domestic or foreign, without being limited by any statute or rule of law governing investment by trustees;

5. To exercise in person or by general or limited proxy all voting and other rights, powers, and privileges and to take all steps to realize all benefits with respect to stocks or other securities and to enter into or oppose, alone or with others, voting trusts, mergers, consolidations, foreclosures, liquidations, reorganizations, or other changes in the financial structure of any corporation;

6. To cause any security or other property to be held, without disclosure of any fiduciary relationship, in the name of the trustee, in the name of a nominee, or in unregistered form;

7. To pay all expenses incurred in the administration of the trust, including reasonable compensation to any trustee, and to employ or appoint and pay reasonable compensation to accountants, depositaries, investment counsel, attorneys, attorneys-in-fact, and agents (with or without discretionary powers);

8. To deal with the fiduciary or fiduciaries of any other trust or estate, even though the trustee is also the

fiduciary or one of the fiduciaries of the other trust or estate;

9. To compromise or abandon any claim in favor of or against the trust;

10. To execute instruments of any kind, including instruments containing covenants and warranties binding upon and creating a charge against the trust property and containing provisions excluding personal liability;

11. To perform all other acts necessary for the property management, investment, and distribution of the trust property.

12. To the extent that such requirements can legally be waived, no trustee hereunder shall ever be required to give bond or security as trustee, or to qualify before, be appointed by or account to any court, or to obtain the order or approval of any court with respect to the exercise of any power or discretion granted in this instrument;

13. The trustee's exercise or nonexercise of powers and discretions in good faith shall be conclusive on all persons. No person paying money or delivering property to the trustee hereunder shall be required or privileged to see to its application. The certificate of the trustee that the trustee is acting according to this instrument shall fully protect all persons dealing with a trustee.

I NOMINATE AND APPOINT my friend EDITH STARR, of South Windsor, Connecticut and THE SHAWMUT BANK with offices in Hartford, Connecticut, as Co-Executors of this my Last Will and Testament. Neither Executor under this Will shall be required to furnish bond or other security as Executor for their qualification.

In addition to all powers granted by law I give my Co-executors power, exercisable in their discretion and without court order, to retain, sell (at public or private sale), exchange, lease for any term (even though commencing in the future or extending beyond the date of final distribution of my estate), mortgage, pledge, or otherwise deal for any purpose with the property, real or personal, from time to time comprising my estate, for such consideration and on such terms (with or without security) as my Co-executors shall determine, to borrow money for any purpose, at interest rates then prevailing, from any individual, bank of other source, irrespective of whether that lender is then acting as Co-executor to invest in any property whatsoever to compromise or abandon any claims in favor of or against my estate; to hold any property in the name of a nominee or in bearer form; to employ accountants, depositaries, attorneys, and agents (with or without discretionary powers); to execute contracts, notes, confines, and other instruments, including instruments containing covenants and warranties binding upon and creating a charge against my estate, and containing provisions excluding personal liability; to make distributions wholly in cash or in kind, or partly in cash.

I direct that the compensation of the corporate executor, if any, shall be in accordance with its published schedule of fees as in effect at the time the services are rendered, and compensation due the Co-Executrix, being in accordance with the standard practice in force as of the time of my death.

I give to THE FIRST NATIONAL BANK OF HARTFORD the sum of Twenty Thousand Dollars ($20,000), in trust, however, to hold and manage, invest and reinvest, and to pay over the income derived therefrom to the TRUSTEES OF THE MANCHESTER MEMORIAL HOSPITAL, to be used for such general hospital charges and expenses as said Trustees shall deem best, said fund to be known as "THE ADDISON L. CLARK FUND."

ARTICLE XII. I give to THE FIRST NATIONAL BANK OF HARTFORD the sum of Six Thousand Dollars ($6,000), in trust, however, to hold and manage, invest and reinvest, and to pay over the income therefrom to THE NEWINGTON HOME FOR CRIPPLED CHILDREN, located at Newington, Connecticut, or by whatever other name it may be known, to be used for the general charges and expenses of said Home, said fund to be known and designated as "THE LUELLA CLARK HALE MEMORIAL FUND."

ARTICLE XIII. I give to THE FIRST NATIONAL BANK OF HARTFORD the sum of Six Thousand Dollars ($6,000), in trust, however, to hold and manage, invest and reinvest, and to pay over the income therefrom to THE CONNECTICUT HUMANE SOCIETY, to be used for the general charges and expenses of said Society.

ARTICLE XIV. I give to THE FIRST NATIONAL BANK OF HARTFORD the sum of Six Thousand Dollars ($6,000), in trust, however, to hold and manage, invest and reinvest, and to pay over the income therefrom to THE CONNECTICUT INSTITUTE FOR THE BLIND, located in Hartford, Connecticut, to be used for the general charges and expenses of said institution.

ARTICLE XV. I give to said THE FIRST NATIONAL BANK OF HARTFORD the sum of Three Hundred Dollars ($300), in trust, however, to hold and manage, invest and reinvest, and to use the income therefrom for the perpetual care of the cemetery lots of Addison L. Clark and Justus W. Hale, located in the South Manchester Cemetery.

3.

ARTICLE XVI. I direct my Executor hereinafter named to procure and erect at my grave a suitable headstone.

ARTICLE XVII. I give and devise all of the rest, residue and remainder of my property, real and personal, of which I may die seized or possessed or in which I may have an interest at the time of my death, wherever the same may be located or found, to THE FIRST NATIONAL BANK OF HARTFORD, in trust, nevertheless, to hold and manage, invest and reinvest, and the income from such fund to be disbursed in accordance with the provisions of the resolution adopted by said Trustee providing for the establishment of "THE HARTFORD FOUNDATION FOR PUBLIC GIVING."

ARTICLE XVIII. I NOMINATE AND APPOINT THE FIRST NATIONAL BANK OF HARTFORD Executor of this, my last Will, and I authorize and empower my said Executor to settle any of the legacies provided in my Will by delivering to the legatee property or securities in its hands of the fair value of the amount of the legacy, without further accountability therefor.

IN WITNESS WHEREOF, I have hereunto set my hand and seal at Hartford, Connecticut, this 7th day of February, 1938.

Luella C. Hale (L.S.)

Signed, sealed, published and declared by the above Testatrix, LUELLA C. HALE, as and for her last Will and Testament in our presence and in the presence of each of us, who, at her request, in her presence and in the presence of each other, have hereunto subscribed our names as witnesses.

# LAST WILL and TESTAMENT

*of*

# WILLIE T. MORTON

Will proved and approved and admitted to probate May 2, 1925, in the Probate Court for the District of Manchester, Connecticut. : : :

I, WILLIE T. MORTON, of Manchester, Connecticut, being of sound and disposing mind, memory and understanding, do make, publish and declare this to be my Last Will and Testament, hereby revoking all other wills heretofore made by me.

FIRST: Whereas I have made provision for my present wife by agreement executed before my marriage under which the sum of Twenty Thousand (20,000) Dollars will be paid to my said wife as a claim upon my estate, I now hereby confirm said agreement and I have taken the same into consideration in the provisions set out in this will.

SECOND: I direct that all my just debts and funeral expenses be paid as soon as conveniently can be after my decease, and that all succession, legacy, transfer or inheritance taxes be paid by my Executor out of the residue of my estate as an expense in the settlement thereof.

THIRD: I request that my funeral be conducted by the Manchester Lodge of Masons, No. 73, A. F. & A. M., of which I am a member.

FOURTH: I give and bequeath to each child of mine that may survive me the sum of Twenty Thousand (20,000) Dollars; but if any such child should be under the age of twenty-five (25) years at the date of my death, I direct that the legacy to such child shall be held by The Hartford-Connecticut Trust Company, of Hartford, Connecticut, as Trustee, IN TRUST; and I further direct that said Trustee shall use the income or part of the principal, if necessary in its judgment, for the care, support and education of such child until such child shall reach the age of twenty-five (25) years; and I direct that when such child shall reach the age of twenty-five (25) years, all of said funds then remaining in said Trustee's hands shall be paid, transferred and delivered to such child. If any such child should die before reaching the age of twenty-five (25) years, I direct that all funds then held for such child by my said Trustee shall be distributed equally to the children of such child by my said Trustee; and if there be no children of such child then living, I direct that said fund shall be added to the residue of my estate.

FIFTH: During the life of my brother, John E. Morton, I entered into a verbal agreement with him by which my brother agreed to make no will and to allow his entire property to pass to me as his next-of-kin, and in consideration of the same I agreed to make certain bequests by my will, these bequests being the ones hereinafter set out as such.

SIXTH: I hereby direct my Executor to expend, or cause to be expended a sum not to exceed Fifteen Thousand (15,000) Dollars for the erection of a new monument and for the repair or replacement of headstones, and for grading and other improvements on the Morton family lot in the cemetery at Windsorville, Connecticut, where my father, mother and brothers are buried. It is my will that my Executor need not expend the exact sum of Fifteen Thousand (15,000) Dollars, but shall use its discretion in such expenditure. This is in accordance with the agreement with my brother referred to in the Fifth Clause.

SEVENTH: I give and bequeath to my wife, Laura B. Morton, all articles of household or personal use or adornment and any automobiles which I may own at the date of my death, wherever the same may be located.

EIGHTH: I give and bequeath to The Hartford-Connecticut Trust Company, of Hartford, Connecticut, as Trustee, IN TRUST, the sum of One Hundred Ten Thousand (110,000) Dollars, the same to be held, managed and disposed of as hereinafter provided:—

A. I direct that my Executor may pay said sum of One Hundred Ten Thousand (110,000) Dollars in cash or securities; and if paid in securities, the same shall be valued by my said Executor at the market rate at the date of payment, but all mortgages shall for this purpose be delivered at their face value.

B. I direct that the sum of Twenty Thousand (20,000) Dollars shall be set apart by my Trustee, and the income therefrom shall be paid to my cousin, Miss Julia A. E. Buck, of Glenolden, Pennsylvania, during her life; and upon her death, or if she should predecease me, then upon my death, I direct that the said income shall be paid to Mrs. David Winters, aunt of my said cousin, who lives with her, during the life of said Mrs. Winters. Such income shall be paid semi-annually, or oftener, at the discretion of my said Trustee, or may be applied for the care, comfort and support of the recipient of said income. Upon the death of the survivor of said Miss Julia A. E. Buck and said Mrs. David Winters, or upon my death if they should both predecease me, I direct that said sum shall be added to the rest and residue of my estate.

C. I direct that the sum of Ten Thousand (10,000) Dollars shall be set apart by my Trustee, and the income therefrom shall be paid semi-annually, or oftener, in the discretion of said Trustee, to the Methodist Church, of Windsorville, Connecticut, said income to be used by said church for its general purposes.

D. I direct that the sum of Five Thousand (5,000) Dollars shall be set apart by my Trustee, and the income therefrom shall be paid semi-annually, or oftener, in the discretion of said Trustee, to the Second Congregational Church, of Manchester, Connecticut.

E. I direct that the sum of Ten Thousand (10,000) Dollars shall be set apart by my Trustee, and the income therefrom shall be paid semi-annually, or oftener, in the discretion of said Trustee, to the Salvation Army, of South Manchester, Connecticut.

F. I direct that the sum of Five Thousand (5,000) Dollars shall be set apart by my Trustee, and the income therefrom shall be paid semi-annually, or oftener, in the discretion of said Trustee, to the Manchester Lodge of Masons, No. 73, A. F. & A. M., of which I am a member.

G. I direct that the sum of Five Thousand (5,000) Dollars shall be set apart by my Trustee, and the income therefrom shall be paid semi-annually, or oftener, in the discretion of said Trustee, to the Temple Chapter, No. 3, Order of Eastern Star, of Manchester, Connecticut, of which I am a member.

H. I direct that my said Trustee shall set apart the sum of Forty Thousand (40,000) Dollars, and the income therefrom shall be paid by my said Trustee semi-annually, or oftener, in its discretion, to the East Windsor Cemetery Association, or to the Town of East Windsor, at the discretion of my said Trustee, such income to be used by said cemetery association or said town for making improvements in and beautifying and maintaining the Windsorville Cemetery. Said cemetery association or town after using said income shall render annually a written report to my Trustee of the use of said income, and my said Trustee shall annually examine said cemetery and ascertain the use made of said income. Should my said Trustee in any year determine that said income is not being employed in a profitable manner as above provided, I direct that it shall make other arrangements for the use of the income of said fund for making improvements in, beautifying and maintaining said cemetery. This bequest is in accordance with the agreement with my brother referred to in the Fifth Clause.

I. I direct that my said Trustee shall set apart the sum of Five Thousand (5,000) Dollars, and shall use the income therefrom each year in maintaining and beautifying the Morton family lot in the Windsorville Cemetery, where my father and mother are buried, and the stones and monuments of said lot. This may be expended for annual care, improvements, of any type, trees, bushes, or flowers, or improvements or replacement of stones, in the discretion of my Trustee. This is in accordance with the agreement with my brother referred to in the Fifth Clause.

J. I direct that my said Trustee shall set apart the sum of Ten Thousand (10,000) Dollars, and shall pay the income semi-annually, or oftener, in its discretion, to my cousin, Ethel M. Hall, of Mystic, Connecticut, during her life, or my said Trustee may use said income for the care, comfort and support of my said cousin. Upon the death of my said cousin, said fund shall be added to the residue of my estate.

K. I hereby authorize and empower my said Trustee to hold any securities which may be received from my estate, or to sell the same and invest and reinvest any fund in its hands without being restricted by the laws or statutes of this or any other State, but I admonish my said Trustee to hol din mind at all times the security of the principal of such trust funds rather than the rate of income. Under the present conditions, I would advise the investment of said funds in first mortgages suitable for the investment of saings bank funds.

NINTH: I give and bequeath to The Hartford-Connecticut Trust Company, as Trustee, IN TRUST, the sum of One Hundred Thousand Dollars ($100,000), and I direct that the same be paid to said Trustee in cash or securities, and if paid in securities, the same shall be valued by my Executor at the market rate at the date of payment. I direct that if a Young Men's Christian Association of Manchester be in existence at the time of my death, or if one be formed after my death, and such Young Men's Christian Association in existence at my death or formed after my death shall comply with the conditions hereinafter set out, then my said Trustee shall pay such Young Men's Christian Association said sum of One Hundred Thousand (100,000) Dollars, with any accumulated interest. The conditions of this bequest to such Young Men's Christian Association are that it shall, within eight years after my death, obtain a suitable lot within one-quarter mile of Depot Square, Manchester, and erect thereon a suitable building for the work of such Young Men's Christian Association, the plans and location of such building to be approved by my said Trustee, the same to be substantially completed within eight years after my death; also that before commencing the erection of such building, said Young Men's Christian Association shall raise an additional sum of at least Ten Thousand (10,000) Dollars, the same to be held by the Association and safely invested and form the nucleus of an endowment fund. Should said Young Men's Christian Association secure said lot, said endowment fund, and obtain plans, approved by my said Trustee, and commence

the erection of such building so that there is a reasonable expectation of the completion of the same within eight years from the date of my death, then I authorize and empower my said Trustee to make payments from time to time during the erection of such building of reasonable parts of said sum of One Hundred Thousand (100,000) Dollars, to be used for payments on said building. I direct, however, that no payments be made to such Young Men's Christian Association or for such building previous to five years from the date of my death. It is my wish and desire that such Young Men's Christian Association shall cause to be engraved in a conspicuous place in the interior of said building in large gilt letters at least four (4) inches high, these words "Given in Memory of John E. and Willie T. Morton."

**TENTH:** In case the conditions set out in the preceding clause are not met with, and said sum of One Hundred Thousand Dollars ($100,000) is not paid to the Young Men's Christian Association in Manchester, then and in that event, I direct that if an association shall be formed in said Manchester within ten (10) years from the date of my death, to be known as The Morton Library Association, for the purpose of securing and obtaining a free circulating and reference library similar to the library now maintained in the City of Hartford, then I direct that my said Trustee shall utilize said sum of One Hundred Thousand (100,000) Dollars as follows: The sum of between Fifty Thousand (50,000) Dollars and Seventy-five Thousand (75,000) Dollars shall be used by my said Trustee for securing a lot and the erection of a library building, such lot and building to be secured and built by my said Trustee in conference with said Library Association, and to be the property of said Library Association; and the sum of Twenty-five Thousand (25,000) Dollars shall be expended for the purchase of books for said library by my said Trustee, also in conference with said Library Association, said books to be the property of said Library Association; and the remainder of said fund, with any accumulated income, shall be held by my said Trustee and the income therefrom be paid semi-annually, or oftener, to said Library Association for the care and maintenance of the same.

I direct that my said Trustee in holding any funds under this clause or the preceding clause, shall invest the same in the same manner as provided for in the Eighth Clause, Paragraph K, and while holding said fund pending the payment of the same to the Young Men's Christian Association, or the use of the same for The Morton Library Association, I direct that all income shall be accumulated and added to the principal.

**ELEVENTH:** If the conditions set out in the two preceding clauses shall not be met with, and said sum of One Hundred Thousand (100,000) Dollars shall not be paid to said Young Men's Christian Association or used for said The Morton Library Association, then I direct that said sum of One Hundred Thousand (100,000) Dollars, with accumulated interest, shall be disposed of by my said Trustee, as follows:—

A. I direct that the sum of Ten Thousand (10,000) Dollars shall be added to the trust fund hereinbefore provided for in Clause Eighth, Paragraph E, for the Salvation Army of South Manchester, the same to be held under the terms and conditions as set out in said Clause Eight, Paragraph E.

B. I direct that the sum of Ten Thousand (10,000) Dollars shall be added to the trust fund hereinbefore provided for in Clause Eighth, Paragraph C, for the Methodist Church, of Windsorville, Connecticut, the same to be held under the terms and conditions as set out in Clause Eighth, Paragraph C.

C. I direct that the sum of Ten Thousand (10,000) Dollars shall be added to the residue of my estate to be disposed of in the same manner as herein provided for said residue.

D. The remainder of said sum of One Hundred Thousand (100,000) Dollars, I direct shall be held by my said Trustee, and one-third of said income shall be paid to the Young Men's Christian Association of Hartford, Connecticut; one-third to the Newington Home for Crippled Children of Newington, Connecticut; and one-third to the Memorial Hospital of Manchester, Connecticut.

**TWELFTH:** All the rest, residue and remainder of my property, both real and personal of which I may die seized or possessed, or to which or any interest in which I may at the time of my death be entitled, including any property over which I may have power of disposal or appointment at the time of my death, I give, devise and bequeath to The Hartford-Connecticut Trust Company, of Hartford, Connecticut, as Trustee, IN TRUST, for the uses and purposes and with the powers and subject to the provisions and limitations hereinafter set out:—

A. I direct that my said Trustee shall set apart one-third of said residue as a fund for my said wife; and I further provide that my said Trustee shall pay the income from said fund to my wife during her life or as long as she shall remain my widow. Upon the death of my said wife, or upon her remarriage should she remarry, or upon my death should my said wife predecease me, I direct that said fund shall be added to the fund hereinafter provided for my said children and my descendants, and if there be no descendants of mine living upon the death or remarriage of my said wife, or upon my death should my said wife predecease me, I direct that said fund be added to the fund hereinafter provided in sub-section C of this clause for the Manchester Y. M. C. A. or The Mor-

ton Library, The Memorial Hospital of Manchester and the Newington Home for Crippled Children.

B. I direct that my said Trustee shall set apart two-thirds of said residue as a fund for my children, if any, and I direct that my said Trustee shall divide said fund into equal parts counting one equal part for any child of mine that shall survive me and one equal part for the issue as a group of any child that may have predeceased me leaving issue living at my death. I direct that one of said parts shall be held for each of my children surviving me and the income therefrom shall be used by my said Trustee for the care, support and education of such child until such child reaches the age of 25 years when all funds in said part then in the hands of my said Trustee shall be paid, transferred and delivered to such child. If any child should die before reaching the age of 25 years, then I direct that the part set aside for such child shall be divided equally among any children of such child surviving such child; and failing any such children, I direct that such part shall be added equally to the parts of any other children, and if there be no descendants of mine then living, I direct that such part shall be added to the fund hereinafter provided by sub-section C for the Young Men's Christian Association of Manchester or The Morton Library and the Memorial Hospital of Manchester and the Newington Home for Crippled Children. I direct that one of said parts shall be distributed by my Trustee, per stirpes, among the issue of any child of mine that may have predeceased me leaving issue living at my death.

C. If at my death, neither my wife nor any descendants survive me; or if at the death or remarriage of my said wife, no descendants of mine should be living, or if there should be funds in my Trustee's hands under the provisions of sub-section B above and there should be no descendants of mine living at any time, then I direct that the funds in my Trustee's hands shall be used as follows: One-third of the income therefrom shall be paid to the Young Men's Christian Association of Manchester, or to The Morton Library Association of Manchester, whichever institution may take the funds under the provisions of Clauses Ninth and Tenth of this Will; One-third of said income shall be paid to the Memorial Hospital of Manchester, Connecticut; and one-third of said income shall be paid to the Newington Home for Crippled Children. If neither the Young Men's Christian Association of Manchester nor The Morton Memorial Library receive the funds under the provisions of Sections Ninth and Tenth of this Will, then I direct that one-half of said income be paid to said Memorial Hospital of Manchester, and one-half of said income be paid to the Newington Home for Crippled Children. I direct that the income so held and used for charitable purposes under the provisions of this Clause Twelfth shall be known as "The Willie T. Morton Fund."

**THIRTEENTH:** In the event that any of the organizations receiving bequests or income under this Will shall change their names or become amalgamated with other organizations, then it is my will that the organization under such changed name or amalgamation shall be substituted for the original beneficiary provided such substituted beneficiary shall carry on substantially the same work as the beneficiary named herein.

In the event that any organization receiving a bequest or income under this Will should cease to exist, or it should be determined by my said Trustee that it has ceased to carry on substantially the type of work undertaken at the date of my death, then I direct that the fund bequeathed to such organization or held for it shall be held by said Trustee and the income paid to the Young Men's Christian Association of Manchester or The Morton Library Association of Manchester, whichever may receive said One Hundred Thousand Dollar $100,000) fund. If neither said Young Men's Christian Association or said The Morton Library Association receives said One Hundred Thousand Dollar ($100,000) fund, then in such event, I direct that the said funds referred to in the preceding sentence shall be added to the rest and residue of my estate.

**FOURTEENTH:** In the event that any person should contest the validity of this Will in any respect, whether it be one of the beneficiaries named herein or any other person, then as far as I am able to do so, I direct that the cost of such contest shall be borne entirely by the person making the same and that none of his legal expenses be paid from my estate. I authorize and direct my Executor to use every means to maintain the validity of this Will and to use any and all funds necessary for such purpose. If any legatee or devisee under this Will shall take legal steps to prevent the probate of this Will, or any codicil hereto, or shall dispute the same by opposing such Will or codicil in the Probate Court or in any other court, or shall in any way be concerned in contesting the same, then I revoke any legacy or devise to such legatee or devisee and cut off such legatee or devisee from any share or interest in this Will or any codicil thereto; and I direct that said legacy or devise so revoked shall fall into the residue of my estate.

**FIFTEENTH:** I nominate and appoint The Hartford-Connecticut Trust Company, of Hartfrod, Connecticut, to be Executor of this my Last Will and Testament; and I authorize and empower my said Executor to sell any real estate or interest in real estate which I may own at the time of my death except any real estate specifically devised; and I direct that my said Executor and my said Trustee shall not be required to file any bond in this or any other State. I further provide that the legacies under this Will shall not be payable for a period of two years from the date of my death unless my Executor shall determine that the same can be paid previously without the sacrifice or loss by sale of any securities or property in my estate.

SIXTEENTH: I authorize and empower my said Executor and my said Trustee to borrow money at any time on such terms as they respectively approve, and to pledge any securities or property in their respective hands as security for such loan.

IN WITNESS WHEREOF, I have hereunto set my seal and have subscribed these presents, and do make, publish and declare the same as and for and to be my Last Will and Testament in the presence of the witnesses attesting and subscribing the same at my request this 27th day of February, A. D. 1924.

Willie T. Morton (L. S.)

Signed, sealed, published and declared by WILLIE T. ## Trust u/w Grace Robertson

Grace Robertson

BE IT KNOWN TO ALL PERSONS, That I, GRACE ROBERTSON, of the Town of Manchester, in the County of Hartford, in the State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my last Will and Testament, hereby revoking all previous wills and codicils by me made.

ARTICLE I

I direct that all my just debts and funeral expenses be paid by my Executor hereinafter named and to pay from the corpus of my estate all succession taxes, inheritance taxes, penalty taxes and all taxes and charges of like nature.

ARTICLE II

I give to my niece, Marion E. Robertson, my dining room furniture set consisting of chairs, table and sideboard.

ARTICLE III

I give to my niece, Jessie C. Robertson, my bedroom set consisting of bedstead, bureau, chairs and two mirrors. Also my paintings except the one mentioned in Article IV of this instrument.

ARTICLE IV

I give to my niece, Eleanor M. Robertson, my piano, my parlor Davenport and the oil painting owned by me and executed by Charles Warren Eaton.

ARTICLE V

All my other household furniture, furnishings, bric-a-brac, pictures, books and all other articles of like nature, I give to the children of my two brothers, William and Herbert, to be theirs absolutely, and to be divided as they may agree.

ARTICLE VI

I give to each of my nephews and nieces, Five Thousand ($5,000.00) Dollars, absolutely. In case any nephew or niece predeceases me leaving child or children, I give to such child or children the sum which their parent would have taken, had he or she outlived me.

ARTICLE VII

I give to The Manchester Trust Company, a Corporation under the laws of the State of Connecticut, and located in said town of Manchester, the sum of Forty Thousand ($40,000.00) Dollars, in trust, however, to take hold, manage, invest and reinvest, and to pay the net income therefrom to the Trustees of the Manchester Memorial Hospital, a Connecticut corporation, located in said Town of Manchester, to be used for general hospital purposes.

ARTICLE VIII

I give to the said The Manchester Trust Company, Ten Thousand ($10,000.00) Dollars, in trust, however, to hold, manage, invest and reinvest, and to pay the income therefrom to the Trustees of The Manchester Y.M.C.A., or to whatever body, by whatever name,

which has charge of the "White Property" so-called, now occupied by said The Manchester Y.M.C.A.

ARTICLE IX

I give to said The Manchester Trust Company, Ten Thousand ($10,000.00) Dollars, in trust, however, to hold, manage, invest and reinvest, and to pay the income therefrom to whatever person or persons or whatever body, by whatever name, which has charge of the "Playgrounds" provided by my father, John T. Robertson, and located near Edward Street, in said Manchester. Said Playgrounds now stand of record in the name of myself and of my brother, William W. Robertson.

Grace Robertson

The above trust funds included in this Article and in the preceding Article (the benefit of which is given to The Manchester Y.M.C.A. and for said Playgrounds) shall continue so long as the "White Property" so-called and said Playgrounds are made use of for purposes like or similar to the uses now made of them. In case, however, the activities to which each or either is now devoted shall be discontinued in substance and permanently, then I direct that the trust herein created for the benefit of said The Manchester Y.M.C.A., its successors by whatever name, and for the benefit of said Playground, shall cease and be determined and whatever remains of said trust funds, I direct be disbursed as residue of my estate.

ARTICLE X

I give to said The Manchester Trust Company, Ten Thousand ($10,000.00) Dollars in trust, however, to hold, manage, invest and reinvest and to pay the net income therefrom to my aunt, Mrs. Nellie M. Powell, now living at No. 186 Prospect Street, Willimantic, Connecticut, during the term of her natural life. At her death, I direct that said trust cease and be determined, and whatever remains of said trust fund, I direct become a portion of the residue of my estate to be disposed of as hereinafter provided.

ARTICLE XI

I give to said The Manchester Trust Company Five Thousand ($5,000.00) Dollars, in trust, however, to hold, manage, invest and reinvest, and to pay the net income therefrom to the Second Congregational Church of Manchester, Connecticut, a Church Corporation, located in said Manchester, said income to be used by said Church as a part of its apportionment for Home and Foreign Missions.

ARTICLE XII

I give to said The Manchester Trust Company, Five Thousand ($5,000.00) Dollars, in trust, however, to hold, manage, invest and reinvest, and to pay the net income therefrom to the Second Congregational Church of Manchester, Connecticut, a Church Corporation, located in said Manchester, said income to be used by said Church for general purposes.

ARTICLE XIII

I give to The Connecticut Children's Aid Society, a Corporation under the laws of the State of Connecticut, located in Hartford, Connecticut, Five Thousand ($5,000.00) Dollars, absolutely.

-8-

ARTICLE XIV

I give to the Newington Home For Crippled Children, a Connecticut Corporation, located in Newington, Connecticut, Five Thousand ($5,000.00) Dollars, absolutely.

ARTICLE XV

I give to the Thorsby Institute, located at Thorsby, Alabama, One Thousand ($1,000.00) Dollars, absolutely.

ARTICLE XVI

I give to the Connecticut Humane Society, a Connecticut Corporation, incorporated April 14, 1881, having its principal office in Hartford, Connecticut, Five Thousand ($5,000.00) Dollars absolutely.

ARTICLE XVII

I give to said The Manchester Trust Company, Five Thousand ($5,000.00) Dollars, in trust, however, to hold, manage, invest and reinvest and to pay the net income therefrom to the Board of Park Commissioners, of the Town of Manchester, or by whatever name such Park Commissioners may be known, to be expended toward the upkeep and beautifying of public parks in said Manchester.

ARTICLE XVIII

I give to The Manchester Trust Company, Thirty Thousand ($30,000.00) Dollars, in trust, however, to hold, manage, invest and reinvest, and to expend the net income therefrom for the following purposes: One-fourth (1/4) of said net income is to be used for defraying the whole or a portion of the expenses of some worthy girl or girls living in said Manchester in a High School in said Manchester; One-fourth (1/4) of said net income is to be used for defraying the whole or a portion of the expense of some worthy boy or boys, living in said Manchester, in a High School in said Manchester; One-fourth (1/4) of said net income is to be used for defraying the whole or a portion of the expenses of some worthy girl or girls, living in said Manchester, in college; One-fourth (1/4) of said net income is to be used for defraying the whole or a portion of the expense of some worthy boy or boys, living in said Manchester, in college. Designation of the beneficiaries of the funds provided in this Article is to be made by the Board of Education of the Town of Manchester. In the event of change of the official title or designation of the Board of Education, the successor or successors shall succeed to the authority of designation of beneficiaries, meaning hereby to vest such authority with the body having at any particular time the general duties now devolving upon said Board of Education and relating to both grade school and/or high school.

Beneficiaries of this fund must be boys and girls whose parents are unable financially to continue such offspring in school or in college. It shall not be obligatory to expend the whole or any part of the annual income from said fund in any one year; but if there does not appear to be need for immediate use of said income the same may be allowed to accumulate until it becomes advisable to make use of the same.

Grace Robertson

-4-

In determining upon a beneficiary or beneficiaries of the funds provided in this Article, it is my will that preference be given to boys and girls residents of the territory now known as the Eighth School District.

ARTICLE XIX

I give to my brother, Herbert F. Robertson, the sum of Fifty Thousand ($50,000.00) Dollars absolutely.

ARTICLE XX

All the remainder of my property, both real and personal, of whatsoever the same may consist and wheresoever it may be situated, I direct shall be divided into two (2) equal parts. One of said parts I give to my brother Herbert F. Robertson absolutely; the other of said parts I give to the children of my brother, William W. Robertson, to be divided among them, share and share alike.

I nominate and appoint The Manchester Trust Company, its successor or successors, to be the Executor of this my last Will and Testament.

IN WITNESS WHEREOF I have hereunto set my hand and seal at said Manchester, on the 24th day of August, A.D., One Thousand Nine Hundred and Forty.

Unrestricted ART. 7 30207664D

KNOW ALL MEN BY THESE PRESENTS That I, MAYTIE CASE CROWELL, of Highland Park, in the Town of Manchester, County of Hartford and State of Connecticut, being of sound and disposing mind and memory, do make, publish and declare the following to be my last will and testament, hereby revoking all former wills by me made, that is to say:

FIRST: I direct that all my funeral expenses and just debts, except those secured by mortgage on real estate, shall be fully paid and satisfied by my executors hereinafter named.

SECOND: I hereby direct that all legacy, succession, inheritance, transfer and estate taxes levied or assessed upon or with respect to any property which is included as part of my gross estate for the purpose of any such tax, shall be paid by my executors out of my estate in the same manner as an expense of administration, and shall not be prorated nor apportioned among nor charged against the respective devisees, legatees, beneficiaries, transferees or other recipients, nor charged against any property passing or which may have passed to any of them, and that my executors shall not exercise any privilege of reimbursement for any portion of any such tax from any person.

THIRD: I give and bequeath to my niece, Eleanor Case Belden, and Anna C. Sampson, or to the survivor of them in the event that only one of them shall survive me, such of my household furniture and furnishings, including tableware, silverware, books, pictures, ornaments and household stores; my wearing apparel and articles of personal use and adornment, my jewelry including precious stones, and my automobile and all accessories thereto, as they or she may select and shall notify my executors that they desire, such notification to be given to my executors within six months after my death; any remaining articles of personal property which they or she may fail to select, I direct my executors to sell and to add the net proceeds of sale to my residuary estate to be distributed as hereinafter provided. It is my wish that in connection with such sale or sales there be no publicity as to the previous ownership of the tangible personal property to be sold.

I give and bequeath the sum of twenty thousand (20,000) dolla
son, F. Gay Hastings, of Winnetka, Illinois, to be his absolutely
survive me, otherwise I give and bequeath the sum of five thousand
(5,000) dollars to his wife, Miriam Hastings, to be hers absolutely if she shall
survive me, and the remaining fifteen thousand (15,000) dollars (or all of said
sum of twenty thousand (20,000) dollars in the event neither the said F. Gay
Hastings nor Miriam Hastings shall survive me) I give and bequeath to his issue
surviving me in equal shares per stirpes to be theirs absolutely, but if there sh
be no issue of the said F. Gay Hastings surviving me said remaining sum of
fifteen thousand (15,000) dollars (or all of said sum of twenty thousand (20,000)
dollars in the event neither the said F. Gay Hastings nor Miriam Hastings, nor
any issue of theirs, shall survive me, as the case may be) shall be added to the
principal of the trust estate hereinafter established in Article SEVENTH and
administered as a portion thereof.

FIFTH: I give and bequeath the sum of twenty thousand (20,000) dollars
to my foster son, John M. Hastings, of New York City, New York, to be his
absolutely if he shall survive me, otherwise I give and bequeath the sum of five
thousand (5,000) dollars to his wife, Bea Hastings, to be hers absolutely if she
shall survive me, and the remaining fifteen thousand (15,000) dollars (or all of
said sum of twenty thousand (20,000) dollars in the event neither the said John M
Hastings nor Bea Hastings shall survive me) I give and bequeath to his issue
surviving me in equal shares per stirpes to be theirs absolutely; but if there
shall be no issue of the said John M. Hastings surviving me said remaining sum
of fifteen thousand (15,000) dollars (or all of said sum of twenty thousand (20,00
dollars in the event neither the said John M. Hastings nor Bea Hastings, nor
any issue of theirs, shall survive me, as the case may be) shall be added to the
principal of the trust estate hereinafter established in Article SEVENTH and
administered as a portion thereof.

SIXTH: In order to provide a further fund for the perpetuation of the
memorial to my mother, Marietta Stanley Case, in the form of an Austin organ
given by our family to South Methodist Church, in Manchester, Connecticut, in
1925, and in recognition of an additional gift of ten thousand (10,000) dollars in

trust made in 1929 in memory of my brother, Raymond Stanley Case, for the maintenance of said organ and for the support of the musical program of said Church, I give and bequeath the sum of ten thousand (10,000) dollars IN TRUST to The Connecticut Bank and [redacted] banking corporation organized a existing under the laws of [redacted] necticut and located in the Town and County of Hartford, [redacted] its successors in this trust upon the following trusts:

[redacted] power to take, hold, receive, sell, invest and reinvest this trust estate and the proceeds thereof in such investments as would be selected by a prudent investor, and it may also invest in a common trust fund managed by it; and after the payment of administration expenses it shall accumulate the net income as a portion of said trust, and such portion or portions, or all of said fund, may be used by the trustee from time to time, as it in its sole [redacted] may determine after conference with Clifton C. Brainerd of Hartford, Connecticut, during his lifetime and ability to act, and the chief officer for the time being of the Austin Organ Company, of Hartford, Connecticut, if there shall be such an officer, and if not, then after conference with such other person as the trustee in its sole uncontrolled discretion may consider competent to advise it, for the making of major repairs to, or rebuilding of the present or any future organ, in the South Methodist Church, in Manchester, Connecticut, during such time as said church building shall be used for religious purposes.

In the event said church may in the future amalgamate with any other Protestant church or churches, and the Austin organ now in the South Methodist Church shall be used by the amalgamated church, or a new organ for said church shall have been purchased and such new organ shall be used by the amalgamated church, the trust estate and the accumulations thereon may be used for the purpose of making major repairs to, or rebuilding said organ, for use in the amalgamated church; after reserves in such amount as the trustee shall consider adequate shall have been accumulated for the purposes herein specified, income from the trust estate herein provided for organ purposes may be distributed from time to time to the Manchester Memorial Hospital for its general purposes, but

[redacted] said Hospital shall not prevent the trustee from [redacted] for organ purposes. In the event said [redacted] entirely discontinued and shall not amalgamate [redacted], and the members of said Church shall disband, [redacted] disbanding of the members of the amalgamated church, [redacted] cease and terminate and the principal thereof, together with [redacted] undistributed income, shall be added to the principal of the [redacted] hereinafter established in Article SEVENTH and administered as a [redacted]

In the event of any question as to whether said South Methodist Church has amalgamated with any other church or churches, or whether it shall have entirely discontinued its functions and the members of said Church shall be disbanded, the decision and determination of the trustee as to what actually took place shall be binding and conclusive upon all parties hereunder. It is my hope and suggestion that the memorial plate now on said Austin organ shall remain in perpetual [redacted] Marietta Stanley Case.

SEVENTH: I give and bequeath the sum of fifteen thousand (15,000) dollars IN TRUST to said The Connecticut Bank and Trust Company, and to its successors in this trust upon the following trusts:

Said trustee shall have power to take, hold, receive, sell, invest and reinvest this trust estate and the proceeds thereof in such investments as would be selected by a prudent investor, and it may also invest in a common trust fund managed by it; and after the payment of administration expenses it shall pay over the net income therefrom quarterly, or oftener in its discretion, in perpetuity, to The Manchester Memorial Hospital for its general purposes, this gift to be known as the Albert L. Crowell and Maytie Case Crowell Fund.

EIGHTH: I give and bequeath the sum of twenty-five hundred (2500) dollars IN TRUST to said The Connecticut Bank and Trust Company, and to its successors in this trust upon the following trusts:

Said trustee shall have power to take, hold, receive, sell, invest and reinvest this trust estate and the proceeds thereof in such investments as would be selected by a prudent investor, and subject to the payment of administration

expenses, so much of the income shall be used from time to time as in the discretion of the trustee may be needed or desirable to pay the expenses of perpetual care and upkeep of Lot #9A, and the periodical care of the stones thereon, in the East Cemetery, in said Manchester. Any unused income may be added from time to time, in the discretion of the trustee, to principal, or the same may be retained as a reserve for future use.

**NINTH:** In the event that either Sydney W. Strickland, or his wife, Louis Strickland, shall survive me, I give and bequeath the sum of eleven thousand (11,000) dollars IN TRUST to said The Connecticut Bank and Trust Company, and to its successors in this trust upon the following trusts:

Said trustee shall have power to take, hold, receive, sell, invest and reinvest this trust estate and the proceeds thereof in such investments as would be selected by a prudent investor, and it may also invest in a common trust fund managed by it; and after the payment of administration expenses it shall pay the sum of two hundred fifty (250) dollars quarterly to or for the benefit of the said Sydney W. Strickland for and during the remainder of his natural life, or until the principal of the trust estate is exhausted; and upon and after his death in the event that he shall survive me and the principal of the trust estate shall not have been exhausted prior to his death, or upon my death in the event that he shall not survive me, said trustee shall distribute the sum of two hundred fifty (250) dollars quarterly to or for the benefit of his wife, Louisa Strickland, for and during the remainder of her natural life, or until the principal of the trust estate is exhausted; and in the event that the net income payable hereunder shall be less than two hundred fifty (250) dollars in any quarterly period, my trustee is authorized to pay to the then beneficiary of the trust out of the corpus of the trust the difference between such net income and two hundred fifty (250) dollars quarterly.

Subject to said life estates in favor of the said Sydney W. Strickland and Louisa Strickland, the remainder interests in said trust fund shall be added

principal of the trust estate hereinabove established in Article SEVENTH and administered as a portion thereof.

TENTH: I give and devise to my niece, Eleanor Case Belden, the real estate consisting of the land with the dwelling thereon occupied by me as my home, known as 720 Spring Street, Manchester, Connecticut, and the other buildings and improvements thereon, which were acquired by me from my deceased husband's estate, and bounded and described as follows:

Northwesterly by Spring Street, about five hundred six and eight-tenths (506.8) feet; northeasterly by land of the Highland Park Water Company, about six hundred eighty and one one-hundredths (680.01) feet; southerly by the high water mark of the reservoir of Case Brothers; and southwesterly by other property of mine herein devised to Anna C. Sampson, about two hundred eighty-two (282) feet.

I also give and bequeath to my said niece all shares of the capital stock of the Highland Park Water Company owned by me at the time of my death, said real estate and personal property to be hers absolutely.

ELEVENTH: In the event Anna C. Sampson shall survive me, I give, devise and bequeath to her the real estate owned by me in said Manchester known as 712 Spring Street, and bounded and described as follows:

Northwesterly by Spring Street, two hundred eighty-one (281) feet; northeasterly by other land of mine, constituting my home acquired by me from the estate of my deceased husband, Albert L. Crowell; southeasterly by the high water mark of the upper reservoir, so-called, belonging to Case Brothers, Inc.; southwesterly by land now or formerly of said Case Brothers, Inc. Being the same land conveyed to me by deed of A. Willard Case dated October 5, 1916, recorded in Manchester Land Records in Volume 57 at Page 256.

Provided, however, that if the said Sydney W. Strickland and Louisa Strickland, or either of them, shall survive me, I give to them, or to such survivor, the privilege of occupying West Lodge for the period of one year from the date of my death, and during such occupancy my executors shall pay the taxes, insurance premiums and water rents with respect to all of said real estate, and said executors shall also pay for any minor repairs to said property during said period, this privilege in said Sydney W. Strickland and Louisa Strickland, and the survivor of them, of occupying said premises to be a charge upon said real estate.

TWELFTH: All remaining real estate owned by me at the time of my death, including all remainder interests in the premises known as 712 Spring Street, Manchester, Connecticut, in the event the said Anna C. Sampson shall

not survive me, I give, devise and bequeath to my said niece, Eleanor Case Belden, to be hers absolutely.

THIRTEENTH: I give and bequeath the following sums to the following individuals, in each case as an absolute gift to the donee if he or she shall survive me, otherwise said sum shall become a part of my residuary estate to be distributed as hereinafter provided, except as otherwise specifically stated:

(a) Ten thousand (10,000) dollars to Anna C. Sampson;

(b) Twenty-five hundred (2500) dollars to my grandnephew, Richard Case Belden;

(c) Twenty-five hundred (2500) dollars to my grandnephew, Jonathan Cas Belden;

(d) One thousand (1,000) dollars to Brooke R. Hastings, daughter of F. Gay Hastings;

(e) One thousand (1,000) dollars to Thomas Hastings, son of said F. Gay [redacted];

(f) One thousand (1,000) dollars to my cousin, Mabel Stanley Carpenter, of said Manchester;

(g) Five hundred (500) dollars to Richard Carpenter, son of Mabel Stanley Carpenter;

(h) Five hundred (500) dollars to Janet C. Reinhorn, daughter of Mabel Stanley Carpenter;

(i) One thousand (1,000) dollars in equal shares to Chester F. Crowell and Mildred Crowell or all of said sum to the survivor in the event only one of them shall survive me. If neither the said Chester F. Crowell nor Mildred Crowell shall survive me, I give and bequeath said sum of one thousand (1,000) dollars to The Connecticut Bank and Trust Company, Trustee, to be added to the fund provided in Article SEVENTH of this will for the benefit of The Manchester Memorial Hospital;

(j) Five hundred (500) dollars to my cousin, Franklyn C. Parker;

(k) One thousand (1,000) dollars in equal shares to J. Thurston Noe and his wife, Mabel Noe, of South Orange, New Jersey, or all to the survivor of

them in the event that only one of them shall survive me, in appreciation of their thoughtful consideration of Mr. Crowell and me:

(l) Five hundred (500) dollars to Annie M. Ware, of Boston, Massachusetts;

(m) Five hundred (500) dollars to my godson, Richard Whiting Riker, of said Manchester;

(n) An additional gift of Seven thousand (7,000) dollars to the said Anna C. Sampson, in appreciation of her kindness and in part consideration for using her own automobile for transporting me to various places during our last years together.

**FOURTEENTH:** All of the rest, residue and remainder of my estate of whatsoever nature both real and personal and wheresoever situate, including any and all lapsed legacies and devises, I give, devise and bequeath as follows:

(a) One-fifth thereof to my said niece, Eleanor Case Belden, to be hers absolutely if she shall survive me, but if she shall not survive me, then to her issue surviving me, in equal shares per stirpes, to be their's absolutely. I make no further provision for my said niece, other than as also provided in other sections of this will, in view of the fact that she received from me the sum of ten thousand (10,000) dollars in the year 1940.

(b) One-fifth thereof to the said Anna C. Sampson to be hers absolutely if she shall survive me, but if she shall not survive me said one-fifth portion shall be added to the principal of the trust estate hereinabove in Article SEVENTH constituted for the benefit of The Manchester Memorial Hospital, and administered as a portion thereof.

(c) One-fifth thereof to the said F. Gay Hastings to be his absolutely if he shall survive me, otherwise to his issue surviving me in equal shares per stirpes, to be theirs absolutely, but if he shall leave no issue surviving me then said one-fifth portion shall be added to the principal of the trust estate hereinabove in Article SEVENTH constituted for the benefit of The Manchester Memorial Hospital, and administered as a portion thereof.

(d) One-fifth thereof to the said John M. Hastings to be his absolutely if he shall survive me, otherwise to his issue surviving me in equal shares per stirpes, to be theirs absolutely, but if he shall leave no issue surviving me then

[redacted] portion shall be added to the principal of the trust estate herein- [redacted] in Article SEVENTH constituted for the benefit of The Manchester Memor [redacted]ospital, and administered as a portion thereof.

(e) One-fifth thereof to be added to the principal of the trust estate hereinabove in Article SEVENTH constituted for the benefit of The Manchester Memo Hospital, and administered as a portion thereof.

FIFTEENTH: I hereby nominate, constitute and appoint said The Connecticut Bank and Trust Company and L. Richard Belden, of West Hartford, Connecticut, to be the executors of this my last will and testament, and I hereby excuse the said L. Richard Belden from giving any probate bond or bonds in whatever connection and for whatever purpose, including qualification in such capacity and sale of real estate.

I authorize and empower my said executors to make the division of the residue of my estate and to determine of what each of said portions shall consist whether cash and/or securities and/or other property and the respective valuations thereof, and the determination and division so made by said executors shal be final and conclusive upon all the residuary legatees and devisees.

I authorize and empower my said executors to sell and convey any real estate which I may own at the time of my death at such time or times, and upon such terms and conditions whether for all cash, or part cash and part credit secured by mortgage, as they may deem to be for the best interests of my estate, except that the real estate hereinabove specifically devised shall not be sold without the consent of the specific devisee as evidenced by his or her joining in the deed of conveyance.

I also authorize and empower my said trustee in each instance to receive and accept from my said executors on account of the gift to it establishing such trust, any property, real or personal, comprising my estate which said trustee in its discretion shall elect to take over from my said executors at its reasonable value at the time of such transfer, such value to be fixed by said executors and trustee.

Subject to approval of the Probate Court, the trustee shall be entitled reasonable compensation for administering the above trusts, and is hereby au zed and empowered, in its sole uncontrolled discretion, to pay its compensat for administering the trusts either out of the income from the trust estate or of the principal thereof, or to apportion and pay its said compensation partly out of income and partly out of principal of the trust estate, and the judgment the trustee as to the manner of paying its said compensation either out of the income or out of the principal, or in apportioning the same partly out of each shall be final and conclusive upon all persons and parties in interest hereunde

In making any division or distribution of the principal of the trusts abo provided for, the trustee shall have full power, authority and discretion to make such division or distribution, and to employ for that purpose cash, secu or other property of whatever nature and in whatever proporti it may deem appropriate; and the judgment of the trustee as to the value and nature of the property so to be divided, apportioned or paid over shall be final.

I direct my executors to pay to the Connecticut General Life Insurance Company of Hartford, Connecticut, for the account of the said Sydney W. Strickland, such sum of money as shall be necessary to cause Policy #434794 issued the life of the said Sydney W. Strickland by said company to be a fully paid up life insurance policy, such funds to be taken from my residuary estate, provid however, that this provision shall not be construed to authorize or direct my executors to repay any loan made against said policy, which loan shall be repaic by the insured.

I authorize and direct my executors to pay to Sydney W. Strickland if he shall survive me otherwise to his wife, Louisa, if she shall survive me the sum of two hundred fifty (250) dollars quarterly commencing as of the date of m death and continuing until the trust provided for their benefit in Article NINTH of my will shall be set up and the income therefrom be made available for them and the payments made under this provision shall be from the residue of my estate.

K N O W  A L L  M E N  B Y  T H E S E  P R E S E N T S:

THAT I, ANDREW FERGUSON, of the Town of Manchester, County of Hartford and State of Connecticut, do hereby make, publish and declare this to be as and for my last will and testament, hereby revoking all former wills, testaments and codicils heretofore by me made.

FIRST: I direct my executor hereinafter named to pay all my just debts (except that the payment of any mortgage indebtedness shall be in the discretion of my said executor) and funeral expenses and all the expenses of settlement of my estate; and to pay as an administration expense all inheritance, succession, transfer and death taxes imposed by this or any other state, or by the United States, or by any foreign country, upon or with respect to any property required to be included in my gross estate for the purpose of computation of any such tax, without recovery or reimbursement either from the holders of any such property or from any legatee or devisee under this will.

SECOND: I direct my executor hereinafter named to cause a monument to be erected over my grave in the Wright Lot in East Cemetery in Manchester as nearly like the stone which is at my wife's grave as is possible. I further direct my executor to pay such sum to said cemetery as may be required to provide perpetual care for said lot.

THIRD: I give, devise and bequeath my home at 19 Brookfield Street, Manchester, Connecticut, together with the lot upon which the same stands and all furniture and furnishings therein contained to SOUTH METHODIST EPISCOPAL CHURCH, of Manchester, for its general uses and purposes.

FOURTH: I give and bequeath to my sister, MARGARET KEYES, of said Manchester, the sum of Two Thousand Five Hundred

COPY

Dollars ($2,500) absolutely, if she shall survive me. In the event that she shall predecease me, the same shall become part of the residue of my estate.

FIFTH: I give and bequeath to my sister, ANNIE E. LAILEY, of Norwood, Massachusetts, the sum of Two Thousand Five Hundred Dollars ($2,500) absolutely, if she shall survive me. In the event that she shall predecease me, the same shall become part of the residue of my estate.

SIXTH: I give and bequeath to my nephews THOMAS F. FERGUSON and WALTER R. FERGUSON, of Manchester, the sum of Two Thousand Five Hundred Dollars ($2,500) each, absolutely.

SEVENTH: I give and bequeath the sum of One Thousand Dollars ($1,000) to each of the following named persons absolutely, viz:

GRACE B. ABORN, of Crystal Lake, Connecticut

EDITH DWYER, of Manchester, Connecticut

RAYMOND H. HARTZ, of Hartford, Connecticut

ANNIE I. SMITH, of Manchester, Connecticut

EIGHTH: I give and bequeath the sum of Five Hundred Dollars ($500) to each of the following named persons absolutely, viz:

RAYMOND R. BROWN, of Arlington, Vermont

MERRILL ROSIER, of Hartford, Connecticut

DAVID SOLLY, of West Hartford, Connecticut

ALBERT W. SPRAGUE, of Wethersfield, Connecticut

NINTH: I give and bequeath the sum of Five Thousand Dollars ($5,000) to THE NEWINGTON HOME AND HOSPITAL FOR CRIPPLED CHILDREN, an eleemosynary corporation of Connecticut for its general uses and purposes.

TENTH: I give and bequeath to each of the following named religious corporations for their general uses and purposes

the sums set after their respective names, viz:

| | |
|---|---|
| SOUTH METHODIST EPISCOPAL CHURCH OF MANCHESTER | $5,000.00 |
| CENTER CONGREGATIONAL CHURCH OF MANCHESTER | 5,000.00 |
| ST. MARY'S EPISCOPAL CHURCH OF MANCHESTER | 5,000.00 |
| TALCOTTVILLE CONGREGATIONAL CHURCH OF TALCOTTVILLE | 5,000.00 |
| UNITED METHODIST CHURCH OF BOLTON | 1,000.00 |
| VERNON METHODIST CHURCH OF VERNON | 1,000.00 |

ELEVENTH: All the rest, residue and remainder of my estate of every name and nature, both real and personal, including any lapsed or void legacies and devises, I give, devise and bequeath to THE CONNECTICUT BANK AND TRUST COMPANY, absolutely and in fee simple, BUT IN TRUST, NEVERTHELESS, to be held as a permanent fund ~~in memory of ANDREW and ANN FERGUSON~~, for the benefit of MANCHESTER MEMORIAL HOSPITAL, of Manchester, Connecticut, and the net income therefrom, after the payment of all necessary expenses, including reasonable compensation to my said trustee, to be paid not less often than quarterly to said Manchester Memorial Hospital, for its general uses and purposes.

TWELFTH: During the continuance of the trust herein created, I authorize my said trustee to retain, sell, convey and transfer real and personal estate, and to invest and reinvest in any securities (including common stocks and any common trust fund held by the trustee) or property that it in its sole discretion may deem proper, without regard to laws governing the investment of trust funds and to determine and vary from time to time the proportion of the trust to be invested in evidences of debt and the proportion thereof in equities or other property; to exercise any right or option of subscription or otherwise attached to or which at any time may belong or be given to the holders of any stocks, bonds, securities or other instruments in the nature

thereof forming part of the trust estate; to give proxies to vote shares of stock in any corporation at any time held in said estate; to unite with other owners of property or securities similar to any which may be held at any time in the trust estate to carry out any plan for the consolidation, merger, dissolution, liquidation, foreclosure, lease or sale of the property of any corporation, company or association, the securities of which may form a portion of the trust, or the incorporation, reincorporation or reorganization thereof, or the readjustment of the capital or financial structure thereof; to deposit any such securities in accordance with such plan; and to pay any assessments, expenses and sums of money which it shall deem expedient, or which may be required, with reference to any such plan; to register and hold securities or other property in the name of a nominee provided such nominee is the nominee of a corporate trustee hereunder or in the name of The Connecticut Bank and Trust Company as trustee, without further designation, or individually, without any words indicating its fiduciary capacity, without liability other than for any loss which may result from such securities or other property being registered or held in such manner instead of in its name as trustee of this trust; to borrow money and to mortgage, pledge or hypothecate any real or personal property in any trust as security therefor; to abandon, adjust, arbitrate, compromise and otherwise deal with and settle claims in favor of or against the trust estate; and to determine what receipts shall be deemed to be principal and what shall be income and what disbursements shall be charged to each and in what proportions.

THIRTEENTH: I hereby constitute and appoint said THE CONNECTICUT BANK AND TRUST COMPANY to be executor of this my will with power of sale of real and personal property and to borrow money and to mortgage, pledge or hypothecate any real or personal

property in my estate as security therefor and to abandon, adjust, arbitrate, compromise and otherwise deal with and settle claims in favor of or against the estate as it shall deem best. I authorize my executor to pay any pecuniary amounts in property or securities at its own valuations or to pay the same partly in property and partly in cash. I further authorize my said executor to exercise the same powers with reference to control, management and disposition, whether acting as executor or as trustee.

IN WITNESS WHEREOF, I have hereunto set my hand and seal at Hartford, Connecticut, this 4th day of April, A. D. 1961.

RECORD COPY [redacted] Rogers Fund

KNOW ALL MEN BY THESE PRESENTS, That I, GERTRUDE H. ROGERS, of South Manchester, in the Town of Manchester, County of Hartford and State of Connecticut, being of sound and disposing mind and memory, do make, publish and declare the following to be my last will and testament, hereby revoking all former wills by me made, that is to say:

FIRST: I desire and direct the payment of all my just debts and funeral expenses; and I further direct that a small headstone like the others on my family lot shall be erected over my grave and that the family monument shall be suitably marked to record my death.

SECOND: I direct that all succession, inheritance, legacy, and transfer taxes on any gift under this will shall be paid by my executors and charged and allowed as an item of expense of administration.

THIRD: I give to the Town of Manchester the sum of Two Hundred Dollars ($200), the same to be held in trust and to expend the income therefrom, and that only, in the care and maintenance of the burial lot in the Center Burying Ground where my parents and brother are buried.

FOURTH: I give all my wearing apparel, jewelry and articles of personal use and adornment to my friend, Helen G. Chapman, of South Manchester, absolutely and without imposing any trust. It is my desire that she shall keep, give, sell or otherwise dispose of the same in accordance with my wishes should the same be expressed in a memorandum or letter addressed to her;, or, should there be no such memorandum or letter, in accordance with my wishes as she may know them to be or as it may seem best to her.

FIFTH: All the rest, residue and remainder of my estate, of whatever nature, real and personal and wherever situated, I give, devise and bequeath IN TRUST to the Phoenix State Bank and

Trust Company, a corporation located in Hartford, Connecticut, and Robert S. Merris, of West Hartford, Connecticut, and to their successors in this trust, upon the following trusts;

Said trustees shall have the power to hold or to sell any and all of my estate, real and personal, and to invest and reinvest the proceeds from time to time, without being limited to so-called trust investments. I definitely mean by this that the proceeds may be invested and reinvested in securities of that type commonly known as "business men's risks" or better. After paying all expenses and prior charges connected with my estate, I direct that the net income shall be held, used and applied for the following purposes:

As a first charge against said income I direct that said trustees shall pay to Alice Hewitt, if she shall be in my employ at the time of my death, the sum of One Hundred Dollars ($100) each month during the remainder of her life in recognition of long, thoughtful and generous service to me.

Until the death of said Alice Hewitt the balance of the net income each year and after the death of said Alice Hewitt the entire net income shall be held, used and applied for the benefit of the Manchester Memorial Hospital, a charitable corporation located in said Manchester, for which this fund shall be held as a charitable use in perpetuity, subject to the following limitations: First I direct that the net income from this fund shall be used and applied for the support and development of that department of said Hospital which shall be devoted to the medical or pathological service of that Hospital, and more specifically to its research and laboratory work, that is, any investigation towards the alleviation of illness, including payment of salaries of an adequate staff, and the installation and maintenance of proper equipment, to enable that hospital to furnish complete laboratory service of this kind to the staff of that Hospital and to the physicians of the Town of Manchester for their patients of that town, whether they are then patients of that Hospital or not. Accordingly, I direct that the net income each year shall only be disbursed to

the said Hospital upon a budget for this department submitted by the Hospital to the trustees under this will and approved in writing by two competent physicians, to be chosen as follows: //

In the first instance such budget shall be submitted to and approved in writing by Dr. Isaac W.Kingsbury, of Hartford, and Dr. Howard Boyd, of Manchester. If either of them shall not be living or shall decline, or shall later die or cease to act, the other of the two shall appoint another competent physician to act with him, and thereafter in case of death, resignation or other failure to act, in each case the remaining member shall appoint another competent physician to act with him from time to time, each such appointment to be in writing filed with the trustees under this will. In case for any reason this method of appoint - ment of the two physicians who shall approve such budget shall fail, the trustees under this will are hereby empowered and directed to appoint two competent physicians who, upon accepting the appointment, shall have all the powers herein given the two physicians named by me and their successors, and said physicians are hereby authorized and directed to pass upon the budget submitted by the Hospital authorities for the department herein provided for, and said two physicians, whether appointed by either of the methods herein indicated, shall have absolute control over the expenditure of the budget approved by them. If either of said two physicians after appointment by said trustees and acceptance of the position shall later die or cease to act, the other of the two is authorized to appoint another competent physician to act with him, and thereafter succession shall be provided for as hereinbefore provided in the case of the successors to the physicians originally named.

Furthermore, I direct that in connection with the submission of a budget the Hospital shall also submit annually or oftener to the trustees under this will written accounts showing how the moneys paid by the trustees in the preceding period in accordance with the approved budget have been expended.

I further direct that in each annual report to the Probate

Court covering the administration of this trust the trustee shall indicate the names of the physicians who have approved the budget for that year. My purpose in creating these limitations and conditions is to keep this fund a living force in building up the quality of medical service in that Hospital and in that community, through the establishment of a highly competent technical service in research and laboratory work.

If at any time the trustees of my estate shall be satisfied, after conferring with the disinterested physicians whose duty it shall then be to approve the budget as above provided, that The Manchester Memorial Hospital is not devoting said funds to the purposes for which the gift is made, or is not maintaining as adequate and competent a research and laboratory staff and department as the available income will permit, said trustees shall notify the Manchester Memorial Hospital to that effect and if the failure is not corrected within a reasonable time said trustees may terminate the right of The Manchester Memorial Hospital to receive further funds under this will and thereafter said trustees may apply the income of said fund for similar purposes at the Hartford Hospital, in Hartford, Connecticut.

I further direct that there shall always be two trustees of this residuary estate, one of whom shall be a trust company or a national bank located in Hartford County and the other of whom shall be an individual resident in that County who shall be experienced in matters relating to the investment of trust funds and not connected with the Bank which is the co-trustee.

In case of any vacancy in the office of the corporate trustee the individual trustee then in office shall nominate the successor corporate trustee subject to the approval of the Court of Probate for the District of Manchester, and in case of any vacancy in the office of the individual trustee the Board of Directors of the corporate trustee shall nominate the individual trustee, subject to the approval of the Judge of Probate for the District of Manchester.

I hereby excuse said Robert S. Morris and any successor

individual trustee who shall be appointed in accordance with the foregoing provisions from giving any probate bonds as such trustee.

SIXTH: In making the foregoing disposition of my property I am conscious of the fact that I have no near relatives who are in any way entitled to look to me for support or who have any legal, moral or equitable claim upon me, and I am actuated by the desire to dispose of my estate in such a way that it shall be a permanent and substantial benefit to the people of the Town of Manchester and vicinity.

SEVENTH: I nominate and appoint my friend, George H. Pitney, of the Town of Manchester, and said Phoenix State Bank and Trust Company to be the executors of this will and, so far as I am able, I hereby excuse them and each of them from giving any probate bonds as such executors, and I authorize and empower them as such executors to sell and convey any real estate of which I may die seized.

In case said George H. Pitney shall not qualify or later shall be unable to act as executor or shall resign, I nominate and appoint said Robert S. Morris to be the executor with the Bank in his stead and with the same powers. So far as I am able, I also excuse said Robert S. Morris from giving any probate bonds as such executor.

I request that my executors will confer with my friends, Helen C. Chapman and Mary O. Chapman, or the survivor, as to the disposal of my household furniture and furnishings, including rugs, carpets, draperies, pictures, paintings, ornaments, silverware and books, and I accordingly direct my executors to give such articles to such person or persons as said Helen C. Chapman and Mary O. Chapman, or the survivor, shall designate and appoint, or in their discretion to sell such articles, as they may deem best.

IN WITNESS WHEREOF, I have hereunto set my hand and seal,

declaring this to be my last will and testament, this 13th day of July, 1937.

KNOW ALL MEN BY THESE PRESENTS, That I, GERTRUDE H. ROGERS, of Manchester, Connecticut being of sound and disposing mind and memory, do make, publish and declare the following to be a second codicil to my last will and testament dated July 13, 1937, as modified by a first codicil thereto dated October 11, 1939, that is to say:

FIRST: Desiring to be more specific in the provisions as to the expenditure of income of the residuary trust for the benefit of The Manchester Memorial Hospital, I hereby revoke that portion of the Fifth article of my said will (which gives the residue in trust principally for the benefit of The Manchester Memorial Hospital) as is contained in the fifth paragraph thereof, which fifth paragraph begins with the words "I direct that the net income from this fund shall be used" and ends with the words "approved in writing by two competent physicians, to be chosen as follows:", and, in lieu thereof, I provide as follows, the substituted provision to be inserted in the original will in the same position so that it will be followed immediately by the provisions in the original will for the choice of competent physicians, viz:

"I direct that the net income from this fund shall not be used and applied towards meeting the general running expenses of said Hospital or of its laboratory which would be incurred in the ordinary operation of that Hospital, but that such net income shall be used and applied only for the development and support of research and laboratory work to be maintained by the medical and pathological service of that Hospital, particularly for investigation towards the alleviation of illness, including payment of salaries of an adequate staff and the installation and maintenance of proper equipment, to enable that Hospital to furnish, for a fee, in each case within the means of the patient, complete laboratory service of this kind to the staff of that Hospital and to the physicians of the Town of Manchester for

their patients of that town, whether they are then patients of that Hospital or not, - it being my intention that the income of this Fund shall be used only for specialized technical work, and accordingly I direct that the net income each year shall only be disbursed within the foregoing limitations to the said Hospital upon a budget for this department submitted by the Hospital to the Trustees under this will and approved in writing by two competent physicians, to be chosen as follows:"

SECOND: Except as altered hereby, I hereby reaffirm and republish my said will dated July 13, 1937, as modified by the first codicil thereto dated October 11, 1939.

IN WITNESS WHEREOF, I have hereunto set my hand and seal, this 21st day of October 1940, declaring this to be a second codicil to my last will and testament dated July 13, 1937.

# LAST WILL AND TESTAMENT

I, LAURENCE M. DILLON, of the Town of Vernon, County of Tolland and State of Connecticut, being of lawful age, of sound and disposing mind, memory and judgment, do hereby make, publish and declare this to be my last Will and Testament, hereby revoking all previous wills and codicils by me made.

1. I authorize and direct my Executor to purchase and place a footstone upon my grave, within one year after my death, which shall be appropriately inscribed with my date of birth, i.e. September 10, 1874, and date of death.

2. I direct that my Executor pay out of my residuary estate, without apportionment, all estate, inheritance and like taxes imposed by the government of the United States, or any state or territory thereof, in respect of all property required to be included in my gross estate for estate or like tax purposes by any of such governments, whether the property passes under this Will or otherwise, without contribution by any recipient of any such property.

3. No interest shall be paid on any general pecuniary legacy in my Will.

4. I give and bequeath to ANNA L. DEVLIN, of 91 Union Street, Rockville, Connecticut, if she shall survive me, the sum of FIVE HUNDRED ($500) DOLLARS, absolutely.

5. I give and bequeath all the books in my residence at 22 Davis Avenue, Rockville, Connecticut, to the ROCKVILLE HIGH SCHOOL LIBRARY, Loveland Hill, in the Town of Vernon, Connecticut, absolutely.

6. I give and bequeath to my cousin AGNES M SMITH, now living in the Fairfax Apartments, 43rd and Locusts Streets, Philadelphia, Pennsylvania, the picture of my grandfather John Hagan and grandmother Sarah Hagan, located in the sitting room of my home, and the heavily plated antique silver tea set, absolutely.

7. I give and bequeath all my personal clothing to ST. BERNARD'S SOCIETY, INC., of Rockville, Connecticut, absolutely.

8. I direct my Executor to sell my real estate located at 22 Davis Avenue, Rockville, Connecticut, as soon after my decease as may be practicable, and I give and bequeath the proceeds of such sale to my Trustee, herein named, IN TRUST, NEVERTHELESS, as part of the trust corpus, for the uses and purposes hereinafter provided.

9. I hereby give, devise and bequeath all the rest, residue and remainder of my estate, both real and personal, of whatsoever kind or character, including lapsed legacies and devises, and wheresoever situated, to THE CONNECTICUT BANK AND TRUST COMPANY, Hartford, Connecticut, as Trustee. Said Trustee shall hold, manage and control all of the aforesaid property as a trust estate, with all the rights and powers, and subject to the limitations, hereinafter enumerated, for the following uses and purposes:-

A. The Trustee shall collect the income from the property comprising the trust estate, pay all taxes and incidental expenses of the trust, and pay all the net annual income derived therefrom, in monthly or other convenient installments, to or for the benefit of my said cousin, AGNES M. SMITH, so long as she shall live.

1) I hereby authorize and empower the Trustee to disburse from the principal of the trust herein created such amounts as it, in its sole discre-

tion, may deem advisable, to provide adequately and properly for any extraordinary expense my said cousin may be put to by reason of illness or disability.

B. Upon the death of my said cousin, or if she shall not survive me, the Trustee shall divide the corpus of the trust estate into two (2) equal parts, IN TRUST, NEVERTHELESS, for the following uses and purposes:-

1) One of said parts, so divided, shall be set apart for the benefit of the ROCKVILLE CITY HOSPITAL, Rockville, Connecticut, its successors or assigns, in perpetuity, and the Trustee shall pay to it, or its successors or assigns, all of the net annual income derived from its said particular fund, in annual or other convenient installments. It is my wish that said fund be named the EMMA DILLON ROCKVILLE CITY HOSPITAL FUND in memorial of my beloved mother. Said net income shall be used for such general purposes as its governing board shall deem proper, and at its discretion.

2) The remaining second part, so divided, shall be set apart for the benefit of ST. BERNARD'S SOCIETY, INC. of Rockville, Connecticut, its successors or assigns, and the Trustee shall pay to it, or its successors or assigns, all of the net annual income derived therefrom, in annual or other convenient installments for a term of fifty (50) years from the date of my death, when the remaining net corpus and accretions, if any, shall be distributed to ST. BERNARD'S SOCIETY, INC., outright and free of trust, to be used for such charitable, religious or educational purposes as its governing authority may deem proper. It is my wish that this fund be named the EMMA DILLON CHARITY FUND in memorial of my beloved mother. In the event any or all of the net income of this trust directed to be distributed to said ST. BERNARD'S SOCIETY, INC. is not distributable to said Society for a period of fifty (50) years from the date of my death for any reason, including a disclaimer by said income beneficiary, the net income of this second part shall be distributed to the ROCKVILLE CITY HOSPITAL,

Rockville, Connecticut, its successors or assigns, until fifty (50) years from the date of my death, when the remaining net corpus and accretions of said remaining second part shall be paid over absolutely to said ST. BERNARD'S SOCIETY, INC., its successors or assigns.

10. I authorize my Executor and also my Trustee (including any substitute or successor personal representative or Trustee) in its discretion, with respect to all property, real and personal, at any time forming part of my estate or any trust, without limitation by reason of enumeration and in addition to powers conferred by law, to:

A. To compromise, settle, or adjust any claim or demand by or against my estate or any trust and to agree to any rescission or modification of any contract or agreement.

B. To retain any security or other property owned by me at the time of my death, so long as such retention appears advisable, to exchange any such security or property for other securities or properties and to retain such items received in exchange. I have confidence in the securities owned by me at the time of my death and no sale thereof shall be made solely in order to diversify investments.

C. To sell, exchange, assign, transfer and convey any security or property, real or personal, held in my estate or in any trust fund, at public or private sale, at such time and price and upon such terms and conditions (including credit) as it may determine.

D. To invest and reinvest in such stocks, bonds and other securities and properties as it may deem advisable including stocks and unsecured obligations, undivided interests, interests in investment trusts, mutual funds, common trust funds, and leases, all without diversification as to kind or amount without being restricted in any way by any statute or court decision (now or hereafter existing) regulating or limiting investments by fiduciaries.

E. To register and carry any property in its own name or in the name

of its nominee or to hold it unregistered, but without hereby increasing or decreasing its liability as fiduciary.

F. To sell or exercise any "rights" issued on any securities held in my estate or in any trust fund hereunder.

G. To consider and treat as corpus all dividends payable in stock, all dividends in liquidation and all "rights" issued on securities; and to consider and treat as income all other dividends received (except those declared and payable as of a "record date" preceding my death, which shall be considered and treated as corpus).

H. To charge or credit to corpus any premiums and discounts on securities purchased at more or less than par.

I. To vote in person or by proxy any stock or securities held, and to grant such proxies and powers of attorney to such person or persons as it may deem proper.

J. To consent to and participate in any plan for the liquidation, reorganization, consolidation or merger of any corporation, any security of which is held.

K. To borrow money (from itself individually or from others) upon such terms and conditions as it may determine and to mortgage and pledge estate and trust assets as security for the repayment thereof.

L. Whenever required or permitted to divide and distribute my estate or any trust created hereunder to make such division or distribution in money or in kind or partly in money and partly in kind; and to exercise all power herein conferred, after the termination of any trust until the same is fully distributed.

M. To employ accountants, attorneys and such agents as it may deem advisable; to pay reasonable compensation for their services and to charge same to (or apportion same between) income and principal as it may deem proper.

N. To hold two or more trusts or other funds in one or more consolidated

funds, in which the separate trusts or funds shall have undivided interests.

11. I appoint THE CONNECTICUT BANK AND TRUST COMPANY, Hartford, Connecticut, to be the Executor of this my Will and Trustee of all trusts created hereunder.

IN WITNESS WHEREOF, I have hereunto set my hand and seal at Rockville, Connecticut, on the 5th day of February 1964.
